The Registrant is unable to file its Annual Report on Form 10-K for the year ended December 31, 2008 within the prescribed time period because of unanticipated delays in the collection of certain final agreement amendments and the completion of the Company's impairment analysis in accordance with SFAS No. 142, "Goodwill and Other Intangible Assets," necessary for the completion of the Registrant's audited financial statements for the year ended December 31, 2008 without unreasonable effort or expense. PART IV — OTHER INFORMATION

(3) As of the date of this Form 12b-25, the Registrant's financial statements for the fiscal year ended December 31, 2008 have not been completed due to the reasons stated above, but it is anticipated that these financial statements will report a significant change in the Registrant's earnings statement compared to 2007. The Registrant expects

to report a change in its results of operations and a net loss of approximately \$4.6 million in its fiscal year ended December 31, 2008, subject to any adjustments related to the impairment analysis in accordance with SFAS No. 142, compared to a net loss of approximately \$5.0 million for the fiscal year ended December 31, 2007. The loss is primarily attributable to a decrease in sales partially offset by lower costs as a result of actions taken in the first quarter of 2008 to reduce personnel and other expenses.
