Item 5. Other events.

Effective April 19, 2002 (the "EFFECTIVE DATE"), Appiant Technologies Inc. ("Appiant"), commenced a secured financing of up to \$4,025,000 with certain accredited investors ("Investors") pursuant to a Debenture and Warrant Purchase Agreement (the "Agreement"), dated April 19, 2002. As of April 30, 2002, \$3,025,000 of the financing has closed. Under the terms of the Agreement, Appiant agreed to issue to the Investors Convertible Debentures bearing an interest rate of 8%. The Convertible Debentures may be converted into unregistered, restricted shares of Appiant Common Stock for a purchase price per share equal to the lower of (a) the deemed closing price (of \$1.21) or (b) the

average of the five lowest closing bid prices of Appiant shares for the 20 day period immediately preceding any conversion. The Convertible Debenture can be converted, at the option of the holder, at any time until one year after the Closing Date. In the event the Convertible Debentures are not converted, Appiant has the option to repay the indebtedness. Appiant also has the right to redeem the Convertible Debentures prior to maturity for an amount per share equal to 110% to 125% of the Closing Price as determined by the date of redemption.

## Edgar Filing: APPIANT TECHNOLOGIES INC - Form 8-K

In addition, Appiant agreed to issue to Investors warrants to purchase up to an aggregate of 1,663,223 shares of unregistered, restricted Appiant Common Stock for a total financing of \$4,025,000. As of April 30, 2002, Appiant has agreed to issue warrants for 1,353,307 shares of unregistered, restricted Appiant Common Stock for the portion of the financing closed as of that date. The warrants have a term of three years and are exercisable at a warrant price equal to 110% of the closing price (\$1.33).

Terms of the financing also provide that the Investors may nominate up to two additional members to the Appiant Board of Directors, and provide the Investors certain rights and options regarding possible future equity based financings by Appiant. Appiant has agreed to pay a cash finder's fee of 7% and 3% warrants, and to pay other related expenses. No underwriters were involved in this private placement.

The sale of the debentures and the warrants to the investors was exempt from the registration provisions of the Securities Act, under Sections 4(2) and 4(6) of the Securities Act, and the rules and regulations thereunder, because of the nature of the offerees and Investors and the manner in which the offering was conducted. The investors have acknowledged that the securities cannot be resold unless registered or exempt from registration under the securities laws. Appiant has agreed to register for resale on Form S-3 up to 12,000,000 shares of the Common Stock (the "Registrable Shares") issued to the Shareholders as soon as practicable following the Effective Date. Moreover, Appiant has agreed to seek shareholder approval of the issuance of the Registrable Shares in excess of 19.99% of issued and outstanding Appiant Common Stock.
