This Proxy Statement is furnished to shareholders of REGIS CORPORATION, a Minnesota corporation (the "Company"), in connection with the solicitation on behalf of the Company's Board of Directors (the "Board") of proxies for use at the annual meeting of shareholders to be held on October 26, 2006, and at any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This proxy statement and the enclosed proxy card are first being mailed or given to shareholders on or about September 22, 2006.

The address of the principal executive office of the Company is 7201 Metro Boulevard, Edina, Minnesota 55439.

SOLICITATION AND REVOCATION OF PROXIES

The costs and expenses of solicitation of proxies will be paid by the Company. In addition to the use of the mails, proxies may be solicited by directors, officers and regular employees of the Company personally or by telegraph, telephone or letter without extra compensation.

Proxies in the form enclosed are solicited on behalf of the Board. Any shareholder giving a proxy in such form may revoke it at any time before it is exercised by attending the annual meeting and revoking it or by providing written notice of revocation or by submitting another proxy bearing a later date to the Secretary of the Company at the address set forth above. Such proxies, if received in time for voting and not revoked, will be voted at the annual meeting in accordance with the specification indicated thereon. In addition, the proxies will grant the persons entitled to vote the proxied shares the authority to vote to adjourn the meeting.

VOTING RIGHTS

Only shareholders of record as of the close of business on September 15, 2006, will be entitled to execute proxies or to vote. On that date, there were 45,744,384 shares issued, outstanding and entitled to vote. Each share of Common Stock is entitled to one vote. If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will be counted in determining the quorum and will be deemed to be present and entitled to vote at the meeting, but neither will be counted as a vote in favor of a matter. With respect to the election of directors, the nominees will be elected if they receive a greater number of affirmative votes than withheld votes. The ratification of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm will require the affirmative vote of a majority of the shares of common stock present in person or represented by proxy and entitled to vote at the meeting. If your shares are held directly and you decide to vote electronically, please follow the directions on your proxy card.

CORPORATE GOVERNANCE

The Board believes that good corporate governance is paramount to ensure that the Company is managed for the long-term benefit of its shareholders. As part of our ongoing efforts to constantly improve corporate governance, the Board and management have undertaken a number of initiatives to improve the Company's corporate governance policies and practices.

Shareholders and other interested persons may view the Company's Corporate Governance Guidelines on our website at www.regiscorp.com. This information is also available in printed form free of charge to any shareholder who requests it by writing to the Company's Secretary at 7201 Metro Boulevard, Minneapolis, Minnesota 55439.

Code of Business Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics (the "Code of Ethics") that applies to all of our employees, directors and officers, including our Chief Executive Officer, Chief Financial Officer, principal accounting officer or controller, and other senior financial officers. The Code of Ethics, as applied to our principal financial officers, constitutes our "code of ethics" within the meaning of Section 406 of the Sarbanes-Oxley Act and is our "code of business conduct and ethics" within the meaning of the listing standards of the NYSE. The Code of Ethics is posted on our website at www.regiscorp.com. You may request copies, which will be provided free of charge, by writing to Corporate Secretary, Regis Corporation, 7201 Metro Boulevard, Edina, Minnesota 55439. We intend to promptly disclose future amendments to certain provisions of our Code of Ethics, and any waivers of provisions of the Code of Ethics required to be disclosed under the rules of the Securities and Exchange Commission ("SEC") or listing standards of the NYSE, at the same location on our website.

Director Orientation and Continuing Education

Our Nominating and Corporate Governance Committee and the Board oversee the orientation and continuing education of our directors.

