In accordance with SEC Release No. 33-8216, the following information, required to be furnished under "Item 12. Results of Operations and Financial Condition" is furnished under "Item 9. Regulation FD Disclosure."

On May 14, 2003, 21st Century Insurance Group issued a press release announcing its results for the first quarter ended March 31, 2003. A copy of the press release is attached as Exhibit 99.1 to this Form 8-K. This Form 8-K and the attached exhibit are provided under Item 12 of Form 8-K and are furnished to, but not filed with, the Securities and Exchange Commission.

Within its earnings release 21st Century Insurance Group presents a non-GAAP measurement of performance termed "Personal Auto Lines Operating Income." This key measure is useful to investors because it shows the results of the Company's core ongoing business excluding the impact of charges relating to the lines of business in runoff and non-recurring entries. This measurement is also used by management in monitoring the performance of the Company's operations.
