ITEM 7.01 REGULATION FD DISCLOSURE

As required under the Amended and Restated Credit Agreement, dated August 24, 2010, as amended, among Toys “R” Us Delaware, Inc. (“Toys Delaware”), Bank of America, N.A., as administrative agent and collateral agent, the lenders and other parties thereto, Toys Delaware obtained an appraisal from Cushman & Wakefield on a portfolio of 103 properties, which included 88 ground leased locations and 15 owned locations (including four distribution centers). Cushman & Wakefield performed appraisals estimating the value of such real property based on the premise that the properties are leased at market rent as of the date of value (September 1, 2016). The aggregate appraised value of the real property was estimated at approximately \$568 million.

An appraisal is only an estimate of value, as of the date stated in the appraisal. It is subject to various assumptions and limiting conditions and qualifications, any or all of which may have influenced the valuation. Changes since the date of the appraisal, whether in external and market factors or in the property itself can significantly affect the value. As an estimate, the appraisal is not necessarily a measure of realizable value and may not reflect the amount which would be received if the property were sold.

The information contained under Item 7.01 in this Current Report on Form 8-K is being furnished and, as a result, such information shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
