STATEMENT OF CORPORATE GOVERNANCE PRACTICES

INTRODUCTION

The Toronto Stock Exchange (the "TSX") requires that each listed company disclose on an annual basis its approach to corporate governance, with reference to guidelines (the "Guidelines") for effective corporate governance published by the TSX.

The Guidelines address matters such as the constitution and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Although there is no requirement that the Corporation comply with the Guidelines, the Corporation considers the Guidelines to be helpful in monitoring the effectiveness and the evolution of its corporate governance and does comply with the Guidelines. The Corporation's current corporate governance is designed to reflect fairly the interests of its shareholders and the Corporation's historic and current development.

The following describes the Corporation's approach to corporate governance:

MANDATE OF THE BOARD OF DIRECTORS

The Board of Directors manages, or supervises the management of, the affairs and business of the Corporation and acts in accordance with the CANADA BUSINESS CORPORATIONS ACT, the Restated Articles of Incorporation and By-laws of the Corporation, all other applicable statutory and legal requirements, the policies of the Corporation and the written mandate of the Board of Directors and written charters of the Board committees. Management is responsible for the day-to-day operation of the business and affairs of the Corporation.

In fulfilling its mandate, the Board of Directors is responsible, among other things, for the following:

- o monitoring and assessing the performance of the Chief Executive Officer and ensuring that succession planning is in place;
- o approving choices of the Chief Executive Officer for the executive Management team, monitoring the performance of the executive Management and ensuring that succession planning is in place for critical Management positions;
- o contributing to the development of the strategic direction of the Corporation and approving strategic plans;
- o ensuring that the Corporation has in place appropriate processes for risk assessment, management and internal control, monitoring performance against agreed benchmarks and assuring the integrity of financial reports; and

Edgar Filing: SIERRA WIRELESS INC - Form 6-K

- o providing assurance to shareholders and stakeholders concerning the integrity of the Corporation's reported financial performance.

- 6 -

In order to carry out its functions, the Board of Directors holds regular meetings and additional meetings as necessary to consider particular matters or evaluate matters between formal meetings, wherever appropriate. In the year ended December 31, 2003, the Board of Directors met on eight occasions. Independently of formal meetings, Management communicates informally with members of the Board of Directors and solicits the advice of Board of Directors members falling within their special knowledge or experience.

In the past year, the Board of Directors adopted a Code of Business Conduct and Ethics applying to all directors, officers and employees of the Corporation to ensure that the Corporation conducts its business in accordance with the highest standards of business conduct and ethics.

The Board of Directors expects members of Management of the Corporation to carry out their duties and to discharge their responsibilities in a professional, competent and ethical manner. The Board of Directors approves senior executive appointments and accepts only those individuals who bring exemplary qualifications and demonstrated abilities to the position. The Board of Directors fully expects each executive to strive diligently and effectively to improve the fortunes of the Corporation and contribute to shareholder value.

COMPOSITION OF THE BOARD OF DIRECTORS

The Guidelines recommend careful consideration of the size, composition and relative independence of corporate boards. The Guidelines define an "unrelated director" as a director who is independent of management and is free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the director's ability to act with a view to the best interests of the Corporation, other than interests and relationships arising from shareholding. The Guidelines emphasize the ability to exercise objective judgment, independent of management, as a hallmark of an unrelated director.

The Board of Directors is composed of seven directors of which all but Mr. David B. Sutcliffe are outside directors who are "unrelated" within the meaning of the Guidelines. The Corporation has no "significant shareholder", which the Guidelines define as a shareholder with the ability to exercise a majority of the votes for the election of the Board of Directors of a corporation.

