Item 5. Other Events.

BioTransplant Incorporated (the "Registrant") and its wholly-owned subsidiary Eligix, Inc. filed on February 27, 2003 voluntary petitions for reorganization under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code"). As previously reported in the Current Report on Form 8-K filed by the Registrant with the SEC on May 10, 2004, the Bankruptcy Court entered an order confirming the Registrant's Chapter 11 liquidity plan on April 13, 2004. Such liquidity plan became effective on April 26, 2004 (the "Effective Date"). As of the Effective Date, all outstanding shares of the Registrant's common stock were cancelled.

Under applicable bankruptcy law, prior to the Effective Date the Registrant was required to file periodically with the United States Trustee various materials, including certain financial information on an unconsolidated basis. This information includes statements, schedules and monthly operating reports in forms prescribed by federal bankruptcy law and the United States' Trustee's Office Region 1 Operating Guidelines and Reporting Requirements for Chapter 11 Cases (the "Guidelines"). Accordingly,
