PROXY STATEMENT

General

This proxy is solicited on behalf of the Board of Directors (the "Board of Directors" or the "Board") of Maui Land & Pineapple Company, Inc., a Hawaii corporation (the "Company"), for the 2008 Annual Meeting of Shareholders (the "Annual Meeting") to be held on *May 12, 2008, at 9:00 a.m., local time, at the Ritz-Carlton, Kapalua hotel in Lahaina, Maui, Hawaii*, or any continuation, postponement or adjournment thereof, for the purposes discussed in this Proxy Statement. Proxies are solicited to give all shareholders of record an opportunity to vote on matters properly presented at the Annual Meeting. This Proxy Statement, accompanying proxy card and the Annual Report on Form 10-K for the year ended December 31, 2007, including financial statements, are first being mailed on or about March 28, 2008 to all shareholders entitled to vote at the Annual Meeting.

Who Can Vote

Holders of record of shares of our common stock, no par value ("Common Stock"), at the close of business on March 12, 2008 (the "Record Date") will be entitled to notice of, and to vote at, the Annual Meeting. The securities entitled to vote at the Annual Meeting consist of shares of Common Stock, with each share entitling its owner to one vote per share. Shareholders will not be entitled to cumulate their votes in the election of directors.

Your shares may be voted at the Annual Meeting only if you are present in person or represented by a valid proxy. You may vote by proxy on the Internet, by telephone or by completing and mailing the enclosed proxy card. For your convenience, a self-addressed envelope is enclosed; it requires no postage if mailed in the United States. Voting by proxy on the Internet or by telephone may not be available to all shareholders. For specific instructions on voting, please refer to the instructions on the proxy card or the information forwarded by your bank, broker or other holder of record. The Internet and telephone voting facilities will close at 11:59 p.m. Eastern Time on May 11, 2008. Shareholders who vote through the Internet should be aware that they may incur costs to access the Internet, such as usage charges from telephone companies or Internet service providers and that these costs must be borne by the shareholder. Shareholders who vote by Internet or telephone need not return a proxy card by mail. If you are the beneficial owner of shares held in "street name" by a broker, bank or other nominee (collectively, a "Nominee"), then your Nominee, as the record owner of the shares, must vote those shares in accordance with your instructions. Please refer to the instruction card they provide for voting your shares.

A list of shareholders entitled to vote at the Annual Meeting will be available for examination by any shareholder for any purpose germane to the Annual Meeting during ordinary business hours at our executive offices at 120 Kane Street, P.O. Box 187, Kahului, Maui, Hawaii 96733-6687 for the ten days prior to the Annual Meeting, and also at the Annual Meeting.

Shares Outstanding and Quorum

As of the Record Date, approximately 8,178,395 shares of Common Stock were issued and outstanding.

Votes cast by proxy or in person at the Annual Meeting will be tabulated to determine whether or not a quorum is present for the transaction of business at the meeting. A quorum will exist if a majority of the Company's shares of Common Stock issued and outstanding as of the Record Date are represented at the meeting, either in person or by proxy.

Proxy Card

Shares of our Common Stock represented by properly executed proxies received by us at or prior to the Annual Meeting and not subsequently revoked will be voted as directed in those proxies. If a proxy is signed and no directions are given, shares represented thereby will be voted (i) in favor of electing the Board's three nominees for director and (ii) in favor of the ratification of Deloitte & Touche LLP as our independent registered public accounting firm. The proxy confers discretionary authority on the persons it names as to all other matters that may come before the Annual Meeting and at any continuation, postponement or adjournment thereof. The Board of Directors knows of no other items of business that will be presented for consideration at the Annual Meeting other than those described in this Proxy Statement. In addition, no shareholder proposals or nominations were received on a timely basis, so no such matters may be brought to a vote at the Annual Meeting.

Abstentions and Broker Non-Votes

Abstentions

When an eligible voter attends the meeting but decides not to vote, his or her decision not to vote is called an "abstention." Properly executed proxy cards that are marked "abstain" or "withhold authority" on any proposal will be treated as abstentions for that proposal. We will treat abstentions as follows:

abstention shares are deemed present and entitled to vote for purposes of establishing a quorum;

abstention shares will be treated as not voting for purposes of determining the outcome on any proposal for which the minimum vote required for approval of the proposal is a plurality (or a majority or some other percentage) of the votes actually cast, and thus will have no effect on the outcome; and

abstention shares will have the same effect as votes against a proposal if the minimum vote required for approval of the proposal is a majority (or some other percentage) of (i) the shares present and entitled to vote, or (ii) all shares outstanding and entitled to vote.

