PROPOSED ARRANGEMENT YOUR VOTE IS VERY IMPORTANT

Dear Stockholders,

I am pleased to inform you that, Newmont Mining Corporation ("Newmont" or the "Company") and Goldcorp Inc. ("Goldcorp") have agreed to a strategic business combination transaction whereby Newmont will acquire all of the issued and outstanding Goldcorp common shares (the "arrangement") and Goldcorp will become a wholly-owned subsidiary of Newmont. Upon completion of the arrangement, Goldcorp shareholders will receive 0.3280 of a share of Newmont common stock, par value \$1.60 per share ("Newmont common stock") and \$0.02 in cash for each Goldcorp common share (collectively, the "consideration") pursuant to an arrangement agreement entered into by Newmont and Goldcorp on January 14, 2019, which was subsequently amended on February 19, 2019 (as amended, the "arrangement agreement"), in a transaction valued at approximately \$10 billion as of the date of transaction announcement.

The arrangement will be implemented by way of a plan of arrangement (the "plan of arrangement") in accordance with the *Business Corporations Act* (Ontario) (the "OBCA") and is subject to approval by the Ontario Superior Court of Justice (Commercial List) (the "Court") and the stockholders of Newmont and the shareholders of Goldcorp. Upon completion of the arrangement, it is expected that existing Goldcorp shareholders will own approximately 35% of the outstanding Newmont common stock.

The Newmont board of directors believes that Newmont's proposed combination with Goldcorp will create an unmatched portfolio of world-class operations, projects, reserves, exploration opportunities, and talent and represents the best opportunity to maximize value for Newmont's stockholders. After the transaction closes, which is expected in the second quarter of 2019, Newmont Goldcorp will:

Be accretive to Newmont's net asset value per share by 27 percent, and 2020 cash flow per share by 34 percent;

Begin delivering a combined \$365 million in expected annual pre-tax synergies, supply chain efficiencies and full potential improvements representing the opportunity to create \$4.4 billion in net present value (pre-tax);

Target 6-7 million ounces of steady-state gold production over a decades-long time horizon;

Have the largest gold reserves and resources in the gold sector, including on a per share basis;

Be located in favorable mining jurisdictions and prolific gold districts on four continents;

Deliver the highest dividend among senior gold producers;

Offer financial flexibility and an investment-grade balance sheet to advance the most promising projects generating a targeted internal rate of return of at least 15 percent;

Feature a deep bench of accomplished business leaders and high-performing technical teams and other talent with extensive mining industry experience; and

Maintain industry leadership in environmental, social and governance performance.

The Newmont board of directors unanimously recommends that you vote **"FOR"** each of the proposals described in this proxy statement. **Your vote is very important, no matter how many shares you own.**

We are sending you the accompanying proxy statement to cordially invite you to attend a special meeting of the stockholders of Newmont to be held on April 11, 2019, at 8 a.m. local time, at the Four Seasons Hotel, 1111 14th Street, Denver, Colorado 80202, or to vote your shares by proxy, for the following purposes in connection with the arrangement:

to consider and vote on the proposal to approve an amendment and restatement of the Newmont Restated Certificate of Incorporation to increase Newmont's authorized shares of common stock from 750,000,000 shares to 1,280,000,000 shares (the "amendment proposal");

to consider and vote on the proposal to approve the issuance of shares of Newmont common stock to Goldcorp shareholders in connection with the arrangement agreement (the "share issuance proposal"); and

subject to the provisions of the arrangement agreement, to consider and vote on the proposal to approve the adjournment or postponement of the Newmont special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the amendment proposal or the share issuance proposal.

Newmont has entered into an implementation agreement to establish a joint venture (the "Barrick Nevada agreement") with Barrick Gold Corporation ("Barrick") to realize synergies and savings from Newmont's and Barrick's Nevada-related operations. The terms of the Barrick Nevada agreement are modeled on similar terms to other successful joint ventures, including ones that Barrick has with Newmont and Goldcorp. In connection with entering into the Barrick Nevada agreement, Barrick has agreed to withdraw its previously announced acquisition proposal for an all-stock acquisition of Newmont.

After careful consideration, the Newmont board of directors has unanimously determined that it is advisable and in the best interests of Newmont and its stockholders to consummate the arrangement with Goldcorp as contemplated by the arrangement agreement, and unanimously recommends that you vote **"FOR"** each of the foregoing proposals.

The accompanying proxy statement provides you with information about the arrangement and the special meeting of Newmont stockholders. Newmont encourages you to read the proxy statement carefully and in its entirety, including the arrangement agreement, which is attached as Annex A. **Before deciding how to vote, you should consider the "Risk Factors" beginning on page 47 of the proxy statement.** You may also obtain more information about Newmont from documents Newmont has filed with the Securities and Exchange Commission (the "SEC") as described under "Where You Can Find More Information" beginning on page 147 of the proxy statement.

Your vote is very important.

The arrangement cannot be completed unless both the amendment proposal and the share issuance proposal are approved. Approval of the amendment proposal requires the affirmative vote of the holders of a majority of the outstanding shares of Newmont common stock as of the record date for the special meeting. Approval of the share issuance proposal requires the affirmative vote of the holders of a majority of the votes cast on the proposal at the special meeting. Whether or not you plan to attend the special meeting, you are requested to promptly vote your shares by completing, signing and dating the enclosed proxy card or voting instruction form and returning it in the postage-paid envelope provided, or by voting over the telephone or via the Internet as instructed in these materials. If you sign, date and mail your proxy card without indicating how you wish to vote, your vote will be counted as a vote "FOR" each of the proposals described above. If your shares are held in the name of a broker, bank or other nominee, please follow the instructions provided by that institution to vote your shares.

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING

The following are some questions that you, as a stockholder of Newmont, may have regarding the arrangement and the other matters being considered at the special meeting of Newmont stockholders, as well as answers to those questions. Newmont urges you to read this proxy statement carefully and in its entirety because the information in this section does not provide all of the information that might be important to you with respect to the arrangement. Additional important information is also contained in the annexes to, and the documents incorporated by reference into, this proxy statement.

Q: Why am I receiving this proxy statement?

A: Newmont has agreed to acquire Goldcorp pursuant to the terms and conditions of the arrangement agreement and the plan of arrangement that are described in this proxy statement. If completed, the arrangement will result in Newmont acquiring all of the outstanding shares of Goldcorp in exchange for newly issued shares of Newmont common stock and cash provided by Newmont pursuant to the plan of arrangement. As a result, Goldcorp will become a wholly-owned subsidiary of Newmont. The arrangement will require shares of Newmont common stock representing approximately 53% of the current outstanding common stock of Newmont immediately prior to the consummation of the arrangement to be issued to former Goldcorp shareholders. Immediately after the completion of the arrangement, Goldcorp's former shareholders will collectively own approximately 35% of the outstanding common stock of Newmont. A copy of the arrangement agreement is attached to this proxy statement as Annex A.

You are receiving this proxy statement because you have been identified as a holder of Newmont common stock. This proxy statement is being used to solicit proxies on behalf of the Newmont board of directors for the special meeting to obtain the required approval of Newmont stockholders. This proxy statement contains important information about the arrangement and related transactions and the special meeting, and you should read it carefully.

In order to complete the arrangement, Goldcorp must obtain a final order from the Ontario Superior Court of Justice (Commercial List) (the "Court") approving the arrangement and all other conditions to the arrangement must be satisfied or waived. Goldcorp will hold a separate special meeting of its shareholders to obtain the required approval of its shareholders.

Q: What will I receive under the arrangement?

A: Newmont stockholders will continue to own their existing shares of Newmont common stock after the arrangement. Immediately after the completion of the arrangement, Newmont's existing stockholders will collectively own approximately 65% of the outstanding common stock of Newmont, and Goldcorp's former shareholders will collectively own approximately 35% of the outstanding common stock of Newmont.

Q: When and where will Newmont hold its special meeting?

A: The special meeting will be held at 8 a.m. local time, on April 11, 2019, unless adjourned or postponed to a later date, at the Four Seasons Hotel, 1111 14th Street, Denver, Colorado 80202, to consider and vote on each of the proposals described below. This proxy statement for the special meeting is first being mailed to Newmont stockholders on or about March 14, 2019.

Q: What will the Newmont stockholders be asked to vote on at the special meeting?

A: At the special meeting, Newmont stockholders will be asked to consider and vote on the following proposals:

1. to approve an amendment and restatement of the Newmont Restated Certificate of Incorporation to increase Newmont's authorized shares of common stock from 750,000,000 shares to 1,280,000,000 shares (the "amendment proposal");

Table of Contents

2. to approve the issuance of shares of Newmont common stock to Goldcorp shareholders in connection with the arrangement agreement (the "share issuance proposal"); and
3. subject to the provisions of the arrangement agreement, to approve the adjournment or postponement of the Newmont special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the amendment proposal or the share issuance proposal.

Q: What will the Goldcorp shareholders be asked to vote on?

A: Goldcorp shareholders will not be asked to vote on any of the proposals to be considered and voted upon at the Newmont special meeting. Rather, pursuant to the arrangement agreement, the shareholders of Goldcorp will be asked to vote on the arrangement (the "Goldcorp resolution") at Goldcorp's shareholder meeting.

The Goldcorp shareholder meeting will be held on April 4, 2019. Among other things, the closing of the arrangement is conditioned on the approval of the Goldcorp resolution by the affirmative vote of at least two-thirds of the votes cast on the Goldcorp resolution by Goldcorp shareholders present in person or represented by proxy and entitled to vote at the Goldcorp meeting.

Q: Who is eligible to vote at the special meeting?

A: Holders of Newmont common stock as of the close of business on February 20, 2019, the record date for the special meeting, are eligible to vote.

Q: How many votes do Newmont stockholders have?

A: Holders of Newmont's common stock are entitled to cast one vote on each proposal properly brought before the special meeting for each share of Newmont common stock that such holder owned at the close of business on the record date.

Q: What constitutes a quorum for the special meeting?

A: The holders of a majority of the outstanding shares of capital stock of the Company entitled to vote at the special meeting must be present in person or represented by proxy in order to constitute a quorum for all matters to come before the meeting. For purposes of determining the presence of a quorum, "shares of capital stock of the Company" includes all shares of common stock entitled to vote at the special meeting. Abstentions and broker non-votes are counted for purposes of determining whether a quorum is present at the special meeting. Banks, brokers and other nominees that hold their customers' shares in street name may not vote their customers' shares on "non-routine" matters without instructions from their customers. As each of the proposals to be voted upon at the special meeting is considered "non-routine," such organizations do not have discretion to vote on any proposal for which they do not receive instructions from their customers (this is referred to in this context as a "broker non-vote"). As a result, since there are no matters in which a broker non-vote may be counted, if you fail to provide your broker, bank or other nominee with any instructions regarding how to vote your shares, your shares will not be considered present at the special meeting, will not be counted for purposes of determining the presence of a quorum and will not be voted on any of the proposals. If you provide instructions to your broker, bank or other nominee which indicate how to vote your shares with respect to a proposal but not with respect to the other proposals, your shares will be considered present at the special meeting and be counted for purposes of determining the presence of a quorum and voted, as instructed, with respect to the appropriate proposal, but will not be voted with respect to the other proposals.

Table of Contents

If a quorum is not present at the meeting, Newmont's chair of the board of directors may adjourn the meeting to continue to solicit proxies.

Q: What vote by the Newmont stockholders is required to approve the amendment proposal?

A: Pursuant to Section 242 of the *Delaware General Corporation Law*, approval of the amendment proposal will require the affirmative vote of holders of a majority of the outstanding shares of Newmont common stock entitled to vote at the special meeting.

Q: What vote by the Newmont stockholders is required to approve the share issuance proposal?

A: Pursuant to Section 312.03 of the Listed Company Manual of the New York Stock Exchange (the "NYSE"), approval of the share issuance proposal will require the affirmative vote of, in person or by proxy, holders of a majority of the total votes cast with respect to the share issuance proposal.

Q: Why is my vote important?

A: In order to complete the arrangement, Newmont stockholders must approve the amendment proposal and the share issuance proposal.

Q: Why am I being asked to consider and vote on the amendment proposal?

A: Approval of the amendment proposal is necessary for Newmont to have enough authorized shares of common stock to issue the Newmont common stock forming part of the consideration for the arrangement. The Newmont Certificate of Incorporation does not currently authorize a sufficient number of shares of common stock to satisfy the Newmont common stock consideration payable under the arrangement. Newmont is currently authorized to issue 750 million shares of common stock. As of the date of this proxy statement, approximately 533 million shares of Newmont common stock were outstanding. Newmont must issue approximately 285 million shares of Newmont common stock to complete the arrangement. Authorizing additional shares of common stock is required to enable Newmont to have sufficient shares of common stock authorized for issuance in order to satisfy the consideration payable under the arrangement. Pursuant to Delaware law and the arrangement agreement, we are required to submit the amendment proposal to Newmont stockholders for approval.

Q: Why am I being asked to consider and vote on the share issuance proposal?

A: As Newmont common stock is listed for trading on the NYSE, issuances of shares of Newmont common stock are subject to the NYSE Listed Company Manual. Section 312.03(c) of the New York Stock Exchange Listed Company Manual requires stockholder approval prior to the issuance of common stock in any transaction if the common stock has, or will have upon issuance, voting power equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance of the common stock. The common stock to be issued to shareholders of Goldcorp as partial consideration for the arrangement will represent voting power in excess of 20% of the number of shares of Newmont's common stock outstanding before the issuance. Therefore, under Section 312.03(c) of the New York Stock Exchange Listed Company Manual, stockholder approval of the share issuance proposal is required.

Q: Will the newly issued shares of Newmont common stock be traded on an exchange?

A: It is a condition to the completion of the arrangement that the shares of common stock of Newmont to be issued to Goldcorp shareholders in exchange for their common shares in the capital of Goldcorp ("Goldcorp common shares") pursuant to the arrangement be approved for listing on the NYSE. Accordingly, Newmont has agreed to obtain listing approval from the NYSE

Table of Contents

for such consideration shares that will be issued under the arrangement. In addition, Newmont has agreed to use its reasonable best efforts to obtain approval of the listing for trading on the NYSE by the effective time of the shares of Newmont common stock issuable upon exercise of the options to purchase Goldcorp common shares (the "Goldcorp options") and exercise of the replacement restricted stock units (the "replacement RSUs") issuable pursuant to the arrangement, subject to official notice of issuance.

Newmont will apply to list the shares of the combined company following completion of the arrangement on the Toronto Stock Exchange ("TSX") under the trading symbol "NGT."

Q: What are Newmont's reasons for proposing the arrangement and entering into the arrangement agreement?

A: The Newmont board of directors concluded that the arrangement provides significant potential benefits to Newmont, including, among other things, the creation of the world's leading gold company, the opportunity to participate in new growth prospects, the diversification of the asset portfolio of the combined company in favorable geographies, and that the arrangement will be accretive to Newmont's net asset value per share by 27 percent, and 2020 cash flow per share by 34 percent, that outweigh the uncertainties, risks and potentially negative factors relevant to the arrangement. For a more detailed discussion of the reasoning of the Newmont board of directors, see "*The Arrangement Newmont's Reasons for the Arrangement*" beginning on page 74 of this proxy statement and "*The Arrangement Recommendations of the Newmont Board of Directors*" beginning on page 78 of this proxy statement.

Q: What is an arrangement?

A: An arrangement is a statutory procedure under Canadian corporate law that allows companies to carry out transactions upon receiving shareholder and court approval that then becomes binding on all other shareholders by operation of law. The arrangement that is being proposed by Goldcorp, a company incorporated under the laws of Ontario, will allow Newmont to acquire all of the outstanding Goldcorp common shares pursuant to a plan of arrangement being conducted under the *Business Corporations Act* (Ontario).

Q: How does the Newmont board of directors recommend that I vote?

A: The Newmont board of directors unanimously recommends that you vote "**FOR**" each of the proposals to be considered and voted upon at the special meeting.

Q: What do I need to do now?

A: Please read this proxy statement carefully, including its annexes, to consider how the arrangement affects you. After you read this proxy statement, you should complete, sign and date your proxy card and mail it in the enclosed return envelope or submit your proxy over the telephone or over the Internet as soon as possible so that your shares can be voted at the special meeting. If you sign, date and mail your proxy card without indicating how you wish to vote, your vote will be counted as a vote "**FOR**" each of the proposals being considered and voted upon at the special meeting. If your shares are held in "street name" by your broker, bank or other nominee, you should follow the directions provided by your broker, bank or other nominee. Your broker, bank or other nominee will vote your shares only if you provide instructions on how you would like your shares to be voted.

Table of Contents

Q:
How do I vote?

A:
If you are a stockholder of record, you may vote in any of the following ways:

To vote in person, come to the special meeting and you will be able to vote by ballot. To ensure that your shares are voted at the special meeting, the Newmont board of directors recommends that you submit a proxy even if you plan to attend the special meeting.

To vote using the enclosed proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the enclosed return envelope. If you return your signed proxy card to Newmont before the special meeting, Newmont will vote your shares as you direct.

To vote by telephone, dial the toll-free telephone number located on the enclosed proxy card and follow the recorded instructions. You will be asked to provide the control number from the enclosed proxy card. Your vote must be received by 1:00 a.m. (eastern U.S. time) on April 11, 2019 to be counted.

To vote over the Internet, go to the web address located on the enclosed proxy card to complete an electronic proxy card. You will be asked to provide the control number from the enclosed proxy card. Your vote must be received by 1:00 a.m. (eastern U.S. time) on April 11, 2019 to be counted.

If your shares of common stock are held in "street name" by your broker, bank or other nominee, you should have received a voting instruction form with these proxy materials from that organization rather than from Newmont. Your broker, bank or other nominee will vote your shares only if you provide instructions to that organization on how to vote. You should provide your broker, bank or other nominee with instructions regarding how to vote your shares by following the enclosed procedures provided by that organization. Your shares will not be voted with respect to any proposal for which you fail to provide instructions, which will have no effect on the approval of the proposals.

A control number, located on your proxy card or voting instruction form, is designed to verify your identity and allow you to vote your shares of Newmont common stock, and to confirm that your voting instructions have been properly recorded when voting over the Internet or by telephone.

Q:
What does it mean if I receive more than one set of materials?

A:
This means you own shares of Newmont common stock that are registered under different names. For example, you may own some shares directly as a stockholder of record and other shares through a broker or you may own shares through more than one broker, bank or other nominee. In these situations, you will receive multiple sets of proxy materials. You must complete, sign, date and return each of the proxy cards and voting instruction forms that you receive, or vote all of your shares over the telephone or over the Internet in accordance with the instructions above in order to vote all of the shares you own. Each proxy card you receive comes with its own prepaid return envelope and control number(s). If you vote by mail, make sure you return each proxy card in the return envelope that accompanies that proxy card or voting instruction form, and if you vote by telephone or via the Internet, please follow the enclosed instructions and use your control number(s).

Q:
What happens if I sell my shares of common stock before the special meeting?

A:
The record date for stockholders entitled to vote at the special meeting is earlier than the date of the special meeting. If you transfer your shares of Newmont common stock after the record date, but before the date of the special meeting, you will retain your right to vote at the special meeting unless special arrangements are made between you and the person to whom you transfer your

Table of Contents

shares. If you sold your shares after the record date you are encouraged to still vote the shares you owned on the record date.

Q: May I vote in person?

A: If you are the stockholder of record of shares of Newmont common stock, you have the right to vote in person at the special meeting with respect to those shares. If you are the beneficial owner of shares of Newmont common stock, you are invited to attend the special meeting but, since you are not the stockholder of record, you may not vote these shares in person at the special meeting, unless you obtain a document called a "legal proxy" from your broker, bank or other nominee giving you the right to vote the shares at the special meeting. **Even if you plan to attend the special meeting as a stockholder of record, Newmont recommends that you also submit your proxy card or voting instructions as described above under "How do I vote?" so that your vote will be counted if you later decide not to attend the special meeting.**

Q: How can I change or revoke my vote?

A: You have the right to revoke a proxy delivered by mail, by telephone, or over the Internet at any time before it is exercised by voting again at a later date through any of the methods available to you, by delivering written notice of revocation to Newmont's Corporate Secretary by the time the special meeting begins, or by attending the special meeting and voting in person.

Q: Am I entitled to appraisal rights?

A: No. Under Delaware law, holders of shares of Newmont common stock are not entitled to appraisal rights in connection with the arrangement or any of the matters to be acted on at the special meeting.

Q: Is completion of the arrangement subject to any conditions?

A: Yes. Newmont and Goldcorp are not required to complete the arrangement unless a number of conditions are satisfied or waived, including receipt of the required approvals from the Newmont stockholders, Goldcorp shareholders and the Court. See "*The Arrangement Agreement and the Plan of Arrangement - Conditions to Completion of the Arrangement*" beginning on page 135 of this proxy statement for a more complete summary of the conditions that must be satisfied or waived prior to completion of the arrangement.

Q: Are the proposals conditioned upon one another?

A: Yes. The amendment proposal and the share issuance proposal are conditioned upon each other. Adoption by our stockholders of both the amendment proposal and the share issuance proposal are conditions to the closing of the arrangement. Accordingly, if either the amendment proposal or the share issuance proposal is not approved, a condition to the closing of the arrangement will not be satisfied and the arrangement will not be completed.

The adjournment proposal is not conditioned upon the approval of any other proposal set forth in this proxy statement and is not a condition to the closing of the arrangement.

Q: What happens if the arrangement is terminated?

A: If the arrangement is terminated Goldcorp will not be combined with Newmont and the two companies will continue to operate as separate entities as they did before. The arrangement agreement contains certain termination rights for both Goldcorp and Newmont, including where (i) the arrangement is not consummated on or before July 31, 2019 (subject to extensions of up to

Table of Contents

60 days in the aggregate to obtain key regulatory approvals), (ii) a law or order comes into effect prohibiting consummation of the arrangement and such law or order has become final and non-appealable, or (iii) the Goldcorp shareholder approval of the arrangement or the Newmont stockholder approval of the amendment proposal and the share issuance proposal is not obtained at the relevant meeting held for such purpose. Additionally, each of Newmont and Goldcorp has a separate termination right in certain circumstances, including if (i) the board of directors of the other party changes its recommendation, (ii) the other party materially breaches its no solicitation restrictions, (iii) there is or has been a material adverse effect on the other party, (iv) the other party materially breaches its representations, warranties or covenants resulting in certain conditions to the arrangement not to be fulfilled, which are incapable of being satisfied by July 31, 2019 (as such date may be extended in accordance with the arrangement agreement), or (v) its own board of directors changes its recommendation in accordance with the terms of the arrangement agreement and, at the time of termination of the arrangement, either (a) the meeting of Newmont stockholders is scheduled for a date that is later than April 11, 2019, or (b) it is on or after March 23, 2019 and the meeting of Newmont stockholders has not been scheduled.

The arrangement agreement further provides that, upon termination of the arrangement agreement under certain circumstances, Goldcorp will be required to pay to Newmont a termination payment of \$350 million in connection with such termination, or Newmont will be required to pay to Goldcorp a termination payment of \$650 million in connection with such termination. See "*The Arrangement Agreement and the Plan of Arrangement Termination of the Arrangement Agreement*" beginning on page 137 of this proxy statement for a more complete summary of the termination provisions under the arrangement agreement.

Q:
When does Newmont expect the arrangement to become effective?

A:
The arrangement is expected to close by the end of the second quarter of 2019. Closing is conditional on Goldcorp shareholders approving the arrangement resolution and the satisfaction of other closing conditions including the approval of Newmont stockholders of the amendment proposal and the share issuance proposal and certain regulatory approvals. See "*The Arrangement Agreement and the Plan of Arrangement Conditions to Completion of the Arrangement*" beginning on page 135 of this proxy statement.

Q:
What will happen if the arrangement is completed?

A:
If the arrangement is completed, Newmont will acquire all of the Goldcorp common shares and Goldcorp will become a wholly-owned subsidiary of Newmont. Newmont intends to have the Goldcorp common shares delisted from the TSX and the NYSE as promptly as possible following completion of the arrangement. In addition, it is expected that Newmont will, subject to applicable law, apply to have Goldcorp cease to be a reporting issuer in all jurisdictions in which it is a reporting issuer and thus will terminate its reporting obligations in Canada and the United States following completion of the arrangement.

Q:
Who will be the directors and executive officers of the combined company following the arrangement?

A:
Newmont has covenanted with Goldcorp that it will take all actions necessary to ensure that, as of the effective time of the arrangement, two-thirds of the members of the Newmont board of directors will be existing members of the Newmont board of directors and one-third of the members of the Newmont board of directors will be existing members of the Goldcorp board of directors. See "*The Arrangement Board of Directors Following the Arrangement*" beginning on page 111 of this proxy statement.

Table of Contents

As part of a planned and orderly leadership succession process, Gary Goldberg, Newmont's Chief Executive Officer, and the Newmont board of directors have been engaged in discussions anticipating a chief executive officer succession in early 2019. To ensure a smooth and successful combination, Mr. Goldberg has agreed to lead the combined company through closure of the transaction and integration of the two companies. Newmont expects this process to be substantially completed in the fourth quarter of 2019, when Mr. Goldberg plans to retire and Thomas Palmer, Newmont's President and Chief Operating Officer, will become President and Chief Executive Officer of the combined company. In addition, Rob Atkinson will be appointed to the role of Executive Vice President and Chief Operating Officer of Newmont, effective June 1, 2019. Nancy Buese is expected to continue in the role of Executive Vice President and Chief Financial Officer and Randy Engel is expected to continue in the role of Executive Vice President, Strategic Development. For additional information, see "*The Arrangement Board of Directors Following the Arrangement*" and "*The Arrangement Management Following the Arrangement*" beginning on pages 111 and 112 of this proxy statement, respectively.

Q:
Are there any risks I should consider in connection with the arrangement?

A:
Yes. There are a number of risk factors relating to Newmont's business and operations, the arrangement and the combined company's business and operations, all of which should be carefully considered. See "*Risk Factors*" beginning on page 47 of this proxy statement.

Q:
Is this the Company's annual meeting? Will I be voting on the election of directors at the special meeting?

A:
No. This is not the annual meeting and you will not be asked to elect directors at the special meeting. The special meeting will take place on April 11, 2019 at 8 a.m. local time, unless adjourned or postponed to a later date. If you are a stockholder of record as of February 20, 2019, you will receive a proxy card for the special meeting. A proxy statement for the annual meeting will be provided separately from the proxy statement for the special meeting, and you will receive a separate proxy card for the annual meeting if you are a stockholder of record on the applicable record date for the annual meeting. Please refer to those separate materials for more information about the annual meeting and to vote on the election of directors.

Q:
Who is paying for this proxy solicitation?

A:
Newmont pays the costs of soliciting proxies. We have retained MacKenzie Partners, Inc. to assist in the solicitation of proxies. We will pay MacKenzie Partners, Inc. \$60,000 plus out-of-pocket expenses for its assistance. Upon request, we will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners of shares of our common stock.

Q:
Is this proxy statement the only way that proxies are being solicited?

A:
In addition to mailing these proxy materials, certain directors, officers or employees of Newmont may solicit proxies by telephone, facsimile, e-mail or personal contact. They will not be specifically compensated for doing so.

SUMMARY

This proxy statement is being furnished to the stockholders of Newmont Mining Corporation ("Newmont" or the "Company") in connection with the solicitation of proxies by the Newmont board of directors for use at a special meeting of stockholders to be held on April 11, 2019 at 8 a.m. local time, unless adjourned or postponed to a later date, and at any reconvened meeting following any adjournment or postponement thereof. The special meeting will be held at the Four Seasons Hotel, 1111 14th Street, Denver, Colorado 80202. The purpose of the special meeting is for Newmont stockholders to consider and vote on certain proposals in connection with the transaction contemplated by the arrangement agreement, dated as of January 14, 2019, by and between Newmont and Goldcorp Inc. ("Goldcorp"), which was subsequently amended on February 19, 2019 (as amended, the "arrangement agreement"), pursuant to which Newmont will acquire all of the outstanding shares of Goldcorp in exchange for newly issued shares of Newmont common stock and cash provided by Newmont pursuant to a plan of arrangement (the "plan of arrangement") and Goldcorp will become a wholly-owned subsidiary of Newmont (the "arrangement").

This summary highlights information contained elsewhere in this proxy statement. Newmont urges you to read carefully the remainder of this proxy statement, including the attached annexes, the documents incorporated by reference into this proxy statement and the other documents to which Newmont and Goldcorp have referred you because this section does not provide all of the information that might be important to you with respect to the arrangement and the related matters being considered and voted on by the Newmont stockholders at the Newmont special meeting. See also the section entitled "Where You Can Find More Information" beginning on page 147 of this proxy statement. SPECIAL MEETING OF NEWMONT STOCKHOLDERS

The Special Meeting (see page 59)

Newmont stockholders are being asked to consider and vote on the following proposals in connection with the arrangement:

1. to approve an amendment and restatement of the Newmont Restated Certificate of Incorporation to increase Newmont's authorized shares of common stock from 750,000,000 shares to 1,280,000,000 shares (the "amendment proposal");
2. to approve the issuance of shares of Newmont common stock to Goldcorp shareholders in connection with the arrangement agreement (the "share issuance proposal"); and
3. subject to the provisions of the arrangement agreement, to approve the adjournment or postponement of the Newmont special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the amendment proposal or the share issuance proposal.

The Newmont stockholder vote on such proposals will take place at a special meeting to be held at 8 a.m. local time, on April 11, 2019, unless adjourned or postponed to a later date, at the Four Seasons Hotel, 1111 14th Street, Denver, Colorado 80202.

Record Date for the Special Meeting (see page 59)

You can vote at the special meeting all of the shares of Newmont's common stock you held of record as of the close of business on February 20, 2019, which is the record date for the special meeting. As of the close of business on the record date, there were 532,669,445 shares of Newmont's common stock outstanding.

Recommendations of the Newmont Board of Directors (see page 78)

The Newmont board of directors unanimously recommends that you vote "**FOR**" each of the proposals to be considered and voted upon at the special meeting. In connection with its decision to recommend that you vote "**FOR**" each of the proposals, the Newmont board of directors has determined that it is advisable and in the best interests of Newmont and its stockholders to amend the Newmont Restated Certificate of Incorporation to increase Newmont's authorized shares of common stock and to issue the Newmont common stock in connection with the arrangement. See "*The*

Table of Contents

Arrangement Newmont's Reasons for the Arrangement" beginning on page 74 of this proxy statement and *"The Arrangement Recommendations of the Newmont Board of Directors"* beginning on page 78 of this proxy statement for more information about the factors considered by the Newmont board of directors.

Required Vote (see page 62)

Each share of Newmont's common stock is entitled to one vote at the special meeting. The holders of a majority of the outstanding shares of capital stock of the Company entitled to vote at the special meeting must be present in person or represented by proxy in order to constitute a quorum for all matters to come before the meeting. For purposes of determining the presence of a quorum, "shares of capital stock of the Company" includes all shares of common stock entitled to vote at the special meeting. Abstentions and broker non-votes are counted for purposes of determining whether a quorum is present at the special meeting. Banks, brokers and other nominees that hold their customers' shares in street name may not vote their customers' shares on "non-routine" matters without instructions from their customers. As each of the proposals to be voted upon at the special meeting is considered "non-routine," such organizations do not have discretion to vote on any proposal for which they do not receive instructions from their customers (this is referred to in this context as a "broker non-vote"). As a result, since there are no matters in which a broker non-vote may be counted, if you fail to provide your broker, bank or other nominee with any instructions regarding how to vote your shares, your shares will not be considered present at the special meeting, will not be counted for purposes of determining the presence of a quorum and will not be voted on any of the proposals. If you provide instructions to your broker, bank or other nominee which indicate how to vote your shares with respect to one proposal but not with respect to the other proposals, your shares will be considered present at the special meeting and will be counted for purposes of determining the presence of a quorum and voted, as instructed, with respect to the appropriate proposal, but will not be voted with respect to the other proposals.

Approval of the proposals presented at the special meeting will require the following:

Approval of the adoption of the amendment proposal will require the affirmative vote of the holders of a majority of the outstanding shares of Newmont's common stock as of the record date for the special meeting. An abstention from voting or a broker non-vote on this proposal will have the same effect as a vote against this proposal.

Approval of the share issuance proposal will require the affirmative vote of the holders of a majority of the shares of Newmont's common stock properly cast on the proposal at the special meeting. Under the rules of the NYSE, an abstention from voting is effectively treated as a vote cast against this proposal. A broker non-vote on this proposal will have no effect on the outcome of the vote on this proposal.

Approval of one or more adjournments of the special meeting, if necessary or appropriate, including adjournments to permit further solicitation of proxies if there are insufficient votes at the time of the special meeting to approve the amendment proposal or the share issuance proposal, will require the affirmative vote of the holders of a majority of the shares of Newmont's common stock properly cast on the proposal at the special meeting. An abstention from voting or a broker non-vote on this proposal will have no effect on the outcome of the vote on this proposal.

Security Ownership of Certain Beneficial Owners and Management (see page 60)

As of the close of business on February 20, 2019, the current directors and executive officers of Newmont were deemed to beneficially own 2,980,787 shares of Newmont's common stock, constituting, in the aggregate, less than 1% of the shares of Newmont's common stock outstanding on that date.

Table of Contents

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission ("SEC"), as described below under "*The Special Meeting Security Ownership of Certain Beneficial Owners and Management*" beginning on page 60 of this proxy statement.

THE ARRANGEMENT

The arrangement agreement provides that at the effective time of the arrangement, Newmont will acquire all of the outstanding Goldcorp common shares. The arrangement will be implemented under the *Business Corporations Act* (Ontario) and requires approval of (a) at least two-thirds of the votes cast by shareholders who vote (in person or by proxy) at a special meeting of Goldcorp shareholders; and (b) the Ontario Superior Court of Justice (Commercial List). After giving effect to the arrangement, Newmont will own all of the outstanding Goldcorp common shares. As Goldcorp is incorporated in the Province of Ontario, Canada, the acquisition is being effected through an arrangement instead of a merger.

A copy of the arrangement agreement and the plan of arrangement are attached as **Annex A** to this proxy statement. **You are urged to read the arrangement agreement and the plan of arrangement in their entirety because they are the legal documents that govern the arrangement.** For more information on the arrangement, the arrangement agreement and the plan of arrangement, see the section entitled "*The Arrangement Agreement and the Plan of Arrangement*" beginning on page 120 of this proxy statement.

Consideration Received Pursuant to the Arrangement (see page 121)

If the arrangement is completed, Goldcorp shareholders (other than Newmont and its affiliates or shareholders that validly exercise, and do not withdraw, their dissent rights) will receive 0.3280 of a share of Newmont common stock, par value \$1.60 per share ("Newmont common stock") and \$0.02 in cash for each Goldcorp common share (the "consideration"). No fractional shares of Newmont common stock will be issued under the arrangement, and Goldcorp shareholders will receive cash in lieu of any fractional shares of Newmont common stock in accordance with the terms of the plan of arrangement. Upon completion of the arrangement, it is expected that Goldcorp shareholders will own approximately 35% of the outstanding Newmont common stock.

No Solicitation of Alternative Transactions and Changes of Recommendation (see page 131)

Each of Goldcorp and Newmont has agreed not to, and to cause its subsidiaries and their respective directors, officers and employees not to, and to use its reasonable best efforts to cause its other respective representatives not to:

solicit, assist, initiate, knowingly encourage or otherwise facilitate any inquiry, proposal or offer that constitutes or would reasonably be expected to constitute or lead to an acquisition proposal (as such term is defined under the section entitled "*The Arrangement Agreement and the Plan of Arrangement No Solicitation of Alternative Transactions and Changes of Recommendation*" beginning on page 131 of this proxy statement), except as expressly permitted in the arrangement agreement;

enter into, engage in, continue or otherwise participate in any discussions or negotiations with any person in respect of any inquiry, proposal or offer that constitutes or would reasonably be expected to constitute or lead to an acquisition proposal;

accept or enter into, or publicly propose to accept or enter into, any letter of intent, agreement in principle, agreement, arrangement or undertaking relating to any acquisition proposal, except as expressly permitted by the arrangement agreement;

Table of Contents

(a) fail to make, or withdraw, amend, modify or qualify, in a manner adverse to the other party or fail to publicly reaffirm (without qualification) the recommendation of its board of directors of the arrangement within five business days (and in any case prior to the meeting of its stockholders or shareholders, as applicable) after having been requested in writing by the other party to do so (acting reasonably), (b) accept, approve, endorse or recommend an acquisition proposal (or publicly proposing to do so), (c) take no position or a neutral position with respect to an acquisition proposal for more than five business days after the public announcement of such acquisition proposal, or (d) resolve or propose to take any of the foregoing actions; or

make any public announcement or take any other action inconsistent with the approval, recommendation or declaration of advisability of its board of directors of the transactions contemplated in the arrangement agreement.

If, at any time prior to a party obtaining the approval of its stockholders or shareholders, as applicable, Goldcorp or Newmont, as applicable, receives a request for material non-public information or to enter into discussions from a person that makes an unsolicited bona fide written acquisition proposal that did not result from a breach of the arrangement agreement (and which has not been withdrawn) and the party's board of directors determines, in good faith after consultation with its outside financial and legal advisors, that such acquisition proposal constitutes or would reasonably be expected to constitute a superior proposal, as such term is defined under the section entitled "*The Arrangement Agreement and the Plan of Arrangement No Solicitation of Alternative Transactions and Changes of Recommendation*" beginning on page 131 of this proxy statement, then, and only in such case, Goldcorp or Newmont, as applicable, may (x) enter into, participate in, facilitate and maintain discussions or negotiations with, and otherwise cooperate with or assist, the person making such acquisition proposal, and (y) provide the person making such acquisition proposal with, or access to, confidential information regarding itself and its subsidiaries, but only to the extent that the other party had or has access to the same information, and only if such party is in compliance with the arrangement agreement and Goldcorp or Newmont, as applicable, has entered into a confidentiality and standstill agreement on terms no less favorable in aggregate to Goldcorp or Newmont, as applicable, than the confidentiality agreement entered into between Goldcorp and Newmont in connection with the arrangement.

The board of directors of each of Goldcorp and Newmont may not change its recommendation in favor of the arrangement unless:

the board of directors has determined that the acquisition proposal constitutes a superior proposal;

approval of that party's stockholders or shareholders, as applicable, has not been obtained;

the party has been, and continues to be, in compliance in all material respects with its non-solicitation covenants; and

the party first provides the other party written notice of a superior proposal and a five business day "right to match" the superior proposal (during which period the other party may propose amendments to the arrangement, including to the consideration) and, if the other party has proposed to amend the terms of the arrangement, the board of directors, after consultation with its outside financial and legal advisors, determines that the acquisition proposal remains a superior proposal compared to the other party's proposed amendment to the terms of the arrangement. Each successive modification of any acquisition proposal will require a new written notice and a new five business day period commencing at the time of such new notice.

Notwithstanding any change in recommendation, unless the arrangement agreement has been terminated in accordance with its terms, the party whose board of directors changed its recommendation must still hold its stockholder or shareholder meeting, as applicable, and allow its

Table of Contents

stockholders or shareholders, as applicable, to vote on the arrangement, and such party is not permitted, except in accordance with applicable law, to submit to a vote of its stockholders or shareholders, as applicable, any acquisition proposal other than the arrangement prior to the termination of the arrangement agreement.

On February 25, 2019, Newmont's chair of the board of directors and Newmont's Chief Executive Officer received a letter from Barrick containing an acquisition proposal. After careful consideration and consultation with outside financial and legal advisors, the board of directors unanimously determined, in good faith, that such acquisition proposal did not constitute a superior proposal to the arrangement with Goldcorp pursuant to the arrangement agreement and would not reasonably be expected to constitute such a superior proposal. See the section entitled "*Background of the Transaction*" beginning on page 67 of this proxy statement.

Conditions to Completion of the Arrangement (see page 135)

The respective obligations of Goldcorp and Newmont to complete the arrangement are subject to the satisfaction or waiver of the following conditions on or before the effective time of the arrangement:

the Goldcorp resolution having been duly approved by the Goldcorp shareholders;

the amendment proposal and share issuance proposal having been duly approved by the Newmont stockholders;

the interim order and the final order each having been obtained on terms consistent with the arrangement agreement and in form and substance acceptable to each of Newmont and Goldcorp and not having been set aside or modified in a manner unacceptable to either Goldcorp or Newmont, on appeal or otherwise;

no order or law then being in effect that has the effect of making the arrangement illegal or otherwise preventing or prohibiting consummation of the arrangement;

NEWMONT'S REASONS FOR THE ARRANGEMENT

In evaluating the arrangement, including the issuance of Newmont common stock to shareholders of Goldcorp in connection with the arrangement, the Newmont board of directors consulted with Newmont's senior management, outside legal counsel and independent financial advisors. In recommending that Newmont stockholders vote in favor of the amendment proposal and the share issuance proposal, the Newmont board of directors also considered a number of factors that it believed supported its determination. For a more detailed discussion of the reasoning of the Newmont board of directors, see "*The Arrangement Newmont's Reasons for the Arrangement*" beginning on page 74 of this proxy statement and "*The Arrangement Recommendations of the Newmont Board of Directors*" beginning on page 78 of this proxy statement.

SUMMARY OF SIGNIFICANT IFRS TO U.S. GAAP DIFFERENCES

The financial information of Goldcorp incorporated by reference into this proxy statement has been prepared and presented in accordance with International Financial Reporting Standards (as promulgated by the International Accounting Standards Board) ("IFRS"). Certain differences exist between IFRS and U.S. GAAP, which might be material to the financial information incorporated by reference into this proxy statement.

The principal differences between U.S. GAAP and IFRS which might be material in the preparation of Goldcorp's consolidated financial statements are described below. The following summary does not include all differences that exist between IFRS and U.S. GAAP and is not intended to provide a comprehensive listing of all such differences specifically related to Newmont, Goldcorp or the industry in which Newmont and Goldcorp operate.

The differences described below reflect only those differences in accounting policies in force at the time of the preparation of the historical financial information of Goldcorp. There has been no attempt to identify future differences between IFRS and U.S. GAAP as the result of prescribed changes in accounting standards, transactions or events that may occur in the future.

Impairment of Long-Lived Assets

Under both U.S. GAAP and IFRS, long-lived assets are tested for impairment when events or changes in circumstances indicate that the carrying amounts may be impaired. Under U.S. GAAP, the asset group is first tested for recoverability by determining if its carrying amount exceeds the expected future cash flows from the asset group on an undiscounted basis. If the asset group is determined to not be recoverable, an impairment expense is recorded for the excess of the asset group's carrying amount over its fair value. Further, future reversal of a previously recognized impairment loss is prohibited.

Under IFRS, when an impairment indicator is determined to exist, an impairment expense is recorded for the excess of the cash generating unit carrying amount over the greater of its fair value less costs of disposal and its value in use. Impairment expense previously recorded is reversible in subsequent periods under certain conditions.

Mine Development and Stripping Costs

Under U.S. GAAP, mine development costs and costs of removing overburden and waste materials to access the ore body prior to the production phase, referred to as pre-stripping costs, are capitalized once mineralization is classified as proven and probable reserves. Stripping costs incurred during the production phase of a mine are variable production costs that are included as a component of inventory and are recognized in costs applicable to sales in the same period as the revenue from the sale of inventory. Under IFRS, mine development costs and pre-stripping costs incurred prior to the production stage of a mining property are capitalized before mineralization is classified as proven and probable reserves. In addition, certain stripping costs continue to be capitalized after the production phase of a mine is achieved when the current strip ratio exceeds the estimated life of mine strip ratio.

Depreciation & Amortization

Under U.S. GAAP, certain mine development costs are amortized using the units-of-production method based on estimated recoverable ounces or pounds in proven and probable reserves. Under IFRS, certain mine development costs are also amortized using the units-of-production method, but based on estimated recoverable ounces contained in proven and probable reserves and a portion of resources, when it is considered highly probable that resources will be economically extracted.

Reclamation and Remediation Liabilities

Under U.S. GAAP, the initial recognition of asset retirement obligation is based on the fair value of the reclamation and remediation liability, generally utilizing a present value technique to estimate the liability and discounted at a credit-adjusted risk-free interest rate. Subsequently, period-to-period revisions to either the timing or amount of the original estimate of undiscounted cash flows are treated as separate layers of the obligation.

Under IFRS, initial recognition of reclamation and remediation liability is generally measured as the best estimate of the expenditure to settle the obligation utilizing a present value technique to estimate the liability, discounted at a pretax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Subsequently, period-to-period revisions for changes in the estimate of expected undiscounted cash flows or discount rate is re-measured for the entire obligation by using an updated discount rate that reflects current market conditions as of the balance sheet date.

Joint Arrangements

Under U.S. GAAP, a joint venture is defined as an entity whose operations and activities are jointly controlled by its equity investors. Joint ventures are accounted for using the equity method of accounting. Proportionate consolidation is used in the oil and gas and mining and extractive industries, when working interest owners join together in the development and operation of a jointly-owned or unitized property outside a separate legal entity pursuant to a written agreement.

IFRS addresses two types of joint arrangements: (1) joint operations and (2) joint ventures, both distinguished by the rights and obligations of the parties involved. In a joint operation, an entity has rights to the underlying assets and obligations for the liabilities of the arrangement and recognizes its share of the assets, liabilities, revenues, and expenses arising from its interest. In a joint venture, the equity method of accounting is used and requires the use of a separate legal entity. Unlike U.S. GAAP, the existence of a separate legal entity is not sufficient evidence to conclude that an arrangement is a joint venture.

Income Taxes

Under U.S. GAAP, deferred taxes are recognized for temporary differences arising from the initial recognition of assets acquired or liabilities assumed. Under IFRS, deferred income taxes are not recognized for temporary differences arising from the initial recognition of an asset or liability in a transaction that (i) is not a business combination, and (ii) affects neither accounting nor taxable profit.

U.S. GAAP prohibits recognition of deferred tax consequences for differences that arise from changes in exchange rates or indexing for tax purposes for those foreign subsidiaries that are required to use historical rates to remeasure nonmonetary assets and liabilities from the local currency into the functional currency. Under IFRS, deferred tax assets or liabilities are recognized for temporary differences related to nonmonetary assets or liabilities that are remeasured from the local currency into the functional currency for book purposes using historical exchange rates, but are reported in local currency for tax purposes using current exchange rates.

Marketable Equity Securities

U.S. GAAP requires investments in equity securities to be measured at fair value, with changes in fair value recognized in net income, unless equity securities do not have a readily determinable fair value. Under IFRS, equity securities designated as fair value through other comprehensive income are carried at fair value and changes in fair value are recognized in other comprehensive income, which is not subsequently charged to earnings.

Table of Contents

Pre-production Sales

Under U.S. GAAP, proceeds from the sale of pre-production metal produced during commissioning of a processing facility are credited to other income, net of operating costs. However, sales of metal produced during the development phase of a mine where there is already an existing processing facility are recorded within sales and costs applicable to sales. Under IFRS, proceeds from the sale of metal produced during the development phase of a mine are offset against capitalized asset costs, net of allocated operating costs.

Fixed Price Sales Contract

Under U.S. GAAP, the upfront cash payment received upon entering into an off-market fixed price sales contract to deliver metal from future production (i.e., a metal streaming contract) is recognized as a financing transaction, through recognition of a liability for the future metal delivery performance obligation. Under IFRS, upfront cash payment received upon entering into a metal streaming contract is recognized as an offset to property, plant and mine development. The payment received is indirectly recognized in the statement of earnings through a reduction of depreciation and amortization expense over the term of the contract.

UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL INFORMATION

The following unaudited pro forma condensed combined financial information ("unaudited pro forma financial information") has been prepared based on the historical audited consolidated financial statements of Newmont and Goldcorp, and is intended to provide you with information about how the arrangement might have affected Newmont's historical financial statements. The unaudited pro forma condensed combined statement of operations ("unaudited pro forma statement of operations") for the year ended December 31, 2018, combines the historical audited consolidated statement of operations of Newmont for the corresponding period, with the respective historical audited consolidated statement of earnings of Goldcorp, as derived from audited consolidated financial statements as indicated below, as if the arrangement had occurred on January 1, 2018. The unaudited pro forma condensed combined balance sheet ("unaudited pro forma balance sheet") as of December 31, 2018, combines the historical audited consolidated balance sheet of Newmont, and the historical audited consolidated balance sheet of Goldcorp as of December 31, 2018, derived from audited consolidated financial statements as indicated below, as if the arrangement had occurred on December 31, 2018.

