GENERAL INFORMATION

This Prospectus covers 10,000,000 shares of common stock, no par value, of NEW ENVIRONMENTAL TECHNOLOGIES CORPORATION, a Nevada corporation, reserved for issuance pursuant to the 2003 Stock Award Plan. The Plan was adopted by the Company on April 1, 2003.

DESCRIPTION OF THE PLAN

Edgar Filing: NEW ENVIRONMENTAL TECHNOLOGIES CORP - Form S-8

PURPOSE; ELIGIBILITY

The purpose of the Plan is to promote the interests of the Company and its Subsidiaries and shareholders by using investment interests in the Company to attract, retain and motivate its key officers, employees, directors, advisors and consultants to encourage and reward their contributions to the long range performance goals of the Company and to link their compensation interests with the long term interests of the Company and its shareholders. Section 1.

The Plan authorizes the granting of incentive stock options under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), nonqualified stock options, or options that do not qualify as incentive stock options under the Code (each, an "Option"), Stock Awards and Stock Purchase Rights to directors, officers, employees, consultants, and advisors of the Company. Sections 1, 3.1, 6.1, 7.1 and 8.1.

EFFECTIVENESS; TERMINATION

The Plan was approved and adopted by the Board of Directors of the Company on April 1, 2003, to be effective March 31, 2003. Unless previously discontinued by the Committee, the Plan will terminate April 30, 2013. Sections 12.1 and 12.2.

ADMINISTRATION

The Plan is administered by the Board of Directors of the Company or a "Committee" to be appointed by the Board. As of the date of this Prospectus, the Plan is administered by the Board, but it is anticipated that a Committee will be appointed in the future in order to ensure (i) compliance with the profit disgorgement rules of Section 16 of the Securities Exchange Act of 1934, as amended, (ii) that any grants of Plan Awards are deemed "performance based" under Section 162(m) of the Code and (3) ease of administration of the Plan.

The Board of Directors has authority under the Plan to disband the Committee at any time and revest in the board the full administration of the Plan. The administrating body of the Plan (whether the Board or the Committee) is referred to herein as the "Committee." Sections 3.1.

1

The Committee has authority to, among other things:

- o designate the persons to whom Plan Awards will be granted (each, a "Participant") from the pool of eligible directors, officers, employees, consultants and advisors of the Company ("Eligible Persons");
- o determine the nature of each Plan Award granted;
- o determine, in its discretion, the number of shares of Common Stock for which each Plan Award shall be granted;
- o set the exercise price for the Plan Awards (provided the Administrator may not select a per share exercise price less than the fair market value of the shares of Common Stock underlying the Plan Award) and determine whether and to what extent, and under what circumstances Plan Awards may be settled in cash, other shares of common stock or options or security of the Company, or for bona fide services rendered on

Edgar Filing: NEW ENVIRONMENTAL TECHNOLOGIES CORP - Form S-8

behalf of the Company;

- o establish certain other terms of the Plan Awards (including vesting schedules and option exercisability period) made under the Plan;
- o interpret, construe and implement the provisions of the Plan (including the authority to adopt rules and regulations for carrying out the purposes of the Plan); and
- o terminate, modify or amend the Plan.

Sections 3.1 - 3.6.

The Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974.

SUSPENSION, DISCONTINUANCE, REVISION AND AMENDMENT OF THE PLAN

The Committee may, at any time, suspend, discontinue, revise or amend the Plan and the Plan as so revised or amended will govern all Plan Awards granted thereunder, including those granted before such revision or amendment. The Plan acknowledges, however, that no revision or amendment will function to alter, impair or diminish any rights or obligations under any Plan Award previously granted (without the written consent of the affected Participant(s)). Section 11.

SHARES SUBJECT TO THE PLAN

Subject to adjustment as described below, an aggregate of 10,000,000 shares of Common Stock is available for grants of Plan Awards under the Plan. The aggregate number of shares as to which Plan Awards may be granted to Participants under the Plan, the number and kind of shares thereof covered by each outstanding Plan Award, and/or the price per share thereof in each such Plan Award may, upon a determination made by the Committee, all be

2

proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from any merger, consolidation, sale or exchange of all or substantially all of the assets of the Company, reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split, spin-off or other distribution with respect to such shares. It is not anticipated that any such adjustment will be made simply because the Company elects to sell or issue additional shares of Common Stock or other securities of the Company. Common Stock subject to the provisions of the Plan will be shares of authorized but unissued Common Stock or shares of Common Stock held as treasury stock (including shares purchased on the open market). Sections 4.1, 4.2, 4.3 and 4.4.

