Stock Purchase Agreement

On March 23, 2016, Mercury Systems, Inc. (“Mercury” or the “Company”) and Microsemi Corporation (“Microsemi”) entered into a Stock Purchase Agreement (the “Purchase Agreement”), pursuant to which, subject to the satisfaction or waiver of certain conditions, Microsemi has agreed to sell all the membership interests in Microsemi LLC - RF Integrated Solutions (“RF LLC”) to Mercury (the “Acquisition”) for \$300 million in cash on a cash-free, debt-free basis, subject to a working capital adjustment. RF LLC, directly and through subsidiaries, operates embedded security, RF and microwave, and custom microelectronics businesses of Microsemi (the “Business”).

Mercury and Microsemi have each made customary representations, warranties and covenants in the Purchase Agreement, including, among others, covenants by Microsemi to, subject to certain exceptions, conduct the Business in the ordinary course during the interim period between the execution of the Purchase Agreement and the closing of the Acquisition.

The obligation of the parties to close the Acquisition is subject to customary closing conditions, including, among others, (i) the receipt of antitrust clearance in the United States; and (ii) the absence of legal restraints or prohibitions. The obligation of each party to close the Acquisition is also conditioned upon the other party’s representations and warranties being true and correct (subject to certain materiality exceptions) and the other party having performed in all material respects its obligations under the Purchase Agreement.

Pursuant to the Purchase Agreement, prior to or concurrently with the closing of the Acquisition, Microsemi and Mercury, and/or their respective affiliates, will enter into transition services agreements and certain other customary arrangements.

Mercury expects to fund the Acquisition with a combination of committed financing for a new \$265 million bank term loan A facility, described in more detail below, and approximately \$50 million of Mercury’s cash on hand.

The foregoing description of the Purchase Agreement is included to provide you with information regarding its terms. It does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which the Company expects to file with or prior to its Quarterly Report on Form 10-Q for the quarter ending March 31, 2016.

Debt Commitment Letter

Concurrently, and in connection with entering into the Purchase Agreement, the Company entered into a debt commitment letter (the “Debt Commitment Letter”) with Bank of America, N.A., Citibank, N.A. , KeyBank National Association, and SunTrust Bank as joint lead arrangers and as joint bookrunners, pursuant to which, subject to the conditions set forth therein, the lenders have committed to provide to the Company \$340 million in senior secured credit facilities (collectively, the “Senior Credit Facilities”), comprised of (i) a term loan A facility of \$265 million and (ii) a revolving credit facility of \$75 million. Bank of America, N.A. will act as sole administrative agent of the Senior Credit Facilities. The proceeds of the loans under the term A loan facility together with proceeds of loans under the revolving credit facility made on the Acquisition closing date will be used to finance a portion of the purchase price of the Acquisition, the costs and expenses related to the Acquisition and the closing fees and expenses of the Senior Credit Facilities. After consummation of the Acquisition, extensions of credit under the revolving credit facility will be available for working capital and other general corporate purposes of the Company. The joint lead arrangers and certain of their affiliates may have engaged in, and may in the future engage in, investment banking and other

commercial dealings in the ordinary course of business with the Company and its affiliates. They have received, or may in the future receive, customary fees and commissions for these transactions.

The foregoing description of the Debt Commitment Letter is included to provide you with information regarding its terms. It does not purport to be a complete description and is qualified in its entirety by reference to the