The unaudited pro forma financial information have been developed from and should be read in conjunction with:

the accompanying notes to the unaudited pro forma financial information;

the historical audited consolidated financial statements of Newmont for the year ended December 31, 2018, included in Newmont's Annual Report on Form 10-K, filed with the SEC on February 21, 2019;

the historical audited consolidated financial statements of Goldcorp for the year ended December 31, 2018, as filed in Goldcorp's Current Report on Form 6-K, furnished to the SEC on February 14, 2019; and

other information relating to Newmont and Goldcorp contained in or incorporated by reference into this document. See sections titled "*Where You Can Find More Information*" beginning on page 147 of this proxy statement.

The unaudited pro forma financial information is presented using the acquisition method of accounting, with Newmont as the acquirer of Goldcorp. See section entitled "*The Arrangement Accounting Treatment*" beginning on page 112 of this proxy statement. Under the acquisition method of accounting, the purchase price is allocated to the underlying Goldcorp tangible and intangible assets acquired and liabilities assumed based on their respective fair market values with any excess purchase price allocated to goodwill.

The unaudited pro forma combined financial information is presented for informational purposes only. The information has been prepared in accordance with Article 11 of Regulation S-X of the SEC and is not necessarily indicative of the financial position and results of operations that actually would have been achieved had the arrangement occurred as of the dates indicated herein, nor do they purport to project the future financial position and operating results of the combined company. The pro forma financial information also does not reflect the costs of any integration activities or cost savings or synergies expected to be achieved as a result of the arrangement, which are described in the section entitled "*The Arrangement Newmont's Reasons for the Arrangement*" beginning on page 74 of this proxy statement, and, accordingly, do not attempt to predict or suggest future results.

The unaudited pro forma financial information does not give effect to the proposed creation of a joint venture (the "joint venture") to operate and manage certain mining operations and assets located in Nevada and included in our North America reportable segment (the "Assets") and certain of Barrick's Nevada mining operations and assets. Newmont believes that the proposed creation of the joint venture is not material to understanding the combination with Goldcorp and is not directly attributable to the combination with Goldcorp.

NOTES TO UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION

1. Basis of Presentation

The accompanying unaudited pro forma financial information presents the unaudited pro forma statement of operations and unaudited pro forma balance sheet of Newmont based on the historical audited consolidated financial statements of Newmont and Goldcorp after giving effect to the arrangement, and pro forma adjustments as described in these notes. Pro forma adjustments are included only to the extent they are (i) directly attributable to the arrangement, (ii) factually supportable, and (iii) with respect to the statement of operations only, expected to have a continuing impact on the combined results. The unaudited pro forma statements of operations do not reflect non-recurring expenses directly attributable to the arrangement, including fees to banks, attorneys, accountants and other professional advisors, and other transaction-related costs. However, the impacts of such expenses incurred subsequent to the balance sheet date are reflected in the unaudited pro forma balance sheet as accrued liabilities. This amount does not include estimates for fees that are not readily determinable or factually supportable. The unaudited pro forma statement of operations and the unaudited pro forma balance sheet give effect to the arrangement as if it had occurred on January 1, 2018, and December 31, 2018, respectively.

The historical audited consolidated financial statements of Newmont are prepared in accordance with generally accepted accounting principles in the United States ("U.S. GAAP") and are shown in U.S. dollars. The historical audited consolidated financial statements of Goldcorp are prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB"), and are shown in U.S. dollars.

The arrangement will be accounted for using the acquisition method of accounting, which requires an allocation of the purchase price to the net assets acquired and liabilities assumed, based on their fair values as of the date of the arrangement. As of the date of this proxy statement, Newmont has not completed the detailed valuation study necessary to arrive at the required final estimates of the fair value of the Goldcorp's assets to be acquired and liabilities to be assumed and the related allocations of purchase price, nor has it identified all adjustments necessary to convert Goldcorp's historical audited financial statements prepared in accordance with IFRS to U.S. GAAP and conform Goldcorp's accounting policies to Newmont's accounting policies. A final determination of the fair value of Goldcorp's assets and liabilities, including property, plant and mine development, will be based on the actual property, plant and mine development of Goldcorp that exist as of the closing date of the arrangement and, therefore, cannot be made prior to the arrangement date. In addition, the value of the consideration to be paid by Newmont upon the consummation of the arrangement will be determined based on the closing price of Newmont's common stock on the arrangement date. As a result of the foregoing, the pro forma adjustments are preliminary and are subject to change as additional information becomes available and as additional analysis is performed. The preliminary pro forma adjustments have been made solely for the purpose of providing the unaudited pro forma financial information presented herein. Newmont has estimated the fair value of Goldcorp's assets and liabilities based on discussions with Goldcorp's management, preliminary valuation studies, due diligence and information presented in Goldcorp's filings with the SEC. Until the arrangement is completed, both companies are limited in their ability to share certain information. Upon completion of the arrangement, a final determination of fair value of Goldcorp's assets and liabilities will be performed. Any increases or decreases in the fair value of assets acquired and liabilities assumed upon completion of the final valuations will result in adjustments to the unaudited pro forma balance sheet and unaudited pro forma statements of operations. The final purchase price allocation may be materially different than that reflected in the pro forma purchase price allocation presented herein.

Table of Contents**Purchase Consideration**

The total preliminary estimated purchase price of approximately \$9,497 million was determined as of February 15, 2019 based on Goldcorp's issued and outstanding common shares and equity awards outstanding under Goldcorp's incentive compensation plans that will be exchanged or ultimately be paid out in cash on or after the closing of the arrangement. The number of shares of Newmont common stock to be issued is based on the number of Goldcorp common shares outstanding multiplied by the 0.3280 exchange ratio, adjusted for fractional shares. The aggregate purchase price for unaudited pro forma financial information purposes will be based on the actual closing price per share of Newmont common stock on the closing date, which could differ materially from the assumed value disclosed in the notes to the unaudited pro forma financial information. For purposes of the unaudited pro forma financial information, such common stock and equity awards are assumed to remain outstanding as of the closing date of the arrangement. Further, no effect has been given to any other new Goldcorp common shares or other equity awards that may be issued or granted subsequent to the date of this proxy statement and before the closing date of the arrangement. In all cases in which Newmont's closing stock price is a determining factor in arriving at the final purchase consideration, the stock price assumed for the total preliminary purchase price is the closing price of Newmont's common stock on February 15, 2019 (\$33.24 per share), the most recent date practicable in the preparation of this proxy statement. A hypothetical 15% change in Newmont's closing stock price as of February 15, 2019, would have an approximate \$1,421 million impact on the purchase price, which would result in \$1,421 additional goodwill or a \$167 million reduction in fair value of tangible assets and a potential gain from bargain purchase.

In addition, includes \$6 million towards the fair value of 4.9 million options (the "Goldcorp options") outstanding on February 15, 2019 that will remain outstanding on their existing terms and become exercisable for Newmont common shares on the basis of the Equity Award Exchange Ratio, all of which is allocated to purchase consideration. The fair value of the

The *Goodwill* balance is primarily attributed to the assembled workforce, operating synergies anticipated upon the integration of the operations of Newmont and Goldcorp, and potential strategic and financial benefits that include, the gold sector's largest reserve and resource base, the benefits of additional revenue from other products such as silver, zinc, and copper, and the financial flexibility to execute capital priorities.

2. Goldcorp Historical Financial Statements

Goldcorp historical balances were derived from Goldcorp's historical audited consolidated financial statements as described above and are presented under IFRS and are in U.S. dollars. The historical balances reflect certain reclassifications of Goldcorp's consolidated statement of (loss) earnings and consolidated balance sheet categories to conform to Newmont's presentation in its consolidated statement of operations and consolidated balance sheet. Further review may identify additional reclassifications that could have a material impact on the unaudited pro forma financial information of the combined company. The reclassifications identified and presented in the unaudited pro forma financial information are based on discussions with Goldcorp's management, due diligence and information presented in Goldcorp's filings with the SEC. Until the arrangement is completed, both companies are limited in their ability to share certain information. As of the date of this proxy statement,

Newmont is not aware of any additional reclassifications that would have a material impact on the unaudited pro forma financial information that are not reflected in the pro forma adjustments.

3. IFRS to U.S. GAAP Adjustments

IFRS differs in certain material respects from U.S. GAAP. The following material adjustments have been made to reflect Goldcorp's historical audited consolidated statement of earnings and consolidated balance sheet on a U.S. GAAP basis for purposes of unaudited pro forma financial information. In addition, the material adjustments have been made to align Goldcorp's historical significant accounting policies under IFRS to Newmont's significant accounting policies under U.S. GAAP.

Table of Contents**(a) Impairment of Long-Lived Assets**

Under both U.S. GAAP and IFRS, long-lived assets are tested for impairment when events or changes in circumstances indicate that the carrying amounts may be impaired. Under U.S. GAAP, the asset group is first tested for recoverability by determining if its carrying amount exceeds the expected future cash flows from the asset group on an undiscounted basis. If the asset group is determined to not be recoverable, an impairment expense is recorded for the excess of the asset group's carrying amount over its fair value. Further, future reversal of a previously recognized impairment loss is prohibited.

Under IFRS, when an impairment indicator is determined to exist, an impairment expense is recorded for the excess of the cash generating unit carrying amount over the greater of its fair value less costs of disposal and its value in use. Impairment expense previously recorded is reversible in subsequent periods under certain conditions.

The following table reflects the reversal of impairment expense recognized by Goldcorp under IFRS, after adjusting the carrying value of the property, plant and mine development for (i) the impact of excluding resources from recoverable ounces in units-of-production based depreciation expense, (ii) reversing previous impairment expense recognized by Goldcorp, net of previous IFRS impairment expense reversals, (iii) reversing mine development and stripping costs capitalized by Goldcorp, as outlined in Note 3(b), and (iv) reversing proceeds from the sale of preproduction metal, net of operating costs, which were deducted against *Property, plant, and mine development, net*, as outlined in Note 3(h), that would not be recognized under U.S. GAAP.

(b) Mine Development and Stripping Costs

Under U.S. GAAP, Newmont capitalizes mine development costs, including the initial costs to remove overburden and waste in order to access the main ore body and before the production phase of the mine is achieved. After the production phase of a mine is achieved, stripping costs are included as variable production costs of stockpiles and ore on leach pads. Under IFRS, Goldcorp capitalizes mine development costs, including stripping costs to remove overburden and waste to access the main ore body, and in addition, Goldcorp continues to capitalize certain stripping costs after the production phase of a mine is achieved when the current strip ratio exceeds the estimated life of mine strip ratio.

The following table reflects the reversal of mine development and stripping costs capitalized by Goldcorp for its consolidated subsidiaries and equity method investees, before mineralization is

(c) Depreciation and Amortization		

Under U.S. GAAP, Newmont's policy is to amortize certain mine development costs using the units-of-production method based on estimated recoverable ounces or pounds in proven and probable reserves. Under IFRS, Goldcorp includes estimated recoverable ounces contained in proven and probable reserves and a portion of resources, when it is considered highly probable that resources will be economically extracted.

The following table reflects the impact of excluding resources from recoverable ounces in units-of-production based depreciation expense calculations.

(d) Reclamation and Remediation Liabilities		

Under U.S. GAAP, the initial recognition of the asset retirement obligations is based on the fair value of the reclamation and remediation liability, generally utilizing a present value technique to estimate the liability and discounted at a credit-adjusted risk-free interest rate. Subsequently, period-to-period revisions to either the timing or amount of the original estimate of undiscounted cash flows are treated as separate layers of the obligation.

Under IFRS, reclamation and remediation liabilities are generally measured as the best estimate of the expenditure to settle the obligation utilizing a present value technique to estimate the liability, discounted at a pretax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Subsequently, period-to-period revisions for changes in the estimate of expected undiscounted cash flows or discount rate is remeasured for the entire obligation by using an updated discount rate that reflects current market conditions as of the balance sheet date.

The unaudited pro forma financial information does not reflect the impact of converting Goldcorp's reclamation and remediation liabilities, capitalized asset retirement costs, and related reclamation and remediation expenses on a U.S. GAAP basis as it is impractical to re-estimate the impact of period-to-period revisions to the timing or amount of the original reclamation liability over historical periods using the layering approach and credit adjusted risk free rates. In addition, the

Table of Contents

impact of converting reclamation and remediation liabilities from IFRS to U.S. GAAP is not meaningful because, under the acquisition method of accounting, reclamation and remediation liabilities are recorded at fair value as of the closing date of the arrangement. Therefore, Newmont has reflected the adjustment to recognize *Reclamation and remediation liabilities*, and related capitalized asset retirement costs, at their estimated fair value on the arrangement closing date. Refer to Note 4(c) below for additional information.

(e) Joint Arrangements Norte Abierto Project

Under U.S. GAAP, a joint venture is defined as an entity whose operations and activities are jointly controlled by its equity investors. Joint ventures are accounted for using the equity method of accounting. Proportionate consolidation is used in the oil and gas and mining and extractive industries, when working interest owners join together in the development and operation of a jointly-owned or unitized property outside a separate legal entity pursuant to a written agreement.

IFRS addresses two types of joint arrangements: (1) joint operations and (2) joint ventures, both distinguished by the rights and obligations of the parties involved. In a joint operation, an entity has rights to the underlying assets and obligations for the liabilities of the arrangement and recognizes its share of the assets, liabilities, revenues, and expenses arising from its interest. In a joint venture, the equity method of accounting is used and requires the use of a separate legal entity. Unlike U.S. GAAP, the existence of a separate legal entity is not sufficient evidence to conclude that an arrangement is a joint venture.

The following table reflects the impact of converting Goldcorp's accounting for its interest in Norte Abierto from joint operations accounting under IFRS to the equity method of accounting under U.S. GAAP as of December 31, 2018. The impact to *Equity income (loss) of affiliates* in the unaudited pro forma statement of operations for the year ended December 31, 2018 is not material.

(f) Income Taxes

Under U.S. GAAP, deferred taxes are recognized for temporary differences arising from the initial recognition of assets acquired or liabilities assumed. Under IFRS, deferred income taxes are not recorded for temporary differences arising from the initial recognition of an asset or liability in a transaction that (i) is not a business combination, and (ii) affects neither accounting nor taxable profit. The impact of recording deferred taxes on asset acquisitions under U.S. GAAP resulted in an increase to *Deferred income tax liabilities* of \$431 million and a corresponding increase to *Property, plant and mine development, net*, of \$431 million as of December 31, 2018.

Additionally, U.S. GAAP prohibits recognition of deferred tax consequences for differences that arise from changes in exchange rates or indexing for tax purposes for those foreign subsidiaries that are required to use historical rates to remeasure nonmonetary assets and liabilities from the local currency into the functional currency. Under IFRS, deferred tax assets or liabilities are recognized for temporary differences related to nonmonetary assets or liabilities that are remeasured from the local currency into the functional currency for book purposes using historical exchange rates, but are reported in local

currency for tax purposes using current exchange rates. The impact of reversing deferred taxes on foreign nonmonetary liabilities resulted in a decrease to *Deferred income tax liabilities* of \$1,107 million and an increase to *Deferred income tax assets* of \$477 million as of December 31, 2018, and resulted in an increase to *Income and mining tax benefit (expense)* of \$242 million for the year ended December 31, 2018.

The following table reflects the net increase (decrease) to deferred tax assets and deferred tax liabilities, respectively, relating to adjustments discussed in Note 3(a), 3(b), 3(c), 3(e), 3(f), and 3(h).

(g) Marketable Equity Securities

U.S. GAAP requires investments in equity securities to be measured at fair value, with changes in fair value recognized in net income, unless equity securities do not have a readily determinable fair value. Under IFRS, equity securities designated as fair value through other comprehensive income (FVTOCI) are carried at fair value and changes in fair value are recognized in other comprehensive income, which is not subsequently charged to earnings.

This adjustment reflects the reversal of gains and losses recorded by Goldcorp for marketable equity securities classified as FVTOCI from *Other comprehensive income* into *Other income* of \$106 million for the year ended December 31, 2018, and results in a reclassification of amounts recognized in *Accumulated other comprehensive income (loss)* to *Retained earnings* of \$145 million as of December 31, 2018.

(h) Pre-production Sales

Under U.S. GAAP, proceeds from the sale of pre-production metal produced during commissioning of a processing facility are credited to other income, net of operating costs. However, sales of metal produced during the development phase of a mine where there is already an existing processing facility are recorded within sales and costs applicable to sales. Under IFRS, proceeds from the sale of metal produced during the development phase of a mine are offset against capitalized asset costs, net of allocated operating costs.

The following table reflects the impact of reversing proceeds from the sale of metal produced during the development phase of a mine, net of allocated operating costs, for consolidated subsidiaries

(i) By-Product versus Co-Product Revenue Accounting

Under Newmont's accounting policy, a metal is considered a by-product when sales represent less than 10% to 20% of the total sales from all metals on a life-of-mine basis and revenue from by-product metal sales is recognized as a reduction to cost applicable to sales. Goldcorp's accounting policy is to recognize proceeds from sales of all metals in sales.

(j) Fixed Price Sales Contract

Under U.S. GAAP, the upfront cash payment received upon entering into an off-market fixed price sales contract to deliver metal from future production (i.e., a metal streaming contract) is recognized as a financing transaction, through recognition of a liability for the future metal delivery performance obligation. Under IFRS, upfront cash payment received upon entering into a metal streaming contract is recognized as an offset to property, plant and mine development. The payment received is indirectly recognized in the statement of earnings through a reduction of depreciation and amortization expense over the term of the contract.

The following table reflects the impact of reversing the offset to *Property, plant and mine development, net of Depreciation and amortization* expense, by recognizing a liability for the same amount for the year-ended December 31, 2018 and the impact to *Sales* in the pro forma statement of operations for the year ended December 31, 2018.

(k) IFRS 1 First-time Adoption of International Financial Reporting Standards ("IFRS 1")

Goldcorp adopted IFRS in accordance with IFRS 1 with a transition date of January 1, 2010 and its consolidated financial statements were prepared in accordance with IFRS standards and interpretations effective as of December 31, 2011. In accordance with IFRS 1, Goldcorp recognized \$102 million cumulative translation difference from translating its Canadian operations prior to April 1, 2005 in opening retained earnings at January 1, 2010.

Table of Contents

This adjustment reflects the reversal of \$102 million cumulative translation difference recorded by Goldcorp in opening *Retained earnings* at January 1, 2010 to *Accumulated other comprehensive income (loss)* as of December 31, 2018.

Further review may identify additional IFRS to U.S. GAAP and accounting policy differences that, when conformed, could have a material impact on the unaudited pro forma financial information of the combined company. At this time, Newmont is not aware of any other significant accounting policy differences that would have a material impact on the unaudited pro forma financial information that are not reflected in the pro forma adjustments.

4. Purchase Accounting and Other Adjustments

The following adjustments have been made to the unaudited pro forma financial information to reflect certain preliminary purchase price accounting and other pro forma adjustments. Further review may identify additional adjustments that could have a material impact on the unaudited pro forma financial information of the combined company. At this time, Newmont is not aware of any additional arrangement related adjustments that would have a material impact on the unaudited pro forma financial information that are not reflected or disclosed in the pro forma adjustments.

(a) Cash and Cash Equivalents and Debt

The net decrease in *Cash and cash equivalents* of \$897 million represents the agreed-upon cash consideration for Goldcorp common shares at \$0.02 per share for \$17 million (Note 1), the repayment of Goldcorp's \$400 million term loan and the repayment of \$480 million drawn on Goldcorp's \$3 billion revolving credit facility. See the section entitled "*The Arrangement Repayment of Goldcorp Debt*" beginning on page 112 of this proxy statement. As a result of the planned repayment of Goldcorp's term loan and termination of its revolving credit facility, net interest expense for the year ended December 31, 2018 decreased by \$31 million.

(b) Property, Plant and Mine Development and Investments

The adjustments to decrease *Property, plant and mine development, net* and *Investments* by \$2,518 million and \$149 million, reflects the fair value estimate of property, plant, and mine development and equity method investments, respectively, as of December 31, 2018, and the related decrease to *Depreciation and amortization* of \$300 million and increase to *Equity income (loss) of affiliates* of \$12 million for the year ended December 31, 2018.

(c) Reclamation and Remediation Liabilities

As discussed in Note 3(d), the increase to *Reclamation and remediation liabilities* of \$17 million, of which \$5 million is included in *Other current liabilities*, reflects an adjustment to recognize asset retirement obligation at fair value as of December 31, 2018. In addition, an increase of \$40 million to *Other non-current liabilities* reflects an adjustment to recognize the fair value of incremental reclamation and remediation liabilities relating to an equity method investee with a nil carrying value as of December 31, 2018. As a result of the increases to the *Reclamation and remediation liabilities*, *Reclamation and remediation* expense for the year ended December 31, 2018 increased by \$7 million.

(d) Accrued and Other Liabilities

The \$110 million increase in accrued liabilities, included in *Other current liabilities*, and the corresponding offset to *Retained earnings* (see Note 4(h)) reflects estimated transaction expenses for banking, accounting, legal, and other professional fees associated with the arrangement. This amount does not include estimates for fees that are not readily determinable or factually supportable. These

Table of Contents

costs are excluded from the unaudited pro forma statements of operations as they are non-recurring charges directly attributable to the arrangement.

(e) Other Current and Non-Current Liabilities

As discussed in Note 3(j), the adjustment reflects the recognition of incremental fair value of liabilities relating to metal streaming contracts of \$95 million and \$150 million, included in *Other current liabilities* and *Other non-current liabilities*, respectively, for the year ended December 31, 2018. In addition, a decrease to *Deferred tax liabilities* of \$238 million and an increase to income taxes payable of \$191 million (included in *Other non-current liabilities*) has been recorded for the metal streaming contract and other tax liabilities as of December 31, 2018, respectively. As a result of the increase in other current and non-current liabilities, a net increase of \$82 million to *Sales* has been recognized as a result of the amortization of the increased liabilities for the year ended December 31, 2018.

(f) Debt and Lease and Other Financing Obligations

The increase of \$7 million to long-term debt reflects the adjustment to recognize Goldcorp's assumed \$1.0 billion and \$1.5 billion notes at fair value, net of unamortized debt issuance costs of \$13 million as of December 31, 2018. The increase of \$43 million to *Lease and other financing obligations* reflects the adjustment to recognize Goldcorp's finance lease obligations at fair value as of December 31, 2018. The aggregate impact to interest expense in the unaudited pro forma statement of operations from both the fair value adjustments to *Debt and Lease and other financing obligations* for the year ending December 31, 2018 is not material.

(g) Income Taxes

Deferred income taxes have been recognized based on the pro forma fair value adjustments to identifiable assets acquired and liabilities assumed using the marginal tax rate on a jurisdictional basis. The \$285 million increase in *Deferred tax liabilities* and the \$242 million decrease in *Deferred tax assets* reflect the preliminary estimate of deferred tax assets and liabilities recognized on the new book to tax basis differences of assets acquired and liabilities assumed, and have been recognized as part of *Goodwill*.

The estimated income and mining tax expense impact of the pro forma adjustments (except for net adjustments to interest expense) has been recognized based upon a blended federal and state statutory rate of 35 percent. The estimated tax rate of 22 percent has been applied to the pro forma adjustments to interest expense based on a preliminary analysis of the applicable rules for interest cost allocation required by tax regulations.

(h) Goldcorp Shareholders' Equity

The adjustment reflects an adjustment of \$11,742 million to eliminate Goldcorp's historical stockholder's equity, which represents the historical book value of Goldcorp's net assets, as a result of the application of purchase accounting.

The adjustment reflects an increase of \$455 million and decrease of \$9,223 million to *Common stock* and *Additional paid-in capital*, respectively, to reflect the issuance of 284,556,968 shares of Newmont common stock with a par value of \$1.60 per share to satisfy the issuance of 0.3280 of a share of Newmont common stock for each Goldcorp common share outstanding pursuant to the arrangement agreement, assuming a closing price of Newmont common stock on February 15, 2019 of \$33.24 per share. In addition, *Retained earnings* and *Accumulated other comprehensive income (loss)* have been adjusted by \$6,515 million and \$119 million, respectively, to eliminate Goldcorp's historical equity balances adjusted for IFRS to U.S. GAAP differences and purchase accounting and other pro forma adjustments as of December 31, 2018.

The Company is continuing to value all assets acquired and liabilities assumed, and, upon completion of the arrangement, a final determination of fair value of Goldcorp's assets and liabilities will be performed. Based on the preliminary purchase price allocation, the Company has allocated \$1,254 million to *Goodwill* in the unaudited pro forma balance sheet. This amount may increase or decrease based on the final purchase price allocation. Goodwill recorded in connection with the merger will not be deductible for income tax purposes.

Newmont's unaudited pro forma statement of operations includes \$334 million of *Income (loss) before income and mining tax and other items* attributable to the Assets for the year ended December 31, 2018, which (i) does not reflect general corporate expenses, interest (except project-specific interest) or income and mining taxes and (ii) does reflect elimination of intercompany revenue and expense amounts with our other reportable segments. Similarly, the unaudited pro forma balance sheet includes \$5,597 million of *Total assets* attributable to the Assets as of December 31, 2018. The *Income (loss) before income and mining tax and other items* and *Total assets* attributable to the Assets disclosed above are preliminary and subject to change based on the final terms of the joint venture to-be formed.

It does not reflect cost savings, synergies or certain other adjustments that may result from the arrangement. This information is presented for illustrative purposes only. You should not rely on the pro forma combined or equivalent pro forma amounts as they are not necessarily indicative of the operating results or financial position that would have occurred if the arrangement had been completed as of the dates indicated, nor are they necessarily indicative of the future operating results or financial position of the combined company. The pro forma information, although helpful in illustrating the financial characteristics of the combined company under one set of assumptions, does not reflect the benefits of expected cost savings, opportunities to earn additional revenue, the impact of restructuring and arrangement-related costs, or other factors that may result as a consequence of the arrangement and, accordingly, does not attempt to predict or suggest future results.

The following table assumes the issuance of approximately 285 million shares of Newmont common stock in connection with the arrangement, which is the number of shares issuable by Newmont in connection with the arrangement assuming the arrangement occurred on January 1, 2018 and based on the number of outstanding Goldcorp common shares at that time. As discussed in this proxy statement, the actual number of shares of Newmont common stock issuable under the arrangement will be adjusted based on the number of Goldcorp common shares outstanding at the completion of the arrangement. The pro forma data in the table assumes that the arrangement occurred on January 1, 2018 for income statement purposes and on December 31, 2018 for balance sheet purposes, and that the arrangement is accounted for as a business combination.

RISK FACTORS

You should consider carefully the following risk factors, as well as the other information set forth in and incorporated by reference into this proxy statement, before making a decision on the amendment proposal or the share issuance proposal presented. As a stockholder of Newmont following the consummation of the arrangement, you will be subject to all risks inherent in the business of Newmont in addition to the risks relating to Goldcorp. The market value of your shares will reflect the performance of the business relative to, among other things, that of the competitors of Newmont and general economic, market and industry conditions. The value of your investment may increase or may decline and could result in a loss. You should carefully consider the following factors as well as the other information contained in and incorporated by reference into this proxy statement. For information regarding the documents incorporated into this proxy statement by reference, see the section entitled "Where You Can Find More Information" beginning on page 147 of this proxy statement.

RISKS RELATING TO THE ARRANGEMENT

The arrangement is subject to satisfaction or waiver of several conditions.

The arrangement is conditional upon, among other things, approval of the issuance of the Newmont common stock to Goldcorp shareholders in exchange for their Goldcorp common shares (the "consideration shares") pursuant to the arrangement agreement and approval of the amendment proposal by Newmont stockholders, approval of the arrangement by the Goldcorp shareholders, and Newmont and Goldcorp having obtained all government or regulatory approvals required by law, policy or practice, including, without limitation, approval of competition or antitrust and/or foreign investment authorities in Canada, Mexico and South Korea. The regulatory approval processes may take a lengthy period of time to complete, which could delay completion of the arrangement. There can be no assurance that any or all such approvals will be obtained.

The arrangement agreement may be terminated in certain circumstances.

Each of Newmont and Goldcorp has the right to terminate the arrangement agreement in certain circumstances. Failure to complete the arrangement could negatively impact the trading price of our common stock or otherwise adversely affect Newmont's business.

If the arrangement is not consummated by July 31, 2019, either Goldcorp or Newmont may choose not to proceed with the arrangement.

Either Goldcorp or Newmont may terminate the arrangement agreement if the arrangement has not been completed by July 31, 2019 (subject to extension to obtain certain key regulatory approvals) and the parties do not mutually agree to extend the arrangement agreement. See "The Arrangement Agreement and the Plan of Arrangement Termination of the Arrangement Agreement" beginning on page 137 in this proxy statement.

The issuance of a significant number of shares of Newmont common stock and a resulting "market overhang" could adversely affect the market price of shares of Newmont common stock after completion of the arrangement.

On completion of the arrangement, a significant number of additional shares of our common stock will be issued and available for trading in the public market. The increase in the number of shares of our common stock may lead to sales of such shares or the perception that such sales may occur (commonly referred to as "market overhang"), either of which may adversely affect the market for, and the market price of, shares of our common stock.

Table of Contents

We do not currently control Goldcorp and its subsidiaries.

We will not control Goldcorp and its subsidiaries until completion of the arrangement and the business and results of operations of Goldcorp may be adversely affected by events that are outside of our control during the intervening period. The performance of Goldcorp may be influenced by, among other factors, economic downturns, changes in commodity prices, political instability in the countries in which Goldcorp operates, changes in applicable laws, expropriation, increased environmental regulation, volatility in the financial markets, unfavorable regulatory decisions, litigation, rising costs, civic and labor unrest, disagreements with joint venture partners, delays in ongoing exploration and development projects and other factors beyond our control. As a result of any one or more of these factors, among others, the operations and financial performance of Goldcorp may be negatively affected, which may adversely affect the future financial results of the combined company.

We will incur substantial transaction fees and costs in connection with the arrangement.

We have incurred and expect to incur additional material non-recurring expenses in connection with the arrangement and completion of the transactions contemplated by the arrangement agreement, including, among others, costs relating to obtaining required shareholder and regulatory approvals. Additional unanticipated costs may be incurred in the course of coordinating the businesses of the combined company after completion of the arrangement. If the arrangement is not consummated, we will be required to pay certain costs relating to the arrangement incurred prior to the date the arrangement is abandoned, such as legal, accounting, financial advisory, proxy solicitation and printing fees. Such costs may be significant and could have an adverse effect on our future results of operations, cash flows and financial condition.

We may be required to pay a termination fee.

If the arrangement is not completed as a result of, among other reasons, a change in recommendation by us or a breach of a representation or warranty made by us in the arrangement agreement and prior to termination there is an acquisition proposal for us announced and within 12 months we enter into an agreement or consummate an acquisition proposal, we will be required to pay a termination fee of \$650 million to Goldcorp in connection with the termination of the arrangement agreement. If the termination fee is ultimately required to be paid to Goldcorp, the payment of such fee will have an adverse impact on our financial results.

Goldcorp and Newmont may be the targets of legal claims, securities class actions, derivative lawsuits and other claims and negative publicity related to the arrangement.

Goldcorp and Newmont may be the target of securities class actions and derivative lawsuits which could result in substantial costs and may delay or prevent the arrangement from being completed. Securities class action lawsuits and derivative lawsuits are often brought against companies that have entered into an agreement to acquire a public company or to be acquired. Third parties may also attempt to bring claims against Newmont or Goldcorp seeking to restrain the arrangement or seeking monetary compensation or other remedies. Even if the lawsuits are without merit, defending against these claims can result in substantial costs and divert management time and resources. Additionally, if a plaintiff is successful in obtaining an injunction prohibiting consummation of the arrangement, then that injunction may delay or prevent the arrangement from being completed.

In addition, political and public attitudes towards the arrangement could result in negative press coverage and other adverse public statements affecting Newmont and Goldcorp. Adverse press coverage and other adverse statements could lead to investigations by regulators, legislators and law enforcement officials or in legal claims or otherwise negatively impact the ability of the combined company to take advantage of various business and market opportunities. The direct and indirect

Table of Contents

effects of negative publicity, and the demands of responding to and addressing it, may have a material adverse effect on the combined company's business, financial condition and results of operations.

The exchange ratio is fixed and will not be adjusted in the event of any change in either Newmont's or Goldcorp's share price.

Upon completion of the arrangement, each Goldcorp common share will be converted into the right to receive 0.3280 of a share of Newmont common stock and \$0.02 in cash. This exchange ratio was fixed in the arrangement agreement and will not be adjusted to reflect changes in the market price of either Goldcorp common shares or Newmont common stock before the arrangement is completed. Stock price changes may result from a variety of factors (many of which are beyond Newmont's and Goldcorp's control), including the following:

changes in Newmont's and Goldcorp's respective businesses, operations and prospects;

investor behavior and strategies, including market assessments of the likelihood that the arrangement will be completed, including related considerations regarding court approval and regulatory clearance of the arrangement;

interest rates, general market and economic conditions and other factors generally affecting the price of Newmont's and Goldcorp's shares; and

federal, state and local legislation, governmental regulation and legal developments in the businesses in which Newmont and Goldcorp operate.

The price of Newmont's common stock at the completion of the arrangement will vary from its price on the date the arrangement agreement was executed, the date of this proxy statement and the date of the special meeting. As a result, the market value represented by the exchange ratio will also vary. For example, based on the range of closing prices of Newmont common stock during the period from January 11, 2019, the last trading day before public announcement of the arrangement, through February 20, 2019, the latest practicable date before the date of this proxy statement, the exchange ratio represented a market value ranging from a low of \$10.06 to a high of \$11.76 for each Goldcorp common share.

Newmont stockholders will experience reduction of the percentage of their equity and voting interests as a result of the stock issuance.

In connection with the arrangement, Newmont is expected to issue approximately 285 million shares of its common stock to Goldcorp shareholders. Immediately following the completion of the arrangement, former Goldcorp shareholders will own collectively approximately 35% of the total number of shares of the combined company's outstanding common stock and the existing stockholders of Newmont will own approximately 65% of the outstanding common stock of the combined company. Accordingly, the issuance of Newmont common stock to Goldcorp shareholders will have the effect of reducing the percentage of equity and voting interest held by each of Newmont's existing stockholders. Consequently, Newmont stockholders as a group will have less influence over the management and policies of the combined company after the arrangement than they currently exercise.

The arrangement could negatively affect the price of our common stock as a result of market response to the arrangement, significant delays in the consummation of the arrangement or the termination of the arrangement agreement.

The market price of our common stock may vary significantly from the price on the date of the arrangement agreement. Negative market response to the arrangement or any significant delays in the consummation of the arrangement could negatively affect our stock price. In addition, there can be no assurance that the conditions to the consummation of the arrangement will be satisfied in a timely

Table of Contents

manner or at all. If the arrangement is not consummated or is delayed, the market price of our common stock may decline significantly, particularly to the extent the market price reflects a market assumption that the arrangement will be consummated or will be consummated in a particular timeframe.

Stock price changes may result from a variety of factors that are beyond our control, including:

market reaction to the announcement of the arrangement and market assessment of the likelihood of the arrangement being consummated;

changes in the respective businesses, operations or prospects of Newmont or Goldcorp, including their respective ability to meet earnings estimates;

governmental or litigation developments or regulatory considerations affecting Newmont or Goldcorp or the mining industry;

general business, market, industry or economic conditions;

the worldwide supply/demand balance for gold and copper and the prevailing commodity price environment; and

other factors beyond our control, including those described elsewhere in, or incorporated by reference into, this "Risk Factors" section.

RISK FACTORS ON COMPLETION OF THE ARRANGEMENT

Significant demands will be placed on the combined company as a result of the arrangement.

As a result of the pursuit and completion of the arrangement, significant demands will be placed on the managerial, operational and financial personnel and systems of the combined company. We cannot provide any assurance that the systems, procedures and controls of Newmont and Goldcorp will be adequate to support the expansion of operations and associated increased costs and complexity following and resulting from the arrangement. The future operating results of the combined company will be affected by the ability of its officers and key employees to manage changing business conditions, to integrate the acquisition of Goldcorp, to implement a new business strategy and to improve its operational and financial controls and reporting systems.

We may not realize the anticipated benefits of the arrangement and the integration of Goldcorp may not occur as planned.

The arrangement has been agreed with the expectation that its completion will result in an increase in sustained profitability, cost savings and enhanced growth opportunities for the combined company. These anticipated benefits will depend in part on whether Goldcorp's and Newmont's operations can be integrated in an efficient and effective manner. A significant number of operational and strategic decisions and certain staffing decisions with respect to integration of the two companies have not yet been made. These decisions and the integration of the two companies will present challenges to management, including the integration of systems and personnel of the two companies which may be geographically separated, anticipated and unanticipated liabilities, unanticipated costs (including substantial capital expenditures required by the integration) and the loss of key employees.

The performance of the combined company's operations after completion of the arrangement could be adversely affected if, among other things, the combined company is not able to achieve the anticipated savings and synergies expected to be realized in entering the arrangement, or retain key employees to assist in the integration and operation of Goldcorp and Newmont. The consummation of the arrangement may pose special risks, including one-time write-offs, restructuring charges and unanticipated costs. In addition, the integration process could result in diversion of the attention of

Table of Contents

management and disruption of existing relationships with suppliers, employees, customers and other constituencies of each company. Although Newmont and its advisors have conducted due diligence on the operations of Goldcorp, there can be no guarantee that Newmont is aware of any and all liabilities of Goldcorp. As a result of these factors, it is possible that certain benefits expected from the combination of Goldcorp and Newmont may not be realized.

Goldcorp's public filings are subject to Canadian disclosure standards, which differ from SEC disclosure requirements.

Our reserve estimates have been prepared in accordance with Industry Guide 7 published by the SEC. We have not been involved in the preparation of Goldcorp's mineral reserve and mineral resource estimates. Goldcorp's mineral reserves and mineral resource estimates were prepared in accordance with the disclosure standards of *National Instrument 43-101 Standards of Disclosure for Mineral Projects* ("NI 43-101") and the Canadian Institute of Mining and Metallurgy Classification system under Canadian securities laws, which differ from the requirements of United States securities laws.

Industry Guide 7 and NI 43-101 have similar goals in terms of conveying an appropriate level of confidence in the disclosures being reported, but embody different approaches and definitions. For example, the terms "mineral reserve," "proven mineral reserve" and "probable mineral reserve" are Canadian mining terms as defined in NI 43-101, and these definitions differ from the definitions in Industry Guide 7. The terms "mineral resource," "measured mineral resource," "indicated mineral resource" and "inferred mineral resource" are defined in and required to be disclosed in accordance with, NI 43-101, these terms are not defined terms under Industry Guide 7 and are normally not permitted to be used in reports and registration statements filed with the SEC. "Inferred mineral resources" under NI 43-101 have a great amount of uncertainty as to the existence of such resources and their economic and legal feasibility. A significant amount of exploration must be completed in order to determine whether an inferred mineral resource may be upgraded to a higher category. By contrast, under Industry Guide 7 standards, a "final" or "bankable" feasibility study is typically required to report reserves or cash flow analysis to designate reserves. Further, under Industry Guide 7, mineralization may not be classified as a "reserve" unless the determination has been made that the mineralization could be economically and legally produced or extracted at the time the reserve determination is made.

Expectations regarding the combined mineral reserves and mineral resources of Newmont and Goldcorp following the closing of the arrangement will remain subject to adjustment, pending continuing review of Goldcorp's mineral resources in accordance with SEC Industry Guide 7 standards. Future adjustment may occur due to differing standards, required study levels, price assumptions, future divestments and acquisitions and other factors.

The Newmont board of directors and Newmont's financial advisors considered financial projections in connection with the arrangement. Actual performance of Newmont and Goldcorp may differ materially from these projections.

The Newmont board of directors and Citi, BMOCM and Goldman Sachs (together with Citi and BMOCM, "Newmont's financial advisors") considered, among other things, certain projections with respect to each of Newmont (the "Newmont projections"), Goldcorp (the "adjusted Goldcorp projections") and the combined company following the completion of the arrangement (the "combined pro forma projections" and, together with the Newmont projections and the adjusted Goldcorp projections, the "projections") prepared by Newmont management. All such projections were based on assumptions and information available at the time such projections were prepared. Newmont and its advisors do not know whether the assumptions made will be realized. Such information can be adversely affected by known or unknown risks and uncertainties, many of which are beyond Newmont's

Table of Contents

and Goldcorp's control. Further, financial forecasts of this type are based on estimates and assumptions that are inherently subject to risks and other factors such as company performance, geological uncertainties, industry performance, general business, economic, regulatory, market and financial conditions, as well as changes to the business, financial condition or results of operations of Newmont and Goldcorp, including the factors described in this "Risk Factors" section and "Cautionary Statement Regarding Forward-Looking Statements" beginning on page 56 of this proxy statement, which factors and changes may impact such forecasts or the underlying assumptions. As a result of these contingencies, there can be no assurance that the financial and other projections will be realized or that actual results will not be significantly higher or lower than projected. In view of these uncertainties, the inclusion of the projections in this proxy statement, and the references in this proxy statement should not be regarded as an indication that Newmont, its board of directors, or any of its advisors or any other recipient of this information considered, or now considers, it to be an assurance of the achievement of future results.

The projections were prepared for internal use and to, among other things, assist Newmont and its advisors in evaluating the transaction. The Newmont projections were not prepared with a view toward public disclosure or toward compliance with GAAP, published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. Ernst & Young, Newmont's independent registered public accounting firm, has not examined, compiled or performed any procedures with respect to the projections.

In addition, the projections have not been updated or revised to reflect information or results after the date that such financial and other forecasts were prepared or as of the date of this proxy statement. Except as required by applicable securities laws, Newmont does not intend to update or otherwise revise its financial and other forecasts to reflect circumstances existing after the date when made or to reflect the occurrence of future events, even in the event that any or all of the assumptions are shown to be in error.

The unaudited pro forma consolidated financial information of Newmont and Goldcorp is presented for illustrative purposes only and may not be indicative of the results of operations or financial condition of the combined company following the arrangement.

The unaudited pro forma consolidated financial information included in this proxy statement are presented for illustrative purposes only to show the effect of the arrangement, and should not be considered to be an indication of the financial condition or results of operations of the combined company following the arrangement. For example, the pro forma consolidated financial information have been prepared using the consolidated historical financial statements of Newmont and of Goldcorp and do not represent a financial forecast or projection. In addition, the pro forma consolidated financial information included in this proxy statement are based in part on certain assumptions regarding the arrangement. In addition, certain adjustments and assumptions have been made regarding the combined company after giving effect to the arrangement. The information upon which these adjustments and assumptions have been made is preliminary, and these types of adjustments and assumptions are difficult to make with complete accuracy, and other factors may affect the combined company's results of operations or financial condition following the arrangement.

In preparing the pro forma consolidated financial information contained in this proxy statement, we have given effect to, among other things, the completion of the arrangement and the issuance of the consideration shares. The unaudited pro forma consolidated financial information does not reflect all of the costs that are expected to be incurred by us in connection with the arrangement. For example, the impact of any incremental costs incurred in integrating Newmont and Goldcorp is not reflected in the pro forma consolidated financial information. See the notes to the unaudited pro forma consolidated

Table of Contents

financial statements of Newmont and Goldcorp included in "*Unaudited Pro Forma Consolidated Financial Information*" beginning on page 29 of this proxy statement.

Accordingly, the historical and pro forma consolidated financial information included in this proxy statement does not necessarily represent the combined company's results of operations and financial condition had Newmont and Goldcorp operated as a combined entity during the periods presented, or of the combined company's results of operations and financial condition following the arrangement.

The actual financial condition and results of operations of the combined company following the arrangement may not be consistent with, or evident from, these pro forma financial statements. In addition, the assumptions used in preparing the pro forma financial information may not prove to be accurate, and other factors may affect the combined company's financial condition or results of operations following the arrangement. Any potential decline in the combined company's financial condition or results of operations may cause a significant decrease in our stock price.

The opinions obtained by Newmont from its financial advisors as to the fairness of the consideration, from a financial point of view, to Newmont only speak as of the date of such opinions, and will not be updated to reflect changes in circumstances from the signing of the arrangement agreement in January 2019 through the closing of the arrangement.

Newmont's financial advisors presented their respective financial analyses to the Newmont board of directors and also delivered their respective oral opinions, which were subsequently confirmed in writing, that as of the dates of and based on the factors described in the written opinions, the consideration to be paid by Newmont for each of the Goldcorp common shares pursuant to the arrangement was fair, from a financial point of view, to Newmont. However, Newmont has not obtained updated opinions from its financial advisors as of the date of this proxy statement, and Newmont does not anticipate asking its financial advisors to update their opinions. In rendering their opinions, Citi, BMOCM and Goldman Sachs made judgments and, with the consent of Newmont, assumptions with regard to industry performance, general business, market and financial conditions and other matters that are beyond the control of Newmont and Goldcorp. These include, among other things, the impact of competition on the businesses of Newmont and Goldcorp, the industry generally, industry growth, the absence of any material adverse change in the financial condition and prospects of Newmont and Goldcorp, and the industry and financial markets in general, any of which could affect the public trading value of Newmont common stock by the time the arrangement is completed.

Because the opinions were issued in connection with the signing of the arrangement agreement and will not be updated, the opinions will not address the fairness to Newmont, from a financial point of view, of the consideration to be paid by Newmont for each of the Goldcorp common shares pursuant to the arrangement at the time the arrangement is completed or as of any date other than the date of the opinions. The opinions also do not address the prices at which Newmont common stock will trade at any time. The opinions that Newmont received from Citi, BMOCM and Goldman Sachs are attached as Annexes E, F and G to this proxy statement. For a description of the opinions, see the section entitled "*The Arrangement Opinions of Newmont's Financial Advisors to the Newmont Board of Directors*" beginning on page 78 of this proxy statement.

The combined company will face political risks in new jurisdictions.

Goldcorp's principal operations, development and exploration activities and significant investments are held in Canada, Mexico, Chile, Argentina, and the Dominican Republic, some of which may be considered to have an increased degree of political and sovereign risk. Any material adverse changes in government policies or legislation of such countries or any other country that Goldcorp has economic interests in that affect mining or mineral exploration activities may affect the viability and profitability of the combined company following the arrangement.

Table of Contents

While the governments in Canada, Mexico, Chile, Argentina, the Dominican Republic and other countries in which Goldcorp has mining operations or development or exploration projects have historically supported the development of natural resources by foreign companies, there is no assurance that such governments will not in the future adopt different regulations policies or interpretations with respect to, but not limited to, foreign ownership of mineral resources, royalty rates, taxation, rates of exchange, environmental protection, labor relations, repatriation of income or return of capital, restrictions on production or processing, price controls, export controls, currency remittance, or the obligations of Goldcorp under its respective mining codes and stability conventions. The possibility that such governments may adopt substantially different policies or interpretations, which might extend to the expropriation of assets, may have a material adverse effect on the combined company following the arrangement. Political risk also includes the possibility of terrorism, civil or labor disturbances and political instability. No assurance can be given that applicable governments will not revoke or significantly alter the conditions of the applicable exploration and mining authorizations nor can assurance be given that such exploration and mining authorizations will not be challenged or impugned by third parties. The effect of any of these factors may have a material adverse effect on the combined company's results of operations and financial condition.

The consummation of the arrangement may result in one or more ratings organizations taking actions which may adversely affect the combined company's business, financial condition and operating results, as well as the market price of our common stock.

Rating organizations regularly analyze the financial performance and condition of companies and may reevaluate the combined company's credit ratings following the consummation of the arrangement. Factors that may impact the combined company's credit ratings include debt levels, planned asset purchases or sales and near-term and long-term production growth opportunities, liquidity, asset quality, cost structure, product mix and commodity pricing levels. If a ratings downgrade were to occur in connection with the arrangement, the combined company could experience higher borrowing costs in the future and more restrictive covenants which would reduce profitability and diminish operational flexibility. We cannot provide assurance that any of our current ratings will remain in effect following the consummation of the arrangement for any given period of time or that a rating will not be lowered by a rating agency if, in its judgment, circumstances so warrant.