Broker Non-Votes

If you are the beneficial owner of shares held in "street name" by a Nominee, then your Nominee, as the record owner of the shares, must vote those shares in accordance with your instructions. "Broker non-votes" occur when shares held by a Nominee for a beneficial owner are not voted with respect to a particular proposal because (1) the broker does not receive voting instructions from the beneficial owner, and (2) such proposal is a non-routine proposal for which the Nominee lacks the discretionary authority to vote the shares. Whether a proposal is routine or non-routine is determined under the rules of the American Stock Exchange. Thus, when no voting instructions are received and a Nominee lacks the discretion to vote on his or her clients' behalf, Nominees are generally required to return the proxy card (or a substitute) marked with an indication that the Nominee lacks voting power over that particular proposal. This type of response is known as a "broker non-vote." We will treat broker non-votes as follows:

broker non-votes are deemed present and entitled to vote for purposes of establishing a quorum;

broker non-votes will not be treated as shares present and entitled to vote for purposes of any matter requiring the affirmative vote of a majority or other proportion of the shares present and entitled to vote (even though the same shares may be considered present for quorum purposes and may be entitled to vote on other matters). Thus, a broker non-vote will not affect the outcome of the voting on a proposal the passage of which requires the affirmative vote of a

Edgar Filing: MAUI LAND & PINEAPPLE CO INC - Form DEF 14A

plurality (or a majority or some other percentage) of (i) the votes cast or (ii) the voting power present and entitled to vote on that proposal; and

broker non-votes will have the same effect as a vote against a proposal the passage of which requires an affirmative vote of the holders of a majority (or some other percentage) of the outstanding shares entitled to vote on such proposal.

Each of the proposals to be presented at the Annual Meeting are considered to be discretionary and therefore may be voted upon by your Nominee if you do not give instructions for the shares held by such Nominee.

Counting of Votes

Directors are elected by a plurality of votes cast, so the three nominees who receive the most votes will be elected. Abstentions will not be taken into account in determining the election of directors and broker non-votes will not result because the election of directors is a discretionary matter.

Ratification of the independent registered public accounting firm will require an affirmative vote of a majority of shares present or represented by proxy at the Annual Meeting and entitled to vote on the matter. Abstentions will have the same effect as votes against the ratification and the proposal. Because the ratification of the independent registered public accounting firm is a discretionary matter, broker non-votes will not result for this item.

Revocation of Proxy

If you are a shareholder of record and vote by proxy, you may revoke your proxy at any time before it is voted by:

signing and returning another proxy card bearing a later date;

submitting another proxy on the Internet or by telephone (your latest telephone or Internet voting instructions are followed);
or

giving written notice of revocation to the Company's Secretary prior to or at the Annual Meeting or voting at the annual meeting.

Your attendance at the Annual Meeting will not have the effect of revoking your proxy unless you give written notice of revocation to our Corporate Secretary before the polls are closed. Any written notice revoking a proxy should be sent to the Corporate Secretary at our principal executive office at 120 Kane Street, P.O. Box 187, Kahului, Maui, Hawaii 96733-6687, and must be received before the polls are closed.

If your shares are held in the name of a Nominee, you may change your vote by submitting new voting instructions to your Nominee. Please note that if your shares are held of record by a Nominee and you decide to attend and vote at the Annual Meeting, your vote in person at the Annual Meeting will not be effective unless you present a legal proxy, issued in your name from your Nominee.

Solicitation of Proxies

We will bear the entire cost of solicitation of proxies, including preparation, assembly and mailing of this Proxy Statement, the proxy and any additional information furnished to shareholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding shares of Common Stock in their names that are beneficially owned by others to forward to those beneficial owners. We may reimburse persons representing beneficial owners for their costs of forwarding the solicitation materials to the beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, facsimile, electronic mail or personal solicitation by directors,

officers or employees of the Company. No additional compensation will be paid to directors, officers or employees for such services.

Shareholder Proposals And Nominations

Under Rule 14a-8 promulgated under the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), in order for business to be properly brought by a shareholder before an annual meeting, our Secretary must receive, at our corporate office, written notice of the matter not less than 120 days prior to the first anniversary of the date our proxy statement was released to shareholders in connection with the preceding year's annual meeting. Thus, proposals of shareholders intended to be presented pursuant to Rule 14a-8 under the Exchange Act must be received at our executive offices on or before November 28, 2008 in order to be considered for inclusion in the Company's proxy statement and proxy card for the 2009 Annual Meeting.

Our Bylaws contain additional requirements that must be satisfied for any proposal of shareholders made other than under Rule 14a-8. Compliance with these requirements will entitle the proposing shareholder only to present such proposals or nominations before the meeting, not to have the proposals or nominations included in the Company's proxy statement or proxy card. Such proposals or nominations may not be brought before an annual meeting by a shareholder unless the shareholder has given timely written notice in proper form of such proposal or nomination to the Chairman of the Board, the President or the Secretary of the Company. Such proposals or nominations may be made only by persons who are shareholders of record on the date on which such notice is given and on the record date for determination of shareholders entitled to vote at that meeting. Shareholder notices of any proposals or nominations intended to be considered at the 2009 Annual Meeting will be timely under our Bylaws only if received at our executive offices no earlier than January 12, 2009 and no later than February 11, 2009. However, if the 2009 Annual Meeting is called for a date that is not within thirty days before or after May 12, 2009, any such notice will be timely only if it is received no later than the close of business on the tenth day following the date of the first mailing of the notice of our 2009 Annual Meeting or the date of the public disclosure of the date of our 2009 Annual Meeting, whichever is earlier.

To be in proper written form, a shareholder's notice concerning a proposal to be presented at an annual meeting must set forth as to each matter the shareholder proposes to bring before the annual meeting:

a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting;

the name and record address of such shareholder;

the number of shares of stock of the Company owned by such shareholder beneficially and of record;

a description of all arrangements or understandings between such shareholder and any other person or persons (including their names) in connection with the proposal of such business by such shareholder and any material interest of such shareholder in such business; and

a representation that such shareholder intends to appear in person or by proxy at the annual meeting to bring such business before the meeting.

