PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors consists of one class of eighteen (18) directors. Eighteen (18) directors will be elected at our 2002 Annual Meeting to serve for a one-year term expiring at our Annual Meeting in the year 2003. The Company's Bylaws provide that the number of directors shall be at least five (5) and no more than thirty-five (35) with the composition and number of nominees to be set at the discretion of the Board of Directors. For the election of directors at the 2002 Annual Meeting, the Board of Directors established the composition and number of nominees to be elected at eighteen (18).

The persons named in the enclosed proxy intend to vote the proxy for the election of each of the eighteen (18) nominees, unless you indicate on the proxy card that your vote should be withheld from any or all of such nominees. Each nominee elected as a director will continue in office until his successor has been elected or until his death, resignation or retirement.

The Board of Directors has proposed the following nominees for election as directors with terms expiring in 2003 at the Annual Meeting: Richard M. Adams, Robert G. Astorg, Thomas J. Blair, III, Joseph S. Bracewell, Harry L. Buch, W. Gaston Caperton, III, H. Smoot Fahlgren, Theodore J. Georgelas, F. T. Graff, Jr., Alan E. Groover, Russell L. Isaacs, John M. McMahon, G. Ogden Nutting, William C. Pitt, III, I. N. Smith, Jr., Warren A. Thornhill, III, P. Clinton Winter, Jr., and James W. Word, Jr.

The Board of Directors recommends a vote "FOR" the election of each of these nominees for director.

We expect each nominee for election as a director to be able to serve if elected. If any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees,

Edgar Filing: UNITED BANKSHARES INC/WV - Form DEF 14A

Voting of Other Matters

If any other matters are properly presented for consideration at the Annual Meeting, the persons named in the enclosed form of proxy will have the discretion to vote on those matters for you. At the date this proxy statement went to press, we do not know of any other matter to be raised at the Annual Meeting.

Required Vote

The presence, in person or by proxy, of the holders of a majority of the votes entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining a quorum. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

Edgar Filing: UNITED BANKSHARES INC/WV - Form DEF 14A

A plurality of the votes cast is required for the election of directors. Abstentions and broker "non-votes" are not counted for purposes of the election of directors.

In the election of directors, shareholders cast one (1) vote for each nominee for each share held. However, every shareholder has the right of cumulative voting, in person or by proxy, in the election of directors. Cumulative voting gives each shareholder the right to aggregate all votes which he or she is entitled to cast in the election of directors and to cast all such votes for one candidate or distribute them among as many candidates and in such a manner as the shareholder desires.

At our 2002 Annual Meeting, the number of directors to be elected is eighteen (18). Each shareholder has the right to cast eighteen (18) votes in the election of directors for each share of stock held on the record date. If you wish to exercise, by proxy, your right to cumulative voting in the election of directors, you must provide a proxy showing how your votes are to be distributed among one or more candidates. Unless contrary instructions are given by a shareholder who signs and returns a proxy, all votes for the election of directors represented by such proxy will be divided equally among the eighteen (18) nominees. If cumulative voting is invoked by any shareholder, the vote represented by the proxies delivered pursuant to this solicitation, which do not contain contrary instructions, may be cumulated at the discretion of the Board of Directors of United Bankshares, Inc. in order to elect to the Board of Directors the maximum nominees named in this proxy statement.

On the record date, there were 42,809,326 shares of common stock outstanding that are held by approximately 11,474 shareholders of record. A majority of the outstanding shares of United Bankshares, Inc. will constitute a quorum at the meeting.

Cost of Proxy Solicitation

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees in person or by telephone, electronic transmission, facsimile transmission or by telegram. Brokers, fiduciaries, custodians and other nominees have been requested to forward solicitation materials to the beneficial owners of the Company's common stock. Upon request we will reimburse these entities for their reasonable expenses.