INDEPENDENCE FROM MANAGEMENT

The Guidelines state that the Board of Directors should have in place appropriate structures and procedures to ensure that the Board of Directors can function independently of management. Since the Chairman of the Board, Mr. David B. Sutcliffe, is a member of Management, the Board of Directors has appointed Mr. Peter Ciceri as Lead Independent Director. In this capacity, Mr. Peter Ciceri acts as liaison between the Board of Directors and Management and provides leadership to enhance Board effectiveness and to ensure greater independence of the Board of Directors from Management. The Board of Directors meets regularly without Management. All three committees of the Board are comprised solely of outside and unrelated directors and are independent of Management.

COMMITTEES

AUDIT COMMITTEE

The Audit Committee is composed of Mr. Paul G. Cataford, Mr. Nadir Mohamed and Ms. S. Jane Rowe (Chair), all of whom are outside and unrelated directors. The Audit Committee's responsibilities include the review and approval of the financial statements of the Corporation, the review of the overall scope and

- 7 -

results of the audit and overseeing internal financial controls of the Corporation. The Audit Committee meets with the Corporation's auditors without the presence of Management and discusses with the auditors all aspects of the Corporation's accounting policies and practices.

HUMAN RESOURCES COMMITTEE

The Human Resources Committee (formerly known as the Compensation Committee) is composed of Mr. Gregory D. Aasen and Mr. Charles E. Levine (Chair), both of whom are outside and unrelated directors. In 2003, the Board of Directors approved a written charter for the Human Resources Committee which provides, among other things, that the Human Resources Committee shall develop compensation policies to support the Corporation's growth and success, review and recommend annually to the Board of Directors compensation levels of all directors and officers including the Chief Executive Officer and review and recommend annually to the Board of Directors performance objectives and goals for the Chief Executive Officer.

GOVERNANCE AND NOMINATING COMMITTEE

The Governance and Nominating Committee is composed of Mr. Paul G. Cataford and Mr. Peter Ciceri (Lead Independent Director), both of whom are outside and unrelated directors. In 2003, the Board of Directors approved a written charter for the Governance and Nominating Committee which provides, among other things, that the Committee shall ensure proper corporate governance in accordance with applicable guidelines and requirements. In addition, the Governance and Nominating Committee proposes nominees to the Board of Directors as further discussed under the heading "New Directors and Orientation Programs" at page 8.

POSITION DESCRIPTIONS

The Board of Directors, together with the Chief Executive Officer, have developed position descriptions for the Board, the Lead Independent Director and the Chief Executive Officer. The Board of Directors approves the corporate objectives that the Chief Executive Officer is responsible for meeting.

DECISIONS REQUIRING BOARD OF DIRECTORS APPROVAL

In addition to those matters which must by law or by the Restated Articles of Incorporation and By-laws of the Corporation be approved by the Board of Directors, decisions of strategic significance to the Corporation must be approved by the Board of Directors. Business plans, budgets, material expenditures or legal commitments (including debt or equity financings and material investments, acquisitions and divestitures) by the Corporation are also subject to review or approval by the Board of Directors. Financial statements and major disclosure documents are also subject to review and approval by the Board of Directors or a committee of the Board of Directors.

Edgar Filing: SIERRA WIRELESS INC - Form 6-K

EFFECTIVENESS OF THE BOARD OF DIRECTORS

The directors of the Corporation complete, on an annual basis, a Board assessment questionnaire in which they provide feedback on the quality of corporate governance by the Board of Directors and Management of the Corporation. The questionnaire covers a variety of issues including Board composition, the effectiveness of the Board of Directors and its committees and the quality of the Board of Directors' relationship with Management of the Corporation. The questionnaire also canvasses opinions with respect to any perceived need for new officers or directors within the Corporation to ensure that the Board of Directors and Management reflect the appropriate breadth of expertise. In addition, on an annual basis, each director completes a self-assessment questionnaire. The Governance and Nominating Committee

- 8 -

presents a summary of the findings of both questionnaires to the Board of Directors and recommends any changes for its approval.