Director Independence

With the adoption of our Corporate Governance Guidelines, the Board established independence standards in accordance with the requirements of the NYSE corporate governance rules. To be considered independent under the NYSE rules, the Board must affirmatively determine that a director or director nominee does not have a material relationship with the Company (directly, or as a partner, shareholder or officer of an organization that has a relationship with the Company). In addition, no director or director nominee may be deemed independent if the director or director nominee

- has in the past three years:
- received (or whose immediate family member has received) more than \$100,000 per year in direct compensation from the Company, other than director or committee fees;
- been an employee of the Company;
- had an immediate family member who was an executive officer of the Company;
- been (or whose immediate family member has been) an affiliate or employee of a present or former internal or independent auditor of the Company;
- been (or whose immediate family member has been) employed as an executive officer of another company whose compensation committee within the past three years has included a present executive officer of the Company; or
- is currently an employee or executive officer (or has an immediate family member who is an executive officer) of another company that makes payments to the Company, or receives payments from the Company, for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1.0 million or 2% of such other company's consolidated gross revenues.

Under our director independence standards described above, the Board has determined that each director, with the exception of Mr. Finkelstein, Mr. Myron Kunin and Mr. David Kunin, is independent. A majority of our Board members is independent.

Communications with the Board

Shareholders who wish to contact the Board, any individual director or the non-management or independent directors as a group, are welcome to do so by writing to the Company's Secretary at the following address: Regis Corporation, 7201 Metro Boulevard, Edina, Minnesota 55439.

Comments or questions regarding the Company's accounting, internal controls or auditing matters will be referred to members of the Audit Committee. Comments or questions regarding the nomination of directors and other corporate governance matters will be referred to members of the Nominating and Corporate Governance Committee.

Executive Sessions of Non-Management and Independent Directors

In order to promote open discussion among non-management directors, the Board has implemented a policy of conducting executive sessions of non-management directors in connection with each regularly scheduled Board meeting. Shareholders may communicate with the non-management directors as a group by following the procedures described above in *Communications with the Board*.

The Chairman of the Audit Committee presides over executive sessions of the independent directors. Shareholders may communicate with the presiding director or the independent directors as a group by following the procedures described above in *Communications with the Board*.

Compensation of Directors

Compensation of our directors is reviewed and determined by the Board on an annual basis, with consideration given to industry comparisons of directors' compensation. A portion of director compensation will be linked to our stock performance in the form of stock appreciation rights (SARs), restricted stock and performance based cash awards. Employee directors do not receive any cash or other compensation for their services as directors. The cash compensation for non-employee directors who serve during only a portion of a fiscal year is prorated.

The cash compensation for the fiscal year ended June 30, 2006, for each of our non-employee directors consisted of:

- an annual retainer of \$35,000 for service as a director, plus expenses; and
- an annual retainer of \$10,000 for serving as chairman of the Audit Committee.

In addition, the Company granted the following to each director:

- 1,250 SARs at an exercise price of \$35.33, which vest ratably over 5 years;
- 1,250 shares of restricted stock, which vest ratably over 5 years; and
- a \$10,000 performance-based cash award. Payment under this award will be realized based on the Company achieving performance objectives measured over a three year period.

Committees of the Board

The Board has three committees: the Audit Committee; the Compensation Committee; and the Nominating and Corporate Governance Committee.

The charters of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee may be viewed on our website at www.regiscorp.com under Corporate Governance. The charters include information regarding the committees' composition, purpose and responsibilities.

The Board has determined that all members of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee qualify as independent directors as defined under the NYSE corporate governance rules.

The Board committees have responsibilities as follows:

Audit Committee.

This committee assists the Board in discharging its oversight responsibility to the shareholders and investment community regarding: (i) the integrity of our financial statements and financial reporting processes; (ii) our internal accounting systems and financial and operational controls; (iii) our audit, accounting and financial reporting processes; (iv) the engagement, qualifications and independence of the

independent auditor; (v) the performance of our internal audit activities; and (vi) compliance with our ethics programs, including the Code of Ethics, our whistle-blower policy, and legal and regulatory requirements.

In carrying out these duties, this committee maintains free and open communication between the Board, the independent auditor and our management. This committee meets with management and the independent auditor at least quarterly.

In addition, this committee conducts quarterly meetings or conference calls with management and the independent auditor prior to our earnings releases to discuss the results of the independent auditor's quarterly reviews and fiscal year-end audit.