To be in proper written form, a notice concerning a nomination for election to our Board of Directors must set forth as to each person whom the shareholder proposes to nominate for election as a director:

the name, age, business address and residence address of the person;

Edgar Filing: MAUI LAND & PINEAPPLE CO INC - Form DEF 14A

the principal occupation or employment of the person;

the number of shares of stock of the Company owned by the person beneficially and of record; and

any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder; and as to the shareholder giving the notice:

the name and record address of such shareholder;

the number of shares of stock of the Company owned by such shareholder beneficially and of record;

a description of all arrangements or understandings between such shareholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such shareholder;

a representation that such shareholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice; and

any other information relating to such shareholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder. Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

In addition, no person will be eligible for election as a director if such election would cause us to have insufficient "independent directors" within the meaning of the listing standards of the American Stock Exchange.

Any notice concerning proposals or nominations sought to be considered at an Annual Meeting should be addressed to our Chairman, President or Secretary at 120 Kane Street, P.O. Box 187, Kahului, Hawaii 96733-6687. The full text of the bylaw provisions referred to above (which also set forth requirements and limitations as to shareholder proposals or nominations to be considered at any special meeting) may be obtained by contacting our Secretary at the foregoing address, by telephone at 808-877-3351, facsimile 808-877-1614 or e-mail at communications@mlpmaui.com.

Multiple Shareholders Sharing the Same Address

Owners of common stock in street name may receive a notice from their Nominee stating that only one proxy statement will be delivered to multiple security holders sharing an address. This practice, known as "householding," is designed to reduce printing and postage costs. However, if any shareholder residing at such an address wishes to receive a separate proxy statement, he or she may contact our Secretary at P.O. Box 187, Kahului, Hawaii 96733-6687 or by telephone at 808-877-3351 or e-mail at communications@mlpmaui.com.

Director Independence

Both the listing standards of the American Stock Exchange and our Bylaws require that a majority of the Board be independent within the meaning of the listing standards of the American Stock Exchange. The Nominating and Governance Committee annually evaluates the independence of each director and nominee for director, based on the rules prescribed by the listing standards of the American Stock Exchange and an evaluation of the transactions, if any, between the Company and the other entities with whom the director has an affiliation. After completing its annual evaluation, the Nominating and Governance Committee concluded that Warren H. Haruki who is a nominee for election to the Board at the Annual Meeting, is not independent because of his position as Chief Executive Officer of Grove Farms Company, Inc., an entity that is principally owned by Stephen M. Case, a major shareholder of the Company. Therefore, our Board of Directors has affirmatively determined that Messrs. Agee and MacNaughton, both nominees for election to the Board at the Annual Meeting, and all continuing directors except for David C. Cole, our President and Chief Executive Officer, are independent pursuant to Section 121 of the American Stock Exchange Company Guide.

Board Meetings and Committees; Annual Meeting Attendance

The Board of Directors has established three standing committees: the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee. The Board has approved a written charter for each of these committees, and each such charter is posted on the Company website at <http://mauland.com/>.

In 2007, our Board of Directors held 8 meetings, the Audit Committee held 4 meetings, the Compensation Committee held 4 meetings and the Nominating and Governance Committee held 2 meetings. In 2007, all directors attended at least 75% of the aggregate meetings of the Board and committees on which they serve. The independent directors met 4 times in executive session in 2007. Board members are encouraged, but not required to attend our Annual Meeting of Shareholders. Our 2007 Annual Meeting of Shareholders was attended by of all directors serving at that time.

Audit Committee

Members of the Audit Committee are Messrs. Lucien (Chairman), Agee and Heenan. All of the Audit Committee members are independent from the Company and its management, as defined by the listing standards of the American Stock Exchange and by the rules of the Securities and Exchange Commission ("SEC"). The Board of Directors has determined that Mr. Lucien is an "audit committee financial expert" as defined in the rules and regulations of the SEC.

The Audit Committee is responsible for, among other things, monitoring the integrity of our consolidated financial statements, our system of internal accounting controls and financial reporting processes, and the overall performance of our internal auditors. The Audit Committee is also responsible for hiring, determining compensation for, and reviewing the independence and performance of, our independent registered public accounting firm. See "Audit Matters Report of the Audit Committee."

Compensation Committee

The members of the Compensation Committee are Messrs. Dods (Chairman), MacNaughton and Trotter. Each of these directors is independent as defined by the applicable listing standards of the American Stock Exchange.

The Compensation Committee reviews and approves the compensation plans, salary recommendations and other matters relating to compensation of our executive officers and directors. Compensation recommendations regarding the executive officers (except for the President and Chief

Executive Officer) and directors are generally provided to the Compensation Committee by Mr. Cole, our President and Chief Executive Officer, and approved by the Compensation Committee. Mr. Cole's total compensation is recommended by the Compensation Committee and approved by our Board of Directors. The Compensation Committee has the sole authority over any non-equity compensation recommendations. However, equity compensation recommendations are presented to the full Board for ratification. The Compensation Committee generally retains the services of a compensation consultant to evaluate the compensation of our executive officers and directors. The Compensation Committee has the sole authority to retain and terminate outside counsel and other outside experts or consultants, at our expense, as deemed appropriate. See "Executive and Director Compensation Report of the Compensation Committee."

