OPTION AND SAR GRANTS

The Company in the year ended December 31, 2002, did not grant any stock appreciation rights to any of the named executive officers. The Company has from time to time granted options to substantially all of its management and marketing employees, and did so in July 2002. The grants approved in July 2002 would cause the limitations of the Company's 1997 Long-Term Incentive Plan to be exceeded. The grants from July 2002, therefore, with respect to an aggregate of 1,589,200 shares, were made contingent on shareholder approval of an increase in the maximum number of shares that may be issued under the Plan. All of the 2002 grants to the named executive officers are contingent on shareholder approval of such amendment. Messrs. Brockman, Powell and Brummund received contingent grants with respect to 25,000 shares, Mr. Rifai received a contingent grant with respect to 48,000 shares, and the chief executive officer received a contingent grant with respect to 185,000 shares. All such options are exercisable, if at all, at \$1.50 per share, and all are scheduled to become exercisable in five equal annual increments, from 2003 through 2007.

The amount of bonus payable to each officer is determined by the Board of Directors upon recommendation of the Compensation Committee.

DIRECTOR COMPENSATION

During the year ended December 31, 2002, the Company paid all directors, excluding Mr. Bradley, a retainer of \$1,000 per month and an additional fee of \$1,000 PER DIEM for attendance at meetings (\$500 for committee meetings or telephonic meetings). Mr. Bradley, Jr., received no additional compensation for his service as a director. In July 2002, the Board adopted as a policy that non-employee directors should ordinarily be granted options to purchase 30,000 shares of the Company's stock upon first joining the Board, and options with respect to 10,000 shares on an annual basis. Pursuant to that policy, and recognizing that Mr. McConnaughy and Mr. Wood had first joined the Board in 2001, the Board granted to Mr. McConnaughy and Mr. Wood each an option to purchase up to 30,000 shares of the Company's common stock at \$1.50 per share, which was the then-prevailing market price, and to each director other than Mr. Bradley an option to purchase up to 10,000 shares of the Company's common stock

ITEM 13. CERTAIN RELATIONS AND RELATED TRANSACTIONS

CPS LEASING. The Company holds 80% of the outstanding shares of the capital stock of CPS Leasing, Inc. ("CPSL"). The remaining 20% of CPSL is held by Charles E. Bradley, Jr., who is the President and a director of the Company. CPSL engaged in the equipment leasing business, and is currently in the process of liquidation as its leases come to term. CPSL financed its purchases of the equipment that it leases to others through either of two lines of credit. Amounts borrowed by CPSL under one of those two lines of credit have been guaranteed by the Company. As of March 31, 2003, the total amount outstanding under the two lines of credit was approximately \$504,000, of which the Company had guaranteed approximately \$180,000. The Company has also financed the operations of CPSL by making operating advances and by advancing to CPSL the fraction of the purchase prices of its leased equipment that CPSL did not borrow under its lines of credit. The aggregate amount of advances made by the Company to CPSL as of March 31, 2003, is approximately \$2.0 million. The advances related to operations bear interest at the rate of 8.5% per annum. The advances related to the fraction of the purchase price of leased equipment are not interest bearing.

CARS USA. In the ordinary course of its business operations, the Company from time to time purchases retail automobile installment contracts from an automobile dealer, Cars USA, which until August 2002 was owned by a corporation of which Mr. Bradley, Sr., and Mr. Bradley, Jr., are the principal shareholders. During the year 2002 and prior to the date of sale, the Company purchased 16 such contracts, with an aggregate principal balance of approximately \$233,431. All such purchases were on the Company's normal business terms. Cars USA is indebted to the Company in the amount of approximately \$669,000 as of December 31, 2002. Cars USA ceased operations in August 2002, and has no apparent ability to repay its debt.

Edgar Filing: CONSUMER PORTFOLIO SERVICES INC - Form 10-K/A

LEVINE LEICHTMAN. At December 31, 2001, the Company was indebted to Levine Leichtman Capital Partners II, L.P. ("LLCP") in the amount of approximately \$26 million. Such debt (the "Term B Notes") is due November 2003, and bears interest at 14.50% per annum. The interest rate is subject to increase by 2.0% in the event of a default by the Company.

In March 2002, the Company and LLCP entered into a series of agreements under which LLCP provided additional funding to enable the Company to acquire MFN Financial Corporation. Under the March 2002 agreements, the Company borrowed \$35 million from LLCP as "Bridge Notes," bearing interest at 13.50% per annum and due February 2003, and approximately \$8.5 million as "Term C Notes," bearing interest on a deemed principal amount of approximately \$11.2 million at 12.00% per annum and due in March 2008. At December 31, 2002, the Company was indebted to LLCP in the amount of approximately \$50.1 million, comprising \$21.8 million of the Term B Notes, \$21.0 million of the Bridge Notes, and \$7.3 million of the Term C Notes. The Bridge Notes were paid in full on February 21, 2003.