In order to facilitate and expedite distribution of these proxy solicitation materials to brokers, fiduciaries, custodians, nominee holders and institutional investors, United has retained Georgeson Shareholder - New Jersey of Carlstadt, New Jersey ("Georgeson"). Pursuant to a retention letter dated March 1, 2002, Georgeson will contact all broker and other nominee accounts identified on United's shareholder mailing list in order to facilitate

determination of the number of sets of proxy materials such accounts require for purposes of forwarding the same to the beneficial owners. Georgeson will then assist in the delivery of proxy materials to these accounts for distribution. Georgeson will also assist in the distribution of proxy materials to institutional investors. Georgeson will follow-up with the brokers, other nominee accounts and institutional investors, requesting return of proxies. United is not retaining Georgeson to solicit proxies from registered holders or from non-objecting beneficial owners. Georgeson's fee for the above services is \$3,500 plus reasonable disbursements that may include the broker search, printing, postage, courier charges, filing reports, data transmissions and other expenses approved by United.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers to file reports of holdings and transactions in United shares with the Securities and Exchange Commission ("SEC"). To our knowledge, based solely on our review of the copies of such reports furnished and written representations that no other reports were required during 2001, we believe that in 2001 our directors and executive officers met all applicable SEC filing requirements.

The Executive Committee

During 2001, the Executive Committee was comprised of thirteen (13) directors, Richard M. Adams, Chairman, Thomas J. Blair, III, Harry L. Buch, W. Gaston Caperton, III, H. Smoot Fahlgren, Theodore J. The Executive Committee performs such duties and exercises the powers delegated to it by the Board of Directors. During 2001, the Executive Committee met three (3) times.

The Audit Committee

The Audit Committee has the primary responsibility to review and evaluate significant matters relating to audit, internal control and compliance. It reviews, with representatives of the independent auditors, the scope and results of the examination of financial statements, audit fees and any recommendations with respect to internal controls and financial matters. Related Transactions

United's subsidiaries have had, and expect to have in the future, banking transactions with United and with its officers, directors, principal shareholders, or their interests (entities in which they have more than a 10% interest). The transactions were in the ordinary course of business and, with respect to loans, were made on substantially the same terms, including interest rates, collateral and repayment terms as those prevailing at the time for comparable transactions. United's subsidiary banks are subject to federal statutes and regulations governing loans to officers and directors and extend loans in compliance with such laws and only with the approval of the Board of Directors.

Edgar Filing: UNITED BANKSHARES INC/WV - Form DEF 14A

H. Smoot Fahlgren, a member of the Board of Directors of United, is Chairman of Fahlgren, Inc., an advertising agency with its headquarters in Parkersburg, West Virginia. The agency has provided the advertising for United since 1978. During 2001, payment for the advertising by United to Fahlgren, Inc. was less than 5% of that firm's revenues during the year 2001.

F. T. Graff, Jr., a member of the Board of Directors of United, is a partner in the law firm of Bowles Rice McDavid Graff & Love PLLC in Charleston, West Virginia. Bowles Rice McDavid Graff & Love PLLC rendered legal services to United and United Bank (WV) during 2001 and it is expected that the firm will continue to render certain services to both in the future. The fees paid to Bowles Rice McDavid Graff & Love PLLC represent less than 5% of that firm's revenues for the year 2001.

United Bank (WV) leases land to construct an approved but unopened Charleston branch from the Kanawha-Roxalana Company pursuant to a written lease agreement dated November 28, 2001 (the "Kanawha City Lease"). The Kanawha-Roxalana Company is a shareholder of United, and the voting and investment authority for its shares are beneficially owned by its President and Chief Executive Officer, I.N. Smith, Jr. who is a director of United. The Kanawha City Lease provides for an initial term of twenty-five (25) years commencing on December 1, 2001, with five (5) additional five (5) year renewal options after expiration of the initial twenty-five (25) year term. The Kanawha City Lease provides for the base rent to be paid by United Bank (WV) to be adjusted on December 1, 2006, and every five years thereafter following the commencement and any renewal option properly exercised by United Bank (WV). The adjusted amount of rent shall be calculated based on changes in the Consumer Price Index of the United States Bureau of Labor Statistics. Additionally, the Kanawha City Lease provides an option for United Bank (WV) to purchase the property after the expiration of the initial twenty-five year term at a purchase price equal to the average of three separate appraisals. Upon the expiration of the Kanawha City Lease for any cause, all improvements and structures shall become the property of the Kanawha-Roxalana Company. Management believes the Kanawha City Lease is on terms comparable to market terms for similar rental space in Charleston, West Virginia. United Bank (WV) anticipates the construction of the branch premises to be completed during the second quarter of 2002 with the branch opening shortly thereafter.