Nominating and Governance Committee

The members of the Nominating and Governance Committee are Messrs. Heenan (Chairman), Agee and Dods. All of the Nominating and Governance Committee members are independent as defined by the listing standards of the American Stock Exchange.

The Nominating and Governance Committee identifies, evaluates, and recommends qualified candidates to our Board of Directors for nomination and election. The Nominating and Governance Committee's policy with respect to director candidates recommended by shareholders is that it will consider any such director candidates on the same basis as candidates identified by the Nominating and Governance Committee. Names and resumes of prospective directors should be addressed to Nominating and Governance Committee of Maui Land & Pineapple Company, Inc., c/o Corporate Secretary, 120 Kane Street, P.O. Box 187, Kahului, Hawaii 96733-6687. See "Shareholder Proposals And Nominations" above.

The criteria that will be applied in evaluating any candidate considered by the Nominating and Governance Committee, including those recommended by shareholders, include whether or not the candidate:

is familiar with the communities of Maui and Hawaii in general;

possesses personal and professional integrity, sound judgment and forthrightness;

has sufficient time and energy to devote to the Company's affairs;

is willing to challenge and stimulate management and is able to work as part of a team in an environment of trust;

has an open-minded approach to, and the resolve to independently analyze, matters presented for consideration;

will add specific value by virtue of particular technical expertise, experience or skill relevant to our business; and

understands business and financial affairs and the complexities of a business organization. While a career in business is not essential, a nominee should have a proven record of competence and accomplishment through leadership in industry, non-profit organizations, the professions or government.

The Committee identifies nominees for positions on our Board of Directors by requesting names of potential candidates from the other Board members and from our executive officers.

The Committee is authorized by its charter to retain a third party search firm to identify potential nominees to our Board of Directors. The Committee reviews resumes of the interested candidates and selects those that pass the initial screening for personal interviews. Each Committee member completes a ranking form that ranks all candidates interviewed and the directors standing for re-election. Based on the scores received by each individual, the nominees are selected for recommendation to our Board

of Directors. Directors Agee, Haruki and MacNaughton are standing for re-election at the 2008 Annual Meeting of Shareholders.

Shareholder Communications with the Board of Directors

Shareholders wishing to submit written communications to our Board of Directors should address their communications to: Board of Directors of Maui Land & Pineapple Company, Inc., or to the specified individual director, c/o Corporate Secretary, 120 Kane Street, P.O. Narrative to Director Compensation Table

In 2007, all non-employee directors received an annual cash retainer fee of \$30,000 (prorated for Director Gilburne who was first elected to the Board effective May 7, 2007). We have an executive deferred compensation plan in which all of our executive officers and directors are eligible to participate. Messrs. Agee, Heenan and Lucien elected to participate in this plan in 2007. Under this plan, participating directors can defer up to 100% of the annual cash retainer until termination of their Board membership. Earnings on compensation deferred under this plan are tied to the performance of mutual funds, which are substantially the same funds as those in our 401(k) plan, and do not earn interest at a fixed rate.

Non-employee directors are also granted restricted Common Stock ("Restricted Shares") that vest at 250 shares each quarter covering the term of the director's current membership. The Restricted Shares are granted under the Maui Land & Pineapple Company, Inc. 2006 Equity and Incentive Compensation Plan, to the director at the time he or she is elected, re-elected or appointed to the Board. The number of shares granted to each director equals the number of calendar quarters or portions thereof in his term multiplied by 250 shares. The directors have voting and regular dividend rights with respect to the unvested restricted shares, but have no right to dispose of them until such time as they are vested. Each unvested Restricted Share is forfeited upon the director's termination of his position as a member of the Board of Directors for any reason.

Edgar Filing: MAUI LAND & PINEAPPLE CO INC - Form DEF 14A

In 2007, Directors Heenan, Gilburne and Lucien were each granted 3,000 Restricted Shares under the Maui Land & Pineapple Company, Inc. 2006 Equity and Incentive Compensation Plan, upon their election as Class Two directors for the three-year term that ends in 2010. The fair value at the date of grant was the closing price of our Common Stock on May 7, 2007 of \$34.03 per share.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Overview

Compensation for our executives and key employees is designed to attract and retain people who share our vision and values and who can execute to achieve our strategic goals. We have a very knowledgeable employee base in addition to valuable land and brand assets, and the executive talent we have retained the past several years are capable of leveraging the skills of our employees and our unique assets to increase shareholder value. In short, our goal is to become the employer of choice in the markets where we compete.

Compensation Philosophy and Objectives

We operate in a challenging business environment where housing is expensive, quality schools are scarce, and base salaries are generally insufficient to secure home mortgages for current and potential employees. This lack of purchasing power has a material impact on our ability to attract and retain employees in their prime earning and childbearing years.

We have therefore developed a multifaceted compensation philosophy focused on building purchasing power for current and future employees by increasing earning potential while decreasing the cost of housing and education. To increase earning potential, we use base salaries supplemented by long-term equity compensation and performance-based annual cash and/or equity incentives. To

increase employee purchasing power, we use a portion of our land resources to subsidize housing and, in 2004, we granted land and underwrote infrastructure costs to establish a private K-12 school where we provide tuition assistance for qualifying children of our employees.

We also believe that recognition and training programs are vitally important for recruiting and retaining talent, as investments in these programs reflect our commitment to continuous improvement and employee development.