The Board has determined that all members of the Audit Committee meet the NYSE definitions of independence and financial literacy for Audit Committee members. In addition, Rolf Bjelland, an independent director and the Chairman of the Audit Committee, has been determined by the Board to be an audit committee financial expert for purposes of the SEC rules and possesses accounting or related financial management expertise as required by the NYSE. Members serving on the Audit Committee do not currently serve on the audit committee of more than three public companies.

Compensation Committee.

The primary responsibilities of this committee are (i) to determine and approve the Chief Executive Officer's compensation and benefits package; (ii) to determine and approve compensation of executive officers; and (iii) to consider and recommend incentive compensation and equity-based plans.

Nominating and Corporate Governance Committee.

This committee discharges the Board's responsibilities related to general corporate governance, including Board organization, membership and evaluation. It also reviews and recommends to the Board corporate governance principles and presents qualified individuals for election to the Board. Finally, this committee oversees the evaluation of the performance of the Board and each standing committee of the Board. For further information regarding our director nomination process, see *Director Nomination Process* below.

Board Meetings and Attendance

The Board held four regular meetings during the fiscal year ended June 30, 2006. Each incumbent director attended, in person or by teleconference, at least 75% of the meetings of both the Board and Board committees on which he or she served. Our Board does not have a formal policy relating to Board member attendance at annual meetings of shareholders; however, our directors are encouraged to attend the meeting each year. Each of the then-serving directors attended the 2005 annual meeting of shareholders.

The following table shows the number of meetings held in fiscal 2006 and the names of the directors currently serving on each committee.

Director Nomination Process

The Nominating and Corporate Governance Committee is responsible for screening and recommending director candidates to the full Board for nomination. The Nominating and Corporate Governance Committee will consider nominations received from our shareholders, provided that proposed candidates meet the requisite director qualification standards discussed below. When appropriate, the Committee will also engage an independent third-party search firm. The Committee will then evaluate the resumes of any qualified candidates recommended by shareholders and search firms, as well as by members of the Board. Generally, in order to be considered for nomination, a candidate must have:

- high professional and personal ethics and values;
- a strong record of significant leadership and meaningful accomplishments in his or her field;
- broad experience;
- the ability to think strategically;
- sufficient time to carry out the duties of Board membership; and
- a commitment to enhancing shareholder value and representing the interests of all shareholders.

Candidates are evaluated based on these qualification standards and the current needs of the Board.

All shareholder nominations must be accompanied by a candidate resume which addresses the extent to which the nominee meets the director qualification standards. Nominations will be considered only if we are currently seeking to fill an open director position. All nominations by shareholders should be sent to the Chairperson of the Nominating and Corporate Governance Committee c/o the Senior Vice President, General Counsel and Secretary at Regis Corporation, 7201 Metro Boulevard, Edina, Minnesota 55439.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board consists of Mr. Hawn, Mr. Bjelland, Ms. Hoyt and Mr. Gregory, independent directors. The Compensation Committee has responsibility for administering the Company's incentive plans and setting policies that govern annual compensation, short-term incentives and long-term incentives for the principal executive officers of the Company. The Committee from time to time utilizes the services of Hay Management Consultants, a national executive compensation consulting firm, to assist it in determining that executive officer compensation levels are within national norms.

The Company's executive compensation program consists of three key components: (1) base salary, (2) short-term incentive compensation in the form of bonuses, and (3) long-term equity and cash incentives through stock options, SARs, restricted stock and cash based performance awards.

Base Salary: Shortly before the beginning of each fiscal year, the Compensation Committee reviews annual salary recommendations for the Company's principal executives made by the Chief Executive Officer and approves, with any modifications it deems appropriate, such recommendations. The annual salary recommendations are made by the Chief Executive Officer, and approved or modified by the Compensation Committee, based upon industry practice and national surveys of compensation packages, as well as evaluations of the individual executive's responsibilities and past and expected future performance.