Increased exposure to foreign exchange fluctuations and capital controls may adversely affect the combined company's earnings and the value of some of the combined company's assets.

Our reporting currency is the US dollar and the majority of our earnings and cash flows are denominated in US dollars. The operations of Goldcorp are also conducted in US dollars, but Goldcorp conducts some of its business in currencies other than the US dollar and, as a result, following the arrangement, the combined company's consolidated earnings and cash flows may be impacted by movements in the exchange rates to a greater extent than prior to the arrangement. In particular, any change in the value of the currencies of the Canadian Dollar, the Mexican Peso, the Dominican Peso, the Argentine Peso, or the Chilean Peso versus the US dollar following the arrangement could negatively impact the combined company's earnings, and could negatively impact the combined company's ability to realize all of the anticipated benefits of the arrangement.

In addition, from time to time, emerging market countries such as those in which the combined company will operate adopt measures to restrict the availability of the local currency or the repatriation of capital across borders. These measures are imposed by governments or central banks, in some cases during times of economic instability, to prevent the removal of capital or the sudden devaluation of local currencies or to maintain in-country foreign currency reserves. In addition, many emerging markets countries require consents or reporting processes before local currency earnings can be converted into US dollars or other currencies and/or such earnings can be repatriated or otherwise

Table of Contents

transferred outside of the operating jurisdiction. These measures may have a number of negative effects on the combined company, reduction of the immediately available capital that the combined company could otherwise deploy for investment opportunities or the payment of expenses. In addition, measures that restrict the availability of the local currency or impose a requirement to operate in the local currency may create other practical difficulties for the combined company.

New legislation and tax risks in certain Goldcorp operating jurisdictions.

Goldcorp has operations and conducts business in multiple jurisdictions in which we do not currently operate or conduct business, which may increase our susceptibility to sudden tax changes. Taxation laws in these jurisdictions are complex, subject to varying interpretations and applications by the relevant tax authorities and subject to changes and revisions in the ordinary course, which could result in an increase in Goldcorp's taxes, or other governmental charges, duties or impositions, or an unreasonable delay in the refund of certain taxes owing to Goldcorp. No assurance can be given that new tax laws, rules or regulations will not be enacted or that existing tax laws will not be changed, interpreted or applied in a manner that could result in the combined company's profits being subject to additional taxation, result in the combined company not recovering certain taxes on a timely basis or at all, or that could otherwise have a material adverse effect on the combined company.

Failure by Goldcorp to comply with applicable laws prior to the arrangement could subject the combined company to penalties and other adverse consequences following the arrangement.

We are subject to the provisions of the US Foreign Corrupt Practices Act. Goldcorp is subject to the US Foreign Corrupt Practices Act and the Corruption of Foreign Public Officials Act (Canada). The foregoing laws prohibit companies and their intermediaries from making improper payments to officials for the purpose of obtaining or retaining business. In addition, such laws require the maintenance of records relating to transactions and an adequate system of internal controls over accounting. There can be no assurance that either party's internal control policies and procedures, compliance mechanisms or monitoring programs will protect it from recklessness, fraudulent behavior, dishonesty or other inappropriate acts or adequately prevent or detect possible violations under applicable anti-bribery and anti-corruption legislation. Following the arrangement, the combined company may be responsible for any liability in respect of any of the foregoing attributable to Goldcorp prior to the arrangement. A failure by Newmont or Goldcorp to comply with anti-bribery and anti-corruption legislation could result in severe criminal or civil sanctions, and may subject the combined company to other liabilities, including fines, prosecution, potential debarment from public procurement and reputational damage, all of which could have a material adverse effect on the business, consolidated results of operations and consolidated financial condition of the combined company following the arrangement. Investigations by governmental authorities could have a material adverse effect on the business, consolidated results of operations and consolidated financial condition of the combined company following the arrangement.

Goldcorp is also subject to a wide variety of laws relating to the environment, health and safety, taxes, employment, labor standards, money laundering, terrorist financing and other matters in the jurisdictions in which it operates. A failure by Goldcorp to comply with any such legislation prior to the arrangement could result in severe criminal or civil sanctions, and may subject the combined company to other liabilities, including fines, prosecution and reputational damage, all of which could have a material adverse effect on the business, consolidated results of operations and consolidated financial condition of the combined company following the arrangement. The compliance mechanisms and monitoring programs adopted and implemented by Goldcorp prior to the arrangement may not adequately prevent or detect possible violations of such applicable laws. Investigations by governmental authorities could also have a material adverse effect on the business, consolidated results of operations and consolidated financial condition of the combined company following the arrangement.

other planning assumptions.

Risks relating to forward-looking statements in regard to the Company's business and future performance may include, but are not limited to:

gold and other metals price volatility;

currency fluctuations;

operational risks;

increased production costs;

variances in ore grade or recovery rates from those assumed in mining plans; and

political risk, community relations, conflict resolution, governmental regulation and judicial outcomes.

In addition, material risks that could cause actual results to differ from forward-looking statements include: the inherent uncertainty associated with financial or other projections; the prompt and effective integration of Newmont's and Goldcorp's businesses and the ability to achieve the anticipated synergies and value-creation contemplated by the arrangement; the risk associated with Newmont's and Goldcorp's ability to obtain the approval of the arrangement by their shareholders required to consummate the arrangement and the timing of the closing of the arrangement, including the risk that the conditions to the transaction are not satisfied on a timely basis or at all and the failure of the transaction to close for any other reason; the risk that a consent or authorization that may be required for the arrangement is not obtained or is obtained subject to conditions that are not anticipated; the outcome of any legal proceedings that may be instituted against the parties and others related to the arrangement agreement; unanticipated difficulties or expenditures relating to the transaction, the response of business partners and retention as a result of the announcement and pendency of the transaction; potential volatility in the price of Newmont common stock due to the proposed transaction; the anticipated size of the markets and continued demand for Newmont's and Goldcorp's resources and the impact of competitive responses to the announcement of the transaction; and the diversion of management time on transaction-related issues.

For a more detailed discussion of such risks and other factors, see "*Risk Factors*" beginning on page 47 of this proxy statement, Newmont's 2018 Annual Report on Form 10-K, filed with the SEC as well as Newmont's other SEC filings incorporated by reference in this proxy statement, as well as Goldcorp's filings incorporated by reference in this proxy statement. Newmont does not undertake any obligation to release publicly revisions to any "forward-looking statement," including, without limitation, outlook, to reflect events or circumstances after the date of this proxy statement, or to reflect the occurrence of unanticipated events, except as may be required under applicable securities laws. You should not place undue reliance on these forward-looking statements in deciding how your vote should be cast or in voting your shares on the proposals set forth in this proxy statement.

CAUTIONARY STATEMENT REGARDING ILLUSTRATIVE MEASURES

This proxy statement and other documents incorporated by reference into this proxy statement contain or may contain references to certain measures that are used for illustrative purposes only.

Projections as used in this proxy statement are considered "forward looking statements." Forward-looking information representing post-closing expectations is inherently uncertain. Estimates such as expected accretion, net asset value, net present value creation, synergies, expected future production, internal rate of return, financial flexibility and balance sheet strength are preliminary in nature. There can be no assurance that the proposed arrangement will close or that the forward-looking information will prove to be accurate.

The cost savings or improvements under the "full potential" continuous improvement program ("full potential") as used in this proxy statement are considered operating measures provided for illustrative purposes, and should not be considered GAAP or non-GAAP financial measures. Full potential amounts are estimates utilized by management that represent estimated cumulative incremental value realized as a result of full potential projects implemented and are based upon both cost savings and efficiencies that have been monetized for purposes of the estimation. Because full potential savings and improvements estimates reflect differences between certain actual costs incurred and management estimates of costs that would have been incurred in the absence of the full potential program, such estimates are necessarily imprecise and are based on numerous judgments and assumptions. Expected full potential cost savings or improvements are projections and "forward-looking statements" subject to risks, uncertainties and other factors which could cause actual results to differ from current expectations.

Net present value creation as used in this proxy statement is a management estimate provided for illustrative purposes, and should not be considered a GAAP or non-GAAP financial measure. Net present value creation represents management's combined estimate of pre-tax synergies, supply chain efficiencies and full potential improvements, as a result of the proposed arrangement that have been monetized and projected over a twenty year period for purposes of the estimation, applying a discount rate of five percent. Such estimates are necessarily imprecise and are based on numerous judgments and assumptions. Expected net present value creation is a "forward-looking statement" subject to risks, uncertainties and other factors which could cause actual value creation to differ from expected value creation.

2019 dividends beyond Q1 2019 have not yet been approved or declared by the board of directors. Management's expectations with respect to future dividends or annualized dividends are "forward-looking statements." Investors are cautioned that such statements with respect to future dividends are non-binding. The declaration and payment of future dividends remain at the discretion of the board of directors and will be determined based on Newmont's financial results, balance sheet strength, cash and liquidity requirements, future prospects, gold and commodity prices, and other factors deemed relevant by the board of directors. The board of directors reserves all powers related to the declaration and payment of dividends. Consequently, in determining the dividend to be declared and paid on Newmont common stock, the board of directors may revise or terminate the payment level at any time without prior notice.

You should not place undue reliance on these estimates in deciding how your vote should be cast or in voting your shares on the proposals set forth in this proxy statement.

THE SPECIAL MEETING

DATE, TIME AND PLACE

The special meeting of Newmont stockholders will take place at 8 a.m. local time, on April 11, 2019, unless adjourned or postponed to a later date, at the Four Seasons Hotel, 1111 14th Street, Denver, Colorado 80202.

MATTERS TO BE CONSIDERED

At the special meeting, the holders of Newmont's common stock, par value \$1.60 per share, will be asked to consider and vote on the following three proposals:

1. to approve an amendment and restatement of the Newmont Restated Certificate of Incorporation to increase Newmont's authorized shares of common stock from 750,000,000 shares to 1,280,000,000 shares (the "amendment proposal");
2. to approve the issuance of shares of Newmont common stock to Goldcorp shareholders in connection with the arrangement agreement (the "share issuance proposal"); and
3. subject to the provisions of the arrangement agreement, to approve the adjournment or postponement of the Newmont special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the amendment proposal or the share issuance proposal.

BOARD RECOMMENDATION

After determining that it is advisable and in the best interests of Newmont and its stockholders to consummate the arrangement as contemplated by the arrangement agreement, the Newmont board of directors unanimously authorized, approved, and declared advisable the issuance of shares of Newmont common stock. Accordingly, the Newmont board of directors unanimously recommends that Newmont stockholders vote "**FOR**" each of the foregoing proposals.

The Newmont stockholders can cast separate votes on each proposal.

There are certain risks associated with the arrangement. See "*Risk Factors*" beginning on page 47 of this proxy statement for more information regarding such risks. Newmont stockholders should carefully read this proxy statement in its entirety for more detailed information concerning the arrangement. In particular, Newmont stockholders are directed to the arrangement agreement, which is attached as Annex A to this proxy statement.

RECORD DATE; OUTSTANDING SHARES; SHARES ENTITLED TO VOTE

The Newmont board of directors has fixed the close of business on February 20, 2019 as the record date for determination of stockholders entitled to notice of, and to vote at, the special meeting. Only stockholders of record of shares of Newmont common stock as of the close of business on the record date will receive notice of, and be entitled to vote at, the special meeting and any adjournments, postponements or continuations of the special meeting.

As of the close of business on the record date for the special meeting, there were 532,669,445 shares of Newmont common stock outstanding and held by approximately 7,030 holders of record. Each stockholder is entitled to one vote at the special meeting for each share of Newmont common stock held by that stockholder at the close of business on the record date. Newmont's common stock is the only security the holders of which are entitled to notice of, and to vote at, the special meeting.

Table of Contents

If you own shares that are registered in the name of someone else, such as a broker, bank or other nominee, you need to direct that organization to vote those shares or obtain an authorization from them and vote the shares yourself at the meeting.

QUORUM

The holders of a majority of the outstanding shares of capital stock of the Company entitled to vote at the special meeting must be present in person or represented by proxy in order to constitute a quorum for all matters to come before the meeting. For purposes of determining the presence of a quorum, "shares of capital stock of the Company" includes all shares of common stock entitled to vote at the special meeting. A quorum must be present in order for there to be a vote on the amendment proposal and the share issuance proposal. It is important that Newmont stockholders vote promptly so that their shares are counted toward the quorum.

Abstentions and broker non-votes are counted for purposes of determining whether a quorum is present at the special meeting. Banks, brokers and other nominees that hold their customers' shares in street name may not vote their customers' shares on "non-routine" matters without instructions from their customers. As each of the proposals to be voted upon at the special meeting is considered "non-routine," such organizations do not have discretion to vote on any proposal for which they do not receive instructions from their customers (this is referred to in this context as a "broker non-vote"). As a result, since there are no matters in which a broker non-vote may be counted, if you fail to provide your broker, bank or other nominee with any instructions regarding how to vote your shares, your shares will not be considered present at the special meeting, will not be counted for purposes of determining the presence of a quorum and will not be voted on any of the proposals. If you provide instructions to your broker, bank or other nominee which indicate how to vote your shares with respect to a proposal but not with respect to the other proposals, your shares will be considered present at the special meeting, be counted for purposes of determining the presence of a quorum and voted, as instructed, with respect to the appropriate proposal, but will not be voted with respect to the other proposals.

Newmont may seek to adjourn the special meeting if a quorum is not present at the meeting.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table reflects certain information known to Newmont as to Newmont common stock beneficially owned by: (i) each current director, (ii) each named executive officer, and (iii) all current directors and executive officers of Newmont as a group. The address for each of the named individuals below is c/o Newmont Mining Corporation, 6363 South Fiddler's Green Circle, Greenwood Village, Colorado 80111. Such information is presented as of February 20, 2019, except as otherwise noted.

No director or executive officer (a) beneficially owned more than 1% of the outstanding shares of Newmont common stock or (b) shares voting power in excess of 1% of the voting power of Newmont's outstanding capital stock. Each director and executive officer has sole voting power and dispositive power with respect to all shares beneficially owned by them, except as set forth below. It is expected that Newmont's directors and executive officers will vote "**FOR**" each of the proposals. Additionally, on January 14, 2019, in connection with the signing of the arrangement agreement, Goldcorp entered into support and voting agreements with Newmont's directors and certain members of Newmont's executive

REQUIRED VOTE

Assuming a quorum is present at the special meeting, approval of the adoption of the amendment proposal will require the affirmative vote of the holders of a majority of the outstanding shares of Newmont's common stock as of the record date for the special meeting. An abstention from voting or a broker non-vote on this proposal will have the same effect as a vote against this proposal.

Assuming a quorum is present at the special meeting, approval of the share issuance proposal will require the affirmative vote of the holders of a majority of the shares of Newmont's common stock properly cast on the proposal at the special meeting. Under the rules of the NYSE, an abstention from voting is effectively treated as a vote cast against this proposal. A broker non-vote on this proposal will have no effect on the outcome of the vote on this proposal.

Approval of one or more adjournments of the special meeting, if necessary or appropriate, including adjournments to permit further solicitation of proxies in favor of adoption of the amendment proposal or the share issuance proposal, will require the affirmative vote of the holders of a majority of the shares of Newmont's common stock properly cast on the proposal at the special meeting. An abstention from voting or a broker non-vote on this proposal will have no effect on the outcome of the vote on this proposal. If you fail to submit a proxy and do not attend the special meeting in person, or if you fail to provide instructions to your broker, bank or other nominee to vote on your behalf, your shares will not affect whether these proposals are approved.

VOTING BY PROXY

This proxy statement is being sent to you on behalf of the Newmont board of directors for the purpose of requesting that you allow your shares of Newmont common stock to be represented at the special meeting by the persons named in the enclosed proxy card. All shares of Newmont common stock represented at the meeting by properly executed proxy cards, voted over the telephone or voted over the Internet will be voted in accordance with the instructions indicated on those proxies. If you sign and return a proxy card without giving voting instructions, your shares will be voted as follows:

"FOR" approval of an amendment and restatement of the Newmont Restated Certificate of Incorporation to increase Newmont's authorized shares of common stock from 750,000,000 shares to 1,280,000,000 shares;

"FOR" approval of the issuance of shares of Newmont common stock to Goldcorp shareholders in connection with the arrangement agreement; and

"FOR," subject to the provisions of the arrangement agreement, approval of the adjournment or postponement of the Newmont special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the amendment proposal or the share issuance proposal.

HOW TO VOTE

Whether or not you plan to attend the special meeting in person, you should submit your proxy as soon as possible.

If you own shares of Newmont common stock in your own name, you are an owner or holder of record. This means that you may use the enclosed proxy card or the Internet or telephone voting options to tell the persons named as proxies how to vote your shares of Newmont common stock. You have four voting options:

In Person. To vote in person, come to the special meeting and you will be able to vote by ballot. To ensure that your shares are voted at the special meeting, the Newmont board of directors recommends that you submit a proxy even if you plan to attend the special meeting.

Mail. To vote using the enclosed proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the enclosed return envelope. If you return your signed proxy card to Newmont before the special meeting, Newmont will vote your shares as you direct.

Telephone. To vote by telephone, dial the toll-free telephone number located on the enclosed proxy card using a phone and follow the recorded instructions. You will be asked to provide the control number from the enclosed proxy card. Your vote must be received by 1:00 a.m. (eastern U.S. time) on April 11, 2019 to be counted.

Internet. To vote over the Internet, go to the web address located on the enclosed proxy card to complete an electronic proxy card. You will be asked to provide the control number from the enclosed proxy card. Your vote must be received by 1:00 a.m. (eastern U.S. time) on April 11, 2019 to be counted.

If your shares of common stock are held in "street name" by your broker, bank or other nominee, you should have received a voting instruction form, as well as voting instructions with these proxy materials from that organization rather than from Newmont. Your broker, bank or other nominee will vote your shares only if you provide instructions to that organization on how to vote. You should provide your broker, bank or other nominee with instructions regarding how to vote your shares by following the enclosed instructions provided by that organization. Your shares will not be voted with

Table of Contents

respect to any proposal for which you fail to provide instructions, which will have the effect on the approval of the proposals described under "The Special Meeting Required Vote."

The Internet and telephone voting options available to holders of record are designed to authenticate stockholders' identities, to allow stockholders to give their proxy voting instructions and to confirm that these instructions have been properly recorded. Proxies submitted over the Internet or by telephone through such a program must be received by 1:00 a.m. (eastern U.S. time) on April 11, 2019. Submitting a proxy will not affect your right to vote in person if you decide to attend the special meeting.

REVOKING YOUR PROXY

Your grant of a proxy on the enclosed proxy card or through one of the alternative methods discussed above does not prevent you from voting in person or otherwise revoking your proxy at any time before it is voted at the special meeting. If your shares of Newmont common stock are registered in your own name, you may revoke your proxy in one of the following ways:

by submitting another proxy card bearing a later date and mailing it so that it is received before the special meeting;

by submitting another proxy using the Internet or telephone voting procedures; or

by attending the special meeting and voting in person, although simply attending the meeting will not revoke your proxy, as you must deliver a notice of revocation or vote at the special meeting in order to revoke a prior proxy.

Your last vote is the vote that will be counted.

If you have instructed a broker, bank or other nominee to vote your shares, you must follow the directions received from your broker, bank or other nominee if you wish to change your vote.

VOTING IN PERSON AT THE SPECIAL MEETING

All stockholders of record may vote their shares in person by attending the special meeting and submitting the ballot that will be provided there. If your shares are held in "street name," you may vote in person at the special meeting if you have a document known as a "legal proxy" from the holder of record. You will need to ask the broker, bank or other nominee holding your shares for a legal proxy and bring the legal proxy with you to the special meeting. If your shares are held in "street name," you will not be able to vote your shares at the meeting without a legal proxy. If you request a legal proxy, any previously executed proxy will be revoked, and your vote will not be counted unless you appear at the special meeting and vote in person or legally appoint another proxy to vote on your behalf.

ADJOURNMENTS AND POSTPONEMENTS

Although it is not currently expected, the special meeting may be adjourned or postponed to a later date. Any adjournment or postponement to a date not more than 30 days after the date originally fixed for the special meeting may be made without notice, other than by an announcement made at the special meeting of the time and place of the adjourned meeting. Any adjournment or postponement to a date more than 30 days after the date originally fixed for the special meeting will require that notice of the hour, date and place of the adjourned meeting be given to Newmont stockholders entitled to vote thereat. Any adjournment of the special meeting for the purpose of soliciting additional proxies will allow Newmont stockholders who have already sent in their proxies to revoke them at any time before voting occurs at the rescheduled special meeting. See "Proposal 3: Adjournment of Special

Table of Contents

Meeting" beginning on page 145 of this proxy statement for more information about the proposal relating to adjournments of the special meeting.

INDEPENDENT ACCOUNTANTS

Representatives of Ernst & Young LLP, Newmont's independent auditor, are expected to be present at the special meeting and will be afforded the opportunity to make a statement if they desire and will be available to respond to appropriate questions from stockholders.

HOUSEHOLDING

Certain of Newmont stockholders who share an address are being delivered only one copy of this proxy statement unless Newmont or one of its mailing agents has received contrary instructions. Upon the written or oral request of a stockholder at a shared address to which a single copy of this proxy statement was delivered, Newmont will promptly deliver a separate copy of such document to the requesting stockholder. Written requests should be made to the Secretary of Newmont, 6363 South Fiddler's Green Circle, Greenwood Village, Colorado 80111, and oral requests may be made by calling Newmont Investor Relations at (303) 863-7414.

In addition, Newmont stockholders who wish to receive a separate copy of Newmont's proxy statements and annual reports, if any, in the future should notify Newmont either in writing addressed to the foregoing address or by calling the foregoing telephone number. Newmont stockholders sharing an address who are receiving multiple copies of Newmont's notice of Internet availability of proxy materials and/or proxy statements and annual reports may request delivery of a single copy of such documents by writing to Newmont at the address above or calling Newmont at the telephone number above.

INSPECTOR OF ELECTION; TABULATION OF VOTES

The Newmont board of directors expects to appoint a representative of Computershare Inc. to act as the inspector of election at the special meeting. The inspector of election will determine the number of shares outstanding, the shares represented at the special meeting, the existence of a quorum and the validity of proxies and ballots, and will count all votes and ballots.

SOLICITATION OF PROXIES

Newmont is soliciting proxies for the special meeting from Newmont stockholders. Newmont will bear the entire cost of soliciting proxies from Newmont stockholders, including the expenses incurred in connection with the preparation of the proxy statement and its filing with the SEC. In addition to this mailing, Newmont's directors, officers and employees, who will not receive any additional compensation for their services, may solicit proxies personally, electronically or by telephone. Arrangements also will be made with brokerage firms and other custodians, nominees and fiduciaries to forward proxy solicitation materials to the beneficial owners of Newmont common stock held of record by those persons, and Newmont will reimburse these brokerage firms, custodians, nominees and fiduciaries for related, reasonable out-of-pocket expenses they incur.

Newmont has engaged MacKenzie Partners, Inc. to assist in the solicitation of proxies for the special meeting and will pay MacKenzie Partners, Inc. a fee of approximately \$60,000, plus reimbursement of out-of-pocket expenses.

A list of stockholders entitled to vote at the special meeting will be open for examination by any Newmont stockholder, for any purpose germane to the meeting, during ordinary business hours for a period of ten days before the meeting at Newmont's principal executive offices at 6363 South Fiddler's

Green Circle, Greenwood Village, Colorado 80111, and at the time and place of the meeting during the entire time of the meeting.

OTHER BUSINESS

Newmont does not expect that any matter other than the proposals listed above will be brought before the special meeting. If, however, other matters are properly brought before the special meeting, or any adjournment or postponement of the special meeting, the persons named as proxies will vote in accordance with their judgment.

THE ARRANGEMENT

This section of the proxy statement describes the material aspects of the proposed arrangement. This section may not contain all of the information that is important to you. You should carefully read this entire proxy statement and the documents incorporated by reference into this proxy statement, including the full text of the arrangement agreement, a copy of which is attached to this proxy statement as Annex A, for a more complete understanding of the proposed arrangement. In addition, important business and financial information about each of Goldcorp and Newmont is included in or incorporated by reference into this proxy statement. See the section entitled "Where You Can Find More Information" beginning on page 147 of this proxy statement.

STRUCTURE OF THE TRANSACTION

On January 14, 2019, Newmont entered into the arrangement agreement with Goldcorp, which was subsequently amended on February 19, 2019 (as amended, the "arrangement agreement"), pursuant to which, among other things, Newmont will acquire all of the issued and outstanding Goldcorp common shares (the "arrangement"). The arrangement will be implemented by way of a plan of arrangement (the "plan of arrangement") in accordance with the *Business Corporations Act* (Ontario) (the "OBCA") and is subject to approval by the Ontario Superior Court of Justice (Commercial List) (the "Court") and the stockholders of Newmont and the shareholders of Goldcorp. The parties intend to rely upon the exemption from the registration requirements of the Securities Act pursuant to Section 3(a)(10) thereof with respect to the issuance of the Newmont common stock and Newmont restricted stock units under the arrangement. Upon completion of the arrangement, Goldcorp will be a wholly-owned subsidiary of Newmont. As Goldcorp is incorporated in the Province of Ontario, Canada, the acquisition is being effected through an arrangement instead of a merger.

If the arrangement is completed, Goldcorp shareholders will receive 0.3280 of a share of Newmont common stock, par value \$1.60 per share ("Newmont common stock") and \$0.02 in cash for each Goldcorp common share (the "consideration"). No fractional shares of Newmont common stock will be issued under the arrangement, and Goldcorp shareholders will receive cash in lieu of any fractional shares of Newmont common stock. Any shares in respect of which dissent rights have been properly exercised and not withdrawn, pursuant to Section 185 of the OBCA, will be deemed to be transferred and assigned to Newmont, but will not be entitled to the consideration and will, instead, be subject to dissent rights under the OBCA, as modified by the plan of arrangement and the interim and final orders of the Court. Newmont stockholders will continue to own their existing shares, and the Newmont common stock will not be affected by the arrangement. Upon completion of the arrangement, it is expected that Goldcorp shareholders will own approximately 35% of the outstanding Newmont common stock.

BACKGROUND OF THE TRANSACTION

Newmont's senior management and board of directors regularly explore, with the assistance of financial and legal advisors, strategic options that may be available to Newmont, with the goal of identifying potential opportunities and, ultimately, enhancing stockholder value. As part of this process, Newmont regularly reviews a broad range of opportunities, including transformational opportunities, potential strategic investments, joint ventures and business combinations with other mining and exploration companies. The Newmont board of directors and management have recognized that, in the precious metals mining industry, truly transformational opportunities are rare and, therefore, it is necessary to always be knowledgeable about those potential opportunities so that they can be capitalized on when the opportunity arises.

Consequently, as part of Newmont's continuous assessment of its overall strategy, from time to time, Newmont and its representatives engage in discussions with representatives of other companies concerning the possibility of such strategic transactions. In particular, Newmont has long recognized that an opportunity to combine with Goldcorp would present a unique transformational opportunity that would warrant serious consideration. Newmont, therefore, sought to foster an ongoing positive

Table of Contents

relationship with Goldcorp in order to be prepared to pursue such an opportunity should it arise. Accordingly, the Newmont and Goldcorp executive leadership teams and certain directors have met periodically over the past several years, including at semi-annual dinners, at mining industry and investor conferences and at the World Economic Forum. During these interactions, Newmont and Goldcorp have discussed strategic opportunities, such as development projects, joint ventures and joint acquisitions.

To facilitate these discussions, on October 14, 2016, Newmont and Goldcorp entered into a confidentiality and standstill agreement, which was extended on October 3, 2017, to enable the parties to share non-public information in connection with their ongoing evaluation of potential strategic opportunities. Between October 2016 and October 2018, each party engaged in meetings and preliminary discussion regarding due diligence and analysis in connection with the evaluation of potential transactions. While no actionable transactions ultimately resulted from such discussions (prior to the pending transaction), Newmont's executive leadership team kept the Newmont board of directors apprised of the potential transactions and other opportunities being discussed with Goldcorp.

On June 12 and 13, 2018, the Newmont board of directors met in Lima, Peru for its annual strategy session in which the board of directors reviewed Newmont's strategy pillars and discussed strategic plans for the future. As part of this regular review process, the board of directors discussed with management potential strategic business combinations with various mining companies (including Goldcorp), the relationships Newmont had developed with those companies and the potential benefits and risks associated with such combinations.

On October 24, 2018, the Newmont board of directors met in Denver, Colorado for its regularly scheduled quarterly meeting. At that meeting, the Newmont board of directors discussed recent industry transactions, including recent consolidation in the gold industry, as well as Newmont's competitive position and strategic alternatives. These discussions included a review of the strategic merits of a possible transaction with Goldcorp and the strategic merits of potential transactions with certain other mining companies.

Following the quarterly board meeting, Newmont's executive leadership team became aware of rumors that a peer precious metal producer was pursuing a potential business combination with Goldcorp and determined to discuss with Goldcorp the possibility of Newmont making a proposal to acquire Goldcorp at the next regularly scheduled dinner with Goldcorp on December 11, 2018.

The December 11, 2018 dinner was held in Vancouver, Canada and was attended by Ms. Noreen Doyle (Newmont Chair), Mr. Gary J. Goldberg (Newmont Chief Executive Officer) and Mr. Randy Engel (Newmont Executive Vice President, Strategic Development), on behalf of Newmont, and Mr. Ian Telfer (Goldcorp Chair), Mr. David Garofalo (Goldcorp President and Chief Executive Officer), and Mr. Jason Attew (Goldcorp Executive Vice President, Chief Financial Officer and Corporate Development), on behalf of Goldcorp. Immediately prior to this dinner, Mr. Goldberg and Mr. Engel met with Mr. Garofalo and Mr. Attew to discuss the possibility of Newmont making a proposal to acquire Goldcorp and Mr. Garofalo and Mr. Attew indicated that Goldcorp would be receptive to evaluating such a proposal. During the dinner, Ms. Doyle described the key components of a potential business combination transaction with Goldcorp, including the key structural and governance terms of a potential transaction.

On December 13, 2018, the Newmont board of directors held a previously scheduled telephonic meeting during which they received an update from Mr. Goldberg regarding the discussions at the December 11, 2018 dinner. Newmont's executive leadership team made a presentation to the Newmont board of directors regarding a potential business combination with Goldcorp, and discussed the related benefits and risks of the possible transaction with the board of directors. A representative of the law firm Wachtell, Lipton, Rosen & Katz ("Wachtell") was in attendance to offer advice to the Newmont board of directors on the potential transaction. During the meeting, the Newmont board of directors authorized and directed management to continue to engage in discussions with Goldcorp and to pursue

the opportunity further, including by executing a confidentiality and exclusivity agreement with Goldcorp should the opportunity arise.

On December 14, 2018, Ms. Doyle telephoned Mr. Telfer and conveyed Newmont's vision for the combined companies, certain procedural matters and Newmont's proposal with respect to certain key terms, including governance matters, consideration and conditions to the consummation of the proposed transaction. Mr. Goldberg subsequently delivered a non-binding proposal to Mr. Garofalo for Newmont to acquire Goldcorp at a 15% premium to the 20-day volume weighted average price of the Goldcorp common shares, to be paid in a combination of Newmont common stock and cash and setting forth other key terms, which were generally consistent with the terms ultimately agreed to by the parties. Following the delivery of the non-binding proposal, Mr. Engel and Mr. Attew discussed the need to engage various workstreams, including undertaking a due diligence review and exchanging technical and business information on a confidential basis to further assess the merits of the non-binding proposal. To facilitate such due diligence and exchange of information, on December 14, 2018, Newmont and Goldcorp entered into a new confidentiality agreement.

Newmont's executive leadership team, including Mr. Goldberg, Mr. Engel and Nancy Buese (Newmont Executive Vice President and Chief Financial Officer) discussed the retention of financial advisors and determined that, because of the importance of continuity and confidentiality, it would be preferable to work with financial advisors who were already very familiar with Newmont and the industry without contacting a broad range of potential financial advisors. Consequently, Newmont determined to reach out to each of BMO Capital Markets Corp. ("BMOCM"), Citigroup Global Markets Inc. ("Citi") and Goldman Sachs & Co. LLC ("Goldman Sachs") because of their qualifications, experience, reputation and deep familiarity with Newmont and Goldcorp and their respective businesses and the mining industry. On December 14, 2018, Mr. Engel contacted BMOCM, Citi and Goldman Sachs to discuss the possibility of their acting as financial advisors to Newmont in connection with the potential transaction. All three investment banks agreed to act as Newmont's financial advisors, and engagement letters were subsequently executed with each bank.

Between December 14, 2018 and December 16, 2018, Mr. Garofalo, Mr. Attew, Mr. Goldberg and Mr. Engel engaged in negotiations with respect to both the financial and non-financial terms of the proposed transaction. During this period, Ms. Doyle and Mr. Telfer further discussed the consideration to be paid in the proposed transaction and, in a subsequent conversation between Mr. Goldberg and Mr. Garofalo, it was agreed that the consideration to be paid to Goldcorp shareholders would reflect a 17% premium to the volume weighted average price of the companies' shares.

On December 16, 2018, the parties entered into an exclusivity agreement, which included an indicative non-binding term sheet that set forth key terms of the proposed transaction, including, among other terms, the transaction structure, governance of the combined companies, consideration, conditions to consummating the proposed transaction, termination rights and related fees as well as certain covenants of both parties. The non-binding term sheet contained terms that were generally consistent with the terms of the arrangement ultimately agreed to by the parties in the arrangement agreement. The exclusivity agreement required Newmont and Goldcorp to negotiate in good faith exclusively with one another until January 17, 2019.

Also on December 16, 2018, Newmont delivered its initial due diligence request list to Goldcorp, following which Goldcorp granted Newmont and its advisors access to a virtual data room containing certain material information regarding Goldcorp. Goldcorp subsequently delivered its initial due diligence request list to Newmont, following which Newmont granted Goldcorp access to a virtual data room containing certain material information regarding Newmont. Both companies immediately commenced their due diligence investigations of each other, including financial, operational, legal, human resources and accounting diligence on both corporate and operational levels. These due diligence investigations included numerous discussions between Newmont and Goldcorp and their respective advisors as well as mine site visits. These due diligence investigations continued throughout the period leading-up to the signing of the arrangement agreement.

Representatives of Newmont's financial advisors presented their respective financial analyses and delivered their respective oral opinions (subsequently confirmed in writing) as to the fairness to Newmont, from a financial point of view, of the consideration to be paid by Newmont for each of the Goldcorp common shares pursuant to the arrangement. In advance of the meeting, the Newmont board of directors was provided with customary written relationships disclosures by each of Newmont's financial advisors, and no director expressed concern that such relationships would interfere with any of Newmont's financial advisors' ability to provide financial advisory services to Newmont. For a more detailed description of the opinions of Newmont's financial advisors, see the section entitled "*The Arrangement Opinions of Newmont's Financial Advisors to the Newmont Board of Directors*" beginning on page 78 of this proxy statement.

RECENT DEVELOPMENTS

On February 22, 2019, Barrick publicly announced that it reviewed the opportunity for an unsolicited, all-share, no premium merger with Newmont but had not made any decision at that time.

Table of Contents

Also on February 22, 2019, Newmont received a notice of intent (the "notice of intent") by a Barrick subsidiary to propose stockholder business at the 2019 annual meeting of stockholders of Newmont. The notice of intent is attached as Annex I to this proxy statement.

On February 23, 2019, the Newmont board of directors held a telephonic meeting to receive a strategic update regarding the actions by Barrick from Newmont's management and legal and financial advisors, among other matters. Representatives from BMOCM, Citi and Goldman Sachs and Wachtell, Goodmans and White & Case LLP ("White & Case") were in attendance to offer advice.

On February 25, 2019, Newmont's chair of the board of directors and Newmont's Chief Executive Officer received an unsolicited letter from Barrick's Executive Chair and its Chief Executive Officer proposing an all-share, negative premium proposal to acquire Newmont. The proposal letter from Barrick is attached as Annex J to this proxy statement.

The Newmont board of directors held a telephonic meeting on each of February 27, 2019 and March 2, 2019 to consider the Barrick proposal. Representatives from BMOCM, Citi and Goldman Sachs and Wachtell, Goodmans and White & Case were in attendance to offer advice to the Newmont board of directors. During the meetings, the Newmont board of directors evaluated the relative merits of the Barrick proposal and the arrangement with Goldcorp. The Newmont board of directors determined, in good faith after consultation with its outside financial and legal advisors, that the Barrick proposal did not constitute and would not reasonably be expected to constitute a Newmont superior proposal, as such term is defined in the arrangement agreement (disregarding for such purpose any due diligence or access condition). In making its determination at the March 2, 2019 board meeting, the Newmont board of directors considered, among other things, that the arrangement with Goldcorp would: (i) be accretive to Newmont's net asset value per share by 27 percent, and 2020 cash flow per share by 34 percent; (ii) begin delivering a combined \$365 million in expected annual pre-tax synergies, supply chain efficiencies and full potential improvements representing the opportunity to create \$4.4 billion in net present value (pre-tax); (iii) target six to seven million ounces of steady-state gold production over a decades-long time horizon; (iv) have the largest gold reserves and resources in the gold sector, including on a per share basis; (v) be located in favorable mining jurisdictions on four continents; (vi) deliver the highest dividend among senior gold producers; (vii) offer financial flexibility and an investment-grade balance sheet to advance the most promising projects generating a targeted internal rate of return of at least 15 percent (assuming \$1,200 gold price); (viii) feature a deep bench of accomplished business leaders and high-performing technical teams and other talent with extensive mining industry experience; and (ix) maintain industry leadership in environmental, social and governance performance.

The Newmont board of directors further considered that the Barrick proposal would: (i) be the latest proposal of potential transactions with Barrick that, after robust analysis and diligence, have not proven to be in the best interests of stockholders; (ii) be the second acquisition by Barrick this year, presenting potentially greater integration challenges and risks than would the arrangement with Goldcorp; (iii) offer a negative premium to Newmont stockholders based on the share price of Newmont's common stock as of February 22, 2019, the last trading day before the Barrick proposal was announced, and be four percent dilutive to Newmont's net asset value per share, before any synergies; and (iv) generate approximately half the accretion to Newmont's net asset value per share compared to the arrangement with Goldcorp, factoring the synergies estimated by Barrick. The Newmont board of directors further considered that completing the Newmont transaction with Goldcorp would not preclude Newmont or Barrick from achieving the available synergies in Nevada through a joint venture and may permit them to be realized sooner than the Barrick proposal.

On March 4, 2019, the Newmont board of directors issued a response letter to the Barrick proposal determining that the Barrick proposal did not constitute, and would not reasonably be expected to constitute, a Newmont superior proposal under the arrangement agreement and accordingly that Newmont was not permitted to engage in discussions and negotiations with Barrick with respect to the Barrick proposal and would proceed with the arrangement with Goldcorp. In

Table of Contents

addition, to facilitate the realization of the potential synergies with Barrick, Newmont proposed a term sheet for a joint venture (the "joint venture proposal") that would combine Newmont and Barrick's respective Nevada operations, which was attached to the response letter. Notwithstanding anything in the arrangement agreement to the contrary (including, without limitation, Sections 5.2(c) and 5.9(a) thereof), among other things, Goldcorp expressly consented to Newmont's entry into the joint venture proposal and Newmont agreed to keep Goldcorp informed of material developments with respect to that proposal and, in certain cases, agreed to seek Goldcorp's consent prior to making certain communications regarding the joint venture proposal.

The Newmont board of directors met on March 9, 2019 to consider the joint venture, during which they received an update from Mr. Goldberg regarding the discussions with Barrick regarding the current terms for the joint venture and discussed the benefits and risks of the possible transaction with the Newmont board of directors. During the meeting, the Newmont board of directors authorized and directed management to enter into an agreement to establish the joint venture.

On March 10, 2019, Newmont entered into an implementation agreement to establish the joint venture with Barrick (the "Barrick Nevada agreement"). Pursuant to the terms of the Barrick Nevada agreement, Barrick would hold an economic interest equal to 61.5 percent and Newmont would hold a 38.5 percent economic interest. Barrick will operate the joint venture with overall management responsibility and will be subject to the supervision and direction of the joint venture's board of directors, which will be comprised of three directors appointed by Barrick and two directors appointed by Newmont. Newmont and Barrick will have an equal number of representatives on the technical, finance and exploration committees of the joint venture. Decisions will be determined by majority vote based on each company's respective economic interests in the joint venture. Newmont will play an active role in supporting and overseeing the joint venture, including on the technical, finance and exploration committees and board of directors of the joint venture. Newmont and Barrick will designate leaders and technical experts from both companies to a joint venture planning and implementation team. Establishment of the joint venture is expected to be completed in the coming months.

In connection with entering into the Barrick Nevada agreement, Newmont entered into a mutual two-year standstill agreement with Barrick. Accordingly, Barrick withdrew its previously announced acquisition proposal for an all-stock acquisition of Newmont and the notice of intent. Notwithstanding anything in the arrangement agreement to the contrary (including, without limitation, Sections 5.2(c) and 5.9(a) thereof), among other things, Goldcorp expressly consented to Newmont's entry into the Barrick Nevada agreement and definitive agreements to implement the transactions contemplated thereby, and Newmont agreed to keep Goldcorp informed of material developments and, in certain cases, agreed to seek Goldcorp's consent prior to making certain communications regarding the transactions contemplated thereby.

NEWMONT'S REASONS FOR THE ARRANGEMENT

At its meeting on January 13, 2019, the Newmont board of directors unanimously resolved, among other things, (1) that the transactions contemplated by the arrangement agreement and the plan of arrangement are advisable and fair to, and in the best interests of Newmont and its stockholders, (2) to approve and adopt the arrangement agreement, the plan of arrangement and the support and voting agreements and the transactions contemplated thereby, and (3) to recommend to Newmont stockholders the approval of the amendment proposal and the share issuance proposal. The Newmont board of directors unanimously recommends that the Newmont stockholders vote "**FOR**" each of the amendment proposal and the share issuance proposal.

In evaluating the arrangement, the Newmont board of directors consulted with and received the advice of Newmont's management and legal and financial advisors. In reaching its decision, the Newmont board of directors evaluated, among other things, the financial effects of the arrangement on Newmont and its stockholders and the impact of the arrangement on Newmont from a strategic and

operational perspective. In doing so, the Newmont board of directors considered a number of factors, including, but not limited to, the following factors, which the Newmont board of directors viewed as supporting its decision to approve and enter into the arrangement agreement and recommend that the Newmont stockholders vote "FOR" each of the increase in authorized shares resolution and the share issuance resolution.

Creation of the world's leading gold company. The arrangement will combine two gold industry leaders to create an unmatched portfolio of operations, projects, exploration opportunities, reserves and people in the gold mining sector. Based on current information, Newmont Goldcorp would be, at closing, the largest gold company globally as measured by market capitalization, enterprise value, gold production and mineral reserves and mineral resources. Newmont Goldcorp will also be the only gold company included in the S&P 500.

Sustainable gold production. Newmont Goldcorp will manage production from 18 operating assets and a robust pipeline of development projects across various jurisdictions. Newmont Goldcorp's proven and probable mineral reserves will support an optimized portfolio able to generate sustainable and profitable production of six to seven million gold ounces annually. This will be further supported by a robust project development pipeline that will be prioritized based on the returns and risks of each project.

Opportunity to participate in growth prospects of the combined company. The arrangement will allow Newmont stockholders to participate in the benefits of the combined company, including the largest pipeline of feasibility and development stage gold assets and exploration potential in highly prospective gold districts across four continents.

Diverse asset portfolio in favorable geographies. Newmont Goldcorp's mineral reserves and mineral resources are located in favorable mining jurisdictions, including the United States, Australia, Canada and Ghana, which will represent approximately 21%, 18%, 15% and 10% of the mineral reserves, respectively.

Solid balance sheet and financial profile. Newmont Goldcorp's enhanced financial strength and robust free cash flow generation is expected to be able to sustain an investment-grade balance sheet and, subject to board approval, an annual dividend of \$0.56 per share, the highest aggregate annual dividend among senior gold producers, and allow Newmont Goldcorp the financial flexibility to invest in the highest return projects through continued disciplined capital allocation in the future.

Accretive transaction. The arrangement will be accretive to Newmont's net asset value per share by 27 percent, and 2020 cash flow per share by 34 percent.

Corporate cultures. Newmont management believes, based on interactions over many years, that Newmont and Goldcorp have similar corporate cultures and values.

Proven leadership team. Following the arrangement, management of Newmont Goldcorp will feature proven and experienced mining and business leaders at both the board and executive management team levels, along with diverse, high-performing teams at Newmont Goldcorp's regional and operating sites with a proven track record of maximizing value by delivering long-life and low-cost profitable gold mining operations.

Synergies and full potential continuous improvement program. The arrangement is expected to begin delivering a combined \$365 million in expected annual pre-tax synergies, supply chain efficiencies and full potential improvements representing the opportunity to create \$4.4 billion in net present value (pre-tax).

Financial analyses and opinions. BMOCM, Citi and Goldman Sachs presented their respective financial analyses to the Newmont board of directors and also delivered their respective oral opinions, which were subsequently confirmed in writing,

that as of the dates of, and subject to various assumptions made, procedures followed, matters considered and limitations and qualifications as described in such written opinions, the consideration to be paid by Newmont

Table of Contents

for each of the Goldcorp common shares pursuant to the arrangement was fair, from a financial point of view, to Newmont. For a more detailed description of the opinions of Newmont's financial advisors, see the section entitled "*The Arrangement Opinions of Newmont's Financial Advisors to the Newmont Board of Directors*" beginning on page 78 of this proxy statement.

Support of boards and management teams. The boards of directors of both companies have unanimously recommended support for the arrangement. Additionally, all of the directors and members of executive leadership team of each of Newmont and Goldcorp have entered into support and voting agreements pursuant to which they have agreed, among other things, to vote in favor of, in the case of Newmont, the increase in authorized shares resolution and the share issuance resolution, and in the case of Goldcorp, the arrangement. In the case of Newmont, these support and voting agreements relate to shares comprising approximately 0.22% of Newmont's issued and outstanding shares of common stock as of the record date of the Newmont special meeting and in the case of Goldcorp, these support agreements relate to shares comprising approximately 0.57% of Goldcorp's issued and outstanding common shares as of the record date of the Goldcorp meeting.

Arm's length transaction. The arrangement agreement is the result of arm's length negotiations and includes terms and conditions that are reasonable in the judgment of the Newmont board of directors.

Likelihood of completion. The likelihood that the conditions to completion of the arrangement will be satisfied prior to the outside date of July 31, 2019 (as it may be extended in accordance with the arrangement agreement).

Exchange ratio and stock consideration. The arrangement agreement provides for a fixed exchange ratio, which will not fluctuate as a result of possible changes in the market prices of common stock of Newmont or Goldcorp common shares following the announcement of the arrangement, providing reasonable certainty as to the respective pro forma percentage ownership of Newmont by the current Newmont stockholders and Goldcorp shareholders. In addition, the substantially all-stock transaction preserves Newmont's cash resources for operational and investment purposes.

Business climate and review of alternatives. After reviewing the current and prospective business climate in the precious metals mining industry, including the potential for further consolidation or acquisitions, and the benefits and risks of other strategic opportunities reasonably available to Newmont including the Barrick proposal, the Newmont board of directors believes that the arrangement represents Newmont's best prospect for maximizing stockholder value in the medium to long term.

Conduct of Newmont's business. The Newmont board of directors believes that the restrictions imposed on Newmont's business and operations during the pendency of the arrangement are reasonable and not unduly burdensome.