The Role of the Compensation Committee

The Compensation Committee has the primary authority to determine our compensation philosophy and to establish compensation for our Named Executive Officers in light of individual and corporate achievements. Compensation recommendations regarding our executive officers (other than Mr. Cole, our President and Chief Executive Officer) and directors are generally provided to the Compensation Committee by Mr. Cole and approved by the Compensation Committee. Mr. Cole's total compensation is recommended by the Compensation Committee and approved by our Board of Directors. In addition, each Named Executive Officer and other senior executive management team members participate in an annual performance review with our Chief Executive Officer to provide input about his or her contributions to the Company's success for the period being assessed. From time to time, the Compensation Committee engages the services of third party compensation consultants to review the compensation of our executive officers.

Total Compensation for Executive Officers

The compensation packages offered to Named Executive Officers are comprised of one or more of the following elements:

- base salary;
- annual bonus incentives;
- long-term equity incentive compensation;
- subsidized housing programs;
- subsidized education programs; and
- retirement and other benefits.

Each of these components is described in more detail below.

Base Salary

We provide our Named Executive Officers and other employees with a base salary to compensate them for services rendered during the fiscal year. The purpose of the base salary is to reflect job responsibilities, value to the Company and competitiveness of the market. Minimum salaries for our Named Executive Officers are determined by the Compensation Committee based on the following factors: nature and responsibility of the position, and to the extent available, salary norms for comparable positions; the expertise of the individual executive; the competitiveness of the market for the executive's services; and the recommendations of the Company's Chief Executive Officer.

Base compensation for Mr. Cole was last adjusted in 2006 to bring him up to the 70th percentile of executives in similar positions, upon the recommendation of Towers Perrin, a well-known consulting firm specializing in executive compensation. See "Employment Agreements David C. Cole" for further details.

The minimum salary for Robert I. Webber, Chief Financial Officer, was determined by our employment agreement with him when he was hired as of May 1, 2006. Mr. Webber's base salary as of

May 2007 was \$350,000. In March 2008, our Board of Directors appointed Mr. Webber to the position of Chief Operating Officer and Executive Vice President, in addition to his position as Chief Financial Officer. In connection with the appointment, Mr. Webber's annual salary was increased to \$400,000 in light of his increased responsibility in the new positions. See "Employment Agreements Robert I. Webber" for further details.

The Compensation Committee annually reviews the compensation arrangements of our other executive officers, and will typically consider the recommendations of Mr. Cole in making compensation decisions regarding such officers. In 2007, the Compensation Committee accepted Mr. Cole's recommendations for executive officer compensation without change.

Annual Bonus Incentives

It is the Company's objective to have a substantial portion of each Named Executive Officer's compensation contingent upon overall corporate performance as well as upon his or her own level of performance and contribution towards the Company's performance. Our Compensation Committee believes that stock-based annual incentives for the achievement of defined objectives create value in our company and align the executive's compensation with the interests of our shareholders.

Early in each year, the Compensation Committee establishes Company performance measures and individual performance measures for each business segment. The bonus objectives for our Named Executive Officers are generally based on the achievement of corporate objectives that relate to that part of our business for which such executive officer has primary responsibility, as well as on a subjective review of the Named Executive Officer's total contribution to our company. In establishing the personal objectives for each of our Named Executive Officers, the Compensation Committee believed that each of the objectives would be challenging to achieve. In 2007, Messrs. Churchill and Watts were each awarded 15,000 Restricted Shares that vest over a 5-year period based on performance goals. The performance goals included the achievement of certain net operating income thresholds, and other objective financial metrics as well as subjective goals related to the executive's particular business segment. Mr. Rickert was previously granted Restricted Shares that vested over a three-year period through 2007 based on the Company's return on investment, and could vest in 2008 based on the achievement of certain objective and subjective departmental goals.

Bonus incentives for the Chief Executive Officer and the Chief Financial Officer are generally based on overall achievement of corporate performance objectives. See "Employment Agreements David C. Cole and Robert I. Webber." In 2007, our CEO and CFO each has previously granted Restricted Shares that could vest based on the achievement of corporate net income, return on investment or on the achievement of certain value accelerator transactions.

Long-Term Equity Compensation

The Compensation Committee believes that long-term stock compensation is a valuable employee retention tool, encourages the participants to focus on long-term Company performance and provides an opportunity for executives and key employees to increase their stake in the Company through grants with duration of three to five years. Our stock compensation program also aims to align the executive's interest with those of the shareholders by enhancing the link between creation of shareholder value and long-term executive incentive compensation. Generally, employees at a director level and above are awarded non-qualified stock options. All awards of stock options are made at or above the closing price of the underlying stock on the date of the grant and generally vest over five years, with 20% vesting each year. Restricted stock based on performance goals are awarded based on the Compensation Committee's qualitative perception of exceptional performance and potential contribution by specific executives. The authority to make stock compensation grants rest with the Compensation Committee, subject to ratification by the full Board of Directors.

Housing

We have periodically commissioned housing projects and have offered Company owned land and housing to employees and executives. In the last three years, the Company has initiated several projects where employees are expected to have preferred access to both rental and for sale units, subject to state and county government approvals.

Education

In 2004, we donated approximately 15 acres of land and improvements to establish Maui Preparatory Academy ("MPA") to serve employees and residents on West Maui. Subsequent to the donation, the Company has provided several million dollars of infrastructure improvements in and around MPA's campus. In addition, the Company offers a matching tuition grant to dependents of employees, including several employees.