United Bank (WV) leases one of its Wheeling drive-in facilities from The Ogden Newspapers, Inc. pursuant to a written lease agreement dated August 1, 2000 (the "Wheeling Lease"). The Ogden Newspapers, Inc. is a shareholder of United, and the voting and investment authority for its shares are beneficially owned by its President, G. Ogden Nutting who is a director of United. Management believes the Wheeling Lease is on terms comparable to market terms for similar rental space in Wheeling, West Virginia. The Wheeling Lease provides for an initial term of ten (10) years with two (2) successive options to renew and extend the terms of the Lease for ten (10) additional years each. Additionally, the Wheeling Lease provides that The Ogden Newspapers, Inc. may, at its option, terminate the Lease upon nine (9) months advance written notice to United Bank (WV). Previously, United had leased its Wheeling branch premises and the drive-in facility from The Ogden Newspapers, Inc. pursuant to a written lease agreement dated August 1, 1979. The Wheeling Lease supercedes the prior lease agreements and only pertains to United Bank (WV)'s lease of the drive-in facility; United Bank (WV) no longer leases the Wheeling branch premises from The Ogden Newspapers, Inc.

In addition, during the year subsidiaries of United advertised, at market rates, in newspapers published by The Ogden Newspaper, Inc. The fees paid in such advertising and the rent paid to The Ogden Newspapers, Inc. represent less than 5% of that firm's revenue for the year 2000.

Directors Fees

Non-employee directors of the Company receive a retainer of \$675 per month regardless of meeting attendance.

Mr. Isaacs, as Chairman of the Compensation Committee, receives a retainer payment of \$675 per quarter without regard to committee meeting attendance. Except for Mr. Astorg, each outside director who serves on the Audit Committee receives a fee of \$675 for each committee meeting attended. Mr. Astorg, as Chairman of the Audit Committee, receives a retainer payment of \$675 per month without regard to committee meeting attendance.

EXECUTIVE COMPENSATION COMMITTEE REPORT

Board Compensation Committee Report

The Compensation Committee is responsible for administration of United Bankshares, Inc.'s (United's) Executive Compensation programs. This includes recommendations related to base salary, short-term incentives and long-term stock option incentives for all Executive Officers of the Company.

The Compensation Committee's Executive Compensation policies, developed based on competitive information, are designed to provide competitive levels of compensation that integrate pay with United's annual and long-term performance goals and assist in attracting and retaining qualified executives.

Periodically the Committee retains the services of nationally recognized compensation consulting firms to do an extensive review of the compensation program for all Executive Officers.

Buck Consultants, a global human resources consulting firm, reported to the Committee that the total compensation plan for Executive Officers was reasonable and competitive in view of the Company's performance and the contribution of those officers to that performance. The Bank Compensation Strategies Group report indicated similar findings.

Executive Officers are paid base salaries determined by the value of their position compared to published survey data, information gathered on competing banks of similar size and the officer's individual performance level.

The short-term Incentive Plan stresses reward for achievement of performance goals set each year. Each Executive Officer participates in a pool of funds set aside for this purpose. Participation level is based on a rating system tied to accomplishment of assigned goals as well as a specific formula, which relates the incentive award to a percentage of salary range midpoint. Company performance must exceed peer performance to activate compensation incentives.

The United management team should share the same goals as its shareholders. Toward this end, the long-term Incentive Stock Option Plan is designed to provide an ownership opportunity to key management personnel. Stock ownership provides an ever-important stockholder perspective necessary for successful management of the company. Awards are based on industry guidelines, which relate base compensation to stock price. Grant calculations are tested for reasonableness against competitive industry data, keeping in mind cumulative

Edgar Filing: UNITED BANKSHARES INC/WV - Form DEF 14A

ownership targets.

Buck Consultants and the Bank Compensation Strategies Group reported that stock option grants to Executive Officers have historically been conservative when compared to general industry and practices for major regional banking organizations. The most recent share allocations as a percentage of outstanding shares have been consistent with competitive practices in the banking industry.

Peer group performance analysis is a continual process at United. Data provided by the Federal Reserve Bank Holding Company Performance Report is analyzed quarterly. Proxy data on an appropriate group of individual financial institutions is used to evaluate operating performance and profitability. United consistently performs well compared to peer. The Committee concluded that for the year Company performance exceeded peer performance and activated compensation incentives.

