The financial statements are not yet completed and cannot be completed by the required filing date without unreasonable cost and effort. There was an unexpected delay in providing our accountant with all information required by it to complete the review of registrant's financial statements for the quarter ended September 30, 2005, so the completion of the Form 10-QSB, for review by the auditors, has been delayed. The Company expects to have all remaining information provided by November 14, 2005, and will then be in a position to complete and file the Form 10-QSB.
