**Item 14. Indemnification of Directors and Officers.**

Section 145(a) of the Delaware General Corporation Law provides, in general, that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), because he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 145(b) of the Delaware General Corporation Law provides, in general, that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor because the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made with respect to any claim, issue or matter as to which he or she shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or other adjudicating court determines that, despite the adjudication of liability but in view of all of the circumstances of the case, he or she is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or other adjudicating court shall deem proper.

Section 145(g) of the Delaware General Corporation Law provides, in general, that a corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a

director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify the person against such liability under Section 145 of the Delaware General Corporation Law.

Article VII of our Amended and Restated Certificate of Incorporation, as amended to date (the "Charter"), provides that no director of our company shall be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duty as a director, except for liability (1) for any breach of the director's duty of loyalty to us or our stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) in respect of unlawful dividend payments or stock redemptions or repurchases, or (4) for any transaction from which the director derived an improper personal benefit. In addition, our Charter provides that if the Delaware General Corporation Law is amended to authorize the further elimination or limitation of the liability of directors, then the liability of a director of our company shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law, as so amended.

Article VII of the Charter further provides that any repeal or modification of such article by our stockholders or an amendment to the Delaware General Corporation Law will not adversely affect any right or protection existing at the time of such repeal or modification with respect to any acts or omissions occurring before such repeal or modification of a director serving at the time of such repeal or modification.

Article V of our Amended and Restated By-Laws, as amended to date (the "By-Laws"), provides that we will indemnify each of our directors and officers and, in the discretion of our board of directors, certain employees, to the fullest extent permitted by the Delaware General Corporation Law as the same may be amended (except that in the case of an amendment, only to the extent that the amendment permits us to provide broader indemnification rights than the Delaware General Corporation Law permitted us to provide prior to such the amendment) against any and all expenses, judgments, penalties, fines and amounts reasonably paid in settlement that are incurred by the director, officer or such employee or on the director's, officer's or employee's behalf in connection with any threatened, pending or completed proceeding or any claim, issue or matter therein, to which he or she is or is threatened to be made a party because he or she is or was serving as a director, officer or employee of our company, or at our request as a director, partner, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of our company and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful, provided however, with respect to actions, suits and proceedings other than by or in the right of our company, that no indemnification shall be made under in respect of any claim, issue or matter as to which he or she has been finally adjudged by a court of competent jurisdiction to be liable to our company, unless, and only to the extent that, the Delaware Court of Chancery or another court in which such proceeding was brought has determined upon application that, despite adjudication of liability, but in view of all the circumstances of the case, he or she is fairly and reasonably entitled to indemnification for such expenses that such court deem proper. Article V of the By-Laws further provides for the advancement of expenses to each of our directors and, in the discretion of the board of directors, to certain officers and employees.

In addition, Article V of the By-Laws provides that the right of each of our directors and officers to indemnification and advancement of expenses shall be a contract right and shall not be exclusive of any other right now possessed or hereafter acquired under any statute, provision of the Charter or By-Laws, agreement, vote of stockholders or otherwise. Furthermore, Article V of the By-Laws authorizes us to provide insurance for our directors, officers and employees, against any liability,

whether or not we would have the power to indemnify such person against such liability under the Delaware General Corporation Law or the provisions of Article V of the By-Laws.

We have entered into indemnification agreements with each of our directors and executive officers. These agreements provide that we will indemnify each of our directors and executive officers, and other entities to the fullest extent permitted by law. In addition, our stockholders agreement provides indemnification to TA Associates and its associated investment funds for damages, expenses, losses or diminutions in value arising out of, based upon or by reason of any third party or governmental claims relating to their status as a security holder, creditor, director, officer, agent, representative or controlling person of Clayton, or otherwise relating to their involvement with Clayton.

We also maintain a general liability insurance policy which covers certain liabilities of directors and officers of our company arising out of claims based on acts or omissions in their capacities as directors or officers.

In any underwriting agreement we enter into in connection with the sale of common stock being registered hereby, the underwriters will agree to indemnify, under certain conditions, us, our directors, our officers and persons who control us within the meaning of the Securities Act of 1933, as amended, against certain liabilities.