12

The Committee determined that the base pay for Richard Adams, Chief Executive Officer, was determined to be well within a competitive market range when compared to the published compensation survey from Watson Wyatt Data Services and proxy data from similar size bank holding companies.

Mr. Adams was awarded a pro-rata share of the established short-term incentive pool based on his performance rating assigned by the Committee. The Committee concluded that total cash compensation for the position of CEO is appropriate in view of performance levels attained for companies of similar size as presented in a report by Buck Consultants. The Bank Compensation Strategies Group report showed that cash compensation for the CEO was somewhat low based on the performance levels of the peer group.

Stock option shares granted to Mr. Adams were determined to be competitive when compared by the Committee to the grant practices of a broad spectrum of banking organizations as presented in a report by Buck Consultants.

Mr. Adams at age 55 has served the company for 33 years; 27 of those years he has been responsible for motivating and building the organization.

During the past 11 years UBSI stock has outperformed the S&P 500 and the KBW Bank Index. Over the past 27 years of the current administration dividends have increased each year for an annual compound growth rate of 10.6%. United's pay for performance compensation program emphasizing written performance objectives has been a major contributor to our ability to consistently enhance long-term shareholder value.

No member of the Committee is a former or current officer or employee of United.

Officer Employment Contracts. Richard M. Adams, Chairman and Chief Executive Officer of United and United National Bank, now United Bank (WV), entered into an employment contract with United effective April 11, 1986, effective for a five year term from April 1, 1986, with the provision that the contract could be extended by one (1) year to maintain a rolling five (5) year contract. This contract was amended in November 2001. This most recent amendment superseded all other amendments and extended the initial term of the contract through March 31, 2007 with the provision for additional one (1) year term extensions by the Executive Committee with the approval of Mr. Adams. Under the amended contract Mr. Adams is required to devote his full-time energies to performing his duties as Chairman and CEO on behalf of United and its subsidiaries. The contract provides for a base compensation of \$536,000 and additional benefits consistent with the office. This base compensation may be increased but not decreased. If the contract is terminated for any reason other than mutual consent or cause based on (i) excessive, unapproved absences, (ii) gross or willful neglect of duty that results in some substantial loss to United, or (iii) fraud or commission of any criminal act, if proven, Mr. Adams, or his family or estate, is entitled to his base salary for a sixty (60) month period. If the contract is terminated by mutual consent, the amount due Mr.

Adams or his

14

family or estate shall be the amount mutually agreed upon by Mr. Adams and United. In an instance of termination for cause based on (i), (ii), (iii) or any combination thereof, United shall pay Mr. Adams' base salary only for the period of his active full-time employment to the date of termination.

The contract between Mr. Adams and United also provides for an additional payment by United to Mr. Adams in the form of a gross-up payment in the event that a payment or distribution pursuant to the contract would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended. Any calculated gross-up payment amount shall be equal to one hundred percent (100%) of the excise tax plus one hundred percent (100%) of any federal, state and local income taxes plus the additional excise tax on the gross-up amount. Any gross-up payment pursuant to the contract shall be paid to Mr. Adams within 30 days of the receipt of the amount determined.

On July 27, 1990, United also entered into a Supplemental Retirement Agreement with Mr. Adams. The agreement was amended on November 1, 2001. This amended agreement provides for an annual supplemental retirement benefit upon his reaching age 65 or upon the later termination of his employment with United or an affiliated or successor entity to United, whichever last occurs. The annual benefit will be equal to seventy percent (70%) of the average of Mr. Adams' three highest base salaries, reduced by benefits actuarially calculated at the time the supplemental retirement benefit becomes payable under (i) the United Pension Plan; (ii) social security; and the United Savings and Stock Investment Plan. The amended agreement also provides for reduced benefits for early retirement before age 65 as well as payments to his spouse or his estate if unmarried in the event of his death. The benefits under the amended agreement are fully vested in Mr. Adams and shall survive his termination of employment from United or an affiliated or successor entity to United for whatever reason, including but not limited to, change in control, dismissal with or without cause, voluntary termination, expiration of contract or disability.

