Transfer agent fees and expenses	6,000
Printing and engraving expenses	250,000
Miscellaneous expenses	141,000
	<hr/>
Total ⁽¹⁾	\$ 1,658,974
	<hr/>

(1) The expenses of this offering to be paid by us are estimated to be approximately \$1,000,000. These expenses do not include underwriting discounts and commissions and legal expenses of the selling stockholders and certain other expenses for which the underwriters have agreed to reimburse us.

Item 14. Indemnification of Directors and Officers

Section 145 of the DGCL provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement, that are incurred in connection with various actions, suits or proceedings, whether civil, criminal, administrative or investigative other than an action by or in the right of the corporation, known as a derivative action, if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, if they had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses, including attorneys' fees, incurred in connection with the defense or settlement of these actions, and the statute requires court approval before there can be any indemnification if the person seeking indemnification has been found liable to the corporation. The statute provides that it is not excluding other indemnification that may be granted by a corporation's bylaws, disinterested director vote, stockholder vote, agreement or otherwise.

Section 102(b)(7) of the DGCL permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for payments of unlawful dividends or unlawful stock repurchases or redemptions, or (iv) for any transaction from which the director derived an improper personal benefit.

The registrant's certificate of incorporation and bylaws provide for indemnification of directors and officers to the fullest extent permitted by law. Any repeal or modification of these provisions shall not

Edgar Filing: NAVTEQ CORP - Form S-1/A

adversely affect any right or protection of a director of the registrant for or with respect to any acts or omissions of that director occurring prior to the amendment or repeal.

The registrant expects to obtain insurance policies under which its directors and officers are insured, within the limits and subject to the limitations of those policies, against certain expenses in connection with the defense of, and certain liabilities which might be imposed as a result of, actions, suits or proceedings to which they are parties by reason of being or having been directors or officers.

The registrant has entered into indemnity agreements with its directors and officers providing the indemnification described above.

Reference is also made to the Underwriting Agreement filed as Exhibit 1.1 to the Registration Statement for information concerning the underwriters' obligation to indemnify the registrant and its officers and directors in certain circumstances.

Philips and Scott Miller, a director-nominee, will enter into an indemnity agreement providing for indemnification of Mr. Miller by Philips in certain circumstances.

Item 15. Recent Sales of Unregistered Securities

During the three year period preceding the date of filing of this registration statement, we have issued securities in the transactions described below without registration under the Securities Act. These securities were offered and sold by us in reliance upon exemptions from the registration requirements provided by Section 4(2) of the Securities Act and Regulation D under the Securities Act relating to sales not involving any public offering, Regulation S relating to sales made outside of the United States, and/or Rule 701 under the Securities Act relating to transactions occurring under compensatory benefit plans.

No underwriters were involved in the sales and the certificates representing the securities sold and issued contain legends restricting the transfer of the securities without registration under the Securities Act or an applicable exemption from registration.

Item 17. Undertakings

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange

Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act of 1933 shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Pursuant to the requirements of the Securities Act of 1933, the registrant has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Chicago, State of Illinois, on August 3, 2004.
