Item 8.01 Other Events

On February 16, 2016, LivePerson, Inc. (the “Company”) issued a press release announcing that its Board of Directors has authorized the additional funding of a previously-announced stock repurchase program under which the Company has the ability to repurchase shares of its common stock at times and prices considered appropriate by the Board of Directors or a committee appointed by the Board of Directors. The Board authorized additional funding in the amount of \$14 million, which together with existing funds in the program, will enable the Company to purchase up to an aggregate purchase price of \$20 million under the existing program. The \$14 million additional funding is in addition to \$50 million previously authorized since December 2012 when the repurchase program was originally adopted.

The Company may effectuate the stock repurchase program through purchases in the open market or privately negotiated transactions, depending upon prevailing market conditions and other corporate considerations. The stock repurchase program is subject to business and market conditions, and may be suspended or discontinued at any time by the Board of Directors of the Company. The repurchase program is scheduled to expire on December 31, 2016. The stock repurchase program will be funded using the Company’s available cash.

A copy of the Company’s press release announcing the stock repurchase program is furnished herewith as Exhibit 99.1 to this Current Report on Form 8-K.
