Item 5. Other Events.

As previously scheduled and reported, the foreclosure sale involving the assets of Azul Holdings Inc. arising out of the uncured default of the Company's \$15,764,469 indebtedness to Tudor Trust was completed today. At the foreclosure sale Tudor Trust purchased all of the assets of the Company for \$6,980,000 of principal indebtedness. The assets purchased at the foreclosure sale were principally composed of the common stock of Xyvision Enterprise Solutions, Inc., an independent company which is not indebted to either Azul Holdings or Tudor Trust. Tudor Trust has also been a shareholder of Xyvision Enterprise Solutions and accordingly the purchase of its stock from Azul Holdings will increase its ownership. The change of ownership of the Xyvision Enterprise Solutions stock will not affect that company or its business.

Despite the Company's communications with a number of persons and entities believed to have possible interest in its assets, there were no other bidders at the foreclosure sale and the Company had been unsuccessful over the past sixty days, since being notified of the default and the prospective foreclosure, in developing alternatives for resolving the Tudor Trust indebtedness. The amount paid by Tudor Trust for the assets was based upon third party transactions and evaluations of the assets which were purchased at the foreclosure sale. Tudor Trust has advised the Company that if it can obtain a bid for the assets sold at the foreclosure sale by January 16, 2002 which is

higher than the amount paid by Tudor Trust, Tudor Trust will reconvene the foreclosure sale in order to receive such bid and in order to possibly increase the amount bid by Tudor Trust.