Short-Term Incentives: At the 2004 annual meeting, our shareholders approved the Short-Term Incentive Compensation Plan for the Company's Chief Executive Officer and each of the four most highly compensated officers (the Short-Term Plan). The Short-Term Plan is designed to align executive compensation with annual performance of the Company. To accomplish this goal, the Board has adopted a structured bonus program. Each year the Board will establish initial earnings per share targets. The Short-Term Plan provides for a full bonus if 100% of the targeted earnings per share for the year is achieved, a bonus of 37.5% of the full bonus amount if earnings per share reach 85% of budgeted earnings, with earnings performance between 85% and 100% giving rise to bonuses calculated by interpolation between those fixed points. Below 85%, no bonuses would be earned. In addition, the Short-Term Plan provides for the Chief Executive Officer to receive a bonus beyond the full bonus amount if earnings per share exceed 105% of the earnings per share target for the year. For the last fiscal year, potential bonuses were limited to 100% of base salary for the Chief Executive Officer, 60% of base salary for the Chief Financial and Administrative Officer, and 50% of base salary for the other principal executives.

Long-Term Incentives: At the 2004 annual meeting, our shareholders approved the 2004 Long-Term Incentive Compensation Plan (the 2004 Long-Term Plan). The 2004 Long-Term Plan provides for the grant of equity-based incentives and long-term cash based performance incentives, including a mix of stock options, SARs, restricted stock and cash based performance awards.

The Compensation Committee fixes the salary of the Chief Executive Officer in the context of his employment agreement, summarized later in this proxy statement, based on a review of competitive compensation data, and the Committee's assessment of his past performance and its expectation as to his future performance in leading the Company. The base salary for Mr. Finkelstein for fiscal 2006 was \$888,890.

Mr. Finkelstein participates with other senior executive officers in the Company's structured bonus program described above. For fiscal 2006, Mr. Finkelstein earned a \$342,600 bonus under this program.

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to the company's Chief Executive Officer and four next most highly compensated executive officers. The statute exempts qualifying performance-based compensation from the deduction limit. Among the factors taken into account by the Compensation Committee in considering the compensation paid to executive officers is the anticipated tax treatment of various payments and benefits, including deductibility under Section 162(m). To preserve flexibility, the Compensation Committee does not, however, limit executive compensation to that which is deductible.

(1) Represents dollar amounts which are payable with respect to performance based cash awards granted in 2006 pursuant to the 2004 Long-Term Plan. The threshold amount is the amount payable for the minimum level of performance for which an award will be made; the target amount is the amount payable if a specified performance level is obtained; and the maximum amount is the maximum payout possible under the plan.

(2) Represents shares of restricted stock.

(3) The restricted stock vests at a rate of 20% annually, commencing on April 27, 2007, provided that the named executive officer remains employed by the Company. The Compensation Committee may accelerate vesting in the event of the executive officer's death or disability, or if the Compensation Committee determines that acceleration would be in the best interests of the Company. Acceleration of vesting is automatic in the event of a change in control of the Company.

(4) Represents SARs.

(5) SARs vest at a rate of 20% annually, commencing April 27, 2007, provided that the named executive officer remains employed by the Company. The Compensation Committee may accelerate vesting and acceleration of vesting is automatic in the event of a change in control of the Company. Recipients of vested SARs receive a number of shares of Common Stock equal in value to the difference between the fair market value per share on the date of exercise and the exercise price (\$35.33), multiplied by the number of SARs exercised.

(6) For each of the named executive officers (excepting Mr. Kunin and Mr. Clarke neither of whom received a grant of SARs, restricted stock or a performance based cash award in either of fiscal year 2005 or fiscal year 2006), the number of SARs and restricted stock, and the dollar amount of performance based cash awards, were the same as provided in the prior fiscal year, with the exception of restricted stock awarded to Mr. Finkelstein. In the prior fiscal year, Mr. Finkelstein received 7,500 shares of restricted stock.