United and United National Bank, now United Bank (WV), entered into an employment agreement with I. N. Smith, Jr., the now former President of United, on December 17, 1985. The term of the agreement extends until Mr. Smith reaches the age of 75. In June of 1997, Mr. Smith retired from United. Until he reaches the age of 75, Mr. Smith shall render such consulting and advisory services as United may request, and shall receive for such services an annual fee of \$36,000 until he reaches age 70, and \$30,000 thereafter. In addition, Mr. Smith has agreed to serve as a director of United and United has agreed to use its best efforts to nominate and elect him.

On December 7, 2001, United and United Bank (VA) entered into an agreement (the "Agreement") with Joseph S. Bracewell, then Chairman of the Board, Chief Executive Officer, and President of Century Bancshares, Inc. (Century). Upon consummation of the acquisition of Century by United, the Agreement provided for the assumption of the obligations and liabilities of Century under an employment agreement dated September 1, 1996 between Mr. Bracewell and Century (the "Employment Agreement"), and for the termination of the Employment Agreement effective as of January 1, 2002. Upon termination of the Employment Agreement, United paid Mr. Bracewell \$250,000 as consideration for certain non-competition and non-solicitation provisions and \$500,000 for a change of control provision in accordance with the Employment Agreement. At the effective time of United's acquisition of Century, Mr. Bracewell was appointed to serve as Vice Chairman of the Board of United Bank (VA) and as a Director of United with duties and responsibilities commensurate with such positions, including promoting the

Edgar Filing: UNITED BANKSHARES INC/WV - Form DEF 14A

products and services of United and United Bank (VA) to the customer base of Century, maintaining relationships and soliciting business with such former customers, general customer and employee relations, public relations, assisting in strategic planning and the full development of the potential of the strategic combination of United and Century, assisting in the smooth and orderly transition of management and employees from Century, and such other services and duties consistent with the foregoing as may be reasonably assigned to him from time to time by the Boards of Directors of United and United Bank (VA). In exchange for his services, Mr. Bracewell

15

will receive cash compensation of \$75,000 to be paid in periodic monthly installments beginning January 31, 2002 and ending on December 31, 2002.

Change of Control Agreements. In March of 1994, United entered into agreements with Steven E. Wilson, James B. Hayhurst, Jr. and Joe L. Wilson to encourage those executive officers not to terminate their employment with United because of the possibility that United might be acquired by another entity. In August of 2000, United entered into similar change of control agreements with Richard M. Adams, Jr., Kendal E. Carson, James J. Consagra and John Neuner, III. The Board of Directors determined that such an arrangement was appropriate, especially in view of the recent entry of large regional bank holding companies into West Virginia. The agreements were not undertaken in the belief that a change of control of United was imminent.

Generally, the agreements provide severance compensation to those officers if their employment should end under certain specified conditions after a change of control of United. Compensation is paid upon any involuntary termination following a change of control unless the officer is terminated for cause. In addition, compensation will be paid after a change of control if the officer voluntarily terminates employment because of a decrease in the total amount of the officer's base salary below the level in effect on the date of consummation of the change of control, without the officer's consent; a material reduction in the importance of the officer's job responsibilities without the officer's consent; geographical relocation of the officer without consent to an office more than fifty (50) miles from the officer's location at the time of a change of control; failure by United to obtain assumption of the contract by its successor or any termination of employment within thirty-six (36) months after consummation of a change of control which is effected for any reason other than good cause.

Under the agreements, a change of control is deemed to occur in the event of a change of ownership of United which must be reported to the Securities and Exchange Commission as a change of control, including but not limited to the acquisition by any "person" (as such term is used in Sections 13(d) and 14(d) of the Securities and Exchange Act of 1934 (the "Exchange Act")) of direct or indirect "beneficial ownership" (as defined by Rule 13d-3 under the Exchange Act) of twenty-five percent (25%) or more of the combined voting power of United's then outstanding securities, or the failure during any period of two (2) consecutive years of individuals who at the beginning of such period constitute the Board for any reason to constitute at least a majority thereof, unless the election of each director who was not a director at the beginning of such period has been approved in advance by directors representing at least two-thirds (2/3) of the directors at the beginning of the period.

Under the agreements, severance benefits include: (a) cash payment equal to the officer's monthly base salary in effect on either (i) the date of termination; (ii) the date immediately preceding the change of control, whichever is higher, multiplied by the number of full months between the date of

Edgar Filing: UNITED BANKSHARES INC/WV - Form DEF 14A

termination and the date that is thirty-six (36) months after the date of consummation of the change of control; (b) payment of cash incentive award, if any, under United's Incentive Plan; (c) continuing participation in employee benefit plans and programs such as retirement, disability and medical insurance for a period of thirty-six (36) months following the date of termination.