Retirement Plans

We currently have defined benefit pension plans covering most of our employees including the executive officers. The defined benefit pension plan is not a large benefit to most of our Named Executive Officers because most do not have a long prior employment history with us. In addition, we offer pre-tax saving plans (401(k)) to all full time employees and a non-qualified executive deferred compensation plan allowing deferral of salary and bonus for executives and certain levels of management and deferral of cash compensation paid to the Board of Directors.

Tax and Accounting Implications

The Compensation Committee is also responsible for considering the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that we may not deduct compensation of more than \$1,000,000 that is paid to our executive officers; and approximately \$2,000,000 of 2007 compensation for David C. Cole may not be deductible by us for federal income tax purposes. The American Jobs Creation Act of 2004 changed the tax rules applicable to nonqualified deferred compensation arrangements. Pursuant to these new rules, in 2006 the Company amended a stock option agreement for Mr. Cole to increase the exercise prices of stock options to the fair market value on the day the executive began employment with us (date of grant). The exercise price in this option agreement had been set in 2003 when we negotiated the recruitment of Mr. Cole. In 2007, the Compensation Committee agreed that Mr. Cole should be compensated for his loss and approved a discretionary cash payment to Mr. Cole of \$1,053,000 with the intent to compensate him for the loss in value of his stock options. We believe that all other compensation paid under the management incentive plans are fully deductible for federal income tax purposes. In certain situations, the Compensation Committee may approve compensation that will not meet the requirements for deductibility in order to ensure competitive levels of compensation for executives and to meet our obligations under the terms of various incentive programs.

Severance and change in control benefits

These benefits have been handled on a case by case basis as is deemed important to the executive involved, and the benefit usually takes the form of cash payments or acceleration of stock grants. See "Potential Payments Upon Termination or Change-in-Control."

Employment Agreements: We have employment agreements with David C. Cole and Robert I. Webber.

David C. Cole. Mr. Cole has an Employment Agreement with us to serve as President and Chief Executive Officer, effective October 15, 2003, continuing for an indefinite term at the pleasure of the Board of Directors (the "Board"). Pursuant to the Employment Agreement, Mr. Cole was appointed as a director upon the approval by the shareholders, in December 2003, of the expansion of the size of the Board. He was appointed Chairman of the Board in March 2004.

The Employment Agreement included a base salary of \$450,000 per year, with his performance to be reviewed annually by the Board to determine if an increase is warranted. In April 2006, after reviewing Mr. Cole's Employment Agreement and a study of Mr. Cole's position by Towers Perrin, an outside compensation consulting firm, the Compensation Committee increased Mr. Cole's base salary by \$100,000, approved a \$50,000 bonus payable in October 2006, granted Mr. Cole 100,000 performance-based Restricted Shares, with a three year vesting period from 2007 to 2009, and granted Mr. Cole stock options to purchase 200,000 shares of Common Stock, with a three year vesting period from October 2006 to October 2009. With respect to the 2006 restricted stock grant, up to 33,333 (33,334 in the last vesting period) shares shall vest following each of the fiscal years ending December 31, 2007, 2008 and 2009, subject to the achievement of certain agreed-upon performance measures for each period. For fiscal 2007, the performance measures adopted by the Compensation Committee included the achievement of a certain net income threshold and the achievement of up to seven specific value accelerator transactions. In 2007, the net income threshold was not achieved, but two of the value accelerator transactions were accomplished resulting in the vesting of 16,000 Restricted Shares. Specific performance criteria for fiscal years 2008 and 2009 will be established by the Compensation Committee prior to the end of the first quarter of each fiscal year, as applicable.

In December 2003, in connection with his Employment Agreement, we issued to Mr. Cole 100,000 Restricted Shares and 200,000 nonqualified stock options. With respect to the 2003 restricted stock grant, Mr. Cole's 100,000 Restricted Shares vested at the rate of up to 25,000 shares per fiscal year from 2004 through 2007, subject to the achievement of certain agreed-upon performance measures based on return on investment. With respect to fiscal year 2007, there were no Restricted Shares vested and 30,750 Restricted Shares remaining in the plan were cancelled in February 2008; 30,075 Restricted Shares were subject to a modification of the restricted stock grant and vested based upon 2006 performance goals that were achieved in March 2007; 14,175 and 25,000 Restricted Shares, respectively, were vested by the Compensation Committee with respect to 2005 and 2004 performance measures. See "Option Exercises and Stock Vested" table.

Mr. Cole's employment will continue at the pleasure of the Board until terminated with or without cause by the Board or by his death, disability, voluntary resignation or resignation for good reason. If Mr. Cole's employment is terminated due to his death or disability, he (or his estate) will be entitled to his salary earned through the termination date, the right to exercise vested options for a year following termination, any vested restricted shares, and any other vested employment benefits. If Mr. Cole's employment is terminated for "cause," he will be entitled only to salary earned through the date of termination, any vested restricted shares, and any other vested employee benefits. If Mr. Cole's employment is terminated without "cause" or he resigns for "good reason," he will be entitled to a severance payment of \$450,000, in addition to any salary earned through the date of termination or resignation, the immediate vesting of all unvested restricted shares and stock options, and the right to exercise vested options for six months following termination, in addition to all other amounts earned or accrued but not paid and any vested employee benefits. See "Potential Payments Upon Termination or Change-in-Control David C. Cole."