Certain terms of the arrangement agreement. The Newmont board of directors considered certain terms of the arrangement agreement including:

that the arrangement agreement imposes restrictions on Goldcorp's ability to solicit or engage in discussions or negotiations regarding certain alternative acquisition proposals for Goldcorp, which are described in the section entitled "*The Arrangement Agreement and the Plan of Arrangement No Solicitation of Alternative Transactions and Changes of Recommendation*" beginning on page 131 of this proxy statement;

that there are limited circumstances in which the Goldcorp board of directors may terminate the arrangement agreement or change its recommendation that Goldcorp shareholders approve the arrangement;

that notwithstanding the limitations contained in the arrangement agreement on Newmont's ability to solicit interest from third parties and terminate the arrangement agreement, the

Table of Contents

arrangement agreement allows Newmont to engage in discussions or negotiations regarding any unsolicited competing proposal for Newmont received prior to the meeting that constitutes or would reasonably be expected to result in a Newmont superior proposal;

Newmont's right to receive a break fee of \$350 million in the event that the arrangement agreement is terminated in certain circumstances; and

that the increase in authorized shares resolution must be approved by the affirmative vote of at least a simple majority of the outstanding shares of Newmont's common stock, and that the share issuance resolution must be approved by a simple majority of the votes cast by Newmont stockholders who vote at the stockholder meeting.

Other factors. The Newmont board of directors also carefully considered the arrangement with reference to current economics, industry and market trends affecting each of Newmont and Goldcorp in the gold market, information concerning mineral reserves and mineral resources, business, operations, properties, assets, financial condition, operating results and prospects of each of Newmont and Goldcorp and the historical trading prices of the Newmont common stock and the Goldcorp common shares, taking into account the results of Newmont's due diligence review of Goldcorp and its properties.

The Newmont board of directors also considered a variety of risks and other potentially negative factors relating to the arrangement including the following material factors:

the fact that the arrangement agreement provides for a fixed exchange ratio and that no adjustment will be made in the consideration to be received by Goldcorp shareholders under the arrangement as a result of a possible increase in the trading price of Newmont's common stock following the announcement of the arrangement;

the potential impact on the market price of Newmont common stock and dilution of the voting interests of Newmont stockholders as a result of the issuance of the share consideration to Goldcorp shareholders;

the risks relating to the announcement and pendency of the arrangement and risks and costs to Newmont if the completion of the arrangement is not timely, or does not occur at all, which may be for reasons beyond the control of Newmont and/or Goldcorp, including the potential impact on the relationships between Newmont and its employees, service providers, suppliers and other third parties, as well as the potential impact on the trading prices of Newmont common stock;

the provisions of the arrangement agreement that restrict Newmont's ability to solicit possibly superior transactions and the required payment by Newmont of a \$650 million termination fee in the event of the termination of the arrangement agreement under specified circumstances described under "*The Arrangement Agreement and the Plan of Arrangement Termination of the Arrangement Agreement*" beginning on page 137 of this proxy statement;

the requirement that Newmont provide Goldcorp with an opportunity to propose revisions to the arrangement agreement prior to the Newmont board of directors being able to change its recommendation to vote in favor of the increase in authorized shares resolution and the share issuance resolution;

the requirement that, even if the Newmont board of directors has changed its recommendation with respect to the increase in authorized shares resolution or the share issuance resolution, Newmont must hold the special meeting and bring such resolutions for a vote at the special meeting;

the provisions of the arrangement agreement impose certain restrictions on the operations of Newmont until completion of the arrangement;

the fact that the arrangement agreement provides for the ability of the Goldcorp board of directors to, under certain circumstances, in a manner adverse to Newmont, withhold, withdraw,

Table of Contents

amend, modify or qualify its recommendation that Goldcorp shareholders approve the arrangement agreement;

the fact that substantial costs will be incurred by both Newmont and Goldcorp in connection with the arrangement, including financial advisory fees and legal and other advisor fees, as well as the costs of integrating the businesses of Newmont and Goldcorp;

the risk that management focus, employee attention and resources for other strategic opportunities, as well as employee attention to operational matters, could be diverted for an extended period of time while the parties work to complete the arrangement and integration process;

the challenges inherent in the combination of two business enterprises of this size and complexity, including the attendant risks that the anticipated production and operational synergies and other benefits sought to be obtained from the arrangement might not be achieved in the time frame contemplated or at all; and

the challenges and costs of combining regulatory and administrative operations of a U.S. company and a Canadian company, which could adversely affect the combined company's operating results and hinder the achievement of the anticipated benefits of the arrangement.

The information and factors described above and considered by the Newmont board of directors in reaching its determinations and recommendations are not intended to be exhaustive, but include material factors considered by the Newmont board of directors. In view of the wide variety of factors considered in connection with the evaluation of the arrangement and the complexity of these matters, the Newmont board of directors did not find it useful to, and did not attempt to, quantify, rank or otherwise assign relative weights to these factors. In addition, individual members of the Newmont board of directors may have given different weight to different factors.

RECOMMENDATIONS OF THE NEWMONT BOARD OF DIRECTORS

After careful consideration, the Newmont board of directors has determined that it is advisable and in the best interests of Newmont and its stockholders to consummate the arrangement as contemplated by the arrangement agreement. Accordingly, the Newmont board of directors unanimously recommends that Newmont stockholders vote:

"**FOR**" approval of the amendment proposal;

"**FOR**" approval of the share issuance proposal; and

"**FOR**" approval of one or more adjournments of the special meeting, if necessary or appropriate, including adjournments to permit further solicitation of proxies if there are insufficient votes at the time of the special meeting to approve the amendment proposal or the share issuance proposal.

OPINIONS OF NEWMONT'S FINANCIAL ADVISORS TO THE NEWMONT BOARD OF DIRECTORS

Opinion of BMO Capital Markets Corp. to the Newmont Board of Directors

Newmont has engaged BMOCM to act as a financial advisor in connection with the proposed arrangement. In connection with BMOCM's engagement, the Newmont board of directors requested that BMOCM evaluate the fairness, from a financial point of view, to Newmont of the consideration to be paid by Newmont pursuant to the terms and conditions of the arrangement agreement entered into by Newmont and Goldcorp on January 14, 2019 (which is referred to in this section as the "arrangement agreement"). On January 13, 2019, at a meeting of the Newmont board of directors held to evaluate the proposed arrangement, BMOCM rendered an oral opinion, confirmed by delivery of a written opinion dated January 13, 2019, to the Newmont board of directors to the effect that, as of that date and based on and subject to various assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken described in BMOCM's

opinion, the

consideration to be paid by Newmont pursuant to the terms and conditions of the arrangement agreement was fair, from a financial point of view, to Newmont.

The full text of BMOCM's written opinion, dated January 13, 2019, which describes the assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken, is attached as Annex E to this proxy statement and is incorporated into this proxy statement by reference. The description of BMOCM's opinion set forth below is qualified in its entirety by reference to the full text of BMOCM's opinion. **BMOCM's opinion was prepared at the request and for the benefit and use of the Newmont board of directors (in its capacity as such) in connection with its evaluation of the consideration to be paid by Newmont from a financial point of view and did not address any other terms, aspects or implications of the arrangement. BMOCM expressed no opinion as to the relative merits of the arrangement or any other transactions or business strategies discussed by the Newmont board of directors as alternatives to the arrangement or the decision of the Newmont board of directors to proceed with the arrangement, nor did BMOCM express any opinion on the structure, terms (other than the consideration to the extent specified in its opinion) or effect of any other aspect of the arrangement, including, without limitation, any Pre-Acquisition Reorganization (as defined in the arrangement agreement), any terms, aspects or implications of any voting agreement or any other agreement, arrangement or understanding to be entered into in connection with or contemplated by the arrangement or the other transactions contemplated by the arrangement agreement. BMOCM's opinion does not constitute a recommendation as to any action the Newmont board of directors should take in connection with the arrangement or the other transactions contemplated by the arrangement agreement or any aspect thereof and is not a recommendation to any director of Newmont on how such person should vote or act with respect to the arrangement or related transactions and proposals. BMOCM's opinion also does not constitute a recommendation to any security holder as to how such holder should vote or act with respect to the arrangement or related transactions or proposals.**

For purposes of its opinion, BMOCM reviewed a draft of the arrangement agreement dated as of January 9, 2019 and assumed, with Newmont's consent, that the final form of the arrangement agreement would not differ in any material respects from the draft provided to BMOCM. BMOCM assumed, with Newmont's consent, that all of the conditions to the arrangement would be satisfied, that the arrangement would be consummated on the terms reflected in the arrangement agreement and in compliance with all applicable laws, documents and other requirements, without waiver, modification or amendment of any material term, condition or agreement, and that there would not be any delays, limitations, restrictions, conditions or other actions, including any divestitures, amendments or modifications, in the course of obtaining the necessary judicial, governmental, regulatory and third party approvals, consents, releases, waivers and agreements for the arrangement or otherwise that would be meaningful in any respect to BMOCM's analyses or opinion. In addition, BMOCM assumed, with Newmont's consent, that the Pre-Acquisition Reorganizations and any related modifications to the arrangement would not have any effect that would be in any way meaningful to BMOCM's analysis.

In arriving at its opinion, BMOCM reviewed, among other things:

an estimate of the intrinsic value for certain unmodelled material present within each of Newmont and Goldcorp not otherwise accounted for in the Newmont forecast or the adjusted Goldcorp forecast, as prepared by the management of Newmont and approved for BMOCM's use by Newmont (which are referred to in this section as the "unmodelled material");

In addition, BMOCM had discussions with the senior management of Newmont and Goldcorp concerning their view of their respective and combined company's business, operations, assets, financial condition and prospects and undertook such other studies, analyses and

investigations as BMOCM deemed appropriate.

In rendering its opinion, BMOCM assumed and relied on the accuracy and completeness of all information supplied or otherwise made available to BMOCM by Newmont or its representatives or advisors, Goldcorp or its representatives or advisors, or obtained by BMOCM from other sources. BMOCM did not independently verify (nor assumed any obligation to verify) any such information, undertake an independent valuation or appraisal of the assets or liabilities (contingent, derivative, off-balance sheet or otherwise) of Newmont or Goldcorp and BMOCM was not furnished with any

such valuation or appraisal. BMOCM did not evaluate the solvency or fair value of Newmont or Goldcorp under any state, provincial or federal laws relating to bankruptcy, insolvency or similar matters. With respect to the Newmont forecast, the adjusted Goldcorp forecast and the unmodelled material that BMOCM was directed to utilize in its analyses, BMOCM reviewed and discussed such forecasts and estimates with the management of Newmont and such management advised BMOCM, and BMOCM assumed, with Newmont's consent and without independent investigation, that such forecasts and estimates were reasonably prepared and reflected the best available estimates and good faith judgment of the management of Newmont of the future financial performance and condition of Newmont and Goldcorp, as applicable, and the other matters covered thereby. With respect to the Goldcorp forecast, BMOCM was advised by Goldcorp, and BMOCM assumed, without independent investigation, that such forecasts were reasonably prepared and reflected the best available estimates and good faith judgment of the management of Goldcorp of the future financial performance and condition of Goldcorp. Furthermore, upon the advice of the management of Newmont, BMOCM assumed, with Newmont's consent, that the synergies reviewed by BMOCM were reasonably prepared and reflected the best available estimates and good faith judgment of the management of Newmont and that such synergies would be achieved in the amounts and at the time periods indicated thereby. BMOCM expressed no opinion with respect to such forecasts or the synergies, including the assumptions on which they are based. BMOCM relied upon and assumed, with Newmont's consent and without independent verification, that there was no change in the business, assets, liabilities, financial condition, results of operations, cash flows or prospects of either Newmont or Goldcorp since the respective dates of the most recent financial statements and other information, financial or otherwise, that would be material to its analyses or its opinion, and that there was no information or any facts that would make any of the information reviewed by BMOCM incomplete or misleading. Furthermore, BMOCM did not assume any obligation to conduct, and has not conducted, any physical inspection of the properties, facilities or sites of Newmont or Goldcorp.

BMOCM's opinion was necessarily based upon financial, economic, market and other conditions and circumstances as they existed, were disclosed to BMOCM and could be evaluated, and the information made available to BMOCM, as of the date of its opinion. BMOCM disclaimed any undertakings or obligations to advise any person of any change in any fact or matter affecting its opinion which may come or be brought to BMOCM's attention after the date of its opinion or to otherwise update, revise or reaffirm its opinion. BMOCM did not express any opinion as to what the value of shares of Newmont common stock actually would be when issued pursuant to the arrangement or the price or range of prices at which shares of Newmont common stock, Goldcorp common shares or any other securities may be purchased or sold, or otherwise be transferable at any time, including following the announcement or consummation of the arrangement.

BMOCM's opinion related to the fairness, from a financial point of view, to Newmont of the consideration to be paid by Newmont pursuant to the terms and conditions of the arrangement agreement. BMOCM did not express any opinion as to the relative merits of the arrangement and any other transactions or business strategies discussed by the Newmont board of directors as alternatives to the arrangement or the decision of the Newmont board of directors to proceed with the arrangement, nor did BMOCM express any opinion on the structure, terms (other than the consideration to the extent specified in its opinion) or effect of any other aspect of the arrangement, including, without limitation, any Pre-Acquisition Reorganization, any terms, aspects or implications of any voting agreement or any other agreement, arrangement or understanding to be entered into in connection with or contemplated by the arrangement or the other transactions contemplated by the arrangement agreement. In addition, BMOCM did not express any opinion as to the fairness, financial or otherwise, of the amount or nature of any compensation payable to or to be received by any officers, directors or employees of any parties to the arrangement, or any class of such persons relative to the consideration or otherwise. BMOCM is not an expert in, and its opinion did not address, any of the legal, regulatory, tax, accounting or similar aspects of the arrangement, including, without limitation, whether or not the arrangement, any Pre-Acquisition Reorganization or the other transactions contemplated by the

arrangement agreement constitute a change of control under any contract or agreement to which Newmont, Goldcorp or any of their respective affiliates is a party. BMOCM relied, with Newmont's consent, solely on Newmont's legal, regulatory, tax, accounting and other advisors for such matters. BMOCM's opinion was approved by a fairness opinion committee of BMOCM.

In preparing its opinion, BMOCM performed a variety of financial and comparative analyses, including those described below. The summary of the analyses below is not a complete description of BMOCM's opinion or the analyses underlying, and factors considered in connection with, BMOCM's opinion. The preparation of a financial opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a financial opinion is not readily susceptible to summary description. BMOCM arrived at its ultimate opinion based on the results of all analyses and factors assessed as a whole, and it did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis. Accordingly, BMOCM believes that the analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying such analyses and its opinion.

In its analyses, BMOCM considered industry performance, general business, economic, market and financial conditions and other matters existing as of the date of its opinion, many of which are beyond the control of Newmont and Goldcorp. No company or business reviewed is identical or directly comparable to Newmont or Goldcorp and an evaluation of these analyses is not entirely mathematical; rather, the analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or other values of the companies or business segments reviewed or the results from any particular analysis.

The estimates contained in BMOCM's analyses and the ranges resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by such analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold or acquired. Accordingly, the estimates used in, and the results derived from, BMOCM's analyses are inherently subject to substantial uncertainty.

BMOCM was not requested to, and it did not, recommend or determine the specific consideration payable in the arrangement. The type and amount of consideration payable in the arrangement were determined through negotiations between Newmont and Goldcorp and the decision to enter into the arrangement agreement was solely that of the Newmont board of directors. BMOCM's opinion was only one of many factors considered by the Newmont board of directors in its evaluation of the arrangement and should not be viewed as determinative of the views of the Newmont board of directors or management of Newmont with respect to the arrangement or consideration.

Material Financial Analyses

The following is a summary of the material financial analyses presented to the Newmont board of directors in connection with BMOCM's opinion, dated January 13, 2019. The summary set forth below does not purport to be a complete description of the financial analyses performed by, and underlying the opinion of, BMOCM, nor does the order of the financial analyses described represent the relative importance or weight given to those financial analyses by BMOCM. Certain financial analyses summarized below include information presented in tabular format. In order to fully understand the financial analyses, the tables must be read together with the text of each summary as the tables alone do not constitute a complete description of the financial analyses. Considering the data in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the financial analyses, could create a misleading or incomplete view of such financial analyses. BMOCM assumes no responsibility if future results are different from those described, whether or not any such difference is material.

Table of Contents

For purposes of the financial analyses described below, (i) the term "implied consideration" refers, in this section, to an implied consideration of \$11.46 per outstanding Goldcorp common share based on the consideration of 0.328 of a share of Newmont common stock (utilizing, for determining the implied value of the stock portion of the consideration, the closing price per share of Newmont common stock on January 11, 2019 of \$34.88) and \$0.02 in cash; and (ii) approximate implied per share equity value reference ranges derived for each of Newmont and Goldcorp were based on fully diluted shares outstanding (assuming among other things, the conversion of outstanding in-the-money stock options and equity awards as provided by the management of Newmont). Financial data for Newmont and Goldcorp utilized in the financial analyses described below were based on, among other things, the Newmont forecast and the adjusted Goldcorp forecast.

Approximate implied per share equity value reference ranges derived from the financial analyses described below were rounded to the nearest \$0.25, other than such ranges derived from historical stock trading histories and equity research analysts' stock price targets.

Goldcorp Financial Analyses

Goldcorp Net Asset Value Per Share Analysis

BMOCM performed a net asset value analysis for Goldcorp by calculating the estimated present value of the future unlevered, after-tax free cash flows that Goldcorp was projected to generate from operating its assets, including its existing reserves and estimates of recoverable resources, during the calendar year ending December 31, 2019 through the calendar year ending December 31, 2086 based on the adjusted Goldcorp forecast.

The estimated present value (as of December 31, 2018) of such future unlevered, after-tax free cash flows was calculated using a discount rate of 5%, which represents the discount rate commonly used by gold mining sector equity research analysts in calculating net asset values. BMOCM then adjusted the present value of such cash flows by (i) adding the intrinsic value for Goldcorp's unmodelled material, as estimated and provided by the management of Newmont; (ii) subtracting the present value of after-tax general and administrative costs for Goldcorp (calculated using a discount rate of 5%), as included in the adjusted Goldcorp forecast; (iii) adding or subtracting, as applicable, Goldcorp's estimated cash and debt as at December 31, 2018, each as provided by the management of Newmont; and (iv) adding the value of Goldcorp's equity investments as provided by the management of Newmont.

The analysis described above indicated an implied per share net asset value for Goldcorp of \$9.76 (the "Goldcorp NAV per share") as compared to \$10.02, the consensus estimate for the implied per share net asset value for Goldcorp based on the median of equity research analysts' estimates.

Opinion of Citigroup Global Markets Inc. to the Newmont Board of Directors

Newmont has engaged Citi to act as its financial advisor in connection with the proposed arrangement. In connection with Citi's engagement, the Newmont board of directors requested that Citi evaluate the fairness, from a financial point of view, of the consideration to be paid by Newmont pursuant to the arrangement agreement entered into by Newmont and Goldcorp on January 14, 2019 (which is referred to in this section as the "arrangement agreement"). On January 13, 2019, Citi delivered a written opinion to the Newmont board of directors to the effect that, as of such date and based on and subject to various assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken, the consideration to be paid by Newmont in the arrangement was fair, from a financial point of view, to Newmont.

The full text of Citi's written opinion, dated January 13, 2019, which describes the assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken, is attached as Annex F to this proxy statement and is incorporated into this proxy statement by reference. The description of Citi's opinion set forth below is qualified in its entirety by reference to the full text of Citi's opinion. **Citi's opinion was provided for the information of the Newmont board of directors (in its capacity as such) in connection with its evaluation of the**

consideration from a financial point of view and did not address any other terms, aspects or implications of the arrangement. Citi expressed no view as to, and its opinion did not address, the underlying business decision of Newmont to effect or enter into the arrangement, the relative merits of the arrangement as compared to any alternative business strategies that might exist for Newmont or the effect of any other transaction in which Newmont might engage. Citi's opinion is not intended to be and does not constitute a recommendation to any stockholder as to how such stockholder should vote or act on any matters relating to the proposed arrangement or otherwise.

In arriving at its opinion, Citi:

reviewed a draft of the arrangement agreement dated January 13, 2019;

held discussions with certain senior officers, directors and other representatives and advisors of Newmont and certain senior officers and other representatives and advisors of Goldcorp concerning the businesses, operations and prospects of Newmont and Goldcorp;

examined certain publicly available business and financial information relating to Newmont and Goldcorp as well as (i) certain financial forecasts and other information and data relating to Newmont which were provided to and discussed with Citi by the management of Newmont (which are referred to in this section as the "Newmont forecasts," and are further described in the section titled "*The Arrangement Summary of Certain Newmont Financial Projections*"), (ii) certain financial forecasts and other information and data relating to Goldcorp which were provided to and discussed with Citi by the management of Goldcorp (which are referred to in this section as the "Goldcorp forecasts"), (iii) certain adjustments to the Goldcorp forecasts which were provided to and discussed with Citi by the management of Newmont (which are referred to in this section as the "adjusted Goldcorp forecasts," and are further described in the section titled "*The Arrangement Summary of Certain Newmont Financial Projections*"), (iv) information relating to the potential strategic implications and financial and operational benefits (including the amount, timing and achievability thereof) anticipated by the management of Newmont to result from the arrangement (which are referred to in this section as the "synergies") and (v) an estimate of the intrinsic value for certain unmodelled material present within each of Newmont and Goldcorp not otherwise accounted for in the Newmont forecasts or the adjusted Goldcorp forecasts, as prepared by the management of Newmont, which were approved for Citi's use by Newmont (which are referred to in this section as the "unmodelled material");

reviewed the financial terms of the arrangement as set forth in the arrangement agreement in relation to, among other things: current and historical market prices and trading volumes of Newmont common stock and Goldcorp common shares; the historical and projected earnings, net asset values and other operating data of Newmont and Goldcorp; and the capitalization and financial condition of Newmont and Goldcorp;

considered, to the extent publicly available, the financial terms of certain other transactions which Citi considered relevant in evaluating the arrangement and analyzed certain financial, stock market and other publicly available information relating to the businesses of other companies whose operations Citi considered relevant in evaluating those of Newmont and Goldcorp;

reviewed the impact of various commodity pricing assumptions on the business, prospects and financial forecasts of Newmont and Goldcorp;

evaluated certain potential pro forma financial effects of the arrangement on Newmont (which are referred to in this section as the "pro-forma effects" and are further described in the section titled "*The Arrangement Summary of Certain Newmont Financial Projections*"); and

conducted such other analyses and examinations and considered such other information and financial, economic and market criteria as Citi deemed appropriate in arriving at its opinion.

In rendering its opinion, Citi assumed and relied, without independent verification, upon the accuracy and completeness of all financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with Citi and upon the assurances of the managements of Newmont and Goldcorp that they were not aware of any relevant information that was omitted or that remained undisclosed to Citi. With respect to the Goldcorp forecasts, Citi was advised by the management of Goldcorp and Citi assumed that such Goldcorp forecasts were reasonably prepared on bases reflecting the best currently available estimates and judgments of the management of Goldcorp as to the future financial performance of Goldcorp. With respect to the Newmont forecasts, the adjusted Goldcorp forecasts, the synergies, the unmodelled material and the pro-forma effects that the management of Newmont directed Citi to utilize in its analyses, Citi was advised by the management of Newmont and Citi assumed, with Newmont's consent, that such forecasts and other information and data were reasonably prepared on bases reflecting the best currently available estimates and judgments of the management of Newmont as to, and are a reasonable basis upon which to evaluate, the future financial performance of Goldcorp and Newmont, the strategic implications and financial and operational benefits (including the amount, timing and achievability thereof) anticipated by the management of Newmont to result from the arrangement and the other matters covered thereby. Citi expressed no opinion as to any financial and other information or data (or underlying assumptions on which any such financial and other information or data are based) provided to or otherwise reviewed by or discussed with Citi and Citi assumed, with Newmont's consent, that the financial results (including the synergies and pro-forma effects) reflected in the Newmont forecasts, the adjusted Goldcorp forecasts and such other information and data would be realized in the amounts and at the times projected.

Citi assumed, with Newmont's consent, that the arrangement would be consummated in accordance with its terms and in compliance with all applicable laws and other requirements, without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary judicial, regulatory or third party approvals, consents, orders, agreements, permissions and releases for the arrangement, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on Goldcorp or Newmont or the contemplated benefits to Newmont of the arrangement. Citi also assumed, with Newmont's consent, that the Pre-Acquisition Reorganizations (as defined in the arrangement agreement) and any related modifications to the arrangement would not have any effect that would be in any way meaningful to its analysis. Representatives of Newmont advised Citi, and Citi further assumed, that the final terms of the arrangement agreement would not vary materially from those set forth in the draft reviewed by Citi. Citi did not make nor was it provided with an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of Newmont or Goldcorp and Citi did not make any physical inspection of the properties or assets of Newmont or Goldcorp.

Citi's opinion did not address the underlying business decision of Newmont to effect or enter into the arrangement, the relative merits of the arrangement as compared to any alternative business strategies that might exist for Newmont or the effect of any other transaction in which Newmont might engage. Citi did not express any view or opinion as to the actual value of Newmont common stock or any other securities when issued, redeemed or acquired in connection with the arrangement or the prices at which Goldcorp common shares, Newmont common stock or any other securities would trade or otherwise be transferable at any time, including following the announcement or consummation of the arrangement. Citi's opinion did not address any terms (other than the consideration to the extent expressly specified therein) or other aspects or implications of the arrangement, including, without limitation, the form or structure of the arrangement or any Pre-Acquisition Reorganization or any terms, aspects or implications of any voting agreement or any other agreement, arrangement or

understanding to be entered into in connection with or contemplated by the arrangement. Citi did not express any view or opinion with respect to accounting, tax, regulatory, legal or similar matters and Citi relied, with Newmont's consent, upon the assessments of representatives of Newmont as to such matters. Citi also did not express a view as to, and Citi's opinion did not address, the fairness (financial or otherwise) of the amount or nature or any other aspect of any compensation or other payments or benefits to any officers, directors or employees of any party to the arrangement, or any class of such persons, relative to the consideration or otherwise. Citi's opinion was necessarily based upon information available to Citi, and financial, stock market and other conditions and circumstances existing and disclosed to Citi, as of the date of its opinion. Although subsequent developments may have affected Citi's opinion, Citi had no obligation to update, revise or reaffirm its opinion. The issuance of Citi's opinion was authorized by Citi's fairness opinion committee.

In preparing its opinion, Citi performed a variety of financial and comparative analyses, including those described below. The summary of the analyses below is not a complete description of Citi's opinion nor the analyses underlying, and factors considered in connection with, Citi's opinion. The preparation of a financial opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a financial opinion is not readily susceptible to summary description. Citi arrived at its ultimate opinion based on the results of all analyses and factors assessed as a whole, and it did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis. Accordingly, Citi believes that the analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying such analyses and its opinion.

In its analyses, Citi considered industry performance, general business, economic, market and financial conditions and other matters existing as of the date of its opinion, many of which are beyond the control of Newmont and Goldcorp. No company, business or transaction reviewed is identical or directly comparable to Newmont or Goldcorp or the arrangement and an evaluation of these analyses is not entirely mathematical; rather, the analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading, acquisition or other values of the companies, business segments or transactions reviewed or the results from any particular analysis.

The estimates contained in Citi's analyses and the ranges resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by such analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold or acquired. Accordingly, the estimates used in, and the results derived from, Citi's analyses are inherently subject to substantial uncertainty.

Citi was not requested to, and it did not, recommend or determine the specific consideration payable in the arrangement. The type and amount of consideration payable in the arrangement were determined through negotiations between Newmont and Goldcorp and the decision to enter into the arrangement agreement was solely that of the Newmont board of directors. Citi's opinion was only one of many factors considered by the Newmont board of directors in its evaluation of the arrangement and should not be viewed as determinative of the views of the Newmont board of directors or Newmont management with respect to the arrangement or the consideration.

Material Financial Analyses

The following is a summary of the material financial analyses prepared and reviewed with the Newmont board of directors in connection with Citi's opinion, dated January 13, 2019. The summary

Table of Contents

set forth below does not purport to be a complete description of the financial analyses performed by, and underlying the opinion of, Citi, nor does the order of the financial analyses described represent the relative importance or weight given to those financial analyses by Citi. Certain financial analyses summarized below include information presented in tabular format. In order to fully understand the financial analyses, the tables must be read together with the text of each summary as the tables alone do not constitute a complete description of the financial analyses. Considering the data in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the financial analyses, could create a misleading or incomplete view of such financial analyses. Citi assumes no responsibility if future results are different from those described, whether or not any such difference is material.

For purposes of the financial analyses described below, (i) the term "P/NAV," in this section, refers to the ratio of price to net asset value of a company as determined by calculating the net present value of future cash flows (adjusted for the current capital structure of the company, including the impact of debt and cash and cash equivalents) available to the equity shareholders of the company, (ii) the term "EBITDA," in this section, refers to earnings before interest, taxes, depreciation and amortization, (iii) the term "implied consideration," in this section, refers to an implied consideration of \$11.46 per outstanding Goldcorp common share based on the consideration of \$0.02 in cash and 0.3280 of a Newmont Share (utilizing, for determining the implied value of the stock portion of the consideration, the closing price per Newmont Share on January 11, 2019 of \$34.88), and (iv) approximate implied per share equity value reference ranges derived for each of Goldcorp, Newmont and the pro forma combined company were based on the number of fully diluted shares outstanding (assuming, among other things, the conversion of outstanding in-the-money equity awards) as set forth in the arrangement agreement. Financial data for Newmont and Goldcorp utilized in the financial analyses described below were based on, among other things, the adjusted Goldcorp forecasts, the Newmont forecasts and the unmodelled material.

Approximate implied per share equity value reference ranges derived for each of Goldcorp and Newmont on a standalone basis may not be reflective of Goldcorp's and Newmont's relative values.

Goldcorp Financial Analyses

Goldcorp NAV Analysis

Citi performed a net asset value analysis of Goldcorp based on the adjusted Goldcorp forecasts, public filings and other publicly available information. An implied aggregate reference range for the net asset value of Goldcorp was derived by calculating the present value (as of December 31, 2018) of the unlevered, after-tax free cash flows that Goldcorp was projected to generate from operating its assets, including its existing reserves and estimates of recoverable resources, during the fiscal year beginning January 1, 2019 through the full fiscal year ending December 31, 2086, based on the adjusted Goldcorp forecasts, using a selected range of real discount rates of 4.2% to 4.9%. In performing its analysis, Citi adjusted the present value of such estimated cash flows to take into account the estimated intrinsic value of Goldcorp's unmodelled material and Goldcorp's estimated net debt, as of December 31, 2018, and equity investment value, as of January 11, 2019, each as provided by the management of Newmont or, with respect to the equity investment value, based on publicly available information that Citi was directed to use by the management of Newmont.

Based on the above-described analysis, Citi derived a range of implied values per Goldcorp common share as of December 31, 2018 of \$9.92 to \$11.02, as compared to the implied consideration of \$11.46.

Goldcorp Selected Public Companies Analysis

Citi reviewed and compared certain financial and stock market information for Goldcorp to corresponding financial information, ratios and public market multiples for the following publicly traded corporations in the gold mining industry (collectively, the "Citi Goldcorp selected companies"):

Agnico Eagle Mines Limited;

AngloGold Ashanti Limited;

Barrick Gold Corporation;

Goldcorp Inc.;

Kirkland Lake Gold Ltd.;

Newcrest Mining Limited; and

Newmont Mining Corporation.

Citi selected the Citi Goldcorp selected companies based on its professional judgment and experience. Although none of the Citi Goldcorp selected companies (with the exception of Goldcorp itself) are directly comparable to Goldcorp, the companies were selected because they are publicly traded companies with operations or businesses that for purposes of analysis may be considered similar to certain operations of Goldcorp.

With respect to each of the Citi Goldcorp selected companies, Citi calculated each such company's P/NAV ratio.

Financial data of the Citi Goldcorp selected companies were based on publicly available research analysts' estimates, public filings and other publicly available information.

The overall low to high P/NAV ratios observed for the Citi Goldcorp selected companies were 1.0x to 1.7x. Citi then applied a selected range of P/NAV ratios of 1.0x to 1.7x, derived from the Citi Goldcorp selected companies and based on Citi's professional judgment and experience, to \$9.76, the per share net asset value implied for Goldcorp using the same methodology described above in Goldcorp NAV Analysis, but using the research analysts' real discount rate of 5% in lieu of the selected range of real discount rates described therein, to obtain an implied per share equity value reference range. This analysis indicated the following implied per share equity value reference range for Goldcorp, as compared to the implied consideration:

Implied Per Share Equity Value Reference Range Based On P/NAV Ratio:	Implied Consideration
\$9.76 - \$16.59	\$ 11.46

Goldcorp Selected Transactions Analysis

Using public filings and publicly available information, Citi reviewed financial data for the four selected transactions set forth in the table below (collectively, the "Citi Goldcorp selected transactions"). The Citi Goldcorp selected transactions were selected because they involved companies within the gold mining industry which, based on Citi's experience with mergers and acquisitions, had certain financial, operational or business characteristics that, in Citi's view, made them sufficiently comparable to Goldcorp, Newmont and the arrangement or otherwise relevant for purposes of the comparison.

For each of the Citi Goldcorp selected transactions, Citi reviewed the P/NAV ratio based on the aggregate consideration paid to the shareholders in each transaction and research analysts' estimates for the net asset value at the time of the announcement of each such transaction.

Table of Contents

Financial data of the Citi Goldcorp selected transactions were based on publicly available research analysts' estimates, public filings and other publicly available information. The Citi Goldcorp selected transactions reviewed were as follows:

February 9, 2015	Tahoe Resources Inc.	Rio Alto Mining Limited
April 16, 2014	Agnico Eagle Mines Limited / Yamana Gold Inc.	Osisko Mining Corporation

Newmont Financial Analysis*Newmont NAV Analysis*

Citi performed a net asset value analysis of Newmont based on the Newmont forecasts, public filings and other publicly available information. An implied aggregate reference range for the net asset value of Newmont was derived by calculating the present value (as of December 31, 2018) of the unlevered, after-tax free cash flows that Newmont was projected to generate from operating its assets, including its existing reserves and estimates of recoverable resources, during the fiscal year beginning January 1, 2019 through the full fiscal year ending December 31, 2055 (and including one cash reclamation payment in 2056), based on the Newmont forecasts, using a selected range of real discount rates of 4.6% to 5.3%. In performing its analysis, Citi adjusted the present value of such estimated cash flows to take into account the estimated intrinsic value of Newmont's unmodelled material and Newmont's estimated net debt, as of December 31, 2018, and equity investment value, as of January 11, 2019, each as provided by the management of Newmont or, with respect to the equity investment value, based on publicly available information that Citi was directed to use by the management of Newmont.

Illustrative Present Value of Future Share Price Analysis***Illustrative Present Value of Future Share Price Analysis Newmont Standalone***

Goldman Sachs performed an illustrative analysis of the implied present value of an illustrative future value per Newmont Share on a stand-alone basis, which is designed to provide an indication of the present value of a theoretical future value of a company's equity as a function of such company's financial multiples. For this analysis, Goldman Sachs used the forecasts for each of the fiscal years 2020 to 2023. Goldman Sachs first calculated the implied values per Newmont Share as of December 31 for each of the fiscal years 2019 to 2022 by applying price to one-year forward cash flow per share multiples of 8.0x to 10.0x to cash flow per Newmont Share estimates for each of the fiscal years 2020 to 2023. This illustrative range of multiple estimates was derived by Goldman Sachs utilizing its professional judgment and experience, taking into account current and historical trading data and the current cash flow per share multiples for Newmont and the primary selected companies. Goldman Sachs then discounted the implied values per share back to December 31, 2018 using an illustrative discount rate of 4.5%, reflecting an estimate of Newmont's cost of equity. Goldman Sachs derived such discount rate by application of the Capital Asset Pricing Model, which requires certain company-specific inputs, including a beta for the company, as well as certain financial metrics for the United States financial markets generally. This analysis resulted in a range of implied present values of \$23.52 to \$35.29 per Newmont Share.

Goldman Sachs derived such discount rate by application of the Capital Asset Pricing Model, which requires certain combined company-specific inputs, including a beta for the combined company, as well as certain financial metrics for the United States financial markets generally. Premia Analysis

Goldman Sachs reviewed and analyzed, using publicly available information, the acquisition premia for all-stock acquisition transactions announced during the time period from January 1, 2013 through December 31, 2018 involving public company targets based in North America, where the target ownership in the pro forma entity was less than 40%. For each year of the period, using publicly available information, Goldman Sachs calculated the average premia of the price paid in the transactions relative to the target's closing stock price one day prior to announcement of the transaction. This analysis indicated a range of average premia from 18.3% to 45.7% across each year of

Table of Contents

the period. Using this analysis, Goldman Sachs applied a reference range of illustrative premia of 18.3% to 45.7% to the closing price per Goldcorp common share of \$9.69, as of January 11, 2019, and calculated a range of implied equity values per Goldcorp common share of \$11.46 to \$14.12.

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Selecting portions of the analyses or of the summary set forth above, without considering the analyses as a whole, could create an incomplete view of the processes underlying Goldman Sachs' opinion. In arriving at its fairness determination, Goldman Sachs considered the results of all of its analyses and did not attribute any particular weight to any factor or analysis considered by it. Rather, Goldman Sachs made its determination as to fairness on the basis of its experience and professional judgment after considering the results of all of its analyses. No company or transaction used in the above analyses as a comparison is directly comparable to Newmont or Goldcorp or the contemplated arrangement.

Goldman Sachs prepared these analyses for purposes of Goldman Sachs' providing its opinion to the Newmont board of directors as to the fairness from a financial point of view to Newmont of the consideration to be paid by Newmont for each of the Goldcorp common shares pursuant to the arrangement agreement. These analyses do not purport to be appraisals nor do they necessarily reflect the prices at which businesses or securities actually may be sold. Analyses based upon forecasts of future results are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by these analyses. Because these analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties or their respective advisors, none of Newmont, Goldcorp, Goldman Sachs or any other person assumes responsibility if future results are materially different from those forecast.

The consideration was determined through arm's-length negotiations between Newmont and Goldcorp and was approved by the Newmont board of directors. Goldman Sachs provided advice to Newmont during these negotiations. Goldman Sachs did not, however, recommend any specific amount of consideration to Newmont or the Newmont board of directors or that any specific amount of consideration constituted the only appropriate consideration for the arrangement.

As described above, Goldman Sachs' opinion to the Newmont board of directors was one of many factors taken into consideration by the Newmont board of directors in making its determination to approve the arrangement agreement. The foregoing summary does not purport to be a complete description of the analyses performed by Goldman Sachs in connection with the fairness opinion and is qualified in its entirety by reference to the written opinion of Goldman Sachs attached as Annex G.

Goldman Sachs and its affiliates are engaged in advisory, underwriting and financing, principal investing, sales and trading, research, investment management and other financial and non-financial activities and services for various persons and entities. Goldman Sachs and its affiliates and employees, and funds or other entities in which they manage or in which they invest or have other economic interests or with which they co-invest, may at any time purchase, sell, hold or vote long or short positions and investments in securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments of Newmont, Goldcorp, any of their respective affiliates and third parties, or any currency or commodity that may be involved in the arrangement. Goldman Sachs acted as financial advisor to Newmont in connection with, and participated in certain of the negotiations leading to, the arrangement. Goldman Sachs has provided certain financial advisory and/or underwriting services to Newmont and its affiliates from time to time. During the two year period ended January 14, 2019, the Investment Banking Division of Goldman Sachs has not been engaged by Newmont, Goldcorp or any of their respective affiliates to provide financial advisory or underwriting services for which Goldman Sachs has recognized compensation. Goldman Sachs may also in the future provide financial advisory and/or underwriting services to Newmont, Goldcorp and their respective affiliates for which its Investment Banking Division may receive compensation.

Table of Contents

The Newmont board of directors selected Goldman Sachs as its financial advisor because of its qualifications, experience, reputation and deep familiarity with Newmont and Goldcorp and their respective businesses and the mining industry. Pursuant to a letter agreement dated January 12, 2019, Newmont engaged Goldman Sachs to act as its financial advisor in connection with the arrangement. The engagement letter between Newmont and Goldman Sachs provides for a transaction fee of \$17 million, \$4 million of which became payable at announcement of the arrangement, and the remainder of which is contingent upon consummation of the arrangement. In addition, Newmont has agreed to reimburse Goldman Sachs for certain of its expenses, including attorneys' fees and disbursements, and to indemnify Goldman Sachs and related persons against various liabilities, including certain liabilities under the federal securities laws.

SUMMARY OF CERTAIN NEWMONT FINANCIAL PROJECTIONS

In connection with Newmont's consideration and evaluation of the arrangement, Newmont management prepared and provided to the Newmont board of directors, prior to finalizing the arrangement agreement, certain financial and other projections with respect to each of Newmont (the "Newmont projections"), Goldcorp (based on Goldcorp's forecast as adjusted by Newmont management, the "adjusted Goldcorp projections") and the combined company following the completion of the arrangement (the "combined pro forma projections" and, together with the Newmont projections and the adjusted Goldcorp projections, the "projections"). The projections also were provided to Citi, BMOCM and Goldman Sachs, and they were instructed by Newmont for their use and reliance with Newmont's consent in connection with their separate financial analyses and opinions as described in the section entitled "*The Arrangement Opinions of Newmont's Financial Advisors to the Newmont Board of Directors*" beginning on page 78 of this proxy statement.

Newmont did not prepare the projections with a view toward public disclosure or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. Neither Newmont's independent registered public accounting firm, nor any other independent accountants, have compiled, examined or performed any procedures with respect to the projections, nor has any of them expressed any opinion or any other form of assurance on the projections or the achievability of the results reflected in the projections, and none of them assumes any responsibility for, and each of them disclaims any association with, the projections. Consequently, the inclusion of the projections should not be regarded as an indication that the Newmont board of directors, Newmont management, Newmont, Newmont's financial advisors or any recipient of this information considered, or now considers, it to be an assurance of the achievement of future results.

The projections were prepared based on certain financial and other information regarding Newmont and Goldcorp available to Newmont management prior to finalizing the arrangement agreement on January 14, 2019. In developing the projections, Newmont management applied a number of hypothetical assumptions in respect of a number of future matters that impact the projections. The projections were calculated assuming a constant foreign exchange rate of 0.80 Canadian Dollar / 1.00 US Dollar and 19.00 Mexican Pesos / 1.00 US Dollar. The projections for 2019 and 2020 were calculated using an assumed \$1,250/ounce gold price, \$16.00/ounce silver price, \$2.75/pound copper price, \$0.95/pound lead price, \$1.10/pound zinc price and \$10.00/pound molybdenum price. The projections for 2021, 2022 and 2023 were calculated using an assumed \$1,300/ounce gold price, \$18.00/ounce silver price, \$3.00/ounce copper price, \$1.00/pound lead price, \$1.15/pound zinc price and \$10.00/pound molybdenum price. The projections, and the assumptions, opinions and judgments applied in developing the projections, were based on Newmont management's then best estimates and were not the subject of independent verification. As such, there can be no assurance that such assumptions, speculation, opinions or judgments are correct, nor that the projections will be achieved. The projections do not reflect subsequent estimates, including estimates

Table of Contents

related to annual pre-tax synergies, supply chain efficiencies and full potential improvements, following entry into the arrangement agreement. Based on this, the projections may not be an accurate representation of equivalent measures as at the date of this proxy statement. Newmont can give no assurance that, had the projections been prepared either as of the date of the arrangement agreement or as of the date of this proxy statement, similar assumptions, estimates, opinions and judgments would be used.

The projections should be read in conjunction with the considerations described below under " *Important Information About the Projections.*"

The following table presents a summary of the Newmont projections.

Fiscal Year Ended December 31,	Newmont Projections Attributable(1)				
	(\$ in billions)				
	2019	2020	2021	2022	2023

Unlevered Free Cash Flow(3)	\$ 1.1	\$ 0.6	\$ 1.0	\$ 0.7	\$ 0.9

- (1) Excludes the impact of planned asset divestitures contemplated by the Newmont projections.
- (2) EBITDA means earnings before interest, taxes and depreciation and amortization.
- (3) Unlevered Free Cash Flow is *net cash provided by (used in) operating activities less net cost provided by (used in) operating activities of discontinued operations less additions to property, plant and mine development and reclamation expenditures*. Unlevered Free Cash Flow does not represent residual cash flows available for discretionary expenditures due to the fact that the measure does not deduct the payments required for debt service and other contractual obligations or payments made for business acquisitions.

The following table presents a summary of the adjusted Goldcorp projections (based on Goldcorp's forecast as adjusted by Newmont management).

Fiscal Year Ended December 31,	Adjusted Goldcorp Projections				
	Attributable(1) (\$ in billions)				
	2019	2020	2021	2022	2023

Total Capital Expenditures(3)	\$ 1.0	\$ 0.9	\$ 0.8	\$ 1.0	\$ 1.2
Unlevered Free Cash Flow(4)	\$ 0.0	\$ 0.1	\$ 0.7	\$ 0.8	\$ 0.5

- (1) Excludes the impact of planned asset divestitures contemplated by the Goldcorp projections.
- (2) EBITDA means earnings before interest, taxes and depreciation and amortization.
- (3) Includes exploration capital.
- (4) Unlevered Free Cash Flow is *net cash provided by (used in) operating activities less net cost provided by (used in) operating activities of discontinued operations less additions to property, plant and mine development and reclamation expenditures*. Unlevered Free Cash Flow does not represent residual cash flows available for discretionary expenditures due to the fact that the measure does not deduct the payments required for debt service and other contractual obligations or payments made for business acquisitions.

The following table presents a summary of the combined pro forma projections.

Fiscal Year Ended December 31,	Combined Company Projections Attributable(1) (US\$ in billions)				
	2019	2020	2021	2022	2023
EBITDA(2)	\$ 3.8	\$ 3.6	\$ 4.4	\$ 4.3	\$ 5.0
Unlevered Free Cash Flow(3)	\$ 1.2	\$ 0.7	\$ 1.8	\$ 1.6	\$ 1.4

- (1) EBITDA and Unlevered Free Cash Flow do not reflect planned asset divestitures contemplated by the combined pro forma projections.
- (2) EBITDA means the projected EBITDA of the combined company taking into account potential synergies, value pass-through to customers, regulatory conditions and customer attrition all as projected by Newmont management, while excluding the impact from integration expense and costs to achieve synergies.
- (3) Unlevered Free Cash Flow is *net cash provided by (used in) operating activities less net cost provided by (used in) operating activities of discontinued operations less additions to property, plant and mine development and reclamation expenditures*. Unlevered Free Cash Flow does not represent residual cash flows available for discretionary expenditures due to the fact that the measure does not deduct the payments required for debt service and other contractual obligations or payments made for business acquisitions.

Important Information About the Projections

Certain of the projections summarized above were not prepared in accordance with GAAP, including EBITDA and Unlevered Free Cash Flow. Non-GAAP financial measures should not be considered in isolation from, or as a substitute for, financial information prepared in accordance with GAAP. Newmont's calculation of non-GAAP financial measures may differ from others in the industry and EBITDA and Unlevered Free Cash Flow are not necessarily comparable with similar titles used by other companies. The non-GAAP financial measures were relied upon by Newmont's financial advisors for purposes of their separate financial analyses and opinions and by the Newmont board of directors in connection with its consideration of the arrangement. Financial measures provided to a financial advisor in connection with a business combination transaction are excluded from the definition of non-GAAP financial measures and therefore are not subject to SEC rules regarding disclosures of non-GAAP financial measures, which would otherwise require a reconciliation of a non-GAAP financial measure to a GAAP financial measure. Reconciliations of non-GAAP financial measures were not relied upon by Newmont's financial advisors for purposes of their separate financial analyses and opinions or by the Newmont board of directors in connection with its consideration of the arrangement. Accordingly, we have not provided a reconciliation of the financial measures.

The summary of the projections is not being included in this proxy statement to influence a stockholder's decision whether to approve the proposals, but is being included to provide Newmont stockholders with the projections that were made available to the Newmont board of directors and Newmont's financial advisors. The inclusion of the projections in this proxy statement should not be regarded as an indication that Newmont, Goldcorp or any of their respective affiliates, officers, directors, advisors or other representatives or any other recipient of this information considered or now considers the projections to be necessarily predictive of actual future events or events which have occurred since the date of the projections, and the projections should not be relied upon as such. None of Newmont, Goldcorp or any of their respective affiliates, officers, directors, advisors or other representatives can give any assurance that actual results will not differ materially from the projections. None of Newmont, Goldcorp or any of their respective affiliates, officers, directors, advisors or other representatives has made or makes any representation to any Newmont stockholder regarding the

Table of Contents

ultimate performance of Newmont, Goldcorp or the pro forma combined company compared to the information contained in the projections or that the projections will be achieved.

