**NARRATIVE**

State below in reasonable detail the reasons why Forms 10-K, 11-K, 20-F, 10-Q, N-SAR or the transition report portion thereof could not be filed within the prescribed time period. (Attach extra sheets if needed.)

The Company was unable to file its Annual Report on Form 10-K for the twelve months ended May 31, 2017 within the prescribed time period without unreasonable effort and expense. The Company was delayed in preparing its financial statements and arranging for the fiscal year-end audit by its Independent Registered Public Accountants due to the significant change resulting from the sale of its primary technology in October 2016 and the significantly reduced staffing. Management's time and attention has been focused primarily in on-going capital raising activities to

support its pre-revenue HomeView efforts.

In addition, the Company's aforementioned filings disclosed that its value added reseller business in Italy would be the only revenue producing business following the PLM Sale as the Company's HomeView technology was still pre-revenue.
