**Item 1.01 Entry into a Material Definitive Agreement.**

On April 19, 2006, the Compensation Committee of the Board of Directors of Discovery Partners International, Inc. (the *Company* or *DPI*) approved a severance and retention bonus package for our Acting Chief Executive Officer, Michael C. Venuti, Ph.D. The purpose of the package is to align Dr. Venuti's severance and retention benefits with those of certain of our other key executive officers and to provide an incentive for Dr. Venuti to remain with us throughout the process of considering and implementing various strategic initiatives. The Company recently announced that it has entered into an Agreement and Plan of Merger and Reorganization (the *Merger Agreement*) with Infinity Pharmaceuticals, Inc. (*Infinity*) and Darwin Corp., a wholly-owned subsidiary of DPI, pursuant to which Infinity will become a wholly-owned subsidiary of the Company. Under the terms of the Merger Agreement, the Company will issue, and Infinity stockholders will receive, in a tax-free exchange, shares of the Company's common stock such that Infinity stockholders will own approximately 69% of the combined company on a pro forma basis and the Company's stockholders will own approximately 31%, assuming DPI's net cash at closing is between \$70 to \$75 million. The Merger Agreement was attached as Exhibit 1.1 to a Form 8-K filed by DPI with the SEC on April 12, 2006. Certain provisions of Dr. Venuti's retention package could be triggered by the consummation of the transactions described in the Merger Agreement as set forth below.

Under the retention package, Dr. Venuti will be entitled to receive severance benefits consisting of a lump sum cash payment equal to 6 months in the event of a liquidation of the Company, together with 6 months COBRA coverage and 3 months of outplacement services, if Dr. Venuti is terminated by us without cause. The terms of Dr. Venuti's change in control agreement will apply to a termination in connection with a change of control.

In addition, Dr. Venuti will be entitled to receive a retention bonus consisting of a cash amount of up to \$25,000 with specific incremental percentages of the aggregate amount earned upon achievement of applicable milestones so long as Dr. Venuti remains employed with the Company (or its successor in a change in control). If Dr. Venuti remains employed with the Company (or its successor in a change in control) through December 31, 2006, we will pay to Dr. Venuti the total cash amount of the retention bonus upon December 31, 2006. If Dr. Venuti's employment with the Company is terminated without cause by the Company (or its successor in a change in control) on or prior to December 31, 2006, we will pay to Dr. Venuti the total cash amount of the retention bonus upon the date of such termination. If Dr. Venuti's employment with the Company is terminated for cause by the Company (or its successor in interest in a change in control) on or prior to December 31, 2006, Dr. Venuti will not be entitled to any of the retention bonus. If Dr. Venuti's employment with the Company ends on or before December 31, 2006 for any reason other than termination without cause or termination for cause by the Company (or its successor in a change in control), upon the date of such termination, we will pay to Dr. Venuti only that portion of the total cash amount that has been earned for milestones achieved prior to the date of such termination.

Dr. Venuti shall have the vesting of any existing restricted stock grants held by him accelerated so that such grants shall be fully vested upon a change in control of the Company. In the event of a liquidation of the Company, the vesting of half of any existing restricted stock grants held by Dr. Venuti will be accelerated so that such grants shall be fully vested, resulting in fifty percent (50%) of Dr. Venuti's restricted stock grants being fully vested at such time.