The projections, while presented with numerical specificity, reflect numerous variables, estimates and assumptions as to future events made by Newmont management that such management believed were reasonable at the time the projections were prepared, taking into account the relevant information available to such management at the time of preparation. However, such variables, estimates and assumptions are inherently uncertain and beyond the control of Newmont management, including, among other things, Newmont's, Goldcorp's and the pro forma combined company's future financial performance, industry performance and activity, general business, economic, regulatory, market and financial conditions and competition, as well as changes to the business, financial condition or results of operations of the company, including the factors described in the section entitled "*Cautionary Statement Regarding Forward-Looking Statements*" beginning on page 56 of this proxy statement and the risks and uncertainties described in the section entitled "*Risk Factors*" beginning on page 47 of this proxy statement, any of which may cause the projections or their respective underlying assumptions to be inaccurate. Some or all of the assumptions which have been made regarding, among other things, the timing of certain occurrences or impacts, may change or may have changed since the date the projections were prepared. The projections also reflect assumptions as to certain business decisions that are subject to change and, in many respects, subjective judgment, and thus are susceptible to multiple interpretations and periodic revisions based on actual experience and further or future business developments. Newmont has not updated and, except as may be required by applicable law, does not intend to update or otherwise revise the projections to reflect circumstances existing after the date when made or to reflect the occurrence of future events, even in the event that any or all of the assumptions on which the projections were based are shown to be in error. There can be no assurance that the results reflected in any of the projections will be realized or that actual results will not materially vary from the projections. In addition, since the projections cover multiple years, such information by its nature becomes less predictive with each successive year. No one has made or makes any representation to any stockholder or any other investor regarding the information included in the projections.

In light of the foregoing and the uncertainties inherent in the projections, and considering that the special meeting will be held several months after the projections were prepared, stockholders and other investors are cautioned not to place undue, if any, reliance on the projections. Since the respective dates the projections were prepared, Newmont and Goldcorp have each made publicly available its respective actual results of operations for the year ended December 31, 2018. You should review Newmont's Annual Report on Form 10-K filed on February 21, 2019 and Goldcorp's Current Report on Form 6-K filed on February 14, 2019 to obtain this information. See the section entitled "*Where You Can Find More Information*" beginning on page 147 of this proxy statement.

BOARD OF DIRECTORS FOLLOWING THE ARRANGEMENT

Pursuant to the arrangement agreement, Newmont covenants to Goldcorp that it will take all actions necessary to ensure that, as of the effective time of the arrangement, two-thirds of the members of the Newmont board of directors shall be existing members of the Newmont board of directors and one-third of the members of the Newmont board of directors shall be existing members of the Goldcorp board of directors. Noreen Doyle, Newmont's chair of the board of directors, will continue as the chair of the board of directors of the combined company. In consideration of Ian Telfer's current role as Goldcorp's chair of the board of directors, Mr. Telfer will serve as deputy chair of the board of directors of the combined company in accordance with the terms of the arrangement agreement. The role of deputy chair will be a newly created position on the combined company's board, which will not supersede or replace the previously established roles of vice chair or senior independent director, impact chair succession or provide additional compensation or voting rights.

Table of Contents

The other directors of the combined company are expected to include Gregory Boyce, Bruce Brook, J. Kofi Bucknor, Gary Goldberg, Veronica Hagen, Sheri Hickok, René Médori, Jane Nelson and Julio Quintana from the current Newmont board of directors and Cristina Bitar, Beverley A. Briscoe, Matthew Coon Come and Charles R. Sartain from the current Goldcorp board of directors.

MANAGEMENT FOLLOWING THE ARRANGEMENT

As part of a planned and orderly leadership succession process, Gary Goldberg, Newmont's Chief Executive Officer, and the board of directors have been engaged in discussions anticipating a chief executive officer succession in early 2019. To ensure a smooth and successful combination, Mr. Goldberg has agreed to lead the combined company through closure of the transaction and integration of the two companies. Newmont expects this process to be substantially completed in the fourth quarter of 2019, when Mr. Goldberg plans to retire and Thomas Palmer, Newmont's President and Chief Operating Officer, will become President and Chief Executive Officer of the combined company. In addition, Rob Atkinson will be appointed to the role of Executive Vice President and Chief Operating Officer of Newmont, effective June 1, 2019. Nancy Buese is expected to continue in the role of Executive Vice President and Chief Financial Officer and Randy Engel is expected to continue in the role of Executive Vice President, Strategic Development.

INTERESTS OF NEWMONT DIRECTORS AND EXECUTIVE OFFICERS IN THE TRANSACTION

No current Newmont directors or executive officers having served at any time since the beginning of 2018 own Goldcorp common shares. None of Newmont's directors or executive officers or their associates has any substantial financial interest, direct or indirect, under the arrangement or the issuance of Newmont common stock to Goldcorp shareholders under the arrangement, other than being a director or executive officer of Newmont and a stockholder of Newmont.

REPAYMENT OF GOLDCORP DEBT

Upon closing of the arrangement, Newmont intends to repay Goldcorp's \$400 million term loan, which consists of the \$75 million non-revolving term credit facility governed by the credit agreement dated March 14, 2018 between Goldcorp and ING Capital LLC, the \$250 million non-revolving term credit facility governed by the credit agreement dated March 14, 2018 between Goldcorp and National Bank Of Canada, and the \$75 million non-revolving term credit facility governed by the credit agreement dated March 14, 2018 between Goldcorp and Sumitomo Mitsui Banking Corporation, Canada Branch. Additionally, upon closing of the arrangement, Newmont intends to repay the \$480 million drawn on Goldcorp's \$3 billion revolving credit facility governed by the syndicated credit agreement dated November 22, 2011 between, inter alia, Goldcorp and Bank of Montreal as administrative agent (as amended by amending agreements dated March 8, 2013, July 18, 2014, September 11, 2014, June 10, 2015, June 22, 2016, June 22, 2017 and June 29, 2018) and terminate Goldcorp's revolving credit facility. For additional information regarding Goldcorp's debt, see Goldcorp's consolidated financial statements and the notes thereto and the section entitled "Management's Discussion and Analysis of Financial Condition and Results of Operations" contained in its Current Report on Form 6-K, filed with the SEC on February 14, 2019, which are incorporated by reference into this proxy statement.

ACCOUNTING TREATMENT

Newmont prepares its financial statements in accordance with U.S. GAAP. The arrangement will be accounted for using the acquisition method of accounting. Newmont will be treated as the acquirer for accounting purposes. Newmont will record assets acquired, including identifiable intangible assets, and liabilities assumed from Goldcorp at their respective estimated fair values at the date of completion of the arrangement. Any excess of the purchase price (as described under Note 4(i) under "*Unaudited Pro Forma Consolidated Financial Information Notes to Unaudited Pro Forma Consolidated*

Table of Contents

Financial Information" beginning on page 32 of this proxy statement) over the net fair value of such assets and liabilities will be recorded as goodwill.

The financial condition and results of operations of Newmont after completion of the arrangement will include the financial condition and results of operations of Goldcorp after completion of the arrangement, but will not be restated retroactively to reflect the historical financial condition or results of operations of Goldcorp. The earnings of Newmont following completion of the arrangement will reflect acquisition accounting adjustments, including the effect of changes in the carrying value for assets and liabilities on depreciation expense, amortization expense and interest expense. Indefinite-lived intangible assets, including goodwill, will not be amortized but will be tested for impairment at least annually, and all tangible and intangible assets including goodwill will be tested for impairment when certain indicators are present. If, in the future, Newmont determines that tangible or intangible assets (including goodwill) are impaired, Newmont would record an impairment charge at that time.

FEDERAL SECURITIES LAWS CONSEQUENCES; STOCK TRANSFER RESTRICTIONS

Exemption from the Registration Requirements of the Securities Act

The Newmont common stock to be issued to Goldcorp shareholders in exchange for their Goldcorp common shares (the "consideration shares") and the Newmont restricted stock units ("RSUs") to be issued to Goldcorp RSU holders in exchange for their Goldcorp RSUs (the "replacement RSUs"), each pursuant to the arrangement, will not be registered under the Securities Act or the U.S. securities laws of any state of the United States and will be issued and exchanged in reliance upon the exemption from the registration requirements of the Securities Act pursuant to Section 3(a)(10) thereof. Section 3(a)(10) of the Securities Act exempts from the registration requirements under the Securities Act the issuance of securities which have been approved, after a hearing upon the substantive and procedural fairness of the terms and conditions of the relevant transaction, at which all persons to whom it is proposed the securities will be issued shall have the right to appear, by any court expressly authorized by law to grant such approval. On February 22, 2019, Goldcorp obtained the interim order providing for the calling and holding of the Goldcorp meeting and other procedural matters. A copy of the interim order is attached as Annex B to this proxy statement. Under the arrangement agreement, Goldcorp is required to seek the final order as soon as reasonably practicable, but in any event not later than three business days following the approval of the Goldcorp resolution by Goldcorp shareholders at the Goldcorp meeting, the approval of the amendment proposal and the share issuance proposal by Newmont stockholders at the special meeting, and the receipt of regulatory approvals. Such final order is a condition to the consummation of the plan of arrangement and the issuance of the consideration shares and replacement RSUs. Newmont therefore anticipates that, if the plan of arrangement becomes effective under the terms and conditions described in the arrangement agreement (including the receipt of such final order from the Court), the issuance of the consideration shares to the Goldcorp shareholders and replacement RSUs to the Goldcorp RSU holders will be exempt from the registration requirements under the Securities Act pursuant to Section 3(a)(10) thereof.

Exercise of Replacement RSUs

The exemption from the registration requirements of the Securities Act pursuant to Section 3(a)(10) thereof does not exempt the issuance of securities upon the exercise of securities that were previously issued pursuant to the exemption provided in Section 3(a)(10). While the Newmont common stock issuable upon exercise of the replacement RSUs may not be issued in reliance upon the exemption from the registration requirements of the Securities Act pursuant to Section 3(a)(10) thereof, Newmont has agreed under the arrangement agreement to (i) use its reasonable best efforts to obtain approval of the listing for trading on the NYSE by the effective time of the shares of Newmont common stock issuable upon exercise of the replacement RSUs issuable pursuant to the arrangement, subject to official notice of issuance, and (ii) to the extent necessary, to register the shares of Newmont

Table of Contents

common stock issuable upon exercise of such replacement RSUs after filing a registration statement on Form S-8 under the Securities Act on or as promptly as practicable following the effective time.

Exercise of Goldcorp Options After the Effective Time

While Newmont common stock may not be issued upon exercise of Goldcorp options unless such issuance is pursuant to an available exemption from the registration requirements of the Securities Act and applicable state securities laws or pursuant to a registration statement under the Securities Act, Newmont has agreed under the arrangement agreement to (i) use its reasonable best efforts to obtain approval of the listing for trading on the NYSE by the effective time of the Newmont common stock issuable upon exercise of the Goldcorp options (whether vested or unvested), subject to official notice of issuance, and (ii) to the extent necessary, on or as promptly as practicable following the effective date, file one or more registration statements on Form S-8 with the SEC to register the Newmont common stock issuable upon exercise of the Goldcorp options under the Securities Act.

Resales of Newmont Common Stock After the Effective Time

The consideration shares to be received by Goldcorp shareholders in exchange for their Goldcorp common shares pursuant to the arrangement and shares of Newmont common stock issuable upon exercise of the Goldcorp options and the replacement RSUs following registration on Form S-8, will be freely transferable under U.S. securities laws, except by persons who are "affiliates" (as defined in Rule 144) of Newmont after the effective time, or were "affiliates" of Newmont within 90 days prior to the effective time. Persons who may be deemed to be "affiliates" of an issuer include individuals or entities that control, are controlled by, or are under common control with, the issuer, whether through the ownership of voting securities, by contract, or otherwise, and generally include executive officers and directors of the issuer as well as principal shareholders of the issuer.

Any resale of Newmont common stock by such an "affiliate" or former "affiliate" may be subject to the registration requirements of the Securities Act, absent an exemption therefrom, such as the exemption contained in Rule 144.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE TRANSACTION

There are no material U.S. federal income tax consequences to Newmont's existing stockholders that will result from the issuance of Newmont common stock under the arrangement.

COURT APPROVALS

The arrangement requires approval by the Court under Section 182 of the OBCA.

On February 22, 2019, Goldcorp obtained the interim order providing for the calling and holding of the Goldcorp meeting and other procedural matters. A copy of the interim order is attached as Annex B to this proxy statement. Under the arrangement agreement, Goldcorp is required to seek the final order as soon as reasonably practicable, but in any event not later than three business days following the approval of the Goldcorp resolution by Goldcorp shareholders at the Goldcorp meeting, the approval of the amendment proposal and the share issuance proposal by Newmont stockholders at the special meeting, and the receipt of regulatory approvals. The Court hearing in respect of the final order is expected to take place on or about April 8, 2019 at the Courthouse at 330 University Avenue, Toronto, Ontario, Canada, or as soon thereafter as is reasonably practicable.

At the hearing for the final order, the Court will consider, among other things, the procedural and substantive fairness and reasonableness of the arrangement. The Court has broad discretion under the OBCA when making orders with respect to the arrangement. The Court may approve the arrangement in any manner the Court may direct, subject to compliance with such terms and conditions, if any, as the Court deems fit. The Court may approve the arrangement, either as proposed or as amended, on the terms presented or substantially on those terms. Depending upon the nature of any required

Table of Contents

amendments, Goldcorp and/or Newmont may determine not to proceed with the transactions contemplated in the arrangement agreement. Prior to the hearing on the final order, the Court will be informed that the parties intend to rely on the exemption from the registration requirements under the Securities Act for the issuance of consideration shares and replacement RSUs pursuant to the arrangement to holders of Goldcorp common shares or Goldcorp RSUs, as the case may be, provided by Section 3(a)(10) thereof on the basis of the final order. There can be no assurance that the Court will approve the arrangement.

INVESTMENT CANADA ACT APPROVAL

Under the *Investment Canada Act* (Canada) ("Investment Canada Act"), certain transactions involving the "acquisition of control" of a Canadian business by a non-Canadian are subject to review and cannot be implemented unless the responsible minister or ministers under the Investment Canada Act (the "minister") is satisfied or deemed to be satisfied that the transaction is likely to be of "net benefit" to Canada (a "reviewable transaction").

The transactions contemplated by the arrangement agreement constitute a reviewable transaction under the Investment Canada Act.

Under the Investment Canada Act there is an initial 45-day review period (during which the reviewable transaction cannot be completed) which may be unilaterally extended by the minister for an additional 30 days, after which the minister and the investor may agree to further extensions.

The prescribed factors to be considered by the minister in determining whether a reviewable transaction is likely to be of "net benefit" to Canada include, among other things, (i) the effect of the investment on the level and nature of economic activity in Canada (including the effect on employment, capital investment, resource processing, utilization of Canadian products and services and exports); (ii) the degree and significance of participation by Canadians in the acquired business; (iii) the effect of the investment on productivity, industrial efficiency, technological development, product innovation, product variety and competition in Canada; (iv) the effect of the investment on competition within an industry in Canada; (v) the compatibility of the investment with national and provincial industrial, economic and cultural policies; and (vi) the contribution of the investment to Canada's ability to compete in world markets. The minister will also consider, among other things, any written undertakings offered to Her Majesty in right of Canada in determining whether a reviewable transaction is likely to be of "net benefit" to Canada.

If, following review, the minister is satisfied that a reviewable transaction is likely to be of "net benefit" to Canada, the minister is required to send a notice to that effect. If the minister does not send notice of approval within the initial 45-day period or the extended period, as the case may be, the minister is deemed to be satisfied that the reviewable transaction is likely to be of "net benefit" to Canada and shall send a notice to that effect.

If, following review, the minister is not satisfied that a reviewable transaction is likely to be of "net benefit" to Canada, the minister is required to send a notice to that effect, advising of the right to make further representations and submit (additional) undertakings within 30 days from the date of such notice or any further period that may be agreed to by the minister and investor.

Within a reasonable time after the expiry of the period for making representations and submitting undertakings, as described above, the minister shall send notice to the applicant that either the minister is satisfied that the investment is likely to be of "net benefit" to Canada or confirmation that the minister is not satisfied that the investment is likely to be of "net benefit" to Canada. In the latter case, the reviewable transaction may not be implemented. Pursuant to terms of the arrangement agreement, Investment Canada Act approval will be obtained if the minister has sent a notice stating that the minister is satisfied that the transactions contemplated by the arrangement agreement are likely to be of net benefit to Canada, or the minister has been deemed, in accordance with the Investment Canada

Table of Contents

Act, to be satisfied that the transactions contemplated by the arrangement agreement are likely to be of "net benefit" to Canada.

Pursuant to the arrangement agreement, Newmont submitted its application for review with the Investment Review Division of Innovation, Science and Economic Development Canada on January 29, 2019. As of the date of this proxy statement, the review of the transactions contemplated by the arrangement agreement under the Investment Canada Act is ongoing, and the Investment Canada Act Approval required under the arrangement agreement has not been obtained.

CANADIAN ANTITRUST APPROVAL

Part IX of the *Competition Act* (Canada) ("Competition Act") requires that parties to certain prescribed classes of transactions provide notifications to the commissioner of competition (the "commissioner") where the applicable thresholds set out in Sections 109 and 110 of the Competition Act are exceeded and no exemption applies ("notifiable transactions"). Subject to certain limited exceptions, a notifiable transaction cannot be completed until the Parties to the transaction have each submitted the information prescribed pursuant to Subsection 114(1) of the Competition Act (a "notification") to the commissioner and the applicable waiting period has expired, has been terminated early or the appropriate waiver has been provided by the commissioner.

The transactions contemplated by the arrangement agreement constitute a notifiable transaction, and as such the parties must comply with the merger notification provisions of Part IX of the Competition Act.

The waiting period is 30 days after the day on which the parties to the notifiable transaction have submitted their respective notifications. The parties are entitled to complete their notifiable transaction at the end of the 30-day period, unless the commissioner notifies the parties, pursuant to subsection 114(2) of the Competition Act, that the commissioner requires additional information that is relevant to the commissioner's assessment of the notifiable transaction ("supplementary information request"). In the event that the commissioner provides the parties with a supplementary information request, the notifiable transaction cannot be completed until 30 days after compliance with such supplementary information request, provided that there is no order issued by the Competition Tribunal in effect prohibiting completion at the relevant time. The commissioner's substantive assessment of a notifiable transaction may extend beyond the statutory waiting period.

In addition or as an alternative to filing a notification, a party to a notifiable transaction may apply to the commissioner for an advance ruling certificate (an "ARC") or, in the event that the commissioner is not prepared to issue an ARC, a no-action letter. If the commissioner issues an ARC, the parties are exempt from having to file a notification; if the commissioner issues a no-action letter, upon the request of the parties, the commissioner can waive the parties' requirement to submit a notification where the parties have supplied substantially similar information as would have been supplied with their notification (a "waiver").

The commissioner may challenge a merger before the Competition Tribunal at any time before, or within one year following, its completion where the merger prevents or lessens, or is likely to prevent or lessen, competition substantially (a "competition challenge"). If the Competition Tribunal agrees with the commissioner, it can issue an order prohibiting the transaction, provided that the transaction has not been completed by such time, or it can order the divestiture of shares or assets where the transaction already has been completed; the Competition Tribunal cannot issue an order, however, where the parties have been able to establish the elements of the statutory efficiencies defense. The commissioner is precluded from bringing a competition challenge on substantially the same information that an ARC was issued, provided that the notifiable transaction was completed within one year after the ARC was issued. No such prohibition on bringing a competition challenge applies to the issuance of a no-action letter.

Table of Contents

Pursuant to the arrangement agreement, the parties submitted a request for an ARC or a no-action letter and a waiver to the commissioner on January 24, 2019. On February 11, 2019, the commissioner issued a no-action letter and a waiver, exempting the parties from filing a notification and terminating the waiting period.

OTHER REGULATORY APPROVALS

Completion of the transactions contemplated by the arrangement agreement is also conditional upon the satisfaction of certain notice, filing, waiting period and/or approval requirements under competition or antitrust laws in Mexico and South Korea. In particular, the arrangement agreement provides that:

The Comisión Federal de Competencia Económica (Mexico) shall have issued a resolution, or be deemed to have issued a resolution, under the Ley Federal de Competencia Económica (Mexico) approving the transactions contemplated by the arrangement agreement; and

The Korea Fair Trade Commission shall have issued a decision, or be deemed to have issued a decision, under the Monopoly Regulation and Fair Trade Act (South Korea) approving the transactions contemplated by the arrangement agreement.

Pursuant to the arrangement agreement, the parties have agreed to file, as promptly as practicable after the date of the arrangement agreement, any other filings or notifications under any other applicable antitrust laws that the parties may mutually agree to be required or appropriate to consummate the transactions contemplated by the arrangement agreement.

The parties submitted their filing with the Comisión Federal de Competencia Económica (Mexico) on February 7, 2019 and with the Korea Fair Trade Commission on February 11, 2019. On February 25, 2019, the Korea Fair Trade Commission issued its decision that the transactions contemplated by the arrangement agreement are not in violation of Article 7(1) of the Monopoly Regulation and Fair Trade Act (South Korea).

NYSE AND TSX LISTINGS

The Goldcorp common shares are listed and posted for trading on the TSX under the trading symbol "G" and are listed on the NYSE under the trading symbol "GG." Following the completion of the arrangement, the Goldcorp common shares will be delisted from the TSX and the NYSE as promptly as practicable.

The shares of Newmont common stock are currently listed for trading on the NYSE under the trading symbol "NEM." It is a condition to the completion of the arrangement that the shares of Newmont common stock to be issued to Goldcorp shareholders in exchange for their Goldcorp common shares pursuant to the arrangement be approved for listing on the NYSE. Accordingly, Newmont has agreed to obtain approval of the listing of the consideration shares for trading on the NYSE, subject to official notice of issuance. In addition, Newmont has agreed to use its reasonable best efforts to obtain approval of the listing for trading on the NYSE by the effective time of the shares of Newmont common stock issuable upon exercise of the Goldcorp options and exercise of the replacement RSUs issuable pursuant to the arrangement, subject to official notice of issuance. Newmont will provide the required notice to the NYSE of the listing of the shares of Newmont common stock to be issued in connection with the arrangement prior to the closing of the arrangement. Newmont will also apply to list the shares of the combined company on the TSX under the trading symbol "NGT."

FEES, COSTS AND EXPENSES

All fees, costs and expenses incurred in connection with the arrangement agreement and the plan of arrangement will be paid by the party incurring those fees, costs or expenses. Pursuant to the arrangement agreement, however, certain termination fees are payable by Newmont or Goldcorp if the arrangement agreement is terminated under certain circumstances.

THE ARRANGEMENT AGREEMENT AND THE PLAN OF ARRANGEMENT

The summary of the material provisions of the arrangement agreement below and elsewhere in this proxy statement is qualified in its entirety by reference to the arrangement agreement, a copy of which is attached to this proxy statement as Annex A. This summary may not contain all of the information about the arrangement agreement that is important to you. We urge you to read carefully the arrangement agreement in its entirety as it is the legal document governing the arrangement.

The arrangement agreement contains representations and warranties that the parties have made to each other as of specific dates. The assertions embodied in the representations and warranties in the arrangement agreement were made solely for purposes of the arrangement agreement and the transactions and agreements contemplated thereby among the parties thereto and may be subject to important qualifications and limitations agreed to by the parties thereto in connection with negotiating the terms thereof. The representations and warranties may also be subject to a contractual standard of materiality different from those generally applicable to stockholders and reports and documents filed with the SEC, and the assertions embodied in the representations and warranties contained in the arrangement agreement (and summarized below) are qualified by information in disclosure letters provided by Goldcorp to Newmont and by Newmont to Goldcorp in connection with the signing of the arrangement agreement and by certain information contained in certain of Newmont's and Goldcorp's filings with the SEC. These disclosure letters and SEC filings contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the arrangement agreement. In addition, information concerning the subject matter of the representations and warranties may have changed or may change after February 19, 2019 and subsequent developments or new information qualifying a representation or warranty may have been included in this proxy statement.

In addition, if specific material facts arise that contradict the representations and warranties in the arrangement agreement, Newmont or Goldcorp, as applicable, will disclose those material facts in the public filings that it makes with the SEC in accordance with, and to the extent required by, applicable law. Accordingly, the representations and warranties in the arrangement agreement and the description of them in this proxy statement should not be read alone, but instead should be read in conjunction with the other information contained in the reports, statements and filings Newmont and Goldcorp publicly file with the SEC. Such information can be found elsewhere in this proxy statement and in the public filings Newmont and Goldcorp make with the SEC, as described in the section entitled "Where You Can Find More Information" beginning on page 147 of this proxy statement.

THE ARRANGEMENT

The arrangement agreement provides that following the effective time of the arrangement, Newmont will acquire all of the outstanding Goldcorp common shares. The arrangement will be implemented under the *Business Corporations Act* (Ontario) (the "OBCA") and requires approval of (a) at least two-thirds of the votes cast by shareholders who vote (in person or by proxy) at a special meeting of Goldcorp shareholders; and (b) the Ontario Superior Court of Justice (Commercial List). After giving effect to the arrangement, Newmont will own all of the outstanding Goldcorp common shares.

The arrangement will become effective on the date upon which Newmont and Goldcorp agree in writing as the effective date, or in the absence of such agreement, five business days following the satisfaction or waiver of all conditions to completion of the arrangement as set out in the arrangement agreement (excluding any conditions that, by their terms, cannot be satisfied until the effective date, but subject to the satisfaction or waiver of those conditions).

Table of Contents

CONSIDERATION RECEIVED PURSUANT TO THE ARRANGEMENT

At the effective time of the arrangement, each Goldcorp common share outstanding immediately prior to the effective time of the arrangement (excluding shares held by Newmont or its affiliates or by shareholders that validly exercise, and do not withdraw, their dissent rights) will be exchanged for (a) 0.3280 of a share of Newmont common stock; and (b) \$0.02 in cash.

The consideration to be paid for each Goldcorp common share will be adjusted to reflect the effect of changes in the number of outstanding shares of Newmont common stock that are issued and outstanding after the date of the arrangement agreement and prior to the effective time of the arrangement by reason of any stock split or consolidation of the issued and outstanding shares of Newmont common stock and where any dividend or other distribution is declared, set aside or paid to Goldcorp shareholders of record as of a time prior to the effective time of the arrangement (other than Goldcorp's regular quarterly dividend paid in the ordinary course consistent with past practice).

No fractional shares of Newmont common stock will be issued as part of the arrangement. Instead, where the aggregate number of shares of Newmont common stock to be issued to a Goldcorp shareholder as consideration would result in a fraction of securities of Newmont being issuable, the number of shares of Newmont common stock to be received by such Goldcorp shareholder will be rounded down to the nearest whole share. In lieu of any such fractional share of Newmont common stock, each Goldcorp shareholder otherwise entitled to a fractional interest in a share of Newmont common stock will be entitled to receive a cash payment equal to an amount representing such Goldcorp shareholder's proportionate interest in the net proceeds from the sale by the depositary on behalf of all such Goldcorp shareholders of the excess of (a) the number of shares of Newmont common stock issued and delivered to the depositary pursuant to the plan of arrangement, over (b) the aggregate number of whole shares of Newmont common stock to be issued to Goldcorp shareholders pursuant to the plan of arrangement.

At the effective time of the arrangement:

each option to purchase Goldcorp common shares ("Goldcorp option") outstanding at the effective time of the arrangement (whether vested or unvested) will remain outstanding on its existing terms and upon the exercise of each Goldcorp option the holder thereof shall be entitled to receive, in lieu of the number of Goldcorp common shares which such holder was entitled upon such exercise, a fraction of a share of Newmont common stock equal to the sum of 0.3280 and the quotient of shares of Newmont common stock obtained by dividing \$0.02 by the volume weighted average price of a share of Newmont common stock on the NYSE, rounded to four decimal places, for the five consecutive trading days ending on the third complete trading day prior to (and excluding) the date of the effective time of the arrangement, for each such Goldcorp common share (which shares of Newmont common stock may be reduced, if required, in accordance with the arrangement agreement and plan of arrangement); provided, that the Goldcorp board of directors is permitted to exercise its discretion under the amended and restated 2005 Goldcorp Stock Option Plan to, following a termination without cause or for termination for good reason (as defined in the respective employment agreements), permit the exercise of the Goldcorp options until the respective expiry dates;

each award of Goldcorp phantom restricted share units ("Goldcorp phantom RSUs") that is outstanding immediately prior to the effective time of the arrangement shall remain outstanding on its existing terms, and the value of each such Goldcorp phantom RSU unit shall be amended in accordance with the terms of the plan of arrangement;

each award of Goldcorp performance share units ("Goldcorp PSUs") that is outstanding immediately prior to the effective time of the arrangement shall remain outstanding, and (a) the multiplier for each such Goldcorp PSU shall be deemed to be 100%, and (b) the value of each

Table of Contents

such Goldcorp PSU shall be amended in accordance with the terms of the plan of arrangement; and

each Goldcorp restricted stock unit ("Goldcorp RSU") that is outstanding immediately prior to the effective time of the arrangement shall be deemed to be exchanged by the holder thereof for a Newmont restricted stock unit ("Newmont RSUs") issued under Newmont's 2013 Stock Incentive Plan that has the same vesting conditions as the Goldcorp RSU for which it was exchanged and that entitles the holder to receive, upon vesting thereof, a number of shares of Newmont common stock equal to the product obtained by multiplying (a) the total number of Goldcorp common shares subject to the Goldcorp RSU immediately prior to the effective time of the arrangement by (b) the sum of 0.3280 and the quotient of the number of shares of Newmont common stock obtained by dividing \$0.02 by the volume weighted average price of a share of Newmont common stock on the NYSE, rounded to four decimal places, for the five consecutive trading days ending on the third complete trading day prior to (and excluding) the date of the effective time of the arrangement.

DISSENTING SHARES

Registered Goldcorp shareholders may exercise rights of dissent with respect to the Goldcorp common shares held by such Goldcorp shareholders pursuant to Section 185 of the OBCA, as modified by the plan of arrangement, the interim order and the final order. Registered Goldcorp shareholders who validly exercise their dissent rights, and do not withdraw or become deemed to have withdrawn such exercise of dissent rights, shall be entitled to be paid by Newmont the fair value of the Goldcorp common shares in respect of which their dissent rights were validly exercised.

None of the following shall be entitled to exercise dissent rights: (a) Goldcorp shareholders who vote or have instructed a proxyholder to vote their Goldcorp common shares in favor of the arrangement resolution (but only in respect of such voted Goldcorp common shares), (b) holders of options to acquire Goldcorp common shares, Goldcorp RSUs, Goldcorp PSUs and Goldcorp phantom RSUs, and (c) any other person who is not a registered holder of Goldcorp common shares as of the record date for the special meeting of Goldcorp shareholders to be held in connection with the arrangement.

SURRENDER OF SHARES

Newmont and Goldcorp have appointed Computershare Trust Company, N.A. to act as depository to handle the exchange of Goldcorp common shares for cash consideration and shares of Newmont common stock. Following receipt by Goldcorp of the final order and prior to the effective time of the arrangement, Newmont will deposit in escrow with the depository sufficient funds and shares of Newmont common stock to satisfy the aggregate consideration payable to Goldcorp shareholders. In connection with the special meeting of Goldcorp shareholders to be held in connection with the arrangement, Goldcorp will mail a letter of transmittal to each holder of record of Goldcorp common shares, containing instructions explaining the procedures for surrendering Goldcorp common shares in exchange for the consideration.

After the effective time of the arrangement, each of the former Goldcorp shareholders who surrender a certificate which immediately prior to the effective time represented Goldcorp common shares, together with a duly completed and executed letter of transmittal, will be entitled to the consideration (after giving effect to any applicable tax withholdings) plus any cash in lieu of any fractional shares of Newmont common stock and any dividends or other distributions with a record date after the effective time of the arrangement that such former shareholder has the right to receive pursuant to the plan of arrangement. After the effective time of the arrangement, each certificate that previously represented shares of Goldcorp common shares will represent the right to receive, in

Table of Contents

exchange therefor, the consideration that the holder of such certificate is entitled to receive (after giving effect to any applicable tax withholdings).

LOST CERTIFICATES

In the event any certificate which immediately prior to the effective time of the arrangement represented shares of Goldcorp common shares is lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such certificate to be lost, stolen or destroyed and upon posting a bond in an amount determined by Newmont or providing an indemnity to Newmont and Goldcorp, the depositary will issue in exchange for such lost, stolen or destroyed certificate, the consideration deliverable in accordance with such holder's duly completed and executed letter of transmittal.

CANCELLATION OF RIGHTS AFTER SIX YEARS

If a former holder of Goldcorp common shares has not complied with the provisions of the plan of arrangement with respect to surrendering their certificates which immediately prior to the effective time represented shares of Goldcorp common shares on or before the date that is six years after the effective date of the arrangement then the consideration that such former Goldcorp shareholder was entitled to receive shall be automatically cancelled without any repayment of capital in respect thereof. Accordingly, persons who tender certificates for consideration after the sixth anniversary of the effective date of the arrangement will not receive any consideration and will not own any interest in either Goldcorp or Newmont.

EFFORTS TO OBTAIN REQUIRED GOLDCORP SHAREHOLDER APPROVAL

The arrangement agreement requires Goldcorp to use commercially reasonable efforts to schedule its meeting on the date of Newmont stockholder meeting, which will in no event be later than April 11, 2019.

In general, Goldcorp is not permitted to adjourn its meeting except as required by law. However, if Goldcorp receives a superior proposal (as further discussed in "*Non-Solicitation Covenants*" below) less than seven business days before the date of its meeting, Goldcorp may, or Newmont may require Goldcorp to, adjourn its meeting to a date that is not more than seven business days after the scheduled date of its meeting, provided, however, that the Goldcorp meeting shall not be adjourned or postponed to a date later than the seventh business day prior to the outside date of the arrangement (being July 31, 2019, as such date may be extended in accordance with the arrangement agreement).

Unless the Goldcorp board of directors has modified its recommendation regarding the arrangement as permitted under the arrangement agreement, as further discussed in "*Non-Solicitation Covenants*" below, Goldcorp will include in its circular its recommendation that its shareholders vote in favor of approving the arrangement, copies of the fairness opinions provided by Goldcorp's financial advisors, a statement that the Goldcorp board of directors has determined that the consideration to be received by the Goldcorp shareholders is fair to such shareholders and that the arrangement and the entry into the arrangement agreement are in the best interests of Goldcorp and statements that each of the Goldcorp shareholders that have entered into voting agreements will vote their Goldcorp common shares in favor of the arrangement and the entry into the arrangement agreement.

EFFORTS TO OBTAIN REQUIRED NEWMONT STOCKHOLDER APPROVAL

Newmont is required to use commercially reasonable efforts to schedule its meeting as promptly as reasonably practicable following SEC clearance of this proxy statement and, if reasonably practicable, on the date of Goldcorp's shareholder meeting, which will in no event be later than April 11, 2019.

Table of Contents

In general, Newmont is not permitted to adjourn its meeting. However, if Newmont receives a superior proposal (as further discussed in "*Non-Solicitation Covenants*" below) and provides Goldcorp with all documentation relating thereto in accordance with the arrangement agreement less than seven business days before the date of its meeting, Newmont may, or Goldcorp may require Newmont to, adjourn its meeting to a date that is not more than seven business days after the scheduled date of its meeting, provided, however, that the Newmont meeting shall not be adjourned or postponed to a date later than the seventh business day prior to the outside date of the arrangement (being July 31, 2019, as such date may be extended in accordance with the arrangement agreement).

Unless the Newmont board of directors has modified its recommendation regarding the arrangement as permitted under the arrangement agreement, as further discussed in "*Non-Solicitation Covenants*" below, Newmont will include in its proxy statement a statement that the Newmont board of directors recommends that Newmont stockholders vote in favor of amending the Newmont Restated Certificate of Incorporation to increase the authorized shares of Newmont and to approve the issuance of Newmont shares as consideration, copies of the opinions provided by Newmont's financial advisors, a statement that the arrangement and the entry into the arrangement agreement is in the best interests of Newmont and statements that each of the Newmont stockholders that have entered into voting agreements will vote their shares of Newmont common stock in favor of the arrangement and the entry into the arrangement agreement.

FINAL COURT APPROVAL

After the interim order of the court has been obtained, Goldcorp shareholders have approved the arrangement, the Newmont stockholders have approved the increase in the authorized shares of Newmont and the issuance of Newmont common stock as consideration, and regulatory approvals are obtained, Goldcorp is required to seek the final approval of the arrangement by the court as soon as reasonably practicable, but in any event not later than three business days thereafter. The court will consider, among other things, the fairness and reasonableness of the arrangement to shareholders of Goldcorp.

NAME CHANGE AND CORPORATE GOVERNANCE

Pursuant to the arrangement agreement, Newmont is required to take all actions necessary to ensure that, as of the effective time of the arrangement: (a) two-thirds of the members of the Newmont board of directors are existing members of the Newmont board of directors and one-third of the members of the Newmont board of directors are existing members of the Goldcorp board of directors, (b) the deputy chair of the Newmont board of directors is Ian Telfer, and (c) the name of Newmont is changed to "Newmont Goldcorp Corporation."

REPRESENTATIONS AND WARRANTIES

The arrangement agreement contains customary representations and warranties, all of which are qualified by public disclosure and many of which are qualified by material adverse effect, made by each of Newmont and Goldcorp. The statements embodied in those representations and warranties were made solely for purposes of the arrangement agreement among Newmont and Goldcorp and are subject to important qualifications and limitations agreed to by Newmont and Goldcorp in connection with negotiating its terms.

Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may be subject to a contractual standard of materiality different from those generally applicable to shareholders or may have been used for the purpose of allocating risk between Newmont and Goldcorp rather than establishing matters as facts.

Table of Contents

The representations and warranties relate to: organization and qualification; authority relative to the arrangement agreement; no conflict; required filings and consent; subsidiaries; compliance with laws and constating documents; authorizations; capitalization and listing; shareholder and similar agreements; reporting issuer status and stock exchange compliance; U.S. Securities Law matters; reports; financial statements; undisclosed liabilities; Sarbanes-Oxley compliance; title; no defaults under leases and agreements; expropriation; mineral reserves and resources; royalties and rentals paid; environmental matters; employment matters; absence of certain changes or events; litigation; taxes; books and records; insurance; non-arm's length transactions; restrictions on business activities; material contracts; anti-corruption; sanctions; brokers and expenses; and opinions of financial advisors.

The arrangement agreement also contains certain representations and warranties made solely by Newmont with respect to ownership of shares of Goldcorp; freely tradeable shares; and sufficient cash; and made solely by Goldcorp with respect to: intellectual property; benefit plans; indigenous claims; NGOs and community groups; cultural business; no "collateral benefit"; and the Hart-Scott-Rodino Antitrust Improvement Act of 1976.

As used in the arrangement agreement, the term "material adverse effect" means with respect to either Goldcorp or Newmont, as applicable, any event, change, occurrence, effect or state of facts that, individually or in the aggregate with other events, changes, occurrences, effects or states of facts is, or would reasonably be expected to be, material and adverse to the business, results of operations or financial condition of such party and its subsidiaries taken as a whole; provided that no event, change, occurrence, effect or state of facts shall be deemed to constitute, nor shall any of the foregoing be taken into account in determining whether there has been a material adverse effect, to the extent that such event, change, occurrence, effect or state of facts results from or arises out of:

any change or development generally affecting the gold mining, silver mining or copper mining industries;

any change or development in political conditions in Canada, the United States, other states or countries in which such party has material operations or globally (including any act of terrorism or sabotage or any outbreak of hostilities or war or any escalation or worsening thereof) or any natural disaster;

any change in general economic, business or regulatory conditions or in financial, credit, currency or securities markets in Canada, the United States, other states or countries in which such Party has material operations or globally;

any change (on a current or forward basis) in the price of gold, silver or copper;

any adoption, proposed implementation or change in applicable law or any interpretation or application (or non-application) thereof by any governmental entity, or that result from any action taken for the purpose of complying with any of the foregoing;

any change in IFRS or U.S. GAAP, as applicable, or changes in applicable regulatory accounting requirements applicable to the industries in which it conducts business, or that result from any action taken for the purpose of complying with any of the foregoing;

the execution, announcement or performance of the arrangement agreement or the consummation of the transactions contemplated therein;

compliance with the terms of, or the taking of any actions expressly required by, the arrangement agreement;

such party or any of its subsidiaries to meet any internal budgets, plans or forecasts of its revenues, earnings or other financial performance or results of operations (although the facts and circumstances that give rise to such failure may constitute, or be taken into account in determining whether there has been or will be, a material adverse effect);

any proceedings made or brought by any of the current or former stockholders of such party (on their own behalf or on behalf of such party) against Newmont, Goldcorp or any of their directors or officers, arising out of the arrangement agreement or the transactions contemplated thereby; or

any change in the market price or trading volume of any securities of such party (although the facts and circumstances that give rise to such changes may be taken into account in determining whether a material adverse effect has occurred) or any suspension of trading in securities generally or on any securities exchange on which any securities of such party trade;

except, however to the extent such effects directly or indirectly resulting from, arising out of, attributable to or related to the matters described in the first six of the foregoing bullets disproportionately adversely affect such person and its subsidiaries, taken as a whole, as compared to other companies operating in the industry in which such party operates.

COVENANTS

Goldcorp and Newmont have agreed to undertake certain covenants between the date of the arrangement agreement and the completion of the arrangement. Set forth below is a brief summary of certain of those covenants:

Conduct of Business

Each of Goldcorp and Newmont has undertaken until the effective time of the arrangement (or, if earlier, the date the arrangement agreement is terminated in accordance with its terms), unless expressly required or permitted under certain provisions of the arrangement agreement, as required by applicable law or a governmental entity, or unless the other party consents in writing, to and to cause each of its subsidiaries to (a) in all material respects conduct its and their respective businesses only in, and not take any action except in, the ordinary course of business consistent with past practice, and (b) use commercially reasonable efforts to preserve intact its and their present business organization, goodwill, business relationships and assets and to keep available the services of their officers and employees as a group.

Regulatory Approvals

obtain any other regulatory approval. Each of Goldcorp and Newmont have also agreed to provide each relevant governmental entity with all non-privileged information, documents, data and other things requested by such environmental entity or that are necessary or advisable to permit consummation of the transactions contemplated by the arrangement agreement as promptly as practicable following any such request.

Each of Goldcorp and Newmont has undertaken not enter into any transaction, investment, agreement, arrangement or joint venture or take any other action, the effect of which would reasonably be expected to make obtaining the regulatory approvals required under the arrangement agreement materially more difficult or challenging, or cause a material delay.

Each of Goldcorp and Newmont has undertaken to use their respective reasonable best efforts to take or cause to be taken all actions necessary or advisable on their respective parts to consummate the transactions contemplated by the arrangement agreement as promptly as practicable after the date of the arrangement agreement. To the extent that the minister of Innovation, Science and Economic Development Canada (and/or other ministers responsible for the Investment Canada Act) or his designees propose any amendments or require enhancements to such proposed undertakings contemplated in the arrangement agreement, Newmont shall propose, negotiate and enter into reasonable undertakings necessary to obtain the approval under the Investment Canada Act, except as specified in the arrangement agreement. Newmont has undertaken to, acting reasonably, determine and direct all matters and efforts relating to the obtaining of all regulatory approvals required under the arrangement agreement, and to consider the views and input of Goldcorp in good faith.

No Solicitation of Alternative Transactions and Changes of Recommendation

Each of Goldcorp and Newmont has agreed not to and to cause its subsidiaries and their respective directors, officers and employees not to, and to use its reasonable best efforts to cause their respective representatives not to:

solicit, assist, initiate, knowingly encourage or otherwise facilitate any inquiry, proposal or offer that constitutes or would reasonably be expected to constitute or lead to an acquisition proposal (as defined below), except as expressly permitted in the arrangement agreement;

enter into, engage in, continue or otherwise participate in any discussions or negotiations with any person in respect of any inquiry, proposal or offer that constitutes or would reasonably be expected to constitute or lead to an acquisition proposal;

make any public announcement or take any other action inconsistent with the approval, recommendation or declaration of advisability of its board of directors of the transactions contemplated in the arrangement agreement.

Table of Contents

Each of Goldcorp and Newmont agreed to, and to cause its subsidiaries and representatives to, immediately cease any existing solicitation, discussions, negotiations or other activities commenced prior to the date of the arrangement agreement with any person with respect to any inquiry, proposal or offer that constitutes, or would reasonably be expected to constitute or lead to, an acquisition proposal. Each of Goldcorp and Newmont must enforce all standstill covenants to which third parties are subject.

Each of Goldcorp and Newmont agreed to discontinue access to, and disclosure of, its and its subsidiaries' confidential information and to request the return or destruction of all confidential information previously provided to any person (other than to one another) as soon as possible and to enforce all standstill, confidentiality, non-disclosure, business purpose, use or similar agreements or restrictions to which it or its subsidiaries is a party.

Each of Goldcorp and Newmont must notify the other party as soon as practicable, and in any event within 24 hours, of any inquiry, proposal or offer that constitutes or would reasonably be expected to constitute or lead to an acquisition proposal it receives or otherwise becomes aware of, and keep the other party promptly and fully informed of the material developments and discussions and negotiations with respect to such proposal.

If, at any time prior to a party obtaining the approval of its stockholders or shareholders, as applicable, Goldcorp or Newmont, as applicable, receives a request for material non-public information or to enter into discussions from a person that makes an unsolicited bona fide written acquisition proposal that did not result from a breach of the arrangement agreement (and which has not been withdrawn) and the party's board of directors determines, in good faith after consultation with its outside financial and legal advisors, that such acquisition proposal constitutes or would reasonably be expected to constitute a superior proposal (as defined below) (disregarding, for the purposes of such determination, any due diligence or access condition to which such acquisition proposal is subject), then, and only in such case, Goldcorp or Newmont, as applicable, may (x) enter into, participate in, facilitate and maintain discussions or negotiations with, and otherwise cooperate with or assist, the person making such acquisition proposal, and (y) provide the person making such acquisition proposal with, or access to, confidential information regarding itself and its subsidiaries, but only to the extent that the other party had previously been, or is concurrently, provided with, or given access to, the same information, and only if such party is in compliance with the arrangement agreement and Goldcorp or Newmont, as applicable, has entered into a confidentiality and standstill agreement on terms no less favorable in the aggregate to Goldcorp or Newmont, as applicable, than the confidentiality agreement entered into between Goldcorp and Newmont in connection with the arrangement.

An "acquisition proposal" is an offer, proposal, expression of interest or inquiry from, or public announcement of intention by, any person or group of persons (other than the parties or their affiliates) relating to:

any direct or indirect acquisition or purchase of (a) the assets of Goldcorp or Newmont, as applicable, and/or one or more of its subsidiaries that constitute 20% or more of its consolidated assets together with its subsidiaries, or which contribute 20% or more of its consolidated revenue together with its subsidiaries; or (b) 20% or more of any voting or equity securities of Goldcorp or Newmont, as applicable, or of its subsidiaries that contribute 20% or more of its consolidated revenues or constitute 20% or more of its consolidated assets together with its subsidiaries;

any direct or indirect take-over bid, tender offer, exchange offer, treasury issuance or other transaction that, if consummated, would result in such person or group of persons beneficially owning 20% or more of any class of voting or equity securities of Goldcorp or Newmont, as applicable;

Table of Contents

a plan of arrangement, merger, amalgamation, consolidation, share exchange, share reclassification, business combination, reorganization, recapitalization, liquidation, dissolution, winding up or other similar transaction involving Goldcorp or Newmont, as applicable, or any of its subsidiaries that constitute 20% or more of the consolidated assets of Goldcorp or Newmont, as applicable, together with its subsidiaries, or which contribute 20% or more of the consolidated revenue of Goldcorp or Newmont, as applicable, together with its subsidiaries; or

any other transaction, the consummation of which would reasonably be expected to impede, interfere with, prevent or delay the transactions contemplated by the arrangement agreement or the arrangement and, in the case of an acquisition proposal relating to Goldcorp, would reasonably be expected to materially reduce the benefits to Newmont of the arrangement.