PLAN AWARDS

Under the Plan, the Committee may grant, Incentive Stock Options, Nonqualified Stock Options, Stock Awards and/or Stock Purchase Rights. Sections 6.1 and 8.1.

As of April 1, 2003, the Company had not granted any Plan Awards under the Plan.

The exercise price or consideration for any Plan Award granted under the Plan must be equal to the fair market value of the Common Stock on the date of the

Edgar Filing: NEW ENVIRONMENTAL TECHNOLOGIES CORP - Form S-8

grant. The Plan defines "fair market value" to mean (i) the closing sales price of the Shares on any exchange on which the shares are traded, on such date, or in the absence of reported sales on such date, the closing sales price on the immediately preceding date on which sales were reported or (ii) in the event there is no public market for the Shares on such date, the fair market value as determined, in good faith, by the Committee in its sole discretion, and for purposes of a sale of a Share as of any date, the actual sales price on that date. Section 2(m).

Neither the Plan nor any Plan Award granted under the Plan confers upon any Participant any right to continue to provide services to the Company. Section 13.7.

The Plan specifically provides that the aggregate fair market value of the Common Stock for which one or more Options granted to any recipient may for the first time become exercisable as incentive stock options shall not exceed \$1,000,000 during any one calendar year. Section 6.1.

Each Plan Award granted under the Plan will be evidenced by a written Plan Award Agreement issued by the Company. The Company will not make verbal Plan Awards. Please recognize that the Company is under no obligation to ensure that the terms contained in the various Plan Award Agreements issued by the Company are identical. As such, Participants in the Plan may have different rights under the Plan. Section 13.5.

Each Plan Award is exercisable at any time after the date on which the Plan Award, or any portion thereof, vests until the Plan Award expires. Sections 6.4 and 8.1. A Plan Award shall be deemed exercised when (1) the Secretary of the Company (or other designated official) has received written notice of such exercise in accordance with the terms of the applicable Plan Award Agreement and (2) full payment of the aggregate exercise price (and, to the extent applicable, withholding taxes) of the shares as to which the Plan Award is exercised has been made. THE PLAN PROVIDES THAT THE COMMITTEE MAY IMPOSE ADDITIONAL CONDITIONS UPON THE EXERCISE OF OPTIONS. SECTIONS 3.1, 6.4 AND 8.4.

3

Subject to the terms of the applicable Plan Award Agreement, the Plan provides that, the Committee shall have full power and authority to determine the terms and conditions that shall apply to any Plan Award upon a termination of employment with the Company. Section 9.

The Company and the Participant may agree in writing to shorter or longer periods in which to exercise Options granted under the Plan. Further, the Committee may, in its discretion, elect to accelerate the vesting of Options that had not fully vested prior to the date of termination. Section 3.1.

In no event shall an Option be exercisable more than ten (10) years after the date of grant. Section 6.3.

The exercise price of any Plan Award must be paid in cash, shares of common stock or other securities of the Company, options and/or bona fide services performed on behalf of the Company, as determined by the Committee. Sections 3.1, 6.2 and 8.2.

Prior to the issuance of stock certificates upon exercise of a Plan Award, the Committee may request certain agreements or undertakings to assure compliance with any of the provisions of the Plan, the applicable Plan Award Agreement or any law or regulation. Section 13.3.

Edgar Filing: NEW ENVIRONMENTAL TECHNOLOGIES CORP - Form S-8

NONASSIGNABILITY OF PLAN AWARDS

The Plan provides that no Plan Award granted under the Plan shall be assignable or transferable by the Participant otherwise than as follows:

- o by will or the laws of descent and distribution; or
- o in other instances expressly permitted by the Committee pursuant to the terms of the Plan.

SECTION 13.1.

