Item 7.01. Regulation FD Disclosure

As a result of the continued volatility in energy prices, we are providing additional information related to our Houston commercial real estate loans (CRE). Set forth below are market risk real estate loans for properties located in Houston, excluding loans related to our builder finance line of business, which were presented in the table summarizing our market risk real estate portfolio by geographic region at December 31, 2014 and included in our Form 10-K filed on February 19, 2015. The builder finance loans have been excluded from the information below as they represent a different risk profile. As of June 30, 2015 and December 31, 2014 all of these loans were pass graded.