A "superior proposal" is an alternative transaction that (among other things) relates to an acquisition of 100% of the party's shares or substantially all of the assets of the party and:

is not subject to any financing condition;

is not subject to a due diligence and/or access condition;

is reasonably capable of being consummated without undue delay, taking into account all legal, financial, regulatory and other aspects of such proposal and the person making such proposal; and

the applicable board of directors determines in good faith, after consultation with its outside financial and legal advisors, would result in a transaction that is more favorable, from a financial point of view, to the applicable party's stockholders or shareholders, as applicable, than the arrangement.

The board of directors of each of Goldcorp and Newmont may not change its recommendation in favor of the arrangement unless:

the board of directors has determined that the acquisition proposal constitutes a superior proposal;

approval of that party's stockholders or shareholders, as applicable, has not been obtained;

the party has been, and continues to be, in compliance in all material respects with its non-solicitation covenants; and

the party first provides the other party written notice of a superior proposal and a five business day "right to match" the superior proposal (during which period the other party may propose amendments to the arrangement, including to the consideration) and, if the other party has proposed to amend the terms of the arrangement, the board of directors, after consultation with its outside financial and legal advisors, determines that the acquisition proposal remains a superior proposal compared to the other party's proposed amendment to the terms of the arrangement. Each successive modification of any acquisition proposal will require a new written notice and a new five business day period commencing at the time of such new notice.

Notwithstanding any change in recommendation, unless the arrangement agreement has been terminated in accordance with its terms, the party whose board of directors changed its recommendation must still hold its stockholder or shareholder meeting, as applicable, and allow its stockholders or shareholders, as applicable, to vote on the arrangement, and such party is not permitted, except in accordance with applicable law, to submit to a vote of its stockholders or shareholders, as applicable, any acquisition proposal other than the arrangement prior to the termination of the arrangement agreement.

Pre-Acquisition Reorganization

Subject to certain limitations as set forth in the arrangement agreement, Goldcorp has agreed that, at Newmont's request, it will use commercially reasonable efforts to perform such reorganizations of its corporate structure, capital structure, business, operations and assets or such other transactions as Newmont may request prior to the effective date of the arrangement, acting reasonably, and to cooperate with Newmont and its advisors to determine the nature of the reorganizations that might be undertaken and the manner in which they would most effectively be undertaken. Newmont is required to provide written notice to Goldcorp of any proposed reorganization transactions in reasonable written detail at least ten business days prior to the effective date of the arrangement.

Goldcorp and its subsidiaries will not be obligated to participate in any such pre-acquisition reorganization unless such pre-acquisition reorganization, in the opinion of Goldcorp, acting reasonably: (a) cannot reasonably be expected to result in any taxes being imposed on, or any adverse taxes consequences to shareholders of Goldcorp incrementally greater than the taxes to such party in connection with the consummation of the arrangement absent any pre-acquisition reorganization; (b) is not prejudicial to Goldcorp or its shareholders in any material respect; (c) does not require Goldcorp to obtain the approval of securityholders of Goldcorp or proceed absent any required consent of any third party (including any regulatory approval); (d) does not unreasonably interfere with Goldcorp's material operations prior to the effective time of the arrangement; (e) does not require Goldcorp or its subsidiaries to contravene any contract, regulatory approval or applicable laws, or its organization documents; (f) can be completed immediately prior to the effective date; and (g) does not impair the ability of Goldcorp to consummate, and will not prevent or materially delay the consummation of, the arrangement, and would not reasonably be expected to prevent any person from making a superior proposal.

Unless the arrangement is not completed due to a breach by Goldcorp of the terms and conditions of the arrangement agreement or in circumstances that would give rise to the payment by Goldcorp of a termination fee, Newmont has agreed that it will be responsible for all reasonable costs and expenses associated with any such reorganization.

Financing Cooperation

Subject to certain specified limitations, Goldcorp has agreed to use commercially reasonable efforts to provide, and to cause its subsidiaries to provide, such cooperation as may be reasonably requested by Newmont in connection with the borrowing or an issuance of debt by Newmont and/or any liability management transaction (including, without limitation, any exchange offers, consent solicitations or tender offers) with respect to debt existing on the date of the arrangement agreement of Goldcorp or its subsidiaries. These efforts may include, among other things, commercially reasonable efforts to: (a) provide assistance with any discussions of and/or furnish financial data and information reasonably required in connection with any debt financing, (b) provide accounting assistance in connection with any debt financing, including in connection with providing customary comfort letters and consents, (c) obtain customary payoff letters, releases of liens and other instruments of termination or discharge reasonably requested by Newmont, and (d) authorize and facilitate discussions, meetings and other engagement by Newmont, its subsidiaries or affiliates with Goldcorp's or its subsidiaries' lenders.

The consummation of the arrangement is not conditioned upon the consummation of, or the receipt by Newmont of proceeds from, any debt financing.

THE SUPPORT AND VOTING AGREEMENTS

The summary of the material provisions of the support and voting agreements below and elsewhere in this proxy statement is qualified in its entirety by reference to the form of support and voting agreements, copies of which are attached to this proxy statement as Annex C and Annex D. This summary may not contain all of the information about the support and voting agreements that is important to you. We urge you to read carefully the form of support and voting agreements in their entirety, before making a decision on the amendment proposal or the share issuance proposal presented.

On January 14, 2019, in connection with the signing of the arrangement agreement, each of Goldcorp and Newmont entered into support and voting agreements with one another's directors and certain members of one another's respective executive leadership teams, in their capacity as shareholders or stockholders, as applicable. As of February 22, 2019, the record date of the Goldcorp meeting, Goldcorp shareholders subject to support and voting agreements with Newmont, collectively, owned, directly or indirectly, or exercised control or direction over, an aggregate of approximately 0.57% of the outstanding Goldcorp common shares on a non-diluted basis and approximately 0.66% of the outstanding Goldcorp common shares on a partially-diluted basis, assuming the exercise or vesting of their Goldcorp options and Goldcorp RSUs. As of the record date of the Newmont special meeting, Newmont stockholders subject to support and voting agreements with Goldcorp, which includes all 12 current directors of Newmont and Thomas Palmer, Nancy Buese, Elaine Dorward-King, Randy Engel, Stephen Gottesfeld, Scott Lawson, William MacGowan and Marcelo Godoy from the Newmont executive leadership team, collectively, owned, directly or indirectly, or exercised control or direction over, an aggregate of approximately 0.22% of the outstanding shares of Newmont common stock on a non-diluted basis and approximately 0.56% of the outstanding Newmont common stock on a partially-diluted basis, assuming the exercise or vesting of their Newmont RSUs, Newmont PSUs, Newmont options and Newmont DSUs.

The support and voting agreements set forth, among other things, the agreement of such stockholders or shareholders, as applicable, to (a) vote all of their shares in favor of the Goldcorp resolution, in the case of Goldcorp shareholders, and the amendment proposal and share issuance proposal, in the case of Newmont stockholders, as well as any other resolutions necessary for the consummation of the arrangement and against any resolution, action, proposal, transaction or agreement proposed by any person that could reasonably be expected to adversely affect or reduce the likelihood of the successful completion of the arrangement or delay or interfere with the completion of the arrangement; (b) if requested, deliver or cause to deliver to the applicable transfer agent duly executed proxies or voting instruction forms completed as specified in the support and voting agreement; (c) not to take any other action of any kind, including voting or not voting and relevant securities, that would reasonably be expected to preclude, delay or interfere with the completion of the arrangement; and (d) not to, directly or indirectly, sell transfer, pledge or assign, or agree to sell transfer, pledge or assign, any of the relevant securities governed by the support and voting agreement (except with consent or pursuant to the arrangement agreement or a permitted 10b5-1 plan). Goldcorp shareholders also agree not to exercise any rights to dissent or rights of appraisal in connection with the arrangement.

Notwithstanding the above, if the board of directors of Goldcorp changes its recommendation that the shareholders of Goldcorp approve the Goldcorp resolution, or the board of directors of Newmont changes its recommendation that the stockholders of Newmont approve the amendment proposal and share issuance proposal, the stockholders or shareholders, as applicable, subject to support and voting agreements will be entitled to abstain from voting on (a) the approval, consent, ratification and adoption of such resolutions, as applicable, and any other matter necessary for the consummation of the arrangement, and (b) any matter that could reasonably be expected to adversely affect or reduce the likelihood of the successful completion of the arrangement or delay or interfere with, the completion of the arrangement.

Table of Contents

The support and voting agreements terminate upon the earliest of: (a) mutual written agreement; (b) the termination of the arrangement agreement in accordance with its terms; (c) Goldcorp or Newmont, as applicable, varying the terms of the arrangement agreement in a manner that is materially adverse to the stockholder or shareholder, as applicable, without consent or, in the case of the support and voting agreements entered into with Newmont, if Newmont decreases the amount of consideration set out in the arrangement agreement; or (d) the effective time of the arrangement.

**PROPOSAL 1
INCREASE IN AUTHORIZED SHARES**

The increase in the number of authorized shares of common stock in the Restated Certificate of Incorporation is intended to permit the issuance of a sufficient number of shares of common stock, to be issued as consideration shares in connection with the arrangement.

The arrangement agreement requires that Newmont issue and deliver to Goldcorp approximately 285 million shares of common stock, which is referred to as the consideration shares. In order to issue the consideration shares to Goldcorp shareholders in connection with the arrangement, it is necessary to amend our certificate of incorporation to increase the amount of authorized capital stock from 755,000,000 shares, divided into 750,000,000 shares of common stock, par value \$1.60, and 5,000,000 shares of preferred stock, par value \$5.00, to 1,285,000,000 shares, divided into 1,280,000,000 shares of common stock, par value \$1.60, and 5,000,000 shares of preferred stock, par value \$5.00. The arrangement agreement also requires that Newmont change its name to "Newmont Goldcorp Corporation." The Newmont board of directors has also approved, subject to commencement of the arrangement, an amendment to Restated Certificate of Incorporation to amend Newmont's name. The Newmont board of directors has unanimously adopted resolutions approving and declaring advisable, and recommending that our stockholders adopt, the Restated Certificate of Incorporation.

This Proposal 1 and Proposal 2 are conditioned upon each other. Adoption by our stockholders of the Restated Certificate of Incorporation is a condition to the closing of the arrangement and is necessary for Newmont to issue the common stock to Goldcorp at the closing. Accordingly, if this Proposal 1 is not adopted at the special meeting, a condition to the closing of the arrangement will not be satisfied and the arrangement will not be completed.

REQUIRED VOTE AND BOARD OF DIRECTORS' RECOMMENDATION

Assuming the presence of a quorum, in order to become effective this proposal requires the affirmative vote of the holders of a majority of the outstanding shares of Newmont's common stock as of the record date for the special meeting. An abstention from voting or a broker non-vote on this proposal will have the same effect as a vote against this proposal.

The Newmont board of directors unanimously recommends that you vote "**FOR**" the approval of this proposal.

PROPOSAL 2
ISSUANCE OF NEWMONT SHARES IN CONNECTION WITH THE TRANSACTION

The Newmont board of directors has unanimously adopted a resolution authorizing, approving, declaring advisable and recommending to Newmont stockholders for their approval the issuance of shares of Newmont common stock to Goldcorp shareholders in connection with the arrangement.

Section 312.03 of the NYSE Listed Company Manual requires stockholder approval for the issuance of Newmont common stock in instances where the number of securities issued or issuable in payment of the purchase price in a transaction such as the arrangement exceeds 20% of the number of securities of the listed issuer which are outstanding.

As of February 20, 2019, 534,633,309 shares of Newmont common stock were issued and outstanding, of which 1,963,864 were treasury shares. Upon the consummation of the arrangement, Goldcorp shareholders would acquire an aggregate of up to approximately 285 million shares of Newmont common stock, which represents approximately 53% of the shares of Newmont common stock issued and outstanding prior to the consummation of the arrangement. Upon the consummation of the arrangement, Goldcorp shareholders would represent approximately 35% of the shares of Newmont common stock issued and outstanding.

This Proposal 2 and Proposal 1 are conditioned upon each other. Adoption by our stockholders of the issuance of shares of Newmont common stock to Goldcorp shareholders is a condition to the closing of the arrangement and is necessary for Newmont to issue the common stock to Goldcorp at the closing. Accordingly, if this Proposal 2 is not adopted at the special meeting, a condition to the closing of the arrangement will not be satisfied and the arrangement will not be completed.

REQUIRED VOTE AND BOARD OF DIRECTORS' RECOMMENDATION

Assuming the presence of a quorum, in order to become effective this proposal requires the affirmative vote of the holders of a majority of the shares of Newmont's common stock properly cast on the proposal at the special meeting. Under the rules of the NYSE, an abstention is effectively treated as a vote cast against this proposal. A broker non-vote on this proposal will have no effect on the outcome of the vote on this proposal.

The Newmont board of directors unanimously recommends that you vote "**FOR**" the approval of this proposal.

**PROPOSAL 3
ADJOURNMENT OF SPECIAL MEETING**

Newmont is asking its stockholders to consider and vote on a proposal, subject to the provisions of the arrangement agreement, to approve the adjournment of the Newmont special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes to approve the amendment proposal or the share issuance proposal.

If the number of shares of Newmont common stock present in person or represented by proxy at the special meeting voting in favor of the amendment proposal and the share issuance proposal is insufficient to approve the amendment proposal or the share issuance proposal at the time of the special meeting, then Newmont may move to adjourn the special meeting in order to enable its board of directors to solicit additional proxies in respect of the amendment proposal or the share issuance proposal. In that event, Newmont stockholders will be asked to vote only upon the adjournment proposal, and not on the amendment proposal and the share issuance proposal.

In this proposal, you are being asked to authorize the holder of any proxy solicited by the Newmont board of directors to vote in favor of granting discretionary authority to the proxy or attorney-in-fact to adjourn the special meeting one or more times for the purpose of soliciting additional proxies. If Newmont stockholders approve the adjournment proposal, Newmont could adjourn the special meeting and any adjourned session of the special meeting and use the additional time to solicit additional proxies, including the solicitation of proxies from Newmont stockholders that have previously returned properly executed proxies or authorized a proxy by using the Internet or telephone. Among other things, approval of the adjournment proposal could mean that, even if Newmont has received proxies representing a sufficient number of votes against the amendment proposal or the share issuance proposal such that the amendment proposal or the share issuance proposal would be defeated, Newmont could adjourn the special meeting without a vote on the amendment proposal or the share issuance proposal and seek to obtain sufficient votes in favor of the amendment proposal or the share issuance proposal to obtain approval of the amendment proposal or the share issuance proposal.

REQUIRED VOTE AND BOARD OF DIRECTORS' RECOMMENDATION

In order to become effective this proposal requires the affirmative vote of the holders of a majority of the shares of Newmont common stock properly cast on this proposal at the special meeting. Abstentions, failures to submit a proxy (if you do not attend the special meeting in person) and any broker non-votes will have no effect on the outcome of the vote on this proposal.

The Newmont board of directors unanimously recommends that you vote "**FOR**" the approval of this proposal.

2.9 Final Order

2.10 Court Proceedings

Subject to the terms of this Agreement, Newmont shall cooperate with and assist Goldcorp in seeking the Interim Order and the Final Order, including by providing to Goldcorp, on a timely basis, any information reasonably required to be supplied by Newmont in connection therewith. Goldcorp shall provide Newmont's legal counsel with reasonable opportunity to review and comment upon drafts of all material to be filed with the Court in connection with the Arrangement, and will give reasonable consideration to all such comments. Subject to applicable Law, Goldcorp shall not file any material with the Court in connection with the Arrangement or serve any such material, and shall not agree to modify or amend materials so filed or served, except as contemplated by this Section 2.10 or with Newmont's prior written consent, such consent not to be unreasonably withheld, conditioned or delayed; provided that, nothing herein shall require Newmont to agree or consent to any increase in or variation in the form of Consideration or other modification or amendment to such filed or served materials that expands or increases Newmont's obligations, or diminishes or limits Newmont's rights, set forth in any such filed or served materials or under this Agreement or the Arrangement. Goldcorp shall also provide to Newmont's legal counsel on a timely basis, copies of any notice of appearance, evidence or other Court documents served on Goldcorp in respect of the application for the Interim Order or the Final Order or any appeal therefrom and of any notice, whether written or oral, received by Goldcorp indicating any intention to oppose the granting of the Interim Order or the Final Order or to appeal the Interim Order or the Final Order. Goldcorp shall ensure that all materials filed with the Court in connection with the Arrangement are consistent with the terms of this Agreement and the Plan of Arrangement. In addition, Goldcorp shall not object to Newmont's legal counsel making such submissions on the hearing of the motion for the Interim Order and the application for the Final Order as such counsel considers appropriate, provided that Goldcorp is advised of the nature of any

submissions prior to the hearing and such submissions are consistent in all material respects with this Agreement and the Plan of Arrangement. Goldcorp shall also oppose any proposal from any party that the Final Order contain any provision inconsistent with this Agreement, and, if at any time after the issuance of the Final Order and prior to the Effective Date, Goldcorp is required by the terms of the Final Order or by Law to return to Court with respect to the Final Order, it shall do so after notice to, and in consultation and cooperation with, Newmont.

2.11 U.S. Securities Law Matters

The Parties agree that the Arrangement will be carried out with the intention that, and will use their commercially reasonable best efforts to ensure that, all (i) Consideration Shares issued under the Arrangement will be issued by Newmont in exchange for Goldcorp Shares and (ii) Replacement RSUs to be issued to holders of Goldcorp RSUs in exchange for their Goldcorp RSUs, pursuant to the Plan of Arrangement, whether in the United States, Canada or any other country, in reliance on the exemption from the registration requirements of the U.S. Securities Act provided by Section 3(a)(10) thereof. In order to ensure the availability of the exemption under Section 3(a)(10) of the U.S. Securities Act and to facilitate Newmont's compliance with other U.S. Securities Laws, the Parties agree that the Arrangement will be carried out on the following basis:

- (a) the Court will be asked to approve the procedural and substantive fairness of the terms and conditions of the Arrangement;
- (b) prior to the issuance of the Interim Order, the Court will be advised of the intention of Newmont and Goldcorp to rely on the exemption provided by Section 3(a)(10) of the U.S. Securities Act with respect to the issuance of Consideration Shares to Goldcorp Shareholders and Replacement RSUs to holders of Goldcorp RSUs, as the case may be, pursuant to the Arrangement, based on the Court's approval of the Arrangement;
- (c) prior to the issuance of the Interim Order, Goldcorp will file with the Court a draft copy of the proposed text of the Goldcorp Circular together with any other documents required by Law in connection with the Goldcorp Meeting;
- (d) the Court will be advised prior to the hearing that its approval of the Arrangement will be relied upon as a determination that the Court has satisfied itself as to the procedural and substantive fairness of the terms and conditions of the Arrangement to all Persons who are entitled to receive Consideration Shares to Goldcorp Shareholders and Replacement RSUs to holders of Goldcorp RSUs, as the case may be, pursuant to the Arrangement;
- (e) Goldcorp will ensure that each Goldcorp Shareholder and other Person entitled to receive Consideration Shares and each holder of Goldcorp RSUs entitled to receive Replacement RSUs, as the case may be, pursuant to the Arrangement will be given adequate and appropriate notice advising them of their right to attend the hearing of the Court to approve the procedural and substantive fairness of the terms and conditions of the Arrangement and providing them with sufficient information necessary for them to exercise that right;
- (f) the Final Order will expressly state that the Arrangement is approved by the Court as being procedurally and substantively fair to all Persons entitled to receive Consideration Shares to Goldcorp Shareholders and Replacement RSUs to holders of Goldcorp RSUs, as the case may be, pursuant to the Arrangement;
- (g) Goldcorp shall request that the Final Order shall include a statement to substantially the following effect: "This Order will serve as a basis of a claim to an exemption, pursuant to Section 3(a)(10) of the United States Securities Act of 1933, as amended, from the registration requirements otherwise imposed by that act, regarding the distribution of securities of Newmont, pursuant to the Plan of Arrangement;"

Table of Contents

- (h) the Interim Order will specify that each Person entitled to receive Consideration Shares or Replacement RSUs, as the case may be, pursuant to the Arrangement will have the right to appear before the Court at the hearing of the Court to give approval of the Arrangement;
- (i) the Court will hold a hearing before approving the fairness of the terms and conditions of the Arrangement and issuing the Final Order;
- (j) all Consideration Shares issued to Persons in the United States will be registered or qualified under the securities laws of each state, territory or possession of the United States in which any Person receiving Consideration Shares is located, unless an exemption from such state securities law registration or qualification requirements is available. In addition, each Person entitled to receive Consideration Shares will be advised that the Consideration Shares issued pursuant to the Arrangement have not been registered under the U.S. Securities Act and will be issued by Newmont in reliance on the exemption from registration under Section 3(a)(10) of the U.S. Securities Act; and
- (k) Holders of Goldcorp RSUs entitled to receive Replacement RSUs will be advised that the Replacement RSUs issued pursuant to the Arrangement have not been registered under the U.S. Securities Act and will be issued by Newmont in reliance on the exemption from registration under the U.S. Securities Act pursuant to Section 3(a)(10) thereof, but that such exemption does not exempt the issuance of securities upon the delivery of Newmont Shares covered by such securities; therefore, the underlying Newmont Shares issuable in respect of the Replacement RSUs, if any, cannot be issued in the U.S. or to a person in the U.S. in reliance upon the exemption from registration provided by Section 3(a)(10) and the Replacement RSUs may only be issued pursuant to an effective registration statement or a then available exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws, if any.

2.12 Arrangement and Effective Date

The Arrangement shall become effective on the date upon which Goldcorp and Newmont agree in writing as the Effective Date or, in the absence of such agreement, five Business Days following the satisfaction or waiver of all conditions to completion of the Arrangement set out in Article 6 (excluding any conditions that, by their terms, cannot be satisfied until the Effective Date, but subject to the satisfaction or, where not prohibited, waiver of those conditions as of the Effective Date by the applicable Party or Parties for whose benefit such conditions exist) and the Arrangement (and the Articles of Arrangement) shall be effective at the Effective Time on the Effective Date and will have all of the effects provided by applicable Law. The closing of the Arrangement will take place at the offices of Goodmans LLP on the Effective Date in Toronto, Ontario at the Effective Time, or at such other time and place as may be agreed to by the Parties.

2.13 Payment of Consideration

Newmont will, following receipt by Goldcorp of the Final Order and prior to the Effective Time, deposit in escrow with the Depositary (the terms and conditions of such escrow to be satisfactory to the Parties, acting reasonably) sufficient funds and Newmont Shares to satisfy the aggregate Consideration payable to Goldcorp Shareholders pursuant to the Plan of Arrangement.

2.14 Announcement and Shareholder Communications

The Parties agree to issue a joint press release with respect to this Agreement as soon as practicable after its due execution. Newmont and Goldcorp agree to cooperate in the preparation of presentations, if any, to Newmont Stockholders and Goldcorp Securityholders regarding the transactions contemplated by this Agreement. Each Party shall: (a) not issue any press release or otherwise make public statements with respect to this Agreement or the Arrangement without the

consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed; and (b) not make any filing with any Governmental Entity with respect to this Agreement or the Arrangement without the consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed. Each Party shall enable the other Party to review and comment on all such press releases prior to the release thereof and shall enable the other Party to review and comment on such filings prior to the filing thereof (other than with respect to confidential information contained in such filing); provided, however, that the foregoing shall be subject to each Party's overriding obligation to make any disclosure or filing in accordance with applicable Laws, including U.S. Securities Laws, and if such disclosure or filing is required and the other Party has not reviewed or commented on the disclosure or filing, the Party making such disclosure or filing shall use commercially reasonable efforts to give prior oral or written notice to the other Party, and if such prior notice is not possible, to give such notice immediately following the making of such disclosure or filing. For the avoidance of doubt, the foregoing shall not prevent either Party from making internal announcements to employees and having discussions with shareholders and financial analysts and other stakeholders so long as the content of such statements and announcements are consistent with and limited in all material respects to the content contained in the most recent press releases, public disclosures or public statements made by the Parties. Notwithstanding the foregoing, the provisions of this Section 2.14 related to the approval or contents of filings with Governmental Entities will not apply with respect to filings in connection with the Regulatory Approvals, the Goldcorp Circular, the Newmont Proxy Statement, the Interim Order or the Final Order which are governed by other sections of this Agreement. The restrictions set forth in this Section 2.14 shall not apply to any release or public statement in connection with any dispute regarding this Agreement or the transactions contemplated hereby.

2.15 Withholding Taxes

Newmont, Goldcorp, any of their affiliates and the Depositary, as applicable, shall be entitled to deduct and withhold, or direct any other Person to deduct and withhold on their behalf, from any amounts otherwise payable, issuable or otherwise deliverable to any Goldcorp Shareholders (including in their capacity as former Goldcorp Equity Award Holders), Goldcorp Equity Award Holders and any other Person under the Plan of Arrangement such amounts as are required or reasonably believed to be required to be deducted and withheld from such amounts under any provision of any Law in respect of Taxes. To the extent any such amounts are so deducted and withheld, such amounts shall be treated for all purposes under this Agreement and the Plan of Arrangement as having been paid to the Person in respect of which such deduction and withholding was made. To the extent that the amount so required to be deducted or withheld from any amounts payable, issuable or otherwise deliverable to a Person under the Plan of Arrangement exceeds the amount of cash otherwise payable to such Person, Newmont, Goldcorp, any of their affiliates and the Depositary are hereby authorized to sell or otherwise dispose, or direct any other Person to sell or otherwise dispose, of such portion of the non-cash consideration or non-cash amounts payable, issuable or otherwise deliverable hereunder to such Person as is necessary to provide sufficient funds to Newmont, Goldcorp, any of their affiliates and the Depositary, as the case may be, to enable it to comply with such deduction or withholding requirement and Newmont, Goldcorp, any of their affiliates and the Depositary, as applicable, shall notify the relevant Person of such sale or other disposition and remit to such Person any unapplied balance of the net proceeds of such sale or other disposition (after deduction for (x) the amounts required to satisfy the required withholding under the Plan of Arrangement in respect of such Person, (y) reasonable commissions payable to the broker and (z) other reasonable costs and expenses).

2.16 Adjustment of Consideration

- (a) Notwithstanding anything in this Agreement to the contrary, if, between the date of this Agreement and the Effective Time, the issued and outstanding Newmont Shares shall have been changed into a different number of shares by reason of any split or consolidation of the issued and outstanding Newmont Shares, then the Consideration to be paid per Goldcorp

Table of Contents

Share shall be appropriately adjusted to provide to Goldcorp Shareholders the same economic effect as contemplated by this Agreement and the Arrangement prior to such action and as so adjusted shall, from and after the date of such event, be the Consideration to be paid per Goldcorp Share.

(b)

If on or after the date hereof, Goldcorp declares, sets aside or pays any dividend or other distribution to the Goldcorp Shareholders of record as of a time prior to the Effective Time, except for Goldcorp's current regular quarterly dividend paid to Goldcorp shareholders in the ordinary course consistent with past practice, Newmont shall make such adjustments to the Consideration as it determines acting in good faith to be necessary to restore the original agreement of the parties in the circumstances. For greater certainty, if Goldcorp takes any of the actions referred to above, the aggregate Consideration to be paid by Newmont shall be decreased by an equivalent amount.

2.17 Name Change and Governance and Transitional Matters

Newmont covenants with Goldcorp that it will take all actions necessary to ensure that, as of the Effective Time:

(e)

Notwithstanding any other provision of this Agreement, if at any time following the date of this Agreement, and prior to the Goldcorp Shareholder Approval having been obtained, Goldcorp receives a request for material non-public information or to enter into discussions, from a Person that proposes to Goldcorp an unsolicited *bona fide* written Goldcorp Acquisition Proposal that did not result from a breach of this Section 5.8 (and which has not been withdrawn) and the Goldcorp Board determines, in good faith after consultation with its outside financial and legal advisors, that such Goldcorp Acquisition Proposal constitutes or would reasonably be expected to constitute a Goldcorp Superior Proposal (disregarding, for the purposes of such determination, any due diligence or access condition to which such Goldcorp Acquisition Proposal is subject), then, and only in such case, Goldcorp may (x) enter into, participate in, facilitate and maintain discussions or negotiations with, and otherwise cooperate with or assist, the Person making such Goldcorp Acquisition Proposal, and (y) provide the Person making such Goldcorp Acquisition Proposal with, or access to, confidential information regarding Goldcorp and its Subsidiaries, but only to the extent that Newmont had previously been, or is concurrently, provided with, or access to, the same information, if, and only if:

Goldcorp has entered into a confidentiality and standstill agreement on terms no less favourable in aggregate to Goldcorp than the Confidentiality Agreement; and

(ii)

Goldcorp has been, and continues to be, in material compliance with this Section 5.8.

(f)

Notwithstanding any other provision of this Agreement, Goldcorp shall not make a Goldcorp Change in Recommendation unless all of the following are satisfied:

(i)

the Goldcorp Board has determined that the Goldcorp Acquisition Proposal constitutes a Goldcorp Superior Proposal;

(ii)

the Goldcorp Shareholder Approval has not been obtained;

(iii)

Goldcorp has been, and continues to be, in material compliance with this Section 5.8;

- (h) Goldcorp acknowledges and agrees that, during the Newmont Response Period or such longer period as Goldcorp may approve for such purpose, Newmont shall have the opportunity, but not the obligation, to propose to amend the terms of this Agreement, including an increase in, or modification of, the Consideration. The Goldcorp Board will review any such proposal to determine in good faith whether Newmont's proposal to amend the Agreement would result in the Goldcorp Acquisition Proposal ceasing to be a Goldcorp Superior Proposal. If the Goldcorp Board determines that the Goldcorp Acquisition Proposal is not a Goldcorp Superior Proposal as compared to the proposed amendments to the terms of the Agreement, it will promptly advise Newmont and enter into an amended agreement with Newmont reflecting such proposed amendments. If the Goldcorp Board continues to believe in good faith, after consultation with its financial advisors and outside legal counsel, that such Goldcorp Acquisition Proposal remains a Goldcorp Superior Proposal and therefore rejects Newmont offer to amend this Agreement and the Arrangement, if any, Goldcorp may, subject to compliance with the other provisions hereof, make a Goldcorp Change of Recommendation. Each successive modification of any Goldcorp Acquisition Proposal shall constitute a new Goldcorp Acquisition Proposal for the purposes of this Section 5.8 and Newmont shall be afforded a new Newmont Response Period in respect of each such Goldcorp Acquisition Proposal from the date on which Newmont received the notice and documentation referred to in Section 5.8(f)(iv) in respect of such new Goldcorp Superior Proposal from Goldcorp.
- (i) In circumstances where Goldcorp provides Newmont with notice of a Goldcorp Superior Proposal and all documentation contemplated by Section 5.8(f)(iv) on a date that is less than seven Business Days prior to the Goldcorp Meeting, Goldcorp may, or if and as requested by Newmont, Goldcorp shall, either proceed with or postpone the Goldcorp Meeting to a date that is not more than seven Business Days after the scheduled date of such Goldcorp Meeting, as directed by Newmont, provided, however, that the Goldcorp Meeting shall not be adjourned or postponed to a date later than the seventh Business Day prior to the Outside Date.
- (j) Without limiting the generality of the foregoing, Goldcorp shall advise its Subsidiaries and its Representatives of the prohibitions set out in this Section 5.8 and any violation of the restrictions set forth in this Section 5.8 by Goldcorp, its Subsidiaries or Representatives is deemed to be a breach of this Section 5.8 by Goldcorp.

(v) make any public announcement or take any other action inconsistent with the approval, recommendation or declaration of advisability of the Newmont Board of the transactions contemplated hereby.

(b) Newmont shall, and shall cause its Subsidiaries and Representatives to, immediately cease any existing solicitation, discussions, negotiations or other activities commenced prior to the date of this Agreement with any Person (other than Goldcorp and its Subsidiaries or affiliates) conducted by Newmont or any of its Subsidiaries or Representatives with respect to any inquiry, proposal or offer that constitutes, or would reasonably be expected to constitute or lead to, a Newmont Acquisition Proposal, and, in connection therewith, Newmont will discontinue access to and disclosure of its and its Subsidiaries' confidential information (and not allow access to or disclosure of any such confidential information, or any data room, virtual or otherwise) and shall as soon as possible request, and use its commercially reasonable efforts to exercise all rights it has (or cause its Subsidiaries to exercise any rights that they have) to require the return or destruction of all confidential information regarding Newmont and its Subsidiaries previously provided in connection therewith to any Person other than Goldcorp to the extent such information has not already been returned or destroyed and use commercially reasonable efforts to ensure that such obligations are fulfilled.

(c) Newmont represents and warrants as of the date of this Agreement that neither Newmont nor any of its Subsidiaries has waived any standstill, confidentiality, non-disclosure, business purpose, use or similar agreement or restriction to which Newmont or any of its Subsidiaries is a Party, except to permit submissions of expressions of interest prior to the date of this Agreement. Newmont covenants and agrees that (i) it shall enforce each standstill, confidentiality, non-disclosure, business purpose, use or similar agreement or restriction to which Newmont or any of its Subsidiaries is a party, and (ii) neither Newmont nor any of its Subsidiaries nor any of their respective Representatives has (within the last 12 months) or will, without the prior written consent of Goldcorp (which may be withheld or delayed in Goldcorp's sole and absolute discretion),

release any Person from, or waive, amend, suspend or otherwise modify such Person's obligations respecting Newmont, or any of its Subsidiaries, under any standstill, confidentiality, non-disclosure, business purpose, use or similar agreement or restriction to which Newmont or any of its Subsidiaries is a party; provided, however, that the Parties acknowledge and agree that the automatic termination or release of any such standstill, confidentiality, non-disclosure, business purpose, use or similar agreement or restriction in accordance with its terms shall not be a breach of this Section 5.8(c).

- (d) Newmont shall as soon as practicable, and in any event, within 24 hours, notify Goldcorp (orally at first and then in writing, in each case within 24 hours) if it receives or otherwise becomes aware of any inquiry, proposal or offer that constitutes or would reasonably be expected to constitute or lead to a Newmont Acquisition Proposal, of such Newmont Acquisition Proposal, inquiry, proposal or offer, including the identity of the Person making such Newmont Acquisition Proposal, inquiry, proposal or offer and the material terms and conditions thereof and copies of all material or substantive documents received in respect of, from or on behalf of any such Person. Newmont shall keep Goldcorp promptly and fully informed of the material developments and discussions and negotiations with respect to such Newmont Acquisition Proposal, inquiry, proposal or offer, including any material changes, modifications or other amendments thereto.
- (e) Notwithstanding any other provision of this Agreement, if at any time following the date of this Agreement, and prior to the Newmont Stockholder Approval having been obtained, Newmont receives a request for material non-public information or to enter into discussions, from a Person that proposes to Newmont an unsolicited *bona fide* written Newmont Acquisition Proposal that did not result from a breach of this Section 5.9 (and which has not been withdrawn) and the Newmont Board determines, in good faith after consultation with its outside financial and legal advisors, that such Newmont Acquisition Proposal constitutes or would reasonably be expected to constitute a Newmont Superior Proposal (disregarding, for the purposes of such determination, any due diligence or access condition to which such Newmont Acquisition Proposal is subject), then, and only in such case, Newmont may (x) enter into, participate in, facilitate and maintain discussions or negotiations with, and otherwise cooperate with or assist the Person making such Newmont Acquisition Proposal, and (y) provide the Person making such Newmont Acquisition Proposal with, or access to, confidential information regarding Newmont and its Subsidiaries, but only to the extent that Goldcorp had previously been, or is concurrently, provided with, or access to, the same information, if, and only if:
- (i) Newmont has entered into a confidentiality and standstill agreement on terms no less favourable in aggregate to Newmont than the Confidentiality Agreement; and
 - (ii) Newmont has been, and continues to be, in material compliance with this Section 5.9.
- (f) Notwithstanding any other provisions of this Agreement, Newmont shall not make a Newmont Change in Recommendation unless all of the following are satisfied:
- (i) the Newmont Board has determined that the Acquisition Proposal constitutes a Superior Proposal;
 - (ii) the Newmont Stockholder Approval has not been obtained;
 - (iii) Newmont has been, and continues to be, in material compliance with this Section 5.9;
 - (iv) Newmont has promptly provided Goldcorp with a notice in writing that there is a Newmont Superior Proposal, together with all documentation related to and detailing the Newmont Superior Proposal, including a copy of any proposed agreement relating to such Newmont Superior Proposal;

- (v) five Business Days (the "**Goldcorp Response Period**") shall have elapsed from the date Goldcorp received the notice and documentation referred to in Section 5.9(f)(iv) from Newmont; and
- (vi) if Goldcorp has proposed to amend the terms of the Arrangement in accordance with Section 5.9(h), the Newmont Board shall have determined, in good faith, after consultation with its outside financial and legal advisors, that the Newmont Acquisition Proposal remains a Newmont Superior Proposal compared to the proposed amendment to the terms of the Arrangement by Goldcorp, if applicable.
- (g) For greater certainty, notwithstanding any Newmont Change in Recommendation, unless this Agreement has been terminated in accordance with its terms, Newmont shall cause the Newmont Meeting to occur and the Newmont Resolutions to be put to the Newmont Stockholders thereat for consideration in accordance with this Agreement, and Newmont shall not, except as required by applicable Law, submit to a vote of its shareholders any Newmont Acquisition Proposal other than the Newmont Resolutions prior to the termination of this Agreement.
- (h) Newmont acknowledges and agrees that, during the Goldcorp Response Period or such longer period as Newmont may approve for such purpose, Goldcorp shall have the opportunity, but not the obligation, to propose to amend the terms of this Agreement, including a modification of the Consideration. The Newmont Board will review any such proposal to determine in good faith whether Goldcorp's proposal to amend the Agreement would result in the Newmont Acquisition Proposal ceasing to be a Newmont Superior Proposal. If the Newmont Board determines that the Newmont Acquisition Proposal is not a Newmont Superior Proposal as compared to the proposed amendments to the terms of the Agreement, it will promptly advise Goldcorp and enter into an amended agreement with Goldcorp reflecting such proposed amendments. If the Newmont Board continues to believe in good faith, after consultation with its financial advisors and outside legal counsel, that such Newmont Acquisition Proposal remains a Newmont Superior Proposal and therefore rejects Goldcorp offer to amend this Agreement and the Arrangement, if any, Newmont may, subject to compliance with the other provisions hereof, make a Newmont Change in Recommendation. Each successive modification of any Newmont Acquisition Proposal shall constitute a new Newmont Acquisition Proposal for the purposes of this Section 5.9 and Newmont shall be afforded a new Goldcorp Response Period in respect of each such Newmont Acquisition Proposal from the date on which Goldcorp received the notice and documentation referred to in Section 5.9(f)(iv) in respect of such new Newmont Superior Proposal from Newmont.
- (i) In circumstances where Newmont provides Goldcorp with notice of a Newmont Superior Proposal and all documentation contemplated by Section 5.9(f)(iv) on a date that is less than seven Business Days prior to the Newmont Meeting, Newmont may, or if and as requested by Goldcorp, Newmont shall, either proceed with or postpone the Newmont Meeting to a date that is not more than seven Business Days after the scheduled date of such Newmont Meeting, as directed by Goldcorp, provided, however, that the Newmont Meeting shall not be adjourned or postponed to a date later than the seventh Business Day prior to the Outside Date.
- (j) Without limiting the generality of the foregoing, Newmont shall advise its Subsidiaries and its Representatives of the prohibitions set out in this Section 5.9 and any violation of the restrictions set forth in this Section 5.9 by Newmont, its Subsidiaries or Representatives is deemed to be a breach of this Section 5.9 by Newmont.

5.10 Access to Information; Confidentiality

- (a) From the date hereof until the earlier of the Effective Time and the termination of this Agreement pursuant to its terms, subject to compliance with applicable Laws, each of Newmont and Goldcorp shall, and shall cause its Representatives to, afford to the other and its representatives such access

as the other Party may reasonably require at all reasonable times, to its officers, employees, agents, properties, books, records and contracts, and shall furnish the other Party with all data and information as it may reasonably request; *provided* that the Party furnishing data or information (the "**Furnishing Party**") shall not be required to (or to cause any of the Furnishing Party's Subsidiaries to) afford such access or furnish such information to the extent that the Furnishing Party believes, in its reasonable good faith judgment, that doing so would (A) result in the loss of attorney-client, work product or other privilege, (B) result in the disclosure of any trade secrets of third parties or violate any obligations of the Furnishing Party or any of the Furnishing Party's Subsidiaries with respect to confidentiality to any third party, or otherwise breach, contravene or violate any such effective Contract to which the Furnishing Party or any Subsidiary of the Furnishing Party is a party or (C) breach, contravene or violate any applicable Law; *provided* that the Furnishing Party shall use its reasonable best efforts to cause such information to be provided in a manner that would not violate the foregoing, and provided that nothing in this section shall limit the obligations contained in Section 5.7.

- (b) Newmont and Goldcorp acknowledge and agree that information furnished pursuant to this Section 5.10 shall be subject to the terms and conditions of the Confidentiality Agreement. Any such investigation by a Party and its representatives shall not mitigate, diminish or affect the representations and warranties of the other Party contained in this Agreement or any document or certificate given pursuant hereto.

5.11 Insurance and Indemnification

- (a) Prior to the Effective Time, Goldcorp shall purchase customary "tail" policies of directors' and officers' liability insurance from a reputable and financially sound insurance carrier and containing terms and conditions no less favourable in the aggregate to the protection provided by the policies maintained by Goldcorp and its Subsidiaries which are in effect immediately prior to the Effective Date and providing protection in respect of claims arising from facts or events which occurred on or prior to the Effective Time and Goldcorp will and will cause its Subsidiaries to, maintain such "tail" policies in effect without any reduction in scope or coverage for six years from the Effective Time; provided, that Goldcorp and its Subsidiaries shall not be required to pay any amounts in respect of such coverage prior to the Effective Time and provided further that the cost of such policies shall not exceed 250% of Goldcorp's current annual aggregate premium for policies currently maintained by Goldcorp or its Subsidiaries.
- (b) Goldcorp will, and will cause its Subsidiaries to, honour all rights to indemnification or exculpation now existing in favour of present and former employees, officers and directors of Goldcorp and its Subsidiaries under Law and under the articles or other constating documents of Goldcorp and/or its Subsidiaries or under any agreement or contract of any indemnified person with Goldcorp or with any of its Subsidiaries, and acknowledges that such rights shall survive the completion of the Plan of Arrangement, and, to the extent within the control of Goldcorp, Goldcorp shall ensure that the same shall not be amended, repealed or otherwise modified in any manner that would adversely affect any right thereunder of any such indemnified person and shall continue in full force and effect in accordance with their terms for a period of not less than six years from the Effective Date.
- (c) From and following the Effective Time, Newmont will cause Goldcorp to comply with its obligations under Section 5.11(a) and Section 5.11(b).
- (d) If Newmont, Goldcorp or any of its Subsidiaries or any of their respective successors or assigns (i) consolidates with or merges into any other person and is not a continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfers all or substantially all of its properties and assets to any person, Newmont shall ensure that any such successor or assign

(including, as applicable, any acquirer of substantially all of the properties and assets of the Company or its subsidiaries) assumes all of the obligations set forth in this Section 5.11.

- (e) The provisions of this Section 5.11 are intended for the benefit of, and shall be enforceable by, each insured or indemnified Person, his or her heirs and his or her legal representatives and, for such purpose, Goldcorp hereby confirms that it is acting as trustee on their behalf, and agrees to enforce the provisions of this Section 5.11 on their behalf. Furthermore, this Section 5.11 shall survive the termination of this Agreement as a result of the occurrence of the Effective Date for a period of six years.

5.12 Pre-Acquisition Reorganization

- (a) Subject to Section 5.12(b), Goldcorp agrees that, upon request of Newmont, Goldcorp shall use its commercially reasonable efforts to (i) perform such reorganizations of its corporate structure, capital structure, business, operations and assets or such other transactions as Newmont may request prior to the Effective Date, acting reasonably (each a "**Pre-Acquisition Reorganization**"), and the Plan of Arrangement, if required, shall be modified accordingly, and (ii) cooperate with Newmont and its advisors to determine the nature of the Pre-Acquisition Reorganizations that might be undertaken and the manner in which they would most effectively be undertaken.
- (b) Goldcorp and its Subsidiaries will not be obligated to participate in any Pre-Acquisition Reorganization under Section 5.12(a) unless such Pre-Acquisition Reorganization in the opinion of Goldcorp, acting reasonably:
- (i) cannot reasonably be expected to result in any Taxes being imposed on, or any adverse Tax consequences to the Goldcorp Shareholders incrementally greater than the Taxes to such party in connection with the consummation of the Arrangement in the absence of any Pre-Acquisition Reorganization;
 - (ii) is not prejudicial to Goldcorp or its securityholders in any material respect;
 - (iii) does not require Goldcorp to obtain the approval of securityholders of Goldcorp or proceed absent any required consent of any third party (including any Regulatory Approval);
 - (iv) does not unreasonably interfere with Goldcorp's material operations prior to the Effective Time;
 - (v) does not require Goldcorp or its Subsidiaries to contravene any Contract, Regulatory Approval or applicable Laws, or its organization documents;
 - (vi) can be completed immediately prior to the Effective Date; and
 - (vii) does not impair the ability of Goldcorp to consummate, and will not prevent or materially delay the consummation of, the Arrangement, and would not reasonably be expected to prevent any Person from making a Goldcorp Superior Proposal.
- (c) Newmont must provide written notice to Goldcorp of any proposed Pre-Acquisition Reorganization in reasonable written detail at least ten Business Days prior to the Effective Date. Upon receipt of such notice, Goldcorp and Newmont shall work cooperatively and use their best efforts to prepare prior to the Effective Time all documentation necessary and do such other acts and things as are necessary to give effect to such Pre-Acquisition Reorganization, including any amendment to this Agreement or the Plan of Arrangement and shall seek to have any such Pre-Acquisition Reorganization made effective as of the last moment of the Business Day ending immediately prior to the Effective Date (but after Newmont has waived or confirmed that all of the conditions set out in Section 6.1 and Section 6.2 have been satisfied).

- (d) Unless the Arrangement is not completed due to a breach by Goldcorp of the terms and conditions of this Agreement or in circumstances that would give rise to the payment by Goldcorp of a Goldcorp Termination Fee, Newmont agrees that it will be responsible for all reasonable costs and expenses associated with any Pre-Acquisition Reorganization, including professional fees and expenses and Taxes, to be carried out at its request and shall indemnify and save harmless Goldcorp and its Subsidiaries and their respective Representatives from and against any and all liabilities, losses, damages, Taxes, claims, costs, expenses, interest awards, judgments and penalties suffered or incurred by any of them in connection with or as a result of any such Pre-Acquisition Reorganization (including in respect of any unwinding, reversal, modification or termination of a Pre-Acquisition Reorganization) and that any Pre-Acquisition Reorganization will not be considered in determining whether a representation or warranty of Goldcorp under this Agreement has been breached (including where any such Pre-Acquisition Reorganization requires the consent of any third party under a Contract). If the Arrangement is not completed (other than due to a breach by Goldcorp of the terms and conditions of this Agreement or in circumstances that would give rise to the Payment by Goldcorp of a Goldcorp Termination Fee), Newmont shall reimburse Goldcorp forthwith for all reasonable fees and expenses (including any professional fees and expenses and Taxes) incurred by Goldcorp in considering or effecting all or any part of the Pre-Acquisition Reorganization.