Pursuant to the Employment Agreement, "cause" includes: a breach of the Employment Agreement by Mr. Cole that is not cured after 15 days notice; a failure or refusal to carry out the

Board's policies; a material and intentional or grossly negligent breach of the duty of care or a willful or grossly negligent breach of the duty of loyalty resulting in a material injury to us or our shareholders; a conviction or plea of guilty or no contest to any crime for which imprisonment is a possibility or which results in a fine or penalty by us; or any knowing violation of a law or regulation that results in a fine or penalty to us exceeding \$50,000 or a judgment of \$1,000,000 or more.

A resignation for "good reason" includes a resignation within 180 days after: a material breach of the Employment Agreement by us; material interference by us with Mr. Cole's access to the Board; a decrease in title or compensation or a material decrease in authority; or a "Change in Control" of the Company. For these purposes, a "Change in Control" includes:

if any person or group (other than an existing shareholder or group of shareholders or their affiliates) beneficially owns more than 30% of the total voting power of our stock on a fully diluted basis, and such beneficial ownership represents a greater percentage of the total voting power of our stock, on a fully diluted basis, than is held by any existing shareholder or group, together with their respective affiliates;

if a majority of the Board comes to consist of those who are not members on the date of the Employment Agreement, or were not nominated or elected by two-thirds of such directors;

a merger or consolidation of the Company after which one or more of the current shareholders retains less than 60% of the voting shares of the surviving entity;

the sale or transfer, not recommended by Mr. Cole of 50% or more of our assets; or

our approval and implementation of a plan of liquidation or dissolution or the filing of a bankruptcy petition.

Mr. Cole will be entitled to indemnity pursuant to applicable law and our current Bylaws and resolutions in effect as to the most favorably indemnified officer or director, or if more favorable, the terms of such Bylaws or resolutions as may later become effective. Mr. Cole will comply with our existing policies on conflicts of interest and business ethics, and will have standard confidentiality and invention assignment obligations. For a one-year period after Mr. Cole's employment is terminated, he agrees not to solicit or encourage our employees or contractors to leave the Company (without Board approval), or to solicit or encourage current or prospective customers to cease or reduce their business with us.

Memorandum Agreement: On August 23, 2005, Mr. Cole and Mr. Stephen M. Case, a significant shareholder of the Company, formed Aquaterra Partners, LLC, a Delaware limited liability company, pursuant to a Memorandum Agreement between them dated July 29, 2005, for the purpose of making investments. Mr. Case contributed \$1,990,000 through his nominee, ALPS Investment, LLC, and Mr. Cole contributed \$100,000. Aquaterra Partners is managed by Aquaterra Corporation, a Delaware corporation owned by Mr. Cole. Under the terms of the Memorandum Agreement, the first \$2,090,000 of Aquaterra Partner's income will be allocated to Mr. Cole, after which all other income will be divided equally between ALPS Investment, LLC, and Mr. Cole. The Memorandum Agreement replaced an agreement dated August 12, 2003 in which Mr. Cole was granted the right to purchase 100,000 shares of Common Stock of the Company by the Stephen M. Case Revocable Trust.

Robert I. Webber. Mr. Webber has an Employment Agreement with us to serve as our Chief Financial Officer and Senior Vice President of Business Development. The term of the agreement is from May 1, 2006 to April 30, 2008, subject to extensions for successive additional year periods. The material terms of the Employment Agreement include an annual first year salary of \$300,000 with a \$50,000 sign on bonus and a \$50,000 guaranteed first year incentive payment after one year of employment. See "Summary Compensation Table." Beginning the second year of employment and every year thereafter, the bonus shall be based upon the achievement of criteria and in amounts as set

forth in a bonus plan established by the Compensation Committee, with the understanding that, barring unforeseen business issues, Mr. Webber's annual incentive bonus payment shall be a minimum of \$50,000. His annual salary for year two will be \$350,000 with any annual incentive pay to be negotiated. In addition, Mr. Webber will be eligible to participate in all Company benefit programs and will be entitled to up to \$36,000 annually as a supplemental cash payment. Pursuant to the Employment Agreement, Mr. Webber was granted options to purchase 25,000 shares of common stock (at the closing market price of our Common Stock on May 8, 2006) that will vest at 20% per year over a 5-year period, and 25,000 Restricted Shares that will vest over a 5-year period based upon certain performance metrics. Up to 5,000 shares shall be available to vest following each of the fiscal years ending December 31, 2006, 2007, 2008, 2009 and 2010 provided, that the performance criteria for the applicable fiscal year is achieved, as determined in the sole and complete discretion of the Compensation Committee. Specific performance criteria for fiscal years 2007 to 2010 are established by the Compensation Committee prior to the end of the first quarter of each fiscal year, as applicable. In March 2007, 4,955 Restricted Shares were subject to a modification of the restricted stock grant and vested based upon 2006 performance goals that were achieved in 2007. The performance criteria with respect to fiscal year 2007 included the achievement of a certain net income threshold and up to seven specific value accelerator transactions. In 2007, the net income threshold was not met but two of the value accelerator transactions were achieved resulting in vesting of 4,000 Restricted Shares. If Mr. Webber's employment is terminated for any reason other than "cause," or voluntary resignation, Mr. Webber will receive one year of base salary as separation pay and the vesting of all stock options (but not unvested Restricted Shares) will be accelerated. See "Potential Payments Upon Termination or Change-in-Control Robert I. Webber."