EFFECT OF CHANGE IN CONTROL

The Plan provides that, in the event of a "Change in Control," to the extent permitted by applicable law, the Plan Awards shall continue in full force and effect, or the surviving or acquiring entity shall:

- o assume any Plan Awards; or
- o substitute similar awards covering the securities of a successor entity.

Notwithstanding the foregoing, if the surviving or acquiring entity refuses to assume the Plan Awards, or substitute similar awards for those outstanding under the Plan, then each Participant who is then performing services on behalf of the Company shall have the right, prior to the Change in Control event, to accelerate the vesting of and exercise the Participant's Plan Awards to the fullest extent, including any Plan Awards which had not previously vested. Section 10.

4

For purposes of the Plan, "Change in Control" is defined, in general, to mean the occurrence of any of the following events:

- o any person or entity acquires the beneficial ownership of 50% or more of the combined voting power of all voting securities of the Company;
- o the "Incumbent Board" members cease for any reason to constitute two-thirds of the Board;
- o the Shareholders of the Company approve a merger, consolidation or reorganization of the Company (other than (1) a transaction in which the previous Company shareholders maintain at least 50% of the combined voting power of the voting securities of the successor entity or (2) the Incumbent Board continues to constitute at least a majority of the members of the Board of Directors of the surviving entity;
- o the shareholders of the Company approve a Plan of dissolution or Liquidation for the Company; or
- o the shareholders of the Company approve the sale or other disposition of all or substantially all of the assets of the Company.

ACCOUNTING TREATMENT

Edgar Filing: NEW ENVIRONMENTAL TECHNOLOGIES CORP - Form S-8

Under present accounting rules for nonqualified and incentive stock options, to the extent the fair market value of the shares subject to such options is equal to the option price at the date of grant of the option, no direct charge to earnings for compensation expense is necessary. However, the computation of earnings per share may be adjusted for the impact of stock subject to options. If the fair market value of the shares subject to those options increases subsequent to the date of grant, the appreciation is not recorded as a charge to earnings.

FEDERAL INCOME TAX ASPECTS

The following is a brief summary of the federal income tax consequences that may occur under the Plan to Participants based on the Code, as currently in effect. This summary is not intended to be exhaustive and does not describe state or local tax consequences. PARTICIPANTS IN THE PLAN ARE URGED TO CONSULT THEIR OWN TAX ADVISORS.

INCENTIVE STOCK OPTIONS

An incentive stock option will not result in any taxable income to the Participant when it is granted or exercised (except that the alternative minimum tax may apply). To obtain the special tax treatment applicable to incentive stock options, the Option must not be exercised later than three months after the Participant ceases to be an employee (one year if the Participant is disabled) unless the Participant has died. If the optioned stock is disposed of more than two years from the grant of the Option and more than one year after the transfer of the stock to the Participant, the Participant will be taxed on any gain on the sale of such stock at long-term capital gain rates (See the section entitled "Capital Gains" below).

5

If stock acquired on the exercise of an incentive stock option is sold, exchanged, or otherwise disposed of before the end of the required holding periods, the Participant will generally realize ordinary income at the time of disposition equal to the lesser of the excess of the fair market value of the stock at the time of exercise or the selling price of the stock over the option price.

With respect to the exercise of an incentive stock option and the payment of the option price by the delivery of shares of Common Stock, to the extent that the number of shares received does not exceed the number of shares surrendered, no taxable income will be realized by the Participant at that time; the tax basis of the shares received will be the same as the tax basis of the shares of Common Stock surrendered and the holding period (except for purposes of the one-year holding period referred to above) of the Participant in Common Stock received will include his holding period in the shares surrendered. To the extent that the number of shares of Common Stock received exceeds the number of shares surrendered, no taxable income will be realized by the Participant at that time, such excess shares will be considered incentive stock option stock with a zero basis, and the holding period of the Participant in such shares will begin on the date such shares are transferred to the Participant. If the shares of Common Stock surrendered were acquired as the result of the prior exercise of an incentive stock option and the surrender takes place within two years from the date of the option grant or one year after the transfer of shares to the Participant, the surrender will result in the realization of ordinary income by the Participant at that time in the amount of the excess, if any, of the fair market value of the shares of Common Stock surrendered over the option price of such shares.