8

The Company borrowed an additional \$25 million (the "Term D Notes") from LLCP on February 3, 2003. The Term D Notes are due April 30, 2003; provided, however, that the Company by payment of two successive extension fees, each in the amount of \$125,000, may extend the maturity to May 31, 2003 and January 14, 2004. The Term D Notes bear interest at pre-determined rates that are 4.00% to 5.14% per annum for the months of February through June 2003, and thereafter 12.00% per annum. In connection with the issuance and sale of the Term D Notes, the Company paid LLCP a structuring fee of \$1,000,000, and paid LLCP's out-of-pocket expenses of approximately \$50,000.

The Term B Notes include terms that require partial prepayment, in amounts representing a portion of cash releases from the Company's securitized pools. One effect of such prepayment provisions is that it is not possible to predict with assurance the amount of interest and principal that the Company will pay to LLCP in any given year; however, the Company's payments on its indebtedness to LLCP in the year 2002 comprised \$22.2 million of principal and \$7.8 million of interest. In connection with the March 2002 agreements and the acquisition of MFN Financial Corporation, the Company paid LLCP a structuring fee of \$1.75 million and an investment banking fee of \$1.0 million, and paid LLCP's out-of-pocket expenses of approximately \$315,000. In addition, the Company paid LLCP certain other fees and interest amounting to \$426,181. All of the Company's indebtedness to LLCP is secured by a blanket security interest in favor of LLCP. The terms of the transactions between the Company and LLCP were determined by negotiation.

SFSC. At December 31, 2002, the Company was indebted to Stanwich Financial Services Corp. ("SFSC") in the principal amount of \$16.5 million. SFSC is a corporation wholly-owned by Stanwich Holdings, Inc., which in turn is wholly-owned by Charles E. Bradley, Sr. Mr. Bradley, Sr. holds in excess of 5% of the Company's common stock, is the father of the Company's president, Charles E. Bradley, Jr., and was the chairman of the Company's Board of Directors from March 1991 until June 2001. The Company pays interest monthly with respect to its debt to SFSC. Such interest payments totaled \$1.6 million in 2002, and are estimated to be the same for the current year. In June 2001 SFSC filed for reorganization under the Bankruptcy Code, in the United States Bankruptcy Court for the District of Connecticut. The Company also throughout 2002 was indebted to John G. Poole, a director, in the principal amount of \$1,000,000, and paid interest monthly with respect to that debt. Such interest payments totaled \$125,000 in 2002, and are estimated to be the same in the current year.

EMPLOYEE INDEBTEDNESS. To assist certain officers in exercising stock options,

Edgar Filing: CONSUMER PORTFOLIO SERVICES INC - Form 10-K/A

the Company or the subsidiary has lent to such officers the exercise price of options such officers exercised in May and July 2002. The loans are fully secured by common stock of the Company, bear interest at 5% per annum and are due in 2007. The chief executive officer (Mr. Bradley), one other executive officer (Mr. Brockman) and five officers other than executive officers borrowed money on those terms. The highest balances of the loans for the period January 1, 2002 through April 15, 2003, were \$350,000 for Mr. Bradley and \$45,000 for Mr. Brockman, which were the balances as of April 15, 2003, inclusive of accrued interest. As a result of recent legislation, the Company has ceased providing any loans to its executive officers.

FSA. In November 2000 the Company entered into a revolving note purchase facility, using the proceeds of sale of such notes to purchase automotive receivables. That facility was extended through July 2002, and was renewed for a one-year term in January 2003. Financial Security Assurance Inc. ("FSA"), which is the beneficial holder of in excess of 5% of the Company's stock, issued a financial guaranty insurance policy with respect to all payments of principal and interest called for by such notes, for which FSA receives fees and insurance premiums. FSA has also issued financial guaranty insurance policies with respect to payments of interest and principal due under specified asset-backed securities sponsored by the Company and issued at various times since 1994, including transactions in September 2001 and March 2002, for which it also receives fees and insurance premiums. The amounts of such fees and premiums have been determined by negotiation between the Company and FSA.

9

The agreements and transactions described above (other than those between the Company and LLC or the Company and FSA) were entered into by the Company with parties who personally benefited from such transactions and who had a control or fiduciary relationship with the Company.