The agreements do not effect the right of United to terminate the officer, or change the salary or benefits of the officer, with or without good cause, prior to any change of control; provided, however, any termination or change which takes place after discussions have commenced which result in a change of control will be presumed to be a violation of the agreement and will entitle the officer to the benefits under the agreement, absent clear and convincing evidence to the contrary.

Employee Benefit Plans. No directors or principal shareholders of United and its subsidiaries, other than those persons who are salaried officers, participate in any type of benefit plan of United.

16

United's subsidiaries provide, on a substantially non-contributory basis for all full-time employees, life, disability, health and dental insurance. Life insurance with value of 250% of base salary is provided to all full-time employees, including executive officers. The premiums paid by United for life insurance on any individual, which has a face value greater than \$50,000 is properly reported as compensation. These plans do not discriminate, in scope, terms or operation, in favor of the executive officers of United or its subsidiaries and are available generally to all salaried employees of United and its subsidiaries.

Each employee of United, or its participating subsidiaries, who completes one year of eligible service and is 21 years of age is eligible to participate in the Pension Plan. The plan is noncontributory on the part of the employee. Vesting is attained with five years of participation.

The table above illustrates the operation of United's Pension Plan and Supplemental Retirement Plan ("SERP") by showing various annual benefits, after reduction for Social Security retirement income, assuming various annual base salaries and years of credited service. Benefit figures shown are computed on the assumption that participants retire at the normal retirement age of 65. For purposes of the table, it is assumed each participant is receiving benefits from the Pension Plan in the form of a life annuity. Benefits under the SERP are paid in the form of a life annuity.

The SERP ensures that each participating executive officer, who retires at age 65, receives a level of retirement benefits, without regard to years of service, equal to 70% of the executive officer's average three highest base salary years during his employment with United or an affiliated or successor entity. At the time a participating executive officer retires, the benefit the participant is entitled to through the SERP is calculated, and then funds from the following sources are deducted to determine the amount, if any, of the payment due under the SERP:

17

(i) the benefit under the Pension Plan; (ii) Social Security benefits payable; and (iii) any benefits under United's Savings and Stock Investment Plan.

The estimated credited years of service for each of the executive officers named in the Summary Compensation Table under the Pension Plan as of December 31, 2001, are as follows: Mr. Adams 33 years; Mr. S. Wilson 30 years; Mr. Hayhurst 30 years; Mr. Carson 10 years; and Mr. J. Wilson 31 years.

Each employee of United, who completes one year of eligible service, is eligible to participate in the United Savings and Stock Investment Plan, a deferred compensation plan under Section 401(k) of the Internal Revenue Code. Each participant may contribute from 1% to 15% of pretax earnings to his/her account that may be invested in any of four investment options chosen by the employee. United matches 100% of the first 2% of salary deferred and 25% of the second 2% of salary deferred with United stock. Vesting is 100% for employee deferrals and the company match at the time the employee makes his/her deferral.

United employees may participate in an employee stock purchase plan whereby its employees may purchase shares of United's common stock. Purchases made by employees under this plan are coordinated by the Trust Department of UB, and involve stock purchased at market price for this purpose.

AUDIT COMMITTEE REPORT

The United Bankshares, Inc. Audit Committee reviews United's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal control. United's independent auditors are responsible for expressing an opinion on the conformity of the audited financial statements with generally accepted accounting principles in the United States. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management and the independent auditors the 2001 audited financial statements. This discussion included the quality, not just the acceptability, of the accounting principles, the reasonableness of significant

Edgar Filing: UNITED BANKSHARES INC/WV - Form DEF 14A

judgements and the clarity of disclosures in the financial statements.

The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). In addition, the Audit Committee received from the independent auditors the written disclosures required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. And, the Audit Committee determined that the nonaudit services provided to the Company by the independent auditors are compatible with the auditors' independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in United's Annual Report on Form 10-K for the year ended December 31, 2001, for filing with the Securities and Exchange Commission.

No member of the Audit Committee is a former or current officer or employee of United.