Edgar Filing: NEW ENVIRONMENTAL TECHNOLOGIES CORP - Form S-8

NON-QUALIFIED STOCK OPTIONS

A non-qualified stock option generally will not result in any taxable income to the Participant at the time it is granted. In general, the holder of a non-qualified stock option will realize ordinary income at the time of exercise of the option in an amount measured by the excess of the fair market value of the optioned shares at the time of exercise over the option price.

With respect to the exercise of a non-qualified stock option and the payment of the option price by the delivery of shares of Common Stock, to the extent that the number of shares received does not exceed the number of shares surrendered, no taxable income will be realized by the Participant at that time, the tax basis of the shares received will be the same as the tax basis of the shares surrendered, and the holding period of the Participant in the shares received will include his holding period in the shares surrendered. To the extent that the number of shares of Common Stock received exceeds the number of share surrendered, ordinary income will be realized by the Participant at that time in the amount of the fair market value of such excess shares, the tax basis of such excess shares will be equal to their fair market value at the time of exercise, and the holding period of the Participant in the excess shares received will begin on the date such shares are transferred to the Participant.

6

To the extent that an employee recognizes ordinary income in the circumstances described above, the Company would be entitled to a corresponding tax deduction, provided, among other things, that such income meets the test of reasonableness, is an ordinary and necessary business expense and is not subject to the limitation on deduction of compensation in Section 162(m) of the Code. Participants subject to Section 16(b) of the Exchange Act may be subject to special tax rules.

STOCK AWARDS AND STOCK PURCHASE RIGHTS.

The issuance of Stock Awards to the Participant in exchange for services rendered will cause the Participant to realize ordinary income at the time of issuance in an amount equal to the fair market value of the shares issued pursuant to the Stock Award for the services rendered. Similarly, the Participant will also realize ordinary income at the time of purchase of shares pursuant to the grant of Stock Purchase Rights if such Participant purchases such shares in exchange for services rendered in an amount equal to the fair market value of the shares issued pursuant to the Stock Purchase Rights acquired in exchange for services rendered.

To the extent that an employee recognizes ordinary income in the circumstances described above, the Company would be entitled to a corresponding tax deduction, provided, among other things, that such income meets the test of reasonableness, is an ordinary and necessary business expense and is not subject to the limitation on deduction of compensation in Section 162(m) of the Code. Participants subject to Section 16(b) of the Exchange Act may be subject to special tax rules.

Withholding of all applicable taxes will be required in connection with ordinary income recognized by a Participant with respect to benefits under the Plan.

CAPITAL GAINS

Generally, under the law existing as of the date of this Prospectus, the maximum

Edgar Filing: NEW ENVIRONMENTAL TECHNOLOGIES CORP - Form S-8

tax rate on long-term capital gains is 20% (10% for individuals in the 15% tax bracket). This long-term rate is available for capital assets held for more than one year. The maximum tax rate for long-term capital gains for assets that meet a 5-year holding period is 18% (8% for individuals in the 15% tax bracket). Capital losses, however, are not treated like ordinary losses. In general, capital losses in excess of capital gains may offset up to \$3,000 (\$1,500 in the case of a married taxpayer filing a separate return) of ordinary income in a year.

RESTRICTIONS ON RESALE

Shares of Common Stock distributed pursuant to the Plan may be sold only in compliance with the registration requirements of the Securities Act of 1933, as amended ("Securities Act") and applicable state securities laws.

The Company has filed a registration statement on Form S-8 (the "Registration Statement") with the Securities and Exchange Commission ("SEC") registering under the Securities Act the shares of Common Stock offered under the Plan. This document is a prospectus under the Registration Statement. Under the federal securities laws, persons not deemed to be affiliates by the SEC may resell the shares of Common Stock acquired under the Plan without limitation as to either the quantity sold or the period during which such stock was held, provided such shares are acquired while a registration statement covering the offer of such shares by the Company to such person is in effect.

