Item 5. Other Event

Edgar Filing: ELECTRIC CITY CORP - Form 8-K

Electric City Corp. entered into a financing arrangement with Laurus Master Fund, Ltd. (Laurus or the Holder) as of September 11, 2003, providing for a \$1,000,000 term loan (the Term Loan) and a revolving credit facility of up to \$2,000,000. The principal documents involved are a Securities Purchase Agreement, two Security Agreements, a Convertible Term Note, two warrants to purchase common stock of the Company (one relating to the revolving loan facility and one relating to the term loan), two registration rights agreements (one with respect to the revolving loan facility and one with respect to the term loan), and an agreed form of Secured Convertible Revolving Note. All of the documents are dated September 11, 2003, except that no Secured Convertible Revolving Note has been executed or delivered yet. When the Company desires to access the revolving credit facility, it will execute and deliver to Laurus one or more Secured Convertible Revolving Notes (which, in the aggregate, will not exceed \$2,000,000).

The Term Loan has a term of two years and accrues interest at the greater of prime plus 1.75% or 6%. Interest on the Term Loan will be due monthly in arrears and the loan will amortize at the rate of \$50,000 per month being February 1, 2004. The Company has the option of paying scheduled interest and principal, or prepaying all or a portion of the Term Loan with shares of its common stock at the fixed conversion price of \$2.12 per share, provided that the closing price of its common stock is greater than \$2.43 per share for the 11 trading days immediately preceding the payment date and that the shares are registered with Securities and Exchange Commission. The Holder also has the option to convert all or a portion of the Term Loan into shares of the Company's common stock at any time, subject to certain limitations, at a fixed conversion price of \$2.12 per share. The Term Loan is secured by a blanket lien on all the Company's assets, except for its real estate. In conjunction with the Term Loan, Laurus was paid a fee of \$50,000 and received a warrant to purchase up to 140,000 shares of the Company's common stock at prices ranging from \$2.44 per share to \$3.07 per share. All stock conversion prices and exercise prices are subject to adjustment for stock splits, stock dividends or similar events.

The revolving credit facility provides for borrowings of up to the lesser of (i) \$2 million or (ii) 90% of the Company's eligible accounts receivable. The Company did not elect to borrow under the facility at closing. The revolving credit facility also has a term of two years and accrues interest at the rate of prime plus 1.75%. The Company has the option of paying interest and principal, or prepaying all or a portion of the advances under each Secured Convertible Revolving Note it issues with shares of its common stock at the fixed conversion price of \$2.12 per share, provided that the closing price of its common stock is greater than \$2.43 per share for the 11 trading days immediately preceding the payment date and that the shares are registered with Securities and Exchange Commission. In addition, the Holder has the option to convert all or a portion of the advances under any Secured Convertible Revolving Note into shares of the Company's common stock at any time, subject to certain limitations, at a fixed conversion price of \$2.12 per share. The revolving credit facility is also secured by a blanket lien on all the Company's assets, except for its real estate. In conjunction with the revolving credit facility, Laurus was paid a fee of \$100,000 and received a warrant to purchase up to 280,000 shares of the Company's common stock at prices ranging from \$2.54 per share to \$3.18 per share. All stock conversion prices and exercise prices are subject to adjustment for stock splits, stock dividends or similar events.

The Company agreed to file a registration statement with the Securities and Exchange Commission within 45 days covering the shares issuable upon conversion of the Term Loan and the exercise of Laurus' warrants.

Wall and Broad Equities acted as placement agent for the Company with respect to the transaction and was paid a placement agent fee of \$100,000 and received a warrant to purchase up to 50,000 shares of the Company's common stock at \$1.00 per share.

The financing was exempt from registration under the Securities Act of 1933, as amended, pursuant to Regulation D of the Securities Act.

The description of the Securities Purchase Agreement, the Security Agreements, the Convertible Term Note and the other principal documents are not intended to be complete and are qualified in their entirety by the complete text of the Securities Purchase Agreement, the Security Agreements, the Convertible Term Note, Common Stock Purchase Warrant No. 58, Common Stock Purchase Warrant No. 59, the Registration Rights Agreements and the form of Secured Convertible Revolving Note, which are attached as exhibits 10.1, 10.2, 10.3, 10.4, 10.5, 10.6, 10.7, 10.8 and 10.9 respectively, to this report and are incorporated herein by reference.
