Item 1.01 Entry into a Material Definitive Agreement

On December 30, 2005, Digital Angel Corporation's (the Company) Board of Directors approved the acceleration of the vesting of out-of-the-money, unvested stock options issued to current employees, officers and directors prior to November 15, 2005 so that such options vest immediately, provided, however, that the grantee that acquires any shares pursuant to such an option (the vesting of which has been accelerated) shall not be permitted to sell such shares until the earlier of (i) the original vesting date applicable to such option or (ii) the date on which such grantee's employment terminates. The actions affects 4,896,000 stock options and is expected to save the Company \$8.6 million in compensation expense after January 1, 2006 when the Company adopts the provisions of SFAS 123R. The Company will report the impact of the acceleration in its year ended December 31, 2005 financial statements as pro forma disclosures as permitted under the guidance provided by the Financial Accounting Standards Board.

The primary purpose of the accelerated vesting was to reduce future compensation expense the Company would otherwise recognize in its consolidated statement of operations. In December 2004, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 123 (revised 2004), Share-Based Payment (SFAS 123R). SFAS 123R replaces Statement of Financial Accounting Standards No. 123 (SFAS 123) and is effective for the Company on January 1, 2006. SFAS 123R will require the compensation cost related to share-based payment transactions, including the issuance of stock options, be recognized in the financial statements. Beginning January 1, 2006, the pro forma footnote disclosure previously permitted under SFAS 123 no longer will be an alternative to financial statement recognition.

The action will modify stock option grant arrangements between the Company and the following executive officers and directors of the Company:

Kevin N. McGrath	President, Chief Executive Officer and Director
James G. Naro	Vice President, General Counsel, and Secretary
James P. Santelli	Sr. Vice President and Chief Financial Officer
David M. Cairnie	Managing Director, Signature Industries, Ltd.
Lasse Nordfjeld	President, Animal Applications Group
Scott R. Silverman	Chairman of the Board
Michael S. Zarriello	Director
John R. Block	Director
Barry M. Edelstein	Director
Howard S. Weintraub, Ph.D.	Director