7

Persons who are affiliates of the Company may resell shares of Common Stock acquired pursuant to the Plan under the Securities Act only: (1) in accordance with the provisions of Rule 144 promulgated by the SEC under the Securities Act (except that the one (1) year holding period will not apply), (2) pursuant to some other exemption from registration under the Securities Act, or (3) pursuant to an applicable, current and effective registration statement under the Securities Act. The Registration Statement referred to above is insufficient for purposes of (3) above. Delivery of this memorandum to a third party receiving shares of Common Stock from an individual affiliate who acquired the shares under the Plan will not satisfy the requirement to deliver a prospectus to such third party.

The determination of whether a person is an affiliate of the Company is primarily a factual one. As defined by the SEC, an affiliate of the Company is a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the issuer. The SEC defines "control" to mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise. Interpretations of this definition have recognized the concept of a "control group." Therefore, a person may be an affiliate if he or she possess, directly or indirectly, individually or in concert with others, the power to direct or cause the direction of the management or policies of the Company, whether through the ownership of voting stock, by executive position, by membership on the Board, by contract or otherwise.

Most affiliates (which, as indicated above, generally includes executive officers and directors) will likely resell the shares of Common Stock acquired in connection with the exercise of a Plan Award under Rule 144. In this context, the rule generally requires that:

- o the amount of securities which may be sold in reliance upon

Edgar Filing: NEW ENVIRONMENTAL TECHNOLOGIES CORP - Form S-8

the rule (together with all other sales of the Company's Common Stock made within the preceding three (3) months shall not exceed the greater of (1) One Percent (1%) of the shares of Common Stock outstanding or (2) the average weekly trading volume during the four calendar weeks preceding the filing of the required notice with the SEC;

- o the Company is current with its publicly-filed reports with the SEC;
- o the shares be sold in a brokers' transaction or in a transaction directly with a market maker; and
- o a notice on Form 144 shall be filed with the SEC contemporaneously with the order to sell.

Rule 144 is reasonably complex and contains numerous exceptions, qualifications and additional provisions to the above generalizations. Accordingly, you are advised to consult an attorney before proceeding to sell shares of Common Stock upon reliance on this rule.

8

RISK FACTORS

An investment in the Company's Common Stock, including an investment upon exercise of a Plan Award granted under the Plan, involves a high degree of risk.

REGISTRANT INFORMATION AND ADDITIONAL PLAN INFORMATION

The Company has filed with the SEC a Registration Statement on Form S-8 with respect to the shares of Common Stock that may be purchased under the Plan. The Company hereby undertakes to provide without charge to each person to whom a copy of this Prospectus has been delivered, on the written or oral request of any such person, including any beneficial owner, a copy of any or all of the documents referred to below, which have been or may be incorporated into this Prospectus by reference (other than exhibits to such documents unless the exhibits are specifically incorporated by reference into the information that the Prospectus incorporates):

- o the Company's Registration Statement on Form S-8; and
- o all documents filed by the Company with the SEC pursuant to Sections 13(a) or 15(d) of the Exchange Act subsequent to the date of the S-1 Registration Statement.

Requests for copies should be directed to John Smaha, Attorney, New Environmental Technologies, 7860 Mission Center Court #100 San Diego, CA 92108. Mr. Smaha may be reached by telephone at (619)688.1557.

(b) The Committee may impose such conditions with respect to the exercise of Options, including without limitation, any relating to the application of federal state or foreign securities laws or the Code, as it may deem necessary or advisable. (a) LEGAL COMPLIANCE. Shares shall not be issued pursuant to the exercise of an Plan Award unless the exercise of such Plan Award and the issuance and delivery of such Shares shall comply with Applicable Laws.

(b) INVESTMENT REPRESENTATIONS. As a condition to the exercise of an Option, the Committee may require the person exercising such Plan Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

13.15 INABILITY TO OBTAIN AUTHORITY. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

13.16 RESERVATION OF SHARES. The Company, during the term of this Plan, shall at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

The Company shall provide to each Optionee and to each individual who acquires Shares pursuant to the Plan, not less frequently than annually during the period such Optionee or purchaser has one or more Plan Awards outstanding, and, in the case of an individual who acquires Shares pursuant to the Plan, during the period such individual owns such Shares, copies of annual financial statements. The Company shall not be required to provide such statements to key employees whose duties in connection with the Company assure their access to equivalent information.

13.18 HEADINGS. Headings are given to the sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.