5.13 Financing Cooperation

- (a) Goldcorp agrees to use commercially reasonable efforts to provide, and to cause each of its Subsidiaries and each of their respective Representatives to provide, such cooperation as may be reasonably requested by Newmont in connection with the borrowing or an issuance of debt by Newmont and/or any liability management transaction (including, without limitation, any exchange offers, consent solicitations or tender offers) with respect to debt existing on the date hereof of Goldcorp or its Subsidiaries (collectively, a "**Debt Financing**"), including, without limitation to, upon reasonable notice: (i) provide assistance with any discussions of and/or furnish, as applicable, such business, financial statements, pro forma financials, projections, management discussion and analysis and other customary financial data and information (including diligence materials) reasonably required in connection with any Debt Financing, (ii) direct their respective independent accountants to provide customary and reasonable assistance in connection with any Debt Financing, including in connection with providing customary comfort letters and consents, (iii) obtain customary payoff letters, releases of liens and other instruments of termination or discharge reasonably requested by Newmont in connection with the repayment of debt of Goldcorp and its Subsidiaries (provided that the effectiveness of any such arrangements shall be contingent on the completion of the Arrangement) and (iv) authorize and facilitate discussions, meetings and other engagement by Newmont, its Subsidiaries or Affiliates with the current lenders, noteholders or other providers of existing indebtedness to Goldcorp or any of its Subsidiaries for the purpose of obtaining Debt Financing, including by necessary or appropriate waivers of the Confidentiality Agreement to permit such activities. Newmont shall reimburse Goldcorp for all reasonable out-of-pocket costs or expenses incurred by Goldcorp and its Subsidiaries in connection with cooperation provided for in this Section 5.13 to the extent the information requested was not otherwise prepared or available in the ordinary course of business.
- (b) Prior to the Effective Date, none of Goldcorp, its Subsidiaries or its or their respective Representatives shall be required to take any action that: (i) would contravene any applicable Law or any agreement that relates to borrowed money to which Goldcorp or any of its subsidiaries are a party; (ii) would reasonably be expected to impair or prevent the satisfaction of any condition in Article 6 hereof; or (iii) would subject such Person to actual or potential liability, to bear any cost or expense or to pay any commitment or other similar fee or make any other payment or incur any other liability or provide or agree to provide any indemnity in connection with any Debt Financing

or their performance of their respective obligations under this Section 5.13 or any information utilized in connection therewith (except, in the case of this paragraph (iii) in respect of Goldcorp and its Subsidiaries, to the extent such liability, cost, expense or indemnity is conditional upon the occurrence of the Effective Time). Newmont shall indemnify and hold harmless Goldcorp and its Subsidiaries and their respective Representatives from and against any and all costs suffered or incurred by them in connection with any Debt Financing and the performance of their respective obligations under this Section 5.13 and any information utilized in connection therewith (other than arising from information provided by Goldcorp or its Subsidiaries specifically for use in the Financing pursuant to Section 5.13). Goldcorp hereby consents to the use of the logos of Goldcorp or its Subsidiaries in connection with any Debt Financing; provided, that such logos are used solely in a manner that is not intended to or reasonably likely to harm or disparage Goldcorp or any of its Subsidiaries or the reputation or goodwill of Goldcorp or any of its Subsidiaries.

- (c) Newmont acknowledges and agrees that the consummation of the transactions contemplated by this Agreement is not conditioned upon the consummation of, or the receipt by Newmont of the proceeds of, the Debt Financing.

- (a) the representations and warranties of Newmont set forth in (i) sections (a) [**Organization and Qualification**], (b) [**Authority Relative to this Agreement**] and (r)(ii) [**Absence of Certain Changes or Events**] of Schedule 4.1, shall be true and correct in all respects as of the date of this Agreement and the Effective Time as if made as at and as of such time; (ii) the representations and warranties of Newmont set forth in section (f) of Schedule 4.1 [**Capitalization and Listing**] shall be true and correct in all respects (except for *de minimis* inaccuracies) as of the date of this Agreement and the Effective Time as if made as at and as of such time; and (iii) all other representations and warranties of Newmont set forth in this Agreement shall be true and correct in all respects (disregarding for purposes of this Section 6.3(a) any materiality or Newmont Material Adverse Effect qualification contained in any such representation or warranty) as of the date of this Agreement and the Effective Time

as if made at and as of such time (except that any representation and warranty in each of the foregoing (i), (ii) and (iii) that by its terms speaks specifically as of the date of this Agreement or another date shall be true and correct in all respects as of such date), except in the case of this clause (iii) where the failure to be so true and correct in all respects, individually and in the aggregate, does not constitute a Newmont Material Adverse Effect, and Newmont shall have provided to Goldcorp a certificate of two senior officers of Newmont certifying (on Newmont's behalf and without personal liability) the foregoing dated the Effective Date;

Each Party will give prompt notice to the other of the occurrence or failure to occur (in either case, actual, anticipated, contemplated or, to the knowledge of such Party, threatened), at any time from the date hereof until the Effective Date, of any event or state of facts which occurrence or failure would, or would reasonably be likely to:

cause any of the representations or warranties of either Party contained herein to be untrue, misleading or inaccurate in any material respect on the date hereof or at the Effective Date; or

(b)

result in the failure to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by either Party prior to or at the Effective Date.

6.6 Frustration of Conditions

Neither Newmont nor Goldcorp may rely on the failure of any condition set forth in Section 6.1, Section 6.2 or Section 6.3, as applicable, to be satisfied if such failure was caused by such Party's breach in any material respect of any provision of this Agreement or failure in any material respect to use the standard of efforts required from such Party to consummate the transactions contemplated hereby.

Each Party irrevocably waives any right it may have to raise as a defence that any such liquidated damages are excessive or punitive. For greater certainty, each Party agrees that, upon any termination of this Agreement under circumstances where Goldcorp or Newmont is entitled to a Termination Fee and such Termination Fee is paid in full, Goldcorp or Newmont, as the case may be, shall be precluded from any other remedy against the other Party at Law or in equity or otherwise (including, without limitation, an order for specific performance), and shall not seek to obtain any recovery, judgment, or damages of any kind, including consequential, indirect, or punitive damages, against the other Party or any of its Subsidiaries or any of their respective directors, officers, employees, partners, managers, members, shareholders or affiliates or their respective representatives in connection with this Agreement or the transactions contemplated hereby, provided that the foregoing limitation shall not apply in the event of fraud or wilful breach of this Agreement by a Party.

8.2 Governing Law

This Agreement shall be governed, including as to validity, interpretation and effect, by the Laws of the Province of Ontario and the Laws of Canada applicable therein. Each of the Parties hereby irrevocably attorns to the exclusive jurisdiction of the courts of the Province of Ontario in respect of all matters arising under and in relation to this Agreement and the Arrangement and waives any defences to the maintenance of an action in the Courts of the Province of Ontario.

8.3 Injunctive Relief

Subject to Section 7.3(f), the Parties agree that irreparable harm would occur for which money damages would not be an adequate remedy at Law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, the Parties agree that, in the event of any breach or threatened breach of this Agreement by a Party, the non-breaching Party will be entitled, without the requirement of posting a bond or other security, to equitable relief, including injunctive relief and specific performance, and the Parties shall not object to the granting of injunctive or other equitable relief on the basis that there exists an adequate remedy at law. Subject to Section 7.3(f), such remedies will not be the exclusive remedies for any breach of this Agreement but will be in addition to all other remedies available at Law or equity to each of the Parties.

8.4 Time of Essence

Time shall be of the essence in this Agreement.

8.5 Entire Agreement, Binding Effect and Assignment

No director or officer of Newmont shall have any personal liability whatsoever to Goldcorp under this Agreement, or any other document delivered in connection with the transactions contemplated hereby on behalf of Newmont. No director or officer of Goldcorp shall have any personal liability whatsoever to Newmont under this Agreement, or any other document delivered in connection with the transactions contemplated hereby on behalf of Goldcorp.

8.7 Severability

If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule or Law or public policy, that provision will be severed from this Agreement and all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

8.8 Waiver of Jury Trial

Each Party hereto (on behalf of itself and any of its affiliates, directors, officers, employees, agents and representatives) hereby waives, to the fullest extent permitted by applicable Laws, any right it may have to a trial by jury in respect of any suit, action or other proceeding arising out of this Agreement or the transactions contemplated hereby or the actions of the Parties in the negotiation, administration, performance and enforcement of this Agreement. Each Party hereto (a) certifies that no representative, agent or attorney of any other Party has represented, expressly or otherwise, that such Party would not, in the event of any action, suit or proceeding, seek to enforce the foregoing waiver and (b) acknowledges that it and the other Parties hereto have been induced to enter into this Agreement, by, among other things, the mutual waiver and certifications in this Section 8.8.

8.9 Third Party Beneficiaries

Except as provided in this Section 8.9, this Agreement shall not confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns.

3.2 No Fractional Shares

- (a) In no event shall any Goldcorp Shareholder be entitled to a fractional Newmont Share. Where the aggregate number of Newmont Shares to be issued to a Goldcorp Shareholder as consideration under the Arrangement would result in a fraction of a Newmont Share being issuable, the number of Newmont Shares to be received by such Goldcorp Shareholder shall be rounded down to the nearest whole Newmont Share. In lieu of any such fractional Newmont Share, each Goldcorp Shareholder otherwise entitled to a fractional interest in a Newmont Share will be entitled to receive a cash payment equal to an amount representing such Goldcorp Shareholder's proportionate interest in the net proceeds from the sale by the Depositary on behalf of all such Goldcorp Shareholders of the Newmont Excess Shares. Section 3.1(f) herein, sets forth the treatment of any fraction of a Newmont Share that a former holder of Goldcorp RSUs outstanding immediately prior to the Effective Time shall be entitled to receive upon vesting of the applicable Replacement RSU and in accordance with the terms of the Newmont Incentive Plan.
- (b) As promptly as practicable following the Effective Time, the Depositary shall determine the excess of (i) the number of Newmont Shares issued and delivered to the Depositary pursuant to Article 5 representing the Consideration Shares over (ii) the aggregate number of whole Consideration Shares to be issued to Goldcorp Shareholders pursuant to Section 3.1(c) (such excess the "**Newmont Excess Shares**"). Following the Effective Time, the Depositary shall, on behalf of the former Goldcorp Shareholders, sell the Newmont Excess Shares at the then prevailing prices on the NYSE. The sale of the Newmont Excess Shares by the Depositary shall be executed on the NYSE through one or more members firms of the NYSE and shall be executed in round lots to the extent applicable. The Depositary shall use its commercially reasonable efforts to complete the sale of the Newmont Excess Shares as promptly following the Effective Time as is practicable, consistent with obtaining the best execution of such sales in light of prevailing market conditions. Until the net proceeds of such sale or sales have been distributed to former Goldcorp Shareholders, the Depositary shall hold such proceeds in trust for such former Goldcorp Shareholders (the "**Newmont Share Trust**"). The amount of all commissions, transfer taxes and other out-of-pocket transaction costs, including expenses and compensation of the Depositary incurred in connection with such sale of Newmont Excess Shares shall be paid by Newmont. The Depositary shall determine the portion of the Newmont Share Trust to which each former Goldcorp Shareholder is entitled, if any, by multiplying the amount of the aggregate net proceeds composing the Newmont Share Trust by a fraction, the numerator of which is the amount of the fractional share interest to which such former Goldcorp Shareholder is entitled (after taking into account all Goldcorp Shares held as of immediately prior to the Effective Time by such former Goldcorp Shareholder) and the denominator of which is the aggregate amount of fractional Newmont Shares to which all former Goldcorp Shareholders are entitled.
- (c) As soon as practicable after the determination of the amount of cash, if any, to be paid to former Goldcorp Shareholders with respect to any fractional Newmont Shares, the Depositary shall make available such amounts to such former Goldcorp Shareholders.

**ARTICLE 4

- (ii) ultimately not entitled, for any reason, to be paid by Newmont the fair value for their Dissent Shares, shall be deemed to have participated in the Arrangement in respect of those Goldcorp Shares on the same basis as a non-dissenting Goldcorp Shareholder and shall be entitled to receive only the Consideration from Newmont in the same manner as such non-Dissenting Shareholders.

- (b) In no event shall Newmont or Goldcorp or any other Person be required to recognize a Dissenting Shareholder as a registered or beneficial owner of Goldcorp Shares or any interest therein (other than the rights set out in this Section 4.1) at or after the Effective Time, and as at the Effective Time the names of such Dissenting Shareholders shall be deleted from the central securities register of Goldcorp.

To the extent that the amount so required to be deducted or withheld from any amounts payable, issuable or otherwise deliverable to a Person under this Plan of Arrangement exceeds the amount of cash otherwise payable to such Person, Newmont, Goldcorp, any of their affiliates and the Depositary are hereby authorized to sell or otherwise dispose, or direct any other Person to sell or otherwise dispose, of such portion of the non-cash consideration or non-cash amounts payable, issuable or otherwise deliverable hereunder to such Person as is necessary to provide sufficient funds to Newmont, Goldcorp, any of their affiliates and the Depositary, as the case may be, to enable it to comply with such deduction or withholding requirement and Newmont, Goldcorp, any of their affiliates and the Depositary, as applicable, shall notify the relevant Person of such sale or other disposition and remit to such Person any unapplied balance of the net proceeds of such sale or other disposition (after deduction for (x) the amounts required to satisfy the required withholding under the Plan of Arrangement in respect of such Person, (y) reasonable commissions payable to the broker and (z) other reasonable costs and expenses).

Commencing at the Effective Time, in five minute increments each of the following events shall occur and shall be deemed to occur consecutively in the following order, except where noted, without any further authorization, act or formality:

- (a) Each Dissent Share shall be deemed to be transferred and assigned by such Dissenting Shareholder, without any further act of formality on its part, to Newmont (free and clear of any Liens) in accordance with, and for the consideration contemplated in, Article 4 and:
 - (i) such Dissenting Shareholder shall cease to be, and shall be deemed to cease to be, the registered holder of each such Dissent Share and the name of such registered holder shall be, and shall be deemed to be, removed from the register of Goldcorp Shareholders in respect of each such Dissent Share, and at such time each Dissenting Shareholder will have only the rights set out in Section 4.1;
 - (ii) such Dissenting Shareholder shall be deemed to have executed and delivered all consents, releases, assignments and waivers, statutory or otherwise, required to transfer and assign each such Dissent Share; and
 - (iii) Newmont shall be and shall be deemed to be the holder of all of the outstanding Dissent Shares (free and clear of all Liens) and the central securities register of Goldcorp shall be, and shall be deemed to be, revised accordingly.

formality on its part, to Newmont (free and clear of any Liens) in exchange for the Consideration, subject to Sections 3.2 and 5.3, and

- (i) the registered holder thereof shall cease to be, and shall be deemed to cease to be, the registered holder of each such Goldcorp Share and the name of such registered holder shall be, and shall be deemed to be, removed from the register of Goldcorp Shareholders;
 - (ii) the registered holder thereof shall be deemed to have executed and delivered all consents, releases, assignments and waivers, statutory or otherwise, required to transfer and assign each such Goldcorp Share; and
 - (iii) Newmont shall be and shall be deemed to be the holder of all of the outstanding Goldcorp Shares (free and clear of all Liens) and the central securities register of Goldcorp shall be, and shall be deemed to be, revised accordingly.
- (c) Each Goldcorp Option outstanding at the Effective Time (whether vested or unvested) shall remain outstanding on its existing terms (except as otherwise provided herein or in the Arrangement Agreement), and, notwithstanding anything to the contrary in any applicable option grant agreement, employment agreement or other document governing, or any resolution or determination of the Goldcorp Board (or any committee thereof) in respect of, the Goldcorp Option Plan or any Goldcorp Options, and pursuant to Section 3.1(2) of the Goldcorp Option Plan, upon the exercise of each Goldcorp Option the holder thereof shall be entitled to receive, and shall accept, in lieu of the number of Goldcorp Shares which such holder was entitled upon such exercise, a fraction of a Newmont Share equal to the Equity Award Exchange Ratio for each Goldcorp Share underlying such Goldcorp Option; provided that any fraction of a Newmont Share that such holder would be entitled to receive (after aggregating all Newmont Shares issuable to such holder in respect of all such holder's Goldcorp Options that are exercised on a particular date) shall be rounded down to the nearest whole number. If the adjustment to the Goldcorp Options contemplated by this paragraph results in a disposition of Goldcorp Options for options to acquire Newmont Shares or "new" Goldcorp Options, it is intended that the provisions of subsection 7(1.4) of the Tax Act apply to any such disposition. Notwithstanding the foregoing, if required, the number of Newmont Shares to which a holder of a Goldcorp Option will be entitled on exercise of the Goldcorp Option will be reduced such that (i) the excess (if any) of the aggregate fair market value of the Newmont Shares underlying such holder's Goldcorp Option immediately following the Effective Time over the aggregate exercise price (if any) of such Goldcorp Option does not exceed (ii) the excess (if any) of the aggregate fair market value of the Goldcorp Shares underlying the holder's Goldcorp Option immediately before the Effective Time over the aggregate exercise price (if any) of such Goldcorp Option.
- (d) Each Goldcorp Phantom RSU that is outstanding immediately prior to the Effective Time shall remain outstanding on its existing terms, and notwithstanding anything to the contrary in any applicable grant letter, employment agreement or other document governing, or any resolution or determination of the Goldcorp Board (or any committee thereof) in respect of, the Goldcorp Phantom RSU Plan or any Goldcorp Phantom RSUs, pursuant to the determination of the Committee (as defined therein) pursuant to Section 5.6(a)(i) of the Arrangement Agreement, the "Share Value" (as defined in the Goldcorp Phantom RSU Plan) shall mean the product obtained by multiplying (A) the trading price of a Newmont Share on the NYSE at the close of business on the date of expiry of the Restricted Period (as defined in the Goldcorp Phantom RSU Plan), by (B) the Equity Award Exchange Ratio.
- (e) Each Goldcorp PSU that is outstanding immediately prior to the Effective Time shall remain outstanding on its existing terms, and notwithstanding anything to the contrary in any applicable PSU Agreement (as defined in the Goldcorp PSU Plan), employment agreement or

other document governing, or any resolution or determination of the Goldcorp Board (or any committee thereof) in respect of, the Goldcorp PSU Plan or any Goldcorp PSUs:

- (i) the Multiplier (as defined in the Goldcorp PSU Plan) for each Goldcorp PSU shall be deemed to be 100 per cent; and
 - (ii) pursuant to the determination of the Board (as defined therein) pursuant to Section 5.6(a)(ii) of the Arrangement Agreement, "Fair Market Value" (as defined in the Goldcorp PSU Plan) shall mean, on a particular day, the product obtained by multiplying (A) the volume weighted average price of the Newmont Shares on the NYSE for the 30 trading day period prior to and including the particular day, by (B) the Equity Award Exchange Ratio.
- (f) Each Goldcorp RSU that is outstanding immediately prior to the Effective Time shall be deemed to be exchanged by the holder thereof in accordance with subsection 7(1.4) of the Tax Act, without any further act of formality on its part, for a Replacement RSU that has the same vesting conditions as the Goldcorp RSU for which it was exchanged and that entitles the holder thereof to receive, upon vesting thereof and in accordance with the terms of the Newmont Incentive Plan, a number of Newmont Shares equal to the product obtained by multiplying (A) the applicable number of Goldcorp Shares covered by such Goldcorp RSU immediately prior to the Effective Time by (B) the Equity Award Exchange Ratio; provided that any fraction of a Newmont Share that such holder would be entitled to receive (after aggregating all Newmont Shares issuable to such holder in respect of all such holder's Replacement RSUs that vest on a particular date date) shall be rounded down to the nearest whole number, and:
- (i) the holder thereof shall cease to be, and shall be deemed to cease to be, the holder of each such Goldcorp RSU and the name of such holder shall be, and shall be deemed to be, removed from the register of Goldcorp RSUs in respect of each such Goldcorp RSU;
 - (ii) the Goldcorp RSU Plan and all agreements relating to the Goldcorp RSUs shall be terminated and shall be of no further force and effect;
 - (iii) notwithstanding the foregoing, if required, the number of Newmont Shares to which a former holder of a Goldcorp RSU will be entitled under the Replacement RSU will be reduced such that (i) the excess (if any) of the aggregate fair market value of the Newmont Shares underlying such holder's Replacement RSU immediately following the exchange over the aggregate exercise price (if any) of such Replacement RSU does not exceed (ii) the excess (if any) of the aggregate fair market value of the Goldcorp Shares underlying the holder's corresponding Goldcorp RSU immediately before the exchange over the aggregate exercise price (if any) of such Goldcorp RSU; and
 - (iv) the Committee (as defined in the Newmont Incentive Plan) irrevocably elects to settle all Replacement RSUs solely in consideration for Newmont Shares, the Award Agreement (as defined in the Newmont Incentive Plan) in respect of each such Replacement RSU will, and will be deemed to, provide that the Committee (as defined in the Newmont Incentive Plan) shall not have the discretion to pay cash in settlement of any Replacement RSU (notwithstanding the terms of the Newmont Incentive Plan), and such Replacement RSUs are, and are deemed to be, a right to acquire Newmont Shares (subject to the terms and conditions of the Replacement RSU and the Newmont Incentive Plan), and that the Committee shall not have the discretion (notwithstanding the terms of the Newmont Incentive Plan) to defer delivery of the Newmont Shares beyond respective dates on which those Replacement RSUs vest.

The events provided for in this Section 3.1 will be deemed to occur on the Effective Date, notwithstanding that certain procedures related thereto may not be completed until after the Effective Date.

3.2 No Fractional Shares

- (a) In no event shall any Goldcorp Shareholder be entitled to a fractional Newmont Share. Where the aggregate number of Newmont Shares to be issued to a Goldcorp Shareholder as consideration under the Arrangement would result in a fraction of a Newmont Share being issuable, the number of Newmont Shares to be received by such Goldcorp Shareholder shall be rounded down to the nearest whole Newmont Share. In lieu of any such fractional Newmont Share, each Goldcorp Shareholder otherwise entitled to a fractional interest in a Newmont Share will be entitled to receive a cash payment equal to an amount representing such Goldcorp Shareholder's proportionate interest in the net proceeds from the sale by the Depositary on behalf of all such Goldcorp Shareholders of the Newmont Excess Shares. Section 3.1(f) herein, sets forth the treatment of any fraction of a Newmont Share that a former holder of Goldcorp RSUs outstanding immediately prior to the Effective Time shall be entitled to receive upon vesting of the applicable Replacement RSU and in accordance with the terms of the Newmont Incentive Plan. Section 3.1(c) herein, sets forth the treatment of any fraction of a Newmont Share that a former holder of Goldcorp Options outstanding immediately prior to the Effective Time shall be entitled to receive upon exercise of a Goldcorp Option.
- (b) As promptly as practicable following the Effective Time, the Depositary shall determine the excess of (i) the number of Newmont Shares issued and delivered to the Depositary pursuant to Article 5 representing the Consideration Shares over (ii) the aggregate number of whole Consideration Shares to be issued to Goldcorp Shareholders pursuant to Section 3.1(c) (such excess the "Newmont Excess Shares"). Following the Effective Time, the Depositary shall, on behalf of the former Goldcorp Shareholders, sell the Newmont Excess Shares at the then prevailing prices on the NYSE. The sale of the Newmont Excess Shares by the Depositary shall be executed on the NYSE through one or more members firms of the NYSE and shall be executed in round lots to the extent applicable. The Depositary shall use its commercially reasonable efforts to complete the sale of the Newmont Excess Shares as promptly following the Effective Time as is practicable, consistent with obtaining the best execution of such sales in light of prevailing market conditions. Until the net proceeds of such sale or sales have been distributed to former Goldcorp Shareholders, the Depositary shall hold such proceeds in trust for such former Goldcorp Shareholders (the "Newmont Share Trust"). The amount of all commissions, transfer taxes and other out-of-pocket transaction costs, including expenses and compensation of the Depositary incurred in connection with such sale of Newmont Excess Shares shall be paid by Newmont. The Depositary shall determine the portion of the Newmont Share Trust to which each former Goldcorp Shareholder is entitled, if any, by multiplying the amount of the aggregate net proceeds composing the Newmont Share Trust by a fraction, the numerator of which is the amount of the fractional share interest to which such former Goldcorp Shareholder is entitled (after taking into account all Goldcorp Shares held as of immediately prior to the Effective Time by such former Goldcorp Shareholder) and the denominator of which is the aggregate amount of fractional Newmont Shares to which all former Goldcorp Shareholders are entitled.
- (c) As soon as practicable after the determination of the amount of cash, if any, to be paid to former Goldcorp Shareholders with respect to any fractional Newmont Shares, the Depositary shall make available such amounts to such former Goldcorp Shareholders.

**ARTICLE 4
DISSENT RIGHTS**

4.1 Dissent Rights

- (a) In connection with the Arrangement, each registered Goldcorp Shareholder may exercise rights of dissent ("**Dissent Rights**") with respect to the Goldcorp Shares held by such Goldcorp Shareholder pursuant to Section 185 of the OBCA, as modified by the Interim Order, the Final Order and this Section 4.1(a); provided that, notwithstanding Section 185(6) of the OBCA, the written objection to the Arrangement Resolution referred to in Section 185(6) of the OBCA must be received by Goldcorp not later than 4:00 p.m. (Toronto time) two Business Days immediately preceding the date of the Goldcorp Meeting. Dissenting Shareholders who are:
- (i) ultimately entitled to be paid by Newmont the fair value for their Dissent Shares (A) shall be deemed to not have participated in the transactions in Article 3 (other than Section 3.1(a)); (B) shall be deemed to have transferred and assigned such Dissent Shares (free and clear of any Liens) to Newmont in accordance with Section 3.1(a); (C) will be entitled to be paid the fair value of such Dissent Shares by Newmont, which fair value, notwithstanding anything to the contrary contained in the OBCA, shall be determined as of the close of business on the day before the Arrangement Resolution was adopted at the Goldcorp Meeting; and (D) will not be entitled to any other payment or consideration, including any payment that would be payable under the Arrangement had such holders not exercised their Dissent Rights in respect of such Goldcorp Shares; or
- (ii) ultimately not entitled, for any reason, to be paid by Newmont the fair value for their Dissent Shares, shall be deemed to have participated in the Arrangement in respect of those Goldcorp Shares on the same basis as a non-dissenting Goldcorp Shareholder and shall be entitled to receive only the Consideration from Newmont in the same manner as such non-Dissenting Shareholders.
- (b) In no event shall Newmont or Goldcorp or any other Person be required to recognize a Dissenting Shareholder as a registered or beneficial owner of Goldcorp Shares or any interest therein (other than the rights set out in this Section 4.1) at or after the Effective Time, and as at the Effective Time the names of such Dissenting Shareholders shall be deleted from the central securities register of Goldcorp.
- (c) For greater certainty, in addition to any other restrictions in the Interim Order and under Section 185 of the OBCA, none of the following shall be entitled to exercise Dissent Rights: (i) Goldcorp Shareholders who vote or have instructed a proxyholder to vote such Goldcorp Shares in favour of the Arrangement Resolution (but only in respect of such Goldcorp Shares), (ii) holders of Goldcorp Options, Goldcorp RSUs, Goldcorp PSUs and Goldcorp Phantom RSUs, and (iii) any other Person who is not a registered holder of Grizzlies Shares as of the record date for the Goldcorp Meeting.

DELIVERY OF CONSIDERATION**

5.1 Certificates and Payments

- (a) Following receipt of the Final Order and prior to the Effective Time, Newmont shall deliver or cause to be delivered to the Depositary sufficient funds and Newmont Shares to satisfy the aggregate Consideration payable to the Goldcorp Shareholders in accordance with Section 3.1, which cash and Newmont Share shall be held by the Depositary as agent and nominee for such former Goldcorp Shareholders for distribution to such former Goldcorp Shareholders in accordance with the provisions of this Article 5.

Table of Contents

- (b) Upon surrender to the Depositary for cancellation of a certificate which immediately prior to the Effective Time represented outstanding Goldcorp Shares that were transferred pursuant to Section 3.1(c), together with a duly completed and executed Letter of Transmittal and any such additional documents and instruments as the Depositary may reasonably require, the registered holder of the Goldcorp Shares represented by such surrendered certificate shall be entitled to receive in exchange therefor, and the Depositary shall deliver to such Goldcorp Shareholder the Consideration that such Goldcorp Shareholder has the right to receive under the Arrangement for such Goldcorp Shares, less any amounts withheld pursuant to Section 5.3, and any certificate so surrendered shall forthwith be cancelled.
- (c) After the Effective Time and until surrendered for cancellation as contemplated by Section 5.1(b), each certificate that immediately prior to the Effective Time represented one or more Goldcorp Shares (other than Goldcorp Shares held by Newmont or any of its affiliates) shall be deemed at all times to represent only the right to receive in exchange therefor the Consideration that the holder of such certificate is entitled to receive in accordance with Section 3.1, less any amounts withheld pursuant to Section 5.3.

5.2 Lost Certificates

In the event any certificate which immediately prior to the Effective Time represented one or more outstanding Goldcorp Shares that were transferred pursuant to Section 3.1(c) shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such certificate to be lost, stolen or destroyed, the Depositary will issue in exchange for such lost, stolen or destroyed certificate, the Consideration deliverable in accordance with such holder's duly completed and executed Letter of Transmittal. When authorizing such payment in exchange for any lost, stolen or destroyed certificate, the Person to whom such cash is to be delivered shall as a condition precedent to the delivery of such Consideration, give a bond satisfactory to Newmont and the Depositary (acting reasonably) in such sum as Newmont may direct, or otherwise indemnify Newmont and Goldcorp in a manner satisfactory to Newmont and Goldcorp, acting reasonably, against any claim that may be made against Newmont and Goldcorp with respect to the certificate alleged to have been lost, stolen or destroyed.

5.3 Withholding Rights

Newmont, Goldcorp, any of their affiliates and the Depositary, as applicable, shall be entitled to deduct and withhold, or direct any other Person to deduct and withhold on their behalf, from any amounts otherwise payable, issuable or otherwise deliverable to any Goldcorp Securityholders and/or any other Person under this Plan of Arrangement such amounts as are required or reasonably believed to be required to be deducted and withheld from such amounts under any provision of the Tax Act, the United States Internal Revenue Code of 1986 or any provision of any other Law. To the extent any such amounts are so deducted and withheld, such amounts shall be treated for all purposes under this Plan of Arrangement as having been paid to the Person in respect of which such deduction and withholding was made. To the extent that the amount so required to be deducted or withheld from any amounts payable, issuable or otherwise deliverable to a Person under this Plan of Arrangement exceeds the amount of cash otherwise payable to such Person, Newmont, Goldcorp, any of their affiliates and the Depositary are hereby authorized to sell or otherwise dispose, or direct any other Person to sell or otherwise dispose, of such portion of the non-cash consideration or non-cash amounts payable, issuable or otherwise deliverable hereunder to such Person as is necessary to provide sufficient funds to Newmont, Goldcorp, any of their affiliates and the Depositary, as the case may be, to enable it to comply with such deduction or withholding requirement and Newmont, Goldcorp, any of their affiliates and the Depositary, as applicable, shall notify the relevant Person of such sale or other disposition and remit to such Person any unapplied balance of the net proceeds of such sale or other disposition (after deduction for (x) the amounts required to satisfy the required withholding under the Plan of

Arrangement in respect of such Person, (y) reasonable commissions payable to the broker and (z) other reasonable costs and expenses).

5.4 Distributions with respect to Unsurrendered Share Certificates

No dividend or other distribution declared or made after the Effective Time with respect to Newmont Shares with a record date after the Effective Time shall be delivered to the holder of any unsurrendered certificate that, immediately prior to the Effective Time, represented outstanding Goldcorp Shares unless and until the holder of such certificate shall have complied with the provisions of Section 5.1 or Section 5.2. Subject to applicable Law and to Section 5.3, at the time of such compliance, there shall, in addition to the delivery of Consideration to which such holder is thereby entitled, be delivered to such holder, without interest, the amount of the dividend or other distribution with a record date after the Effective Time theretofore paid with respect to such Newmont Shares.

5.5 Limitation and Proscription

To the extent that a former Goldcorp Shareholder shall not have complied with the provisions of Section 5.1 or Section 5.2 on or before the date that is six years after the Effective Date (the "**final proscription date**"), then the Consideration that such former Goldcorp Shareholder was entitled to receive shall be automatically cancelled without any repayment of capital in respect thereof and the Consideration to which such former Goldcorp Shareholder was entitled, shall be delivered to Newmont by the Depositary and the Newmont Shares forming part of the Consideration shall be deemed to be cancelled, and the interest of the former Goldcorp Shareholder in such Newmont Shares (and any dividend or other distribution referred to in Section 5.4) to which it was entitled shall be terminated as of such final proscription date, and the certificates formerly representing Goldcorp Shares shall cease to represent a right or claim of any kind or nature as of such final proscription date. Any payment made by way of cheque by the Depositary pursuant to this Plan of Arrangement that has not been deposited or has been returned to the Depositary or that otherwise remains unclaimed, in each case, on or before the final proscription date shall cease to represent a right or claim of any kind or nature and the right of any Goldcorp Shareholder to receive the Consideration for Goldcorp Shares pursuant to this Plan of Arrangement shall terminate and be deemed to be surrendered and forfeited to Newmont.

5.6 No Liens

Any exchange or transfer of securities pursuant to this Plan of Arrangement shall be free and clear of any Liens or other claims of third parties of any kind.

5.7 Paramountcy

From and after the Effective Time: (a) this Plan of Arrangement shall take precedence and priority over any and all Goldcorp Shares issued prior to the Effective Time; (b) the rights and obligations of the registered holders of Goldcorp Shares (other than Newmont or any of its affiliates), and of Goldcorp, Newmont, the Depositary and any transfer agent or other depositary in relation thereto, shall be solely as provided for in this Plan of Arrangement and the Arrangement Agreement; and (c) all actions, causes of action, claims or proceedings (actual or contingent and whether or not previously asserted) based on or in any way relating to any Goldcorp Shares shall be deemed to have been settled, compromised, released and determined without liability except as set forth herein.

**ARTICLE 6
AMENDMENTS**

6.1 Amendments

- (a) Newmont and Goldcorp reserve the right to amend, modify and/or supplement this Plan of Arrangement at any time and from time to time prior to the Effective Time, provided that any

such amendment, modification or supplement must be agreed to in writing by each of Goldcorp and Newmont and filed with the Court, and, if made following the Goldcorp Meeting, then: (i) approved by the Court, and (ii) if the Court directs, approved by the Goldcorp Shareholders and communicated to the Goldcorp Securityholders if and as required by the Court, and in either case in the manner required by the Court.

- (b) Subject to the provisions of the Interim Order, any amendment, modification or supplement to this Plan of Arrangement, if agreed to by Goldcorp and Newmont, may be proposed by Goldcorp and Newmont at any time prior to or at the Goldcorp Meeting, with or without any other prior notice or communication, and if so proposed and accepted by the Persons voting at the Goldcorp Meeting shall become part of this Plan of Arrangement for all purposes.
- (c) Any amendment, modification or supplement to this Plan of Arrangement that is approved or directed by the Court following the Goldcorp Meeting will be effective only if it is agreed to in writing by each of Goldcorp and Newmont and, if required by the Court, by some or all of the Goldcorp Shareholders voting in the manner directed by the Court.
- (d) Any amendment, modification or supplement to this Plan of Arrangement may be made by Goldcorp and Newmont without the approval of or communication to the Court or the Goldcorp Securityholders, provided that it concerns a matter which, in the reasonable opinion of Goldcorp and Newmont is of an administrative or ministerial nature required to better give effect to the implementation of this Plan of Arrangement and is not materially adverse to the financial or economic interests of any of the Goldcorp Securityholders.
- (e) This Plan of Arrangement may be withdrawn prior to the Effective Time in accordance with the Arrangement Agreement.

**ARTICLE 7
FURTHER ASSURANCES**

7.1 Further Assurances

Notwithstanding that the transactions and events set out in this Plan of Arrangement shall occur and shall be deemed to occur in the order set out in this Plan of Arrangement without any further act or formality, each of the parties to the Arrangement Agreement shall make, do and execute, or cause to be made, done and executed, all such further acts, deeds, agreements, transfers, assurances, instruments or documents as may reasonably be required by any of them in order further to document or evidence any of the transactions or events set out in this Plan of Arrangement.

**ARTICLE 8
U.S. SECURITIES LAW EXEMPTION**

Notwithstanding any provision herein to the contrary, Goldcorp and Newmont each agree that the Plan of Arrangement will be carried out with the intention that, and they will use their commercially reasonable best efforts to ensure that, all (i) Consideration Shares issued under the Arrangement will be issued by Newmont in exchange for Goldcorp Shares and (ii) Replacement RSUs to be issued to holders of Goldcorp RSUs in exchange for Goldcorp RSUs outstanding immediately prior to the Effective Time, pursuant to the Plan of Arrangement, whether in the United States, Canada or any other country, are issued in reliance on the exemption from the registration requirements of the U.S. Securities Act, as amended, as provided by Section 3(a)(10) thereof and applicable state securities laws, and pursuant to the terms, conditions and procedures set forth in the Arrangement Agreement. To the extent necessary, Newmont shall, on or as promptly as practicable following the Effective Date, file one or more registration statements on Form S-8 with the SEC to register the issuance of Newmont Shares upon exercises of (i) the Replacement RSUs and (ii) the Goldcorp Options outstanding at the Effective

Time (whether vested or unvested). Newmont shall use its commercially reasonable efforts ensure that the Consideration Shares shall, at the Effective Time, either be registered or qualified under all applicable U.S. state securities laws, or exempt from such registration and qualification requirements. Holders of Goldcorp RSUs entitled to receive Replacement RSUs will be advised that the Replacement RSUs issued pursuant to the Arrangement have not been registered under the U.S. Securities Act and will be issued by Newmont in reliance on the exemption from registration under the U.S. Securities Act pursuant to Section 3(a)(10) thereof, but that such exemption does not exempt the issuance of securities upon the exercises of such securities; therefore, the underlying Newmont Shares issuable upon the exercise of the Replacement RSUs, if any, cannot be issued in the U.S. or to a person in the U.S. in reliance upon the exemption from registration provided by Section 3(a)(10) and the Replacement RSUs may only be exercised pursuant to an effective registration statement or a then available exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws, if any. Holders of Goldcorp Options will be advised that Newmont Shares cannot be issued in the U.S. or to a person in the U.S. upon the exercises of the Goldcorp Options unless such shares are issued pursuant to an effective registration statement or a then available exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws, if any. Newmont has agreed to apply for and use its reasonable best efforts to obtain approval of the listing for trading on the NYSE by the Effective Time of the Consideration Shares and the Newmont Shares issuable pursuant to the Arrangement upon exercise of (i) the Replacement RSUs and (ii) the Goldcorp Options, subject to official notice of issuance.

 - (ii) by delivery, in person or by recognized courier service or inter-office mail, to the address specified in (i) above; or
 - (iii) by facsimile or electronic transmission to any Shareholder, who is identified to the satisfaction of Goldcorp, who requests such transmission in writing and, if required by Goldcorp, who is prepared to pay the charges for such transmission;
- (b) non-registered Shareholders by providing sufficient copies of the Meeting Materials to intermediaries and registered nominees in a timely manner, in accordance with National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*; and
- (c) the directors and auditors of Goldcorp, by delivery in person, by recognized courier service, by pre-paid ordinary or first class mail or, with the consent of the person, by facsimile or electronic transmission, at least twenty-one (21) days prior to the date of the Meeting; and that compliance with this paragraph shall constitute sufficient notice of the Meeting.

13. **THIS COURT ORDERS** that, in the event that Goldcorp elects to distribute the Meeting Materials, Goldcorp is hereby directed to distribute the Circular (including the Notice of Application and this Interim Order), and any other communications or documents determined by Goldcorp to be necessary or desirable (collectively, the "Court Materials") to the holders of Goldcorp Options, Goldcorp PSUs, Goldcorp RSUs and Goldcorp Phantom RSUs by any method permitted for notice to Shareholders as set forth in paragraphs 12(a) or 12(b), above, concurrently with the distribution described in paragraph 12 of this Interim Order. Distribution to such persons shall be to their addresses as they appear on the books and records of Goldcorp or its registrar and transfer agent at the close of business on the Record Date.

14. **THIS COURT ORDERS** that accidental failure or omission by Goldcorp to give notice of the Meeting or to distribute the Meeting Materials or Court Materials to any person entitled by this

Interim Order to receive notice, or any failure or omission to give such notice as a result of events beyond the reasonable control of Goldcorp, or the non-receipt of such notice shall, subject to further order of this Court, not constitute a breach of this Interim Order nor shall it invalidate any resolution passed or proceedings taken at the Meeting. If any such failure or omission is brought to the attention of Goldcorp, it shall use its best efforts to rectify it by the method and in the time most reasonably practicable in the circumstances.

15. **THIS COURT ORDERS** that Goldcorp is hereby authorized to make such amendments, revisions or supplements to the Meeting Materials and Court Materials as Goldcorp may determine in accordance with the terms of the Arrangement Agreement ("Additional Information"), and that notice of such Additional Information may, subject to paragraph 9, above, be distributed by press release, newspaper advertisement, pre-paid ordinary mail, or by the method most reasonably practicable in the circumstances, as Goldcorp may determine.

16. **THIS COURT ORDERS** that distribution of the Meeting Materials and Court Materials pursuant to paragraphs 12 and 13 of this Interim Order shall constitute notice of the Meeting, the right to appear before the Court, and good and sufficient service of the within Application upon the persons described in paragraphs 12 and 13 and that those persons are bound by any orders made on the within Application. Further, no other form of service of the Meeting Materials or the Court Materials or any portion thereof need be made, or notice given or other material served in respect of these proceedings and/or the Meeting to such persons or to any other persons, except to the extent required by paragraph 9, above.

Solicitation and Revocation of Proxies

17. **THIS COURT ORDERS** that Goldcorp is authorized to use the proxies substantially in the form of the drafts accompanying the Circular, with such amendments and additional information as Goldcorp may determine are necessary or desirable, subject to the terms of the Arrangement Agreement. Goldcorp and Newmont are authorized, at their expense, to solicit proxies, directly or through their respective officers, directors or employees, and through such agents or representatives as they may retain for that purpose, and by mail or such other forms of personal or electronic communication as they may determine. Goldcorp may waive generally, in its discretion, the time limits set out in the Circular for the deposit or revocation of proxies by Shareholders, if Goldcorp deems it advisable to do so.

18. **THIS COURT ORDERS** that, in respect of the Arrangement Resolution, Shareholders shall be entitled to revoke their proxies in accordance with subsection 110(4) of the OBCA (except as the procedures of that section are varied by this paragraph) provided that any instruments in writing delivered pursuant to clause 110(4)(a) of the OBCA: (a) may be deposited at the registered office of Goldcorp at Suite 2100, 20 King Street West, Toronto, Ontario, M5H 3C2, Attention: Lara Jackson, as set out in the Circular, and any such instruments must be received by Goldcorp not later than the last Business Day immediately preceding the Meeting (or any adjournment or postponement thereof); or (b) may be provided to the Chair of the Meeting at the Meeting (or any adjournment or postponement thereof) and prior to the vote in respect of the Arrangement Resolution or in any other way permitted by Law.

Voting

19. **THIS COURT ORDERS** that the only persons entitled to vote in person or by proxy on the Arrangement Resolution, or such other business as may be properly brought before the Meeting, shall be those Shareholders who hold Goldcorp Shares as of the close of business (Vancouver time) on the Record Date. Illegible votes, spoiled votes, defective votes and abstentions shall be deemed to be votes

not cast. Proxies that are properly signed and dated but which do not contain voting instructions shall be voted in favour of the Arrangement Resolution.

20. **THIS COURT ORDERS** that votes shall be taken at the Meeting on the basis of one vote per Goldcorp Share and that in order for the Plan of Arrangement to be implemented, subject to further order of this Court, the Arrangement Resolution must be passed, with or without variation, at the Meeting by an affirmative vote of at least two-thirds (66²/₃%) of the votes cast in respect of the Arrangement Resolution at the Meeting in person or by proxy by the Shareholders. Such votes shall be sufficient to authorize Goldcorp to do all such acts and things as may be necessary or desirable to give effect to the Arrangement and the Plan of Arrangement on a basis consistent with what is provided for in the Circular without the necessity of any further approval by the Shareholders, subject only to final approval of the Arrangement by this Court.

21. **THIS COURT ORDERS** that in respect of matters properly brought before the Meeting pertaining to items of business affecting Goldcorp (other than in respect of the Arrangement Resolution), each Shareholder is entitled to one vote for each Goldcorp Share held as of the Record Date.

Dissent Rights

22. **THIS COURT ORDERS** that each registered Shareholder shall be entitled to exercise Dissent Rights in connection with the Arrangement Resolution in accordance with section 185 of the OBCA (except as the procedures of that section are varied by this Interim Order and the Plan of Arrangement) provided that, notwithstanding subsection 185(6) of the OBCA, any registered Shareholder who wishes to dissent must, as a condition precedent thereto, provide written objection to the Arrangement Resolution to Goldcorp in the form required by section 185 of the OBCA and the Arrangement Agreement, which written objection must be received not later than 4:00 p.m. (Toronto time) two (2) Business Days immediately preceding the date of the Meeting (as it may be adjourned or postponed from time to time), and must otherwise strictly comply with the requirements of the OBCA. For purposes of these proceedings, the "court" referred to in section 185 of the OBCA means this Court.

23. **THIS COURT ORDERS** that Newmont shall be required to offer to pay fair value, as of the day prior to approval of the Arrangement Resolution, for Goldcorp Shares held by Shareholders who duly exercise Dissent Rights, and to pay the amount to which such Shareholders may be entitled pursuant to the terms of the Plan of Arrangement. In accordance with the Plan of Arrangement and the Circular, all references to the "corporation" in section 185 of the OBCA shall be deemed to refer to Newmont in place of the "corporation", and Newmont shall have all of the rights, duties and obligations of the "corporation" under section 185 of the OBCA.

24. **THIS COURT ORDERS** that any Shareholder who duly exercises such Dissent Rights set out in paragraph 22 above and who:

- (i) is ultimately determined by this Court to be entitled to be paid fair value for his, her or its Goldcorp Shares, shall be deemed to have transferred those Goldcorp Shares as of the Effective Time, without any further act or formality and free and clear of all liens, claims, encumbrances, charges, adverse interests or security interests to Newmont in consideration for a payment of cash from Newmont equal to such fair value; or
- (ii) is for any reason ultimately determined by this Court not to be entitled to be paid fair value for his, her or its Goldcorp Shares pursuant to the exercise of the Dissent Rights, shall be deemed to have participated in the Arrangement on the same basis and at the same time as any non-dissenting Shareholder;

but in no case shall Goldcorp or Newmont or any other person be required to recognize such Shareholders as holders of Goldcorp Shares at or after the time at which the Arrangement becomes effective and the names of such Shareholders shall be deleted from Goldcorp's register of Goldcorp Shares at that time.

Hearing of Application for Approval of the Arrangement

25. **THIS COURT ORDERS** that upon approval by the Shareholders of the Arrangement Resolution in the manner set forth in this Interim Order, Goldcorp may apply to this Court for final approval of the Arrangement, at a hearing at which the substantive and procedural fairness of the Arrangement is considered and at which the Shareholders and holders of Goldcorp RSUs have the right to appear, subject to section 27 hereof, which final order will serve as a basis of a claim for the exemption from the registration requirements of the United States Securities Act of 1933, as amended, set forth in Section 3(a)(10) thereof regarding the distribution of securities pursuant to the Arrangement.

26. **THIS COURT ORDERS** that distribution of the Notice of Application and the Interim Order in the Circular, when sent in accordance with paragraphs 12 and 13, shall constitute good and sufficient service of the Notice of Application and this Interim Order and no other form of service need be effected and no other material need be served, unless a Notice of Appearance is served in accordance with paragraph 27.

27. **THIS COURT ORDERS** that any Notice of Appearance served in response to the Notice of Application shall be served on the solicitors for Goldcorp as soon as reasonably practicable, and, in any event, by 4:00 p.m. (Toronto time) on the second last Business Day before the hearing of this Application at the following addresses:

Ladies and Gentlemen:

BMO Capital Markets Corp. ("BMOCM" or "we") understands that Newmont Mining Corporation ("Newmont") and Goldcorp Inc. ("Goldcorp") propose to enter into an arrangement agreement to be dated January 13, 2019 (the "Arrangement Agreement") pursuant to which, among other things, Newmont will acquire 100% of the outstanding common shares in the share capital of Goldcorp ("Goldcorp Shares") and pursuant to which each holder of Goldcorp Shares (other than with respect to the Dissent Shares (as defined in the form of the plan of arrangement included as Schedule A to the Arrangement Agreement)) will be entitled to receive, in exchange for each Goldcorp Share held, 0.3280 of a share of the common stock, par value \$1.60 per share, of Newmont ("Newmont Shares" and such amount, the "Stock Consideration") and \$0.02 in cash (the "Cash Consideration" and, together with the Stock Consideration, the "Consideration"). We also understand that the acquisition contemplated by the Arrangement Agreement is proposed to be effected by way of a plan of arrangement under the *Business Corporations Act* (Ontario) (the "Arrangement"). The terms and conditions of the Arrangement are more fully set forth in the Arrangement Agreement.