(1) On May 24, 2004, CFIS and the founding stockholders of CFIS sold 2,016 shares of their common stock to investment funds affiliated with TA Associates, Inc. for an aggregate purchase price of \$31,702,128. Subsequent to the consummation of that transaction, TA Associates and the founding stockholders exchanged their shares of common stock for shares of TMHC Holdings, Inc. common stock and convertible preferred stock.

(2) Also on May 24, 2004, as part of the transaction described in item (1) above, CFIS sold to affiliates of TA Associates \$10,000,000 of 12% senior subordinated convertible notes.

(3) On August 2, 2004, Clayton Services sold 6,780,000 shares of its convertible preferred stock, which are convertible into 6,780,000 shares of its redeemable preferred stock and 1,695,000 shares of our common stock, to affiliates of TA Associates for an aggregate purchase price of \$70,000,000.

(4) On August 2, 2004, as part of the transaction described in item (3) above, Clayton Services sold \$20,000,000 of 12% subordinated notes to investment funds affiliated with TA Associates and other investors.

(5) On August 31, 2004, TA Associates converted its 12% senior subordinated convertible notes into warrants to purchase 72,451 shares of common stock of TMHC Holdings, which were immediately exercised, and 12% senior subordinated notes of CFIS in the principal amount of \$9,990,000.

(6) On March 31, 2005, we consummated a share exchange with TA Associates and the existing shareholders of TMHC Holdings and GRP, wherein all existing shares of common stock and convertible preferred stock of each of GRP and TMHC Holdings were exchanged for our 3,276,994 shares of our common stock, 357,020 shares of our class B common stock, 8,825,241 shares of our series A convertible preferred stock and 24,185,493 shares of our series B convertible preferred stock. The series A convertible preferred stock is convertible into our common stock and series A redeemable preferred stock, and the series B convertible preferred stock is convertible into our common stock and series B redeemable preferred stock.

(7) On March 31, 2005, in connection with the merger and reorganization of Clayton Services and TMHC Holdings, the outstanding options held by employees and officers of each of Clayton Services and TMHC Holdings were converted into an aggregate of 611,525 options to purchase shares of our common stock at exercise prices ranging from \$0.98 to \$4.13 under our 2005 Option Plan. Furthermore, the existing option plans for each of Clayton Services and CFIS were terminated in all respects.

(8) In April 2005, July 2005, September 2005 and October 2005, pursuant to our 2005 Option Plan, we issued an aggregate of 897,093 options to purchase shares of our common stock to certain of our executive officers, including Frank P. Filippis, Steven L. Cohen and Frederick C. Herbst, other employees and non-employee directors, at exercise prices ranging from \$6.00 to \$6.80.

The sales of securities described in items (1) (6) above were deemed to be exempt from registration pursuant to Section 4(2) of the Securities Act of 1933 and Regulation D promulgated thereunder as transactions by an issuer not involving a public offering. The issuance of the securities described in items (7)-(8) above were deemed to be exempt from registration pursuant to either Rule 701 promulgated under the Securities Act of 1933 as a transaction pursuant to a compensatory benefit plan approved by the registrant's board of directors or Section 4(2) of the Securities Act of 1933 as a transaction by an issuer not involving a public offering. The recipients of securities in each of these transactions represented their intention to acquire the securities for investment only and not with a view to or for sale in connection with any distribution thereof and appropriate legends were affixed to the share certificates and instruments issued in such transactions. All recipients either received adequate information about us or had adequate access, through their relationship with us, to information about us. There were no underwriters employed in connection with any of the transactions set forth in Item 15.

**Item 16. Exhibits.**

(a) See the Exhibit Index on the page immediately preceding the exhibits for a list of exhibits filed as part of this registration statement on Form S-1, which Exhibit Index is incorporated herein by reference.

(b) Financial Statement Schedules

None.

**Item 17. Undertakings.**

The undersigned registrant hereby undertakes to provide to the underwriter at the closing specified in the underwriting agreements, certificates in such denominations and registered in such names as required by the underwriter to permit prompt delivery to each purchaser.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by the controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of Prospectus filed as part of this Registration Statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4), or 497(h) under the Securities Act of 1933 shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
