Properties as the successor equity security to the limited partnership interests of the Partnership, under Section 12(g) of the Act.

Item 5. Other Events

The Merger

On January 1, 2002, Franklin Street Partners Limited Partnership (the "Partnership") merged (the "Merger") with and into Franklin Street Properties Corp., a Maryland corporation and wholly-owned subsidiary of the Partnership ("FS Properties"), with FS Properties being the surviving corporation. Pursuant to the Merger, the Partnership ceased to exist, and each unit of both general and limited partnership interests in the Partnership was converted into one share of common stock, \$.0001 par value per share (the "Common Stock") of FS Properties. Accordingly, the pro rata ownership interests in FS Properties are the same as those in the former Partnership. The Merger was approved by at least a majority of the outstanding limited partnership interests pursuant to a consent solicitation. FS Properties intends to qualify as a real estate investment trust (the "REIT").

This Form 8-K is being filed by FS Properties as a successor issuer as required by paragraph (f) of Rule 12g-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Upon the effective time of the Merger on January 1, 2002, the Common Stock was deemed registered under Section 12(g) of the Exchange Act.

Description of Stock

The authorized capital stock of FS Properties consists of 180,000,000 shares of Common Stock and 20,000,000 shares of preferred stock, par value \$.0001 per share (the "Preferred Stock"). Upon the Merger, there are 24,586,249 shares of Common Stock issued and outstanding, and no shares of Preferred Stock issued and outstanding. The following is a summary of material terms and provisions of FS Properties' capital stock. Because it is a summary, it does not purport to be complete and is qualified by reference to FS Properties' Articles of Incorporation and Bylaws which are filed as exhibits to this Form 8-K.

Each outstanding share of Common Stock entitles the holder thereof to one vote on all matters submitted to a vote of stockholders. There is no cumulative voting in the election of directors. Holders of shares of Common Stock have no conversion, sinking fund or preemptive rights to subscribe for any securities of FS Properties. Shares of Common Stock have equal dividend, distribution, liquidation and other rights and have no preference or exchange rights.

The Board of Directors of FS Properties may authorize from time to time, without further action by the stockholders, the issuance of shares of Preferred Stock in one or more separately designated classes. The Board may set the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms and conditions of redemption of the shares of each class of Preferred Stock.

In order for FS Properties to maintain its qualification as a REIT, among other things, not more than 50% in value of its outstanding shares of Common Stock and Preferred Stock may be owned, directly or indirectly, by five or fewer individuals. The Articles of Incorporation of FS Properties provide that holders of Common Stock and Preferred Stock, collectively, cannot beneficially or constructively own more than 9.8% of the number of shares or value of the outstanding equity securities of FS Properties and that no stockholder will be able to transfer or acquire shares that would result in the outstanding equity shares of FS Properties being beneficially owned by fewer than 100 persons.

Edgar Filing: FRANKLIN STREET PARTNERS LP - Form 8-K

The Articles of Incorporation also provide that on an annual basis FS Properties will use its best efforts to redeem any shares of Common Stock from holders who desire to sell them. The purchase price paid

by FS Properties will be 90% of the fair market value of the shares purchased, as determined by the Board in its sole and absolute discretion after consultation with an adviser selected by the Board. FS Properties has no obligation to redeem shares of Common Stock during any period that the Common Stock is listed for trading on a national securities exchange or the Nasdaq National Market System.