(7) The aggregate restricted stock holdings of each of the named executive officers, by number and value (as determined by multiplying the aggregate number of restricted stock holdings by each named executive officer as of June 30, 2006, by the closing price of the Common Stock as reported on the New York Stock Exchange on June 30, 2006) as of June 30, 2006, the end of the Company's last completed fiscal year, were as follows: Mr. Finkelstein 14,305.20 shares having a value of \$509,408.17; Mr. Kunin 0 shares having a value of \$0; Mr. Clarke 0 shares having a value of \$0; Mr. Pearce 9,033.51 shares having a value of \$321,683.29; and Mr. Nelson 5,721.64 shares having a value of \$203,747.60.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the officers and directors of the Company, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Commission. Such officers, directors and shareholders are required by the Commission's regulations to furnish the Company with copies of all such reports.

To the knowledge of the Company, based solely on a review of copies of reports filed with the Commission during the fiscal year ended June 30, 2006, all applicable Section 16(a) filing requirements were complied with.

COMPARATIVE STOCK PERFORMANCE

The graph below compares the cumulative total shareholder return on the Company's stock for the last five years with the cumulative total return of the Standard and Poor's 500 Stock Index and the cumulative total return of a peer group index (the Peer Group) constructed by the Company. In addition, the Company has included the Standard and Poor's 400 Midcap Index and the Dow Jones Consumer Services Index in this analysis because the Company believes these two indices provide a close correlation to the cumulative total return of an investment in shares of Regis Corporation.

The comparison assumes the initial investment of \$100 in the Company's Common Stock, the S&P 500 Index, the Peer Group, the S&P 400 Midcap Index and the Dow Jones Consumer Services Index on June 30, 2001 and those dividends, if any, were reinvested.

	2001	2002	2003	2004	2005	2006
REGIS	100.00	129.36	139.76	215.23	189.40	173.32
S & P 500	100.00	82.01	82.22	97.93	104.12	113.10

DOW JONES CONSUMER SERVICE INDEX	100.00	95.57	120.18	155.35	126.76	113.42
PEER GROUP	100.00	81.34	83.62	110.11	117.71	121.96

The Peer Group includes the following companies in the retail specialty business: American Greetings Corp., Ann Taylor Stores Corporation, Bombay Company, Inc., Christopher & Banks Inc., Deb Shops, Inc., E Com Ventures, The Gap, Inc., The Limited, Inc., Nordstrom, Inc., and Williams-Sonoma, Inc. The members of the Peer Group were selected by the Company because they operate in a similar retail environment and are primarily located in shopping malls with operations which extend over a wide geographic area. The results of the Peer Group are weighted based upon total market capitalization.

EMPLOYMENT ARRANGEMENTS

The Company's unfunded deferred compensation agreements with its senior executive officers provide that upon such executive's retirement after 20 years service with the Company or after reaching age 65, or upon such executive's death while disabled or employed by the Company, such executive officer or his or her designated beneficiary will receive 240 monthly payments equal to the greater of (i) 40% (60% in the case of Mr. Finkelstein) of such executive's average monthly base salary for the 60 months immediately preceding the executive's retirement, disability or death, or (ii) \$5,000. The agreements also provide for payment of a graduated percentage of such compensation if an executive terminates his or her employment with the Company prior to completing 20 years service or reaching age 65, with payments to commence when such executive attains age 55. Further, if such executive becomes disabled while employed by the Company, the Company will pay such executive the specified monthly benefit during the period of such disability or until attaining age 65. Payments are conditioned upon the officers not rendering services for any competitor of the Company during the period of the payments. The Company carries insurance on the lives of each of the persons covered by deferred compensation agreements, is entitled to the cash values and the death proceeds from these policies, and may, but is not required to, use cash values or death proceeds from these policies to pay deferred compensation.