Pursuant to Mr. Webber's Employment Agreement, "cause" consists of any of the following:

if Mr. Webber is convicted of, or has pleaded guilty or entered a plea of nolo contendere to, a felony (under the laws of the United States or any state thereof);

fraudulent conduct by Mr. Webber in connection with the business or other affairs of the Company or any related company or the theft, embezzlement, or other criminal misappropriation of funds by Mr. Webber from the Company or any related company; or

Mr. Webber's gross negligence to comply with reasonable directives of the Chief Executive Officer and Board of Directors which are communicated to him in writing, after reasonable written notice has been provided of such non-performance by the Chief Executive Officer and Board of Directors, and, if such failure is curable, Mr. Webber has not cured such failure within a reasonable period following such notice.

Edgar Filing: MAUI LAND & PINEAPPLE CO INC - Form DEF 14A

Compensation covered by the Pension Plan for Non-Bargaining Unit Employees ("Pension Plan") and the Supplemental Executive Retirement Plan ("SERP") is generally only base salary. Retirement benefits are computed based on each participant's years of credited service at the Company, age, earnings and retirement date, and are not subject to any deduction for social security or other offset amounts. Normal retirement age for participants is 65 with provisions for retirement as early as 55. Benefits are payable as a qualified joint and survivor annuity with options for benefits in other annuity forms. Vesting is 100% after five years of service. When the benefits of an employee under the pension plan are reduced because of (1) the maximum annual benefit limitation or (2) the maximum compensation limitation, the SERP provides an additional benefit to make up the difference.

The Pension Plan and the SERP provide for early retirement benefits for participants who are at least fifty-five years of age and have at least five years of eligibility service. At December 31, 2007, Mr. McNatt is the only Named Executive Officer who meets the eligibility service requirement and his annual early retirement benefit from the Pension Plan and the SERP would be approximately \$26,300.

We maintain a non-qualified deferred compensation plan whereby management employees, including all of the executive officers, can make pre-tax deferral of up to 30% of their salary and 100% of any cash bonus. Monies deferred are payable to the plan participant upon termination of employment or retirement, and may be distributed as a lump-sum or over a specified installment period. Earnings on compensation deferred under this plan are tied to the performance of mutual funds, which are substantially the same funds as those in the Company's 401(k) plan, and do not earn interest at a fixed rate.

Potential Payments Upon Termination or Change-in-Control

The amounts shown assume that termination occurred on December 31, 2007 and do not include normal payroll and vacation amounts earned, but not paid as of that date or termination benefits available generally to all salaried employees.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In April 2007, the sale of approximately 181 acres of Upcountry Maui land to Ryan L. Churchill our Senior Vice President/Corporate Development closed escrow and we recognized a pre-tax gain of \$2.8 million. In February 2007, the \$4.1 million sale (\$4.0 million pre-tax gain) of approximately 157 acres of Upcountry Maui land to David C. Cole our Chief Executive Officer closed escrow. Prior to the closing of the latter sale, we leased a 3,500 square foot residence that is located on the property to Mr. Cole for \$1,500 per month, which represented the fair value. The properties had been earmarked for sale in 2004 as part of the real estate that is considered non-core to our operations.

In June 2005, we purchased a residential property in Upcountry Maui that includes a house and cottage on approximately 4 acres of land for \$2.6 million. The property was purchased for use by our executives and is presently being leased to our Chief Financial Officer for \$3,500 per month under a lease agreement through mid-2010.

Review, Approval or Ratification of Transactions with Related Persons

The land sale transactions described above were structured in compliance with our policy for related party real estate sales. Such policy requires an independent appraisal of the property value, allows for a 3% discount to the sales price in lieu of broker's commissions, and requires review and approval of the sales price by the Audit Committee of the Board of Directors. The Audit Committee reviewed the appraisals and the terms of the agreements with the other independent directors of the Board of Directors, and the sales were approved by all such independent directors.

The Company's policy with regard to related party transactions is that all material transactions are to be reviewed by the Audit Committee for any possible conflicts of interest. A "related party transaction" is defined to include any transaction or series of transactions exceeding \$120,000 in which we are a participant and any related person has a material interest. Related persons would include our directors, executive officers (and immediate family members of our directors and executive officers), and persons controlling over five percent of our outstanding common stock. The Committee will generally evaluate the transaction in terms of: (i) the benefits to the Company; (ii) the terms of the transaction; and (iii) the terms available to unrelated third parties or to employees generally. The Audit Committee will generally seek consensus of the transaction from the independent directors. In the event a transaction relates to a member of our Audit Committee, that member will not participate in the Audit Committee's deliberations.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our officers and directors and beneficial owners of more than 10% of our Common Stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission and to furnish us with copies of such reports. To the Company's knowledge, based solely upon a review of such reports and amendments thereto received by us during or with respect to its most recent fiscal year and upon written representations regarding all reportable transactions, we did not identify any such required report that was not timely filed, except as follows: Miles R. Gilburne filed a Form 4 late on May 16, 2007; David A. Heenan filed a Form 4 late on May 14, 2007; and Kent T. Lucien filed a Form 4 late on May 14, 2007.