NEW DIRECTORS AND ORIENTATION PROGRAMS

The Board of Directors recruits new directors on an as-needed basis, and it is the responsibility of the Governance and Nominating Committee to identify, evaluate and recommend nominees to the Board of Directors. For each new director, the Board of Directors defines the background, expertise and personal qualities that are desirable in nominees, based, in part, on the qualities already represented by the Board of Directors and the strategic plans of the Corporation. Upon the addition of a new director, the Governance and Nominating Committee will ensure that the new director is familiarized with his or her role, responsibilities and liabilities and provides an overview of the Corporation and its subsidiaries. This is accomplished by an orientation which will include meetings with members of Management. In this regard, Management of the Corporation will make itself available to a new director in order to provide information and answer any questions that the new director may have.

OUTSIDE ADVICE

The directors of the Corporation are permitted to contact and engage an outside adviser at the expense of the Corporation in appropriate circumstances. The engagement of an outside adviser is subject to the approval of the Governance and Nominating Committee.

INVESTOR RELATIONS

The Chief Financial Officer, the Chief Executive Officer and the corporate financial staff are responsible for investor relations functions. Inquiries from shareholders and investment analysts are promptly responded to by employees responsible for investor relations, or when appropriate, by other executives of the Corporation.

Under the terms of each of the executive employment agreements, each executive has made commitments in favour of the Corporation, including non-competition and non-solicitation covenants, minimum and maximum notice periods in the event of the executive's resignation, and continued service for a minimum period of time in the event of a change of control. In consideration of the services to be rendered by each executive under each of the executive employment agreements, each executive receives an annual salary and is entitled to participate in the Management bonus and stock option programs of the Corporation and the dental, medical and other benefit plans as may be offered by the Corporation to senior officers from time to time. In the event of the termination of an executive's employment other than for just cause, the Corporation may elect to provide such executive with either: (i) 12 months working notice (15 months in the case of Mr. Sutcliffe), plus an additional month of working notice for each completed 12 month period of service to the Corporation commencing on the date that the executive commenced employment with the Corporation (not to exceed 24 months); or (ii) severance pay in lieu of such working notice. Under the terms of the executive employment contracts for all of the Named Executive Officers, in the event of actual or constructive termination of an executive's employment within 12 months following the date of a change of control of the Corporation, such executive shall be entitled to a severance payment in an amount equal to 18 months of the executive's average annual earnings, plus payment in lieu of benefits equal to 15% of the executive's annual salary.

COMPOSITION OF THE HUMAN RESOURCES COMMITTEE

The Human Resources Committee of the Board of Directors is currently composed of Gregory D. Aasen and Charles E. Levine (Chair), both of whom are outside and unrelated directors.

REPORT ON EXECUTIVE COMPENSATION

The Human Resources Committee has prepared the following report on compensation for the Chief Executive Officer and other executive officers.

The Human Resources Committee is responsible for maintaining the integrity of all compensation programs and reviewing, and in certain cases recommending modifications to, the Corporation's executive base and annual incentive compensation programs. The incentive plans will typically be awarded in the form of cash and stock option grants and are based on competitive practices of comparable companies, and serve to align the interests of the executives with those of the Corporation's shareholders. The Human Resources Committee also

establishes levels of compensation for the Chief Executive Officer and other executive officers, and recommends to the Board of Directors the granting of discretionary stock option and cash bonus awards to certain executives, senior Management, and other key employees.

- 13 -

It is the policy of the Corporation to compensate its executive and senior Management employees for performance using three forms of remuneration: base salary, incentive cash awards and stock option grants. Base salary will be determined largely by reference to market conditions, while annual incentive cash and stock option awards will provide the opportunity for cash compensation and enhanced share value for an identified group of employees based upon exceptional individual and departmental performance, and the overall success of the Corporation in any given year. Each annual incentive program provides cash bonus and option grant targets based upon the specific position's level of responsibility and the position's influence on the immediate and sustained growth of the Corporation, with final awards determined by a mix of individual, departmental and Corporation performance.