The deferred compensation agreements provide that the executive officers shall be entitled to immediate payment of their aggregate monthly benefits in one lump sum, without any reduction based on years of service, early retirement or present value, if their employment terminates following a Change in Control, which is defined for purposes of the agreements as occurring when a party other than Curtis Squire, Inc. becomes the beneficial owner of 20% or more of the Company's stock, or in the event of a consolidation or merger of the Company in which the Company is not the continuing corporation, or in which the shareholders of the Company do not continue to hold at least a majority of the common stock of the continuing or surviving corporation, or any sale or other transfer of substantially all of the assets of the Company, or in the event of certain changes to the composition of the Company's Board. These agreements also provide that the executive officers shall be paid an amount equal to three times their annual compensation, plus all income and excise taxes payable with respect to such payment, immediately upon a change of control. Further, all unvested stock options immediately vest upon a change of control.

The Company has entered into an employment agreement with Mr. Finkelstein, its Chief Executive Officer, effective for fiscal year 1999 and subsequent years, providing (a) for a base salary of \$500,000 per year, increasing annually by at least the greater of 4% or the percentage increase in the Consumer Price Index, (b) that he will participate in the Company's bonus and incentive compensation programs with other senior executives, and (c) that the Company and Mr. Finkelstein will participate in a life insurance program whereby a trust established by Mr. Finkelstein will acquire a \$5 million combined whole-life/term policy (the \$5 Million Policy). The Company has historically paid a portion of the annual premiums on the \$5 Million Policy plus an additional amount equal to the amount of applicable taxes payable by Mr. Finkelstein in connection with such annual premium payment by the Company, and Mr. Finkelstein has transferred funds to the trust for the balance of the premiums. In October 2005, Mr. Finkelstein established a separate, irrevocable life insurance trust that acquired a \$10 million guaranteed universal life policy (the \$10 Million Policy). In lieu of the annual premium payments it was making toward the \$5 Million Policy, in fiscal 2006 the Company paid the same amount (\$100,000) toward the annual premiums on the \$10 Million Policy, plus an additional amount equal to the amount of applicable taxes payable by Mr. Finkelstein in connection with the annual premium payment by the Company.

Mr. Finkelstein will transfer funds to the trust for the balance of the premiums. As the Company did not make any payment related to the \$5 Million Policy, the Company's payments with respect to the insurance program with Mr. Finkelstein did not change. Upon the death of Mr. Finkelstein or upon surrender of the policy, the trust will receive the death benefits or cash surrender value of the \$10 Million Policy.

Mr. Finkelstein's agreement also provides for deferred compensation benefits. Upon his retirement after reaching age 65 he will receive lifetime monthly payments equal to 60% of his average base salary for the 60 months immediately preceding his retirement, such payments to be adjusted annually in proportion to any increases in the Consumer Price Index. Upon his death, his wife, if she survives him, will receive during her life one-half of the benefits to which Mr. Finkelstein was entitled during his life. If Mr. Finkelstein voluntarily terminates his employment before reaching age 65, his deferred compensation benefits will be determined on the same basis as those afforded the other executive officers. The Company has funded its future obligations under this agreement through insurance policies on Mr. Finkelstein's life.

The Company has entered into an agreement with Mr. Myron Kunin, its Vice Chairman, providing that Mr. Kunin will continue to render services to the Company until at least May, 2007, and for such further period as may be mutually agreed upon between Mr. Kunin and the Company. The Company has agreed to pay Mr. Kunin an annual amount of \$600,000, to be increased annually in proportion to any increase in the Consumer Price Index from July 1, 1996, for the remainder of his life. Mr. Kunin has agreed that during the period for which payments to him are made as provided in the Agreement, he will not engage in any business competitive with the business conducted by the Company.

The Company has also entered into a survivor benefit agreement with Mr. Myron Kunin, providing that upon his death the Company shall pay to his wife, if she survives him, \$300,000 annually for the remainder of her life, subject to annual adjustment based on any increases in the Consumer Price Index from July 1, 1996. The Company has funded its future obligations under this agreement through insurance policies on Mr. Kunin's life.