You have requested that BMOCM render an opinion, as investment bankers, to the Board of Directors of Newmont, as to the fairness, from a financial point of view, to Newmont of the Consideration to be paid by Newmont pursuant to the terms and conditions of the Arrangement Agreement.

For purposes of this opinion, we have reviewed a draft of the Arrangement Agreement dated as of January 9, 2019 and we have assumed, with your consent, that the final form of the Arrangement Agreement will not differ in any material respects from the draft provided to us. We have also assumed, with your consent, that all of the conditions to the Arrangement will be satisfied, that the Arrangement will be consummated on the terms reflected in the Arrangement Agreement and in compliance with all applicable laws, documents and other requirements, without waiver, modification or amendment of any material term, condition or agreement, and that there will not be any delays, limitations, restrictions, conditions or other actions, including any divestitures, amendments or modifications, in the course of obtaining the necessary judicial, governmental, regulatory and third party approvals, consents, releases, waivers and agreements for the Arrangement or otherwise that would be meaningful in any respect to our analyses or opinion. In addition, we also have assumed, with your consent, that the Pre-Acquisition Reorganizations (as defined in the Arrangement Agreement) and any related modifications to the Arrangement will not have any effect that would be in any way meaningful to our analysis.

In arriving at our opinion set forth below, we have reviewed, among other things:

- 1) a draft of the Arrangement Agreement dated as of January 9, 2019;
- 2) publicly available information concerning Newmont and Goldcorp, including Newmont's Annual Reports on Form 10-K for the fiscal year ended December 31, 2017 and Quarterly Reports on Form 10-Q for the fiscal quarters ended March 31, 2018, June 30, 2018, and

Table of Contents

In rendering our opinion, we have assumed and relied on the accuracy and completeness of all information supplied or otherwise made available to us by Newmont or its representatives or advisors, Goldcorp or its representatives or advisors, or obtained by us from other sources. We have not independently verified (nor assumed any obligation to verify) any such information, undertaken an independent valuation or appraisal of the assets or liabilities (contingent, derivative, off-balance sheet or otherwise) of Newmont or Goldcorp, nor have we been furnished with any such valuation or appraisal. We have not evaluated the solvency or fair value of Newmont or Goldcorp under any state, provincial or federal laws relating to bankruptcy, insolvency or similar matters. With respect to the Newmont Forecasts, the Adjusted Goldcorp Forecasts and the Unmodelled Material that you have directed us to utilize in our analyses, we have reviewed and discussed such forecasts and estimates with the management of Newmont and such management has advised us, and we have assumed, with your consent and without independent investigation, that such forecasts and estimates have been reasonably prepared, and reflect the best currently available estimates and good faith judgment of the management of Newmont of the future financial performance and condition of Newmont and Goldcorp, as applicable, and the other matters covered thereby. With respect to the Goldcorp Forecasts, we have been advised by Goldcorp, and we have assumed, without independent investigation, that such forecasts have been reasonably prepared to reflect the best currently available estimates and good faith judgment of the management of Goldcorp of the future financial performance and condition of Goldcorp. Furthermore, upon the advice of the management of Newmont, we have assumed, with your consent, that the Expected Synergies reviewed by us have been reasonably prepared and reflect the best currently available estimates and good faith judgment of the management of Newmont and that such Expected Synergies will be achieved in the amounts and at the time periods indicated thereby. We express no opinion with respect to such forecasts or the Expected Synergies, including the assumptions on which they are based. We have relied upon and assumed, with your consent and without independent verification, that there has been no change in the business, assets, liabilities, financial condition, results of operations, cash flows or prospects of either Newmont or Goldcorp since the respective dates of the most recent financial statements and other information, financial or otherwise, provided to us that would be material to our analyses or our opinion, and that there is no information or any facts that would make any of the information reviewed by us incomplete or misleading. Furthermore, we have not assumed any obligation to conduct, and have not conducted, any physical inspection of the properties, facilities or sites of Newmont or Goldcorp.

Our opinion is necessarily based upon financial, economic, market and other conditions and circumstances as they exist, have been disclosed to us and can be evaluated, and the information made available to us, as of the date hereof. We disclaim any undertakings or obligations to advise any person of any change in any fact or matter affecting the opinion which may come or be brought to our attention after the date of the opinion or to otherwise update, revise or reaffirm our opinion. We are not expressing any opinion as to what the value of Newmont Shares actually will be when issued pursuant to the Arrangement or the price or range of prices at which Newmont Shares, Goldcorp Shares or any other securities may be purchased or sold, or otherwise be transferable at any time, including following the announcement or consummation of the Arrangement.

Our opinion does not constitute a recommendation as to any action the Board of Directors of Newmont should take in connection with the Arrangement or the other transactions contemplated by the Arrangement Agreement or any aspect thereof and is not a recommendation to any director of Newmont on how such person should vote or act with respect to the Arrangement or related transactions and proposals. Our opinion also does not constitute a recommendation to any security holder as to how such holder should vote or act with respect to the Arrangement or related transactions and proposals. Our opinion relates to the fairness, from a financial point of view, to Newmont of the Consideration to be paid by Newmont pursuant to the terms and conditions of the Arrangement Agreement. We express no opinion herein as to the relative merits of the Arrangement and any other transactions or business strategies discussed by the Board of Directors of Newmont as

alternatives to the Arrangement or the decision of the Board of Directors of Newmont to proceed with the Arrangement, nor do we express any opinion on the structure, terms (other than the Consideration to the extent specified herein) or effect of any other aspect of the Arrangement, including, without limitation, any Pre-Acquisition Reorganization, any terms, aspects or implications of any voting agreement or any other agreement, arrangement or understanding to be entered into in connection with or contemplated by the Arrangement or the other transactions contemplated by the Arrangement Agreement. In addition, we express no opinion as to the fairness, financial or otherwise, of the amount or nature of any compensation payable to or to be received by any officers, directors or employees of any parties to the Arrangement, or any class of such persons relative to the Consideration or otherwise. We are not experts in, and this opinion does not address, any of the legal, regulatory, tax, accounting or similar aspects of the Arrangement, including, without limitation, whether or not the Arrangement, any Pre-Acquisition Reorganization or the other transactions contemplated by the Arrangement Agreement constitute a change of control under any contract or agreement to which Newmont, Goldcorp or any of their respective affiliates is a party. We have relied, with your consent, solely on Newmont's legal, regulatory, tax, accounting and other advisors for such matters.

BMOCM and certain of its affiliates have acted as financial advisor to Newmont with respect to the Arrangement and will receive a fee for such services, the principal portion of which is contingent upon successful completion of the Arrangement. BMOCM and/or certain of its affiliates also will receive a fee upon delivery of this opinion, which will not be contingent on the completion of the Arrangement. In addition, Newmont has agreed to reimburse BMOCM and its affiliates for reasonable expenses incurred in connection with our engagement and to indemnify BMOCM and such affiliates against certain liabilities arising out of our engagement.

BMOCM and/or certain of its affiliates, as part of their investment banking businesses, are continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements, valuation for estate, corporate and other purposes. BMOCM and/or certain of its affiliates provide a full range of financial advisory and securities services and, in the course of its normal trading activities, may from time to time effect transactions and may acquire, hold or sell, long or short positions, or trade, in debt, equity, and other securities, including without limitation, derivative securities, and financial instruments (including loans and other obligations) of, or investments in, Newmont, Goldcorp or their respective affiliates for their own account and for the accounts of customers.

As the Board of Directors of Newmont also is aware, in the two years prior to the date of this opinion, BMOCM and/or certain of its affiliates have provided, currently are providing and in the future may provide certain financial advisory, investment banking, commercial banking, corporate finance and other services unrelated to the Arrangement to Newmont, Goldcorp and/or certain of their respective affiliates for which we and such affiliates have received and may receive compensation.

Specifically, from January 1, 2017 to the date hereof, we and certain of our affiliates have provided advisory, investment banking and corporate banking services to Newmont and certain of its affiliates unrelated to the Arrangement, for which services we have received and/or expect to receive compensation, including having (i) acted as a co-lead arranger, joint bookrunner and co-syndication agent on the extension of Newmont's \$3 billion credit facility, (ii) acted as a lender under the credit facility, and (iii) provided certain foreign exchange and commodity trading services to Newmont.

Further, from January 1, 2017 to the date hereof, we and certain of our affiliates have provided advisory, investment banking and corporate banking services to Goldcorp and certain of its affiliates unrelated to the Arrangement, for which services we have received and/or expect to receive compensation, including having (i) acted as a co-lead arranger, joint bookrunner and administrative

agent on the extension of Goldcorp's \$3 billion credit facility, (ii) acted as lender under the credit facility, and (iii) provided certain foreign exchange and commodity trading services to Goldcorp.

Our opinion has been approved by a fairness opinion committee of BMOCM. Our opinion has been prepared at the request and for the benefit and use of the Board of Directors of Newmont (solely in its capacity as such) in evaluating the fairness, from a financial point of view, to Newmont of the Consideration to be paid by Newmont pursuant to the terms and conditions of the Arrangement Agreement. Our opinion may not be quoted, referred to, disclosed, in whole or in part, or summarized, excerpted from or otherwise referred to or used for any other purpose without our prior written consent.

Based upon and subject to the foregoing, it is our opinion, as investment bankers, that as of the date hereof, the Consideration to be paid by Newmont pursuant to the Arrangement Agreement is fair, from a financial point of view, to Newmont.

Very truly yours,

The Board of Directors
Newmont Mining Corporation

Members of the Board:

You have requested our opinion as to the fairness, from a financial point of view, to Newmont Mining Corporation, a corporation existing under the laws of the State of Delaware ("Newmont"), of the Consideration (defined below) to be paid by Newmont pursuant to the terms and subject to the conditions set forth in an Arrangement Agreement (the "Arrangement Agreement") proposed to be entered into between Newmont and Goldcorp Inc., a corporation existing under the laws of the Province of Ontario ("Goldcorp"). As more fully described in the Arrangement Agreement, Newmont will acquire all of the outstanding common shares in the share capital of Goldcorp (each, a "Goldcorp Share") pursuant to a plan of arrangement under the provisions of the *Business Corporations Act* (Ontario) (the "Arrangement") in which each holder of a Goldcorp Share will be entitled to receive (other than with respect to the Dissent Shares (as defined in the form of the plan of arrangement included as Schedule A to the Arrangement Agreement)) (a) 0.3280 of a share of the common stock, par value \$1.60 per share, of Newmont ("Newmont Shares") and (b) \$0.02 in cash (such portion of a Newmont Share and cash amount, collectively, the "Consideration").

In arriving at our opinion, we reviewed a draft dated January 13, 2019 of the Arrangement Agreement and held discussions with certain senior officers, directors and other representatives and advisors of Newmont and certain senior officers and other representatives and advisors of Goldcorp concerning the businesses, operations and prospects of Newmont and Goldcorp. We examined certain publicly available business and financial information relating to Newmont and Goldcorp as well as (i) certain financial forecasts and other information and data relating to Newmont which were provided to and discussed with us by the management of Newmont (the "Newmont Forecasts"), (ii) certain financial forecasts and other information and data relating to Goldcorp which were provided to and discussed with us by the management of Goldcorp (the "Goldcorp Forecasts"), (iii) certain adjustments to the Goldcorp Forecasts which were provided to and discussed with us by the management of Newmont (the "Adjusted Goldcorp Forecasts"), (iv) information relating to the potential strategic implications and financial and operational benefits (including the amount, timing and achievability thereof) anticipated by the management of Newmont to result from the Arrangement (the "Synergies") and (v) an estimate of the intrinsic value for certain unmodelled material present within each of Newmont and Goldcorp not otherwise accounted for in the Newmont Forecasts or the Adjusted Goldcorp Forecasts, as prepared by the management of Newmont and approved for our use by Newmont (the "Unmodelled Material"). We reviewed the financial terms of the Arrangement as set forth in the Arrangement Agreement in relation to, among other things: current and historical market prices and trading volumes of Newmont Shares and Goldcorp Shares; the historical and projected earnings, net asset values and other operating data of Newmont and Goldcorp; and the capitalization and financial condition of Newmont and Goldcorp. We considered, to the extent publicly available, the financial terms of certain other transactions which we considered relevant in evaluating the Arrangement and analyzed certain financial, stock market and other publicly available information relating to the businesses of other companies whose operations we considered relevant in evaluating those of Newmont and Goldcorp. We reviewed the impact of various commodity pricing assumptions

on the business, prospects and financial forecasts of Newmont and Goldcorp. We also evaluated certain potential pro forma financial effects of the Arrangement on Newmont (the "Pro-Forma Effects"). In addition to the foregoing, we conducted such other analyses and examinations and considered such other information and financial, economic and market criteria as we deemed appropriate in arriving at our opinion. The issuance of our opinion has been authorized by our fairness opinion committee.

In rendering our opinion, we have assumed and relied, without independent verification, upon the accuracy and completeness of all financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with us and upon the assurances of the managements of Newmont and Goldcorp that they are not aware of any relevant information that has been omitted or that remains undisclosed to us. With respect to the Goldcorp Forecasts, we have been advised by the management of Goldcorp and we have assumed that such Goldcorp Forecasts were reasonably prepared on bases reflecting the best currently available estimates and judgments of the management of Goldcorp as to the future financial performance of Goldcorp. With respect to the Newmont Forecasts, the Adjusted Goldcorp Forecasts, the Synergies, the Unmodelled Material and the Pro-Forma Effects that you have directed us to utilize in our analyses, we have been advised by the management of Newmont and we have assumed, with your consent, that such forecasts and other information and data were reasonably prepared on bases reflecting the best currently available estimates and judgments of the management of Newmont as to, and are a reasonable basis upon which to evaluate, the future financial performance of Goldcorp and Newmont, the strategic implications and financial and operational benefits (including the amount, timing and achievability thereof) anticipated by the management of Newmont to result from the Arrangement and the other matters covered thereby. We express no opinion as to any financial and other information or data (or underlying assumptions on which any such financial and other information or data are based) provided to or otherwise reviewed by or discussed with us and we have assumed, with your consent, that the financial results (including the Synergies and Pro-Forma Effects) reflected in the Newmont Forecasts, the Adjusted Goldcorp Forecasts and such other information and data will be realized in the amounts and at the times projected.

We have assumed, with your consent, that the Arrangement will be consummated in accordance with its terms and in compliance with all applicable laws and other requirements, without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary judicial, regulatory or third party approvals, consents, orders, agreements, permissions and releases for the Arrangement, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on Goldcorp or Newmont or the contemplated benefits to Newmont of the Arrangement. We also have assumed, with your consent, that the Pre-Acquisition Reorganizations (as defined in the Arrangement Agreement) and any related modifications to the Arrangement will not have any effect that would be in any way meaningful to our analysis. Representatives of Newmont have advised us, and we further have assumed, that the final terms of the Arrangement Agreement will not vary materially from those set forth in the draft reviewed by us. We have not made or been provided with an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of Newmont or Goldcorp nor have we made any physical inspection of the properties or assets of Newmont or Goldcorp. We express no view as to, and our opinion does not address, the underlying business decision of Newmont to effect or enter into the Arrangement, the relative merits of the Arrangement as compared to any alternative business strategies that might exist for Newmont or the effect of any other transaction in which Newmont might engage. We are not expressing any view or opinion as to the actual value of Newmont Shares or any other securities when issued, redeemed or acquired in connection with the Arrangement or the prices at which Goldcorp Shares, Newmont Shares or any other securities will trade or otherwise be transferable at any time, including following the announcement or consummation of the Arrangement. Our opinion does not address any terms (other than the Consideration to the extent expressly specified herein) or other aspects or implications of the Arrangement, including, without limitation, the form or structure of the

Arrangement or any Pre-Acquisition Reorganization or any terms, aspects or implications of any voting agreement or any other agreement, arrangement or understanding to be entered into in connection with or contemplated by the Arrangement. We are not expressing any view or opinion with respect to accounting, tax, regulatory, legal or similar matters and we have relied, with your consent, upon the assessments of representatives of Newmont as to such matters. We also express no view as to, and our opinion does not address, the fairness (financial or otherwise) of the amount or nature or any other aspect of any compensation or other payments or benefits to any officers, directors or employees of any party to the Arrangement, or any class of such persons, relative to the Consideration or otherwise. Our opinion is necessarily based upon information available to us, and financial, stock market and other conditions and circumstances existing and disclosed to us, as of the date hereof. Although subsequent developments may affect our opinion, we have no obligation to update, revise or reaffirm our opinion.

Citigroup Global Markets Inc. has acted as financial advisor to Newmont in connection with the proposed Arrangement and will receive a fee for such services, a significant portion of which is contingent upon the consummation of the Arrangement. We also will receive a fee in connection with the delivery of this opinion. In addition, Newmont has agreed to reimburse our expenses and to indemnify us against certain liabilities arising out of our engagement. We and our affiliates in the past have provided, and are currently providing, services to Newmont unrelated to the proposed Arrangement, for which services we and such affiliates have received and expect to receive compensation, including, without limitation, since January 1, 2017, (i) in May 2017, having acted as co-syndication agent, joint lead arranger, joint bookrunner and a lender with committed capital under Newmont's \$3 billion revolving credit facility and (ii) having provided treasury, trade solutions, market and securities services to Newmont. In addition, we and our affiliates in the past have provided, and are currently providing, services to Goldcorp unrelated to the proposed Arrangement, for which services we and such affiliates have received and expect to receive compensation, including, without limitation, since January 1, 2017, (i) in June 2017, having acted as a lender with committed capital in connection with the extension of the term of Goldcorp's existing \$3 billion revolving credit facility and (ii) having provided treasury, trade solutions, market and securities services to Goldcorp. In the ordinary course of our business, we and our affiliates may actively trade or hold the securities of Newmont and Goldcorp for our own account or for the account of our customers and, accordingly, may at any time hold a long or short position in such securities. In addition, we and our affiliates (including Citigroup Inc. and its affiliates) may maintain relationships with Newmont, Goldcorp and their respective affiliates.

Our advisory services and the opinion expressed herein are provided for the information of the Board of Directors of Newmont in its evaluation of the proposed Arrangement. Our opinion may not be quoted, referred to or otherwise disclosed, in whole or in part, nor may any public reference to Citigroup Global Markets Inc. be made, without our prior written consent. Our opinion is not intended to be and does not constitute a recommendation to any stockholder as to how such stockholder should vote or act on any matters relating to the proposed Arrangement or otherwise.

Based upon and subject to the foregoing, our experience as investment bankers, our work as described above and other factors we deemed relevant, we are of the opinion that, as of the date hereof, the Consideration to be paid by Newmont in the Arrangement is fair, from a financial point of view, to Newmont.

Very truly yours,

the shares of such series, so far as not inconsistent with the provisions of this Article Fourth applicable to all series of Preferred Stock:

(a) The designation of such series and the number of shares which shall constitute such series;

(b) The dividend rate per annum, if any, at which holders of shares of such series shall be entitled to receive dividends, whether or not dividends on the shares of such series shall be cumulative, the times at which and the quarterly dividend periods for which dividends on such series shall be paid, the date or dates, if any, from which dividends shall be cumulative and the other conditions, if any, on which such dividends shall be paid;

(c) The time or times, if any, at which the shares of such series shall be subject to redemption, in whole or in part, the price or prices to which holders of shares of such series shall be entitled upon such redemption, and the other terms and conditions, if any, on which shares of such series may be so redeemed;

(d) The amount or amounts and the other rights, if any, to which the holders of shares of such series shall be entitled upon the dissolution, liquidation or winding up of the affairs of the Corporation or upon any other distribution of the assets of the Corporation;

(e) The sinking fund or purchase fund provisions, if any, for the redemption or purchase of shares of such series and, if any such fund is so provided for the benefit of such shares, the amount of such fund and the manner of its application;

(f) The extent of the voting powers, if any, of the shares of such series;

(g) Whether or not the shares of such series shall be convertible into, or exchangeable for, shares of any other class or classes of stock, or of any series thereof, of the Corporation and, if so convertible or exchangeable, the conversion or exchange price or prices or rate or rates, the adjustments thereof and the other terms and conditions, if any, on which shares shall be so convertible or exchangeable; and

(h) Any other preferences and relative, participating, optional or other special rights, and qualifications, limitations or restrictions thereof, of shares of such series as are not fixed and determined in this Article Fourth.

3. The powers, preferences and rights, and the qualifications, limitation or restrictions thereof, applicable to the Preferred Stock of all series are as follows:

(a) Out of the funds of the Corporation legally available for dividends, the holders of the Preferred Stock of each series shall be entitled to receive, when and as declared by the Board of Directors, cash dividends at such rate, and no more, and payable at such times and for such quarterly dividend periods as shall be fixed for such series by the Board of Directors as herein permitted. No such dividend shall be paid or declared and set apart for payment on any share of Preferred Stock for any quarterly dividend period unless a dividend for the same quarterly dividend period and all past quarterly dividend periods, if any, ending within such quarterly dividend period, ratably in proportion to the respective annual dividend rates fixed therefor, shall be or have been paid or declared and set apart for payment on all shares of Preferred Stock of all series then outstanding and entitled to receive dividends for such quarterly dividend period or for any past quarterly dividend period, if any, ending within such quarterly dividend period.

Table of Contents

In no event, so long as any Preferred Stock shall remain outstanding, shall any dividend, other than a dividend payable in shares of Common Stock or any other class of stock ranking junior to the Preferred Stock as to the distribution of assets and the payment of dividends (the Common Stock, and any such other class of stock being hereinafter sometimes referred to as "junior stock"), be declared or paid upon, nor shall any distribution be made upon, any junior stock, nor shall any shares of junior stock be purchased or redeemed by the Corporation other than in exchange for junior stock, nor, shall any monies be paid or made available for a sinking fund for the purchase or redemption of any junior stock, unless in each instance dividends on all outstanding shares of the Preferred Stock for all past dividend periods shall have been paid and the dividend on all outstanding shares of the Preferred Stock for the then applicable current quarterly dividend period shall have been paid, or declared and a sum sufficient for the payment thereof set apart.

(b) The Corporation, at its election expressed by resolution of the Board of Directors, may redeem the shares of any series of the Preferred Stock at such time or times, at such price or prices and on such other terms and conditions (not inconsistent with the provisions of this subparagraph (b)) as are fixed for such series by the Board of Directors as permitted herein plus, in each case, an amount equal to all dividends accrued and unpaid on such series of Preferred Stock to and including the date fixed for redemption (the total sum so payable per share on any such redemption being hereinafter called the "Redemption Price" and the date fixed for redemption being hereinafter called the "Redemption Date"). If as permitted by the terms fixed for such series by the Board of Directors, less than all outstanding shares of any series of Preferred Stock are to be redeemed, the shares of said series to be redeemed shall be chosen by lot or pro rata in such equitable manner as the Board of Directors may determine.

Notice of every such redemption shall be mailed not less than 30 nor more than 90 days in advance of the Redemption Date to the holders of record of the shares of Preferred Stock so to be redeemed at their respective addresses as the same shall appear on the books of the Corporation.

From and after the Redemption Date (unless the Corporation shall default in paying or providing the funds necessary for the payment of the Redemption Price of the shares so called for redemption) the right to receive dividends on all shares of Preferred Stock so called for redemption shall cease to accrue, and all rights of the holders of the shares of Preferred Stock so called for redemption shall forthwith, after the Redemption Date, cease and terminate, excepting only the right of such holders to receive the Redemption Price for such shares but without interest, and such shares shall no longer be deemed outstanding. Any funds so set aside by the Corporation and unclaimed at the end of six years from the Redemption Date shall revert to the general funds of the Corporation, after which reversion the holders of such shares so called for redemption shall look only to the Corporation for payment of the Redemption Price.

If, on or after the giving of notice of redemption but before the Redemption Date, the Corporation shall deposit with any bank or trust company doing business in the Borough of Manhattan, City of New York, New York, having capital and surplus of at least \$10,000,000, in trust to be applied to the redemption of the shares of Preferred Stock so called for redemption, the funds necessary for such redemption, then all rights of the holders of the shares of Preferred Stock so called for redemption shall forthwith, after the date of such deposit, cease and terminate (excepting only the right of such holders to receive the Redemption Price therefor but without interest and the right to exercise any conversion privilege not theretofore expired), and such shares shall not, after the date of such deposit, be deemed outstanding. Any funds so deposited which shall not be required for such redemption

because of the exercise of any such right of conversion subsequent to the making of such deposit shall be returned to the Corporation. In case the holders of shares of Preferred Stock so called for redemption shall not, at the end of six years from the Redemption Date, have claimed any funds so deposited, such bank or trust company shall upon the request of the Corporation pay over to the Corporation such unclaimed funds, and such bank or trust company shall thereafter be relieved of all responsibility in respect thereof to such holders and such holders shall look only to the Corporation for payment of the Redemption Price.

Any interest accrued on funds set aside or deposited for purposes of redemption as above provided shall be paid to the Corporation from time to time.

Shares of any series of Preferred Stock which have been redeemed, retired or purchased by the Corporation (whether through the operation of a sinking or purchase fund or otherwise) or which, if convertible or exchangeable, have been converted into or exchanged for shares of stock of the Corporation of any other class or classes, shall, upon appropriate filing and recording to the extent required by law, have the status of authorized and unissued shares of Preferred Stock.

(c) In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, the holders of Preferred Stock shall be entitled to receive, out of the assets of the Corporation available for distribution to its stockholders, an amount in cash for each share equal to the amount payable on such share in such event provided for by the Board of Directors as permitted herein for the series of Preferred Stock of which such share is a part plus, in each case, an amount equal to all dividends accrued and unpaid on such share up to the date fixed for distribution, and no more, before any distribution shall be made to the holders of the Common Stock.

If upon any such liquidation, dissolution or winding up of the Corporation its net assets shall be insufficient to permit the payment in full of the respective amounts to which the holders of all outstanding Preferred Stock of all series are entitled as above provided, the entire remaining net assets of the Corporation shall be distributed among the holders of Preferred Stock of all series in amounts proportionate to the full amounts to which they are respectively so entitled.

Neither the merger nor consolidation of the Corporation, nor the sale, lease or conveyance of all or a part of its assets, shall be deemed to be a voluntary or involuntary liquidation, dissolution or winding-up of the affairs of the Corporation within the meaning of this subparagraph (c).

4. (a) Except for such voting powers as may be granted to the holders of Preferred Stock by law, subparagraph (b) of this paragraph 4, or as may be granted to the holders of any one or more series of Preferred Stock by the Board of Directors in accordance with paragraph 2(f) of this Article Fourth, voting power shall be vested exclusively in the Common Stock. At every meeting of the stockholders of the Corporation every holder of Common Stock entitled to vote shall be entitled to one vote for each share of Common Stock registered in his name on the books of the Corporation and, except as otherwise herein or by law provided, the Common Stock and Preferred Stock of the Corporation (and any other capital stock of the Corporation at the time entitled thereto), shall vote together as a class.

(b) At any time when six (6) quarterly dividends on any one or more series of Preferred Stock entitled to receive cumulative dividends shall be in default, the holders of all such cumulative series at the time or times outstanding as to which such default shall exist shall be entitled, at the next annual meeting of stockholders or special meeting held in place thereof at which time the number of directors constituting the Board of Directors shall be increased by

two, voting as a class, whether or not the holders thereof shall otherwise be entitled to vote, to the exclusion of the holders of Common Stock and the holders of any series of non-cumulative Preferred Stock, to vote for and elect two members of the Board of Directors of the Corporation to all such newly-created directorships. At any time when six (6) quarterly dividends on any one or more series of non-cumulative Preferred Stock shall be in default, the holders of all such non-cumulative series at the time or times outstanding as to which such default shall exist shall be entitled, at the next annual meeting of stockholders or special meeting held in place thereof at which time the number of directors constituting the Board of Directors shall be increased by two, voting as a class, whether or not the holders thereof shall otherwise be entitled to vote, to the exclusion of the holders of Common Stock and the holders of any series of cumulative Preferred Stock, to vote for and elect two members of the Board of Directors of the Corporation to fill such newly-created directorships. All rights of all series of Preferred Stock to participate in the election of directors pursuant to this subparagraph 4(b) shall continue in effect, in the case of all series of Preferred Stock entitled to receive cumulative dividends, until cumulative dividends have been paid in full or set apart for payment on each cumulative series which shall have been entitled to vote at the previous annual meeting of stockholders, or special meeting held in place thereof, or, in the case of all series of non-cumulative Preferred Stock, until non-cumulative dividends have been paid in full or set apart for payment for four consecutive quarterly dividend periods on each non-cumulative series which shall have been entitled to vote at the previous annual meeting of stockholders or special meeting held in place thereof. Whenever the holders of the Preferred Stock shall be divested of such voting right hereinabove provided, the directors so elected by the Preferred Stock shall thereupon cease to be directors of the Corporation and thereupon the number of directors shall be reduced by two or four, as the case may be. Directors elected by the holders of any one or more series of stock voting separately as a class, may be removed only by a majority vote of such series, voting separately as a class, so long as the voting power of such series shall continue. Subject to the voting rights, if any, of any other series of Preferred Stock, the holders of the Common Stock, voting as a class, to the exclusion of the holders of such series so entitled to vote for and elect members of the Board of Directors pursuant to this subparagraph 4(b) shall be entitled to vote for and elect the balance of the Board of Directors. Each stockholder entitled to vote at any particular time in accordance with the foregoing provisions shall not have more than one vote for each share of Stock held of record by him at the time entitled to voting rights.

(c) Subject to the provisions of this Article Fourth and any further provisions prescribed in accordance herewith, and after making such provisions, if any, as the Board of Directors may deem advisable for working capital or as a reserve fund to meet contingencies or for such other purposes as the Board of Directors, in their discretion, may deem necessary or advisable and in the best interests of the Corporation, then, and not otherwise, the holders of the junior stock shall be entitled to receive, when and as declared by the Board of Directors, out of funds legally available for that purpose, dividends payable either in cash, stock or otherwise.

(d) In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, if the holders of all series of the Preferred Stock shall have received all the amounts to which they shall be entitled in such event in accordance with the provisions of this Article Fourth and any further provisions prescribed in accordance herewith, the holders of the junior stock shall be entitled, to the exclusion of the holders of the Preferred Stock of all series, to share in all the remaining assets of the Corporation available for distribution to the stockholders.

Ninth: Notwithstanding any provision in this Certificate of Incorporation to the contrary (including, without limitation, paragraphs 3 and 7 of Article Eighth hereof), except as set forth in the penultimate subparagraph of this Article Ninth, the affirmative vote or consent of the holders of four-fifths of all classes of stock of this Corporation entitled to vote in elections of directors, considered for the purposes of this Article Ninth as one class, shall be required (a) for the adoption of any agreement for the merger or consolidation of this Corporation with or into any other corporation, or (b) to authorize any sale or lease of all or any substantial part of the assets of this Corporation to, or any sale or lease to this Corporation or any subsidiary thereof in exchange for securities of this Corporation of any assets (except assets having an aggregate fair market value of less than \$10,000,000) of, any other corporation, person or other entity, if, in either case, as of the record date for the determination of stockholders entitled to notice thereof and to vote thereon or consent thereto such other corporation, person or entity is the beneficial owner, directly or indirectly, of more than 10% of the outstanding shares of stock of this Corporation entitled to vote in elections of directors considered for the purposes of this Article Ninth as one class. Such affirmative vote or consent shall be in addition to the vote or consent of the holders of the stock of this Corporation otherwise required by law or any agreement between this Corporation and any national securities exchange.

For the purposes of this Article Ninth, (a) any corporation, person or other entity shall be deemed to be the beneficial owner of any shares of stock of this Corporation (i) which it has the right to acquire pursuant to any agreement, or upon exercise of conversion rights, warrants or options, or otherwise, or (ii) which are beneficially owned, directly or indirectly (including shares deemed owned through application of clause (i), above), by any other corporation, person or entity with which it or its "affiliate" or "associate" (as defined below) has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting or disposing of stock of this Corporation, or which is its "affiliate" or "associate" as those terms are defined in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934 as in effect on December 6, 2001, and (b) the outstanding shares of any class of stock of this Corporation shall include shares deemed owned through application of clauses (i) and (ii) above but shall not include any other shares which may be issuable pursuant to any agreement, or upon exercise of conversion rights, warrants or options, or otherwise.

The Board of Directors shall have the power and duty to determine for the purposes of this Article Ninth, on the basis of information known to this Corporation, whether (i) such other corporation, person or other entity beneficially owns more than 10% of the outstanding shares of stock of this Corporation entitled to vote in elections of directors, (ii) a corporation, person, or entity is an "affiliate" or "associate" (as defined above) of another, (iii) the assets being acquired by this Corporation, or any subsidiary thereof, have an aggregate fair market value of less than \$10,000,000 and (iv) the memorandum of understanding referred to below is substantially consistent with the transaction covered thereby. Any such determination shall be conclusive and binding for all purposes of this Article Ninth.

The provisions of this Article Ninth shall not be applicable to (i) any merger or consolidation of this Corporation with or into any other corporation, or any sale or lease of all or any substantial part of the assets of this Corporation to, or any sale or lease to this Corporation or any subsidiary thereof in exchange for securities of this Corporation of any assets of, any other corporation, person or other

entity, if the Board of Directors of this Corporation shall by resolution have approved a memorandum of understanding with such other corporation, person or entity with respect to and substantially consistent with such transaction prior to the time that such other corporation, person or entity shall have become a holder of more than 10% of the outstanding shares of stock of this Corporation entitled to vote in elections of directors; or (ii) any merger or consolidation of this Corporation with, or any sale or lease to this Corporation or any subsidiary thereof of any of the assets of, any corporation of which a majority of the outstanding shares of all classes of stock entitled to vote in elections of directors is owned of record or beneficially by this Corporation and its subsidiaries.

No amendment to the Certificate of Incorporation of this Corporation shall amend, alter, change or repeal any of the provisions of this Article Ninth, unless the amendment effecting such amendment, alteration, change or repeal shall receive the affirmative vote or consent of the holders of four-fifths of all classes of stock of this Corporation entitled to vote in elections of directors, considered for the purposes of this Article Ninth as one class.

Tenth: The Directors of the Corporation shall be protected from personal liability, through indemnification or otherwise, to the fullest extent permitted under the General Corporation Law of the State of Delaware as from time to time in effect.

1. A Director of this Corporation shall under no circumstances have any personal liability to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a Director except for those specific breaches and acts or omissions with respect to which the Delaware General Corporation Law expressly provides that this provision shall not eliminate or limit such personal liability of Directors. The modification or repeal of this paragraph 1 of Article Tenth shall not affect the restriction hereunder of a Director's personal liability for any act or omission occurring prior to such modification or repeal.

2. The Corporation shall indemnify each Director and Officer of the Corporation to the fullest extent permitted by applicable law, and in furtherance hereof the Board of Directors is expressly authorized to amend the Corporation's By-Laws from time to time to give full effect hereto, notwithstanding possible self interest of the Directors in the action being taken. The modification or repeal of this paragraph 2 of Article Tenth shall not adversely affect the right to indemnification of any Director or Officer hereunder with respect to any act or omission occurring prior to such modification or repeal.

Eleventh: This Corporation reserves the right to amend, alter, change or repeal any provision contained in this certificate of incorporation, in the manner now or hereafter prescribed by statute, and all rights conferred upon the stockholders herein are granted subject to this reservation.

Description of Business Desired to Be Brought Before the 2019 Annual Meeting

PROPOSAL 1: AMENDMENT OF THE BY-LAWS OF THE COMPANY REGARDING SPECIAL MEETINGS OF STOCKHOLDERS

Stockholder intends to submit for adoption by the Company's stockholders at the 2019 Annual Meeting a proposed amendment to the By-Laws that will provide stockholders owning at least 15% of the stock of the Company with the right to call a special meeting of the stockholders of the Company. As amended, the proposed By-Law would provide that, subject to applicable law, it cannot be amended without the approval of the stockholders of the Company.

In connection with the foregoing, Stockholder intends to bring the following resolution before the 2019 Annual Meeting:

RESOLVED, the Corporation's By-Laws be and hereby are amended to amend and restate Article I, Section 2 to read as follows:

"Section 2. Special Meetings. Special Meetings of the stockholders for any lawful purposes may be called by the Board of Directors or by the Chair of the Board or by the Chief Executive Officer, and shall be called by the Chair of the Board or by the Chief Executive Officer or the Secretary upon a written request stating the purposes thereof authorized by (i) a majority of the Board of Directors or (ii) stockholders owning of beneficially or of record at least 15% of the stock of the Corporation entitled to vote at such meeting. Each such meeting shall be held at such place, and on such date and at such time, as the Board of Directors of the Corporation shall designate in a resolution duly adopted by it, for the purposes stated in the notices thereof; provided, however, that any such special meeting called upon the written request of stockholders pursuant to this Section 2 shall be held on such date and at such time as may be specified in such written request by the stockholders requesting such meeting, which shall be not less than thirty (30) days nor more than ninety (90) days after the date on which such written request is received by the Corporation. Business transacted at any special meeting shall be limited to the purposes stated in the notices of the meeting.

Subject to applicable law, the Board of Directors may not alter, amend or repeal this Section 2, or adopt any provision inconsistent with or germane to the subject matter of this Section 2, without the prior approval of the stockholders of the Corporation."

PROPOSAL 2: REPEAL OF ALL BY-LAW AMENDMENTS ADOPTED BY THE BOARD OF DIRECTORS OF THE COMPANY AFTER OCTOBER 24, 2018

In addition, at the 2019 Annual Meeting, Stockholder intends to seek to repeal any new By-Laws or amendments to the By-Laws adopted by the Board of Directors of the Company, without stockholder approval, after October 24, 2018 (which is the effective date of the last publicly disclosed

amendment and restatement to the Company's By-Laws as of the date of this Notice) and prior to or on the date of the adoption of this proposal by the stockholders of the Company.

In connection with the foregoing, Stockholder intends to bring the following resolution before the 2019 Annual Meeting:

RESOLVED, the Corporation's By-Laws be and hereby are amended to repeal any new By-Law or any amendments to the By-Laws, enacted from October 24, 2018 to the date of the enactment of this stockholder resolution, which have not been approved by the stockholders of the Corporation and no such By-Laws or amendments to the By-Laws may be reinstated or readopted (and no By-Laws or amendments to the By-Laws that are substantially similar thereto or have the same intended effect may be enacted) by action of the Board of Directors without the prior approval of the stockholders of the Corporation.

Board of Directors
Newmont Mining Corporation

Attn:

Noreen Doyle, Chair of the Board of Directors
Gary J. Goldberg, President and Chief Executive Officer

February 25, 2019

Dear Noreen and Gary:

As you know our companies have on many occasions discussed in considerable detail the merits of combining Barrick Gold Corporation ("**Barrick**") and Newmont Mining Corporation ("**Newmont**"). A combination of Barrick and Newmont would represent a unique, once in a lifetime opportunity to create the unrivalled leader in the gold sector and generate significant and in our industry, unparalleled value creation for our shareholders. Given the superior and obvious benefits to shareholders and other stakeholders that a business combination between our two companies would create, we were surprised and disappointed to learn that Newmont had agreed to combine with Goldcorp Inc. ("**Goldcorp**") a combination that would provide minimal real synergies and dilute the quality of Newmont's asset portfolio.

On behalf of Barrick, we are pleased to submit this proposal (our "**Proposal**") to acquire all of the outstanding shares of Newmont common stock ("**Newmont Shares**") in an all-share transaction.

As outlined in more detail below, our Proposal represents a unique and highly attractive opportunity to deliver substantial shareholder value and build on the accomplishments of our respective businesses. A combination of our companies would result in significant value creation opportunities for the combined company that are not available to our respective companies if they continue to operate independently of each other and are far superior to the value that would result from Newmont's proposed acquisition of Goldcorp. In addition to other strategic, financial and operational benefits, our Proposal offers Newmont shareholders the opportunity to fully participate in that value creation and the over \$7 billion net present value of real synergies expected to result from our proposed combination, and we are confident your shareholders will enthusiastically support our proposal as a superior alternative to the Goldcorp acquisition.

Value and Consideration

Barrick proposes to acquire all of the outstanding Newmont Shares in an all-share transaction. Under our Proposal, Newmont shareholders would receive 2.5694 common shares of Barrick ("**Barrick Shares**") per outstanding Newmont Share, representing an at-market transaction based on the volume-weighted average trading prices of Barrick Shares and Newmont Shares on the New York Stock Exchange over the 20 trading days ended February 20, 2019, being the last trading day before the day on which news of this transaction was broadly leaked in the financial press.

Table of Contents

Newmont shareholders would hold approximately 44.1% of the issued and outstanding Barrick Shares after giving effect to the combination and would have the opportunity to participate in the significant upside of the combined company's future prospects and synergies.

The market reaction to date to your Goldcorp transaction suggests that investors do not endorse your rationale for the transaction and have concerns about the condition of Goldcorp's asset base. On the day of announcement, your market capitalization dropped by more than the estimated present value of the synergies you announced.

In contrast, our recent at-market combination with Randgold Resources was roundly applauded by both sets of shareholders as a more appropriate way of combining two companies and unlocking real value for shareholders. That Barrick-Randgold combination has generated over \$5 billion of combined value for Barrick and former Randgold shareholders.

We are confident that our Proposal offers far superior value for Newmont shareholders than is available to them under the Arrangement Agreement between Newmont and Goldcorp (the "Goldcorp Arrangement Agreement").

Securing the Long Term Future of Nevada

This proposed business combination will result in value creation opportunities that are not available to our respective companies if they continue to operate independently of each other. In particular, a large portion of Barrick and Newmont's reserves, operations and development projects in Nevada are highly complementary and located in close geographic proximity. This would offer a unique opportunity for a more efficient, streamlined organization with a dramatic impact on our combined cost structure. In short, this combination would allow us to capture financial, strategic and operational synergies in an amount that would be unprecedented in our industry and unavailable from any other combination.

The realization of these synergies would secure the long term future of the Nevada gold industry and ensure that Nevada's unique mineral endowment and potential is fully utilized. These synergies will allow us to lower operating costs, increase reserves and resources and significantly extend profitable mine lives for the benefit of not only our shareholders, but our employees, the local communities and the economy of Nevada as a whole. Based on our prior work with you and our unique knowledge of our collective asset base, we are confident these synergies can be realized.

Creation of the Unrivalled Leader

A combination of Barrick and Newmont would create the unrivalled leader in the gold sector. The combined company would have a significantly improved capacity for free cash flow generation due to our ownership of 8 Tier One gold assets, which will provide greater flexibility to invest in profitable growth and return cash to shareholders. Without question, our combination would create the industry's best gold investment vehicle and a business of sufficient merit that would attract generalist and yield-oriented investors as well.

The transaction would create a company with:

8 Tier One gold assets, with a possible 9th in Goldrush/Fourmile;

unmatched cash flow generation;

the senior gold sector's strongest balance sheet, which will fund growth and shareholder returns;

an unrivalled exploration and development portfolio covering all of the world's major gold districts;

Table of Contents

a known senior executive team with one of the industry's best track records for creating value for shareholders;

revenues of approximately \$15.6 billion, operating cash flow of approximately \$4.6 billion and adjusted EBITDA of approximately \$7.0 billion, based on 2018 reported results and after giving effect to the considerable anticipated synergies of this transaction;

total gold reserves of 141 million ounces and total gold resources of 275 million ounces;

a market capitalization and enterprise value that will attract new investors and enable future growth opportunities;

trading liquidity that will dwarf the liquidity of any other company in the gold industry; and

a strong business that would rival the world's top resource companies, attracting both gold and generalist investors.

Working Together = Opportunity for Our Employees

People are a vital component of the success of any enterprise, and we highly value the talent and skills inherent in a world class organization such as Newmont. Our teams know each other well and we can assure you that the combined company will utilize a best in class approach, such that the best available people from each company will work together to move the combined company forward. Your employees and other stakeholders will benefit from the expanded opportunities available as part of a larger, stronger organization with better longer term prospects.

Portfolio Optimization

The optimization of Barrick's asset portfolio is ongoing. After a combination with Newmont, our combined teams would review the combined portfolio applying the same quality and strategic filters currently in place at Barrick with the goal of maintaining the best production, project and exploration assets in the best jurisdictions. Any proceeds received from the rationalization process would be used to fund debt reduction and returns to shareholders. Given the combined strength of Barrick and Newmont, we will be under no time constraints to conduct dispositions, and will only do so if they add value.

Dividends

The combined company will match Newmont's annual dividend of \$0.56 per share which, based on the proposed exchange ratio, will represent a pro forma annual dividend of \$0.22 per Barrick Share. Going forward, our combined scale, stability and liquidity would allow for a more optimal allocation of capital and return of capital to shareholders. Ultimately, it is clear that the benefits of the financial, strategic and operational synergies, selective divestitures of non-core assets and more disciplined growth would position the combined company to grow the dividend over time and consider other alternatives to return capital to shareholders.

Next Steps

It is in the interests of our respective shareholders to progress this transaction as expeditiously as possible. We have completed extensive due diligence and analysis of this transaction based on publicly available information. As a result, our diligence requirements are limited and confirmatory in nature and would be able to be addressed within a compressed timeframe.

We are aware of the restrictions imposed under the Goldcorp Arrangement Agreement on your ability to consider our Proposal. Section 5.9(e) of the Goldcorp Arrangement Agreement explicitly contemplates Newmont engaging in negotiations and providing diligence if it receives a "*bona fide*

Table of Contents

written Newmont Acquisition Proposal that did not result from a breach of this Section 5.9 (and has not been withdrawn) and the Newmont Board determines, in good faith after consultation with its outside financial and legal advisors, that such Newmont Acquisition Proposal constitutes or would reasonably be expected to constitute a Newmont Superior Proposal (disregarding, for the purposes of such determination, any due diligence or access condition to which such Newmont Acquisition Proposal is subject)". Our Proposal to acquire 100% of the Newmont Shares constitutes a "bona fide written Newmont Acquisition Proposal" under the terms of the Goldcorp Arrangement Agreement. In addition, we are confident that the Newmont board of directors must and will conclude in good faith that our Proposal constitutes a "Newmont Superior Proposal" because it would clearly result in a transaction that is more favourable, from a financial point of view, to Newmont shareholders than the transactions contemplated by the Goldcorp Arrangement Agreement and is reasonably capable of being consummated without undue delay, taking into account all legal, financial, regulatory and other aspects of our Proposal and Barrick. Accordingly, the Newmont board of directors will be permitted under the Goldcorp Arrangement Agreement, and will be required by its fiduciary duties, to engage in discussions and negotiations with us with respect to our Proposal.

CIBC Capital Markets and M. Klein and Company, Inc. are acting as our financial advisors. Our legal advisors are Cravath, Swaine & Moore LLP and Davies Ward Phillips & Vineberg LLP.

Approvals and Conditions

This Proposal has been reviewed and approved by Barrick's Board of Directors, which is unanimously supportive of this transaction. We are prepared, promptly following the termination of the Goldcorp Arrangement Agreement, to enter into a merger agreement in customary form that would provide materially greater value to your shareholders over both the short and long term.

The completion of this transaction would be conditioned only on termination of the Goldcorp Arrangement Agreement, the negotiation and execution of a definitive merger agreement, approvals by Barrick and Newmont shareholders, the receipt of the necessary regulatory approvals and other customary conditions. We do not anticipate any difficulties or delays in obtaining the required regulatory approvals. Our Proposal is not subject to any financing condition.

* * * * *

There is no other transaction in our industry that can create better value for shareholders and other stakeholders than a business combination between Newmont and Barrick. We are confident that after you have considered our Proposal, you will agree that our Proposal constitutes a "Newmont Superior Proposal" under the terms of the Goldcorp Arrangement Agreement and that our Proposal presents a compelling opportunity for your shareholders. The time has come to execute on this combination, and further delay simply costs all of our shareholders not only their share of \$7 billion in value that can be captured but also an opportunity to own the unrivalled leader and premier gold investment in the marketplace. We look forward to hearing from you promptly.

Yours truly,
