Item 2.01. Completion of Acquisition or Disposition of Assets.

Acquisition of PCX Holdings, Inc. and its subsidiaries

On September 26, 2005, Archipelago Holdings, Inc. (Archipelago) consummated the acquisition of PCX Holdings, Inc. (PCXH) and all of its wholly owned subsidiaries, including the Pacific Exchange, Inc. (Pacific Exchange) and PCX Equities, Inc. (PCX Equities), under the terms of an Amended and Restated Agreement and Plan of Merger (Amended Agreement) that was originally executed on January 3, 2005 (and reported on a Current Report on Form 8-K filed January 4, 2005) and amended on July 22, 2005 (and reported on a Current Report on Form 8-K filed July 22, 2005). The Pacific Exchange operates an exchange for trading options as well as provides self regulatory services, including regulatory and market management services, for options and equity trading. A copy of the press release announcing the consummation of the acquisition is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

As required by the terms of the Amended Agreement, the aggregate merger consideration to be paid by Archipelago to PCXH shareholders and option holders in the transaction was approximately \$90.9 million. The aggregate merger consideration consisted of: (i) \$66.3 million, representing the total dollar value of 1,645,415 shares of Archipelago common stock held by PCXH at the time of the closing (AX Stock); plus (ii) \$17.0 million; plus (iii) \$8.0 million as a working capital adjustment; and minus (iv) an adjustment of \$0.4 million relating to the excess of the actual amount of change-of-control and related payments to PCXH executives over an agreed threshold. The value of the AX Stock was determined by using the average closing price per share of Archipelago's common stock for the ten consecutive trading days immediately preceding (and ending on the last day prior to) the date of the closing of the transaction. That price was \$40.28. All terms and conditions of the transaction, including the Amended Agreement and the purchase price, were negotiated at arms length.

Material Relationships of the Parties

In a July 2000 transaction, the Pacific Exchange granted Archipelago the exclusive right to establish and operate the Archipelago Exchange, or ArcaEx® as a facility of PCX Equities with respect to instruments traded on or eligible to be traded on the equities floor of the Pacific Exchange, as well as the right to receive all transaction fees, all market data fees and all listing fees from the operation of ArcaEx. In that transaction, the Pacific Exchange also acquired an equity interest in Archipelago. At the time of the closing of Archipelago's acquisition of PCXH, the Pacific Exchange owned 1,645,415 shares, or approximately 3.48% of Archipelago's outstanding common stock.

Archipelago's common stock is listed on the Pacific Exchange and traded on ArcaEx under the symbol AX. Gerald D. Putnam, Chairman and Chief Executive Officer of Archipelago, is currently a member of the board of directors of the Pacific Exchange and will serve as its Chairman after the closing. Prior to the closing Philip D. DeFeo served as the Chairman and Chief Executive Officer of PCXH, the Pacific Exchange and PCX Equities and will continue to serve as a member of the board of directors of Archipelago and the Pacific Exchange, Inc. after the closing.

Forward-Looking Statements

Certain statements in this filing may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements are based on Archipelago's current expectations and involve risks and uncertainties that could cause Archipelago's actual results to differ materially from those set forth in the statements. There can be no assurance that such expectations will prove to be correct.

Edgar Filing: ARCHIPELAGO HOLDINGS INC - Form 8-K

Factors that could cause Archipelago's results to differ materially from current expectations include: general economic and business conditions, industry trends, competitive conditions, regulatory developments as well as other risks or factors identified in the Company's filings with the Securities Exchange Commission, including its Report on Form 10-K for the fiscal year ending December 31, 2004 which is available on the Company's website at <http://www.archipelago.com>. You should not place undue reliance on forward-looking statements, which speak only as of the date of this filing. Except for any obligation to disclose material information under the Federal securities laws, Archipelago undertakes no obligation to release publicly any revisions to any forward-looking statements to reflect events or circumstances after the date of this filing.
