**Item 2.02 Results of Operations and Financial Condition.**

On February 15, 2005, Career Education Corporation (the **Registrant**) issued a press release setting forth the Registrant's financial results for the fourth quarter and year ended December 31, 2004 and conducted a conference call to discuss those results. A copy of the Registrant's press release and the transcript of the Registrant's conference call are attached hereto as Exhibits 99.1 and 99.2, respectively, and the information contained therein is incorporated herein by reference. The information contained in this Item 2.02 of Form 8-K, including the exhibits, shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, and it shall not be deemed incorporated by reference into any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference in such filing.

**Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

(a) On February 11, 2005, the Registrant's management reviewed and discussed with the Audit Committee of the Board of Directors and with Ernst & Young, LLP (**E&Y**), the Registrant's independent accounting firm, the accounting treatment related to the Registrant's recognition of tuition revenue with respect to its Culinary and Health Education externship periods. In connection with these discussions, and following consultation with E&Y, the Registrant determined it was necessary to restate the previously issued financial statements for the periods 2000 through 2004 to correct for certain errors in such financial statements. Specifically, in connection with reporting its results for the fourth quarter of 2004, an error was identified related to the Registrant's recognition of tuition revenue with respect to its Culinary and Health Education externship periods. These student externships are required to be taken at the end of certain academic programs, following the conclusion of in-school instruction, in order to satisfy graduation requirements. The restatement consists of adjustments necessary to reflect the recognition of tuition revenue through the end of the student's externship period, as opposed to the prior practice of recognizing revenue only over the period of in-school academic instruction. On February 15, 2005, the Registrant issued a press release, included above in Item 2.02 to this Form 8-K, announcing the restatement and including financial tables showing the results of the restatement. As a consequence, such prior financial statements should not be relied upon.
