Explanatory Note

On April 26, 2018, Gulf Island Fabrication, Inc. (the “Company”) issued a press release announcing its unaudited financial results for the three months ended March 31, 2018 (the “Original Press Release”). The Original Press Release was furnished by the Company as an exhibit to its current report on Form 8-K dated April 26, 2018.

In the Original Press Release, there was an understatement of revenues with an equal and offsetting amount for cost of revenue related to an elimination entry on a project within our Shipyard Division with no change to our gross profit or net income. No other reported amounts were affected.

The Company has revised the Original Press Release solely for the purpose of correcting the previously disclosed revenues and offsetting cost of revenue for the three months ended March 31, 2018 (the “Corrected Press Release”) and is furnishing the Corrected Press Release pursuant to this current report on Form 8-K/A.

Additionally, the Company incorrectly included Item 8.01 disclosure in its Form 8-K dated April 26, 2018, which has been removed in its entirety.

Item 2.02 Results of Operations and Financial Condition.

A copy of the Corrected Press Release, reflecting the changes described in the Explanatory Note above, is attached as Exhibit 99.1 and incorporated by reference herein. The Company is posting the Corrected Press Release on its website at www.gulfisland.com.

Neither the information reported herein nor the Corrected Press Release shall be deemed “filed” for purposes of Section 18 of the Exchange Act or otherwise subject to the liabilities of that section unless the Company specifically states that the information is to be considered “filed” under the Exchange Act or incorporates it by reference into a filing under the Securities Act or the Exchange Act.

Item 9.01 Financial Statements and Exhibits.
