## **INTEROFFICE MEMORANDUM**

**DATE:** February 20, 2007  
**TO:** All Universal Compression Employees  
**FROM:** Stephen A. Snider  
**SUBJECT:** Merger Update

As you know, Universal Compression and Hanover Compressor announced the signing of a definitive merger agreement between the two companies. As discussed in my memo to employees on February 5th, I believe this is a great opportunity for all of us at Universal and Hanover. Recognizing that this announcement creates uncertainty, the management team will be visiting as many of our offices as possible during the next few months. As much as possible, we want to stay in touch with you, to help you understand the merger and answer many of your questions about the merger.

During the past two weeks, two separate management teams visited 25 different field offices meeting with approximately 2,800 Universal and Hanover employees. During February and March, the management team will visit Mexico, South America and the many other regions around the world.

At Universal we have a communications team that is dedicated to provide you with as much information as possible. Hanover has a similar team in place to keep their employees updated. As stated in my earlier memo, we are committed to communicate our progress with you on a regular and timely basis. At this time, the following information sources are currently in place or underway:

- Very soon you will receive the first edition of *Merger News*. This publication will be updated and distributed on the email system as often as there is information to share. For those who do not have email access,

your supervisor or administrative personnel will make certain that this information is posted for all to read. We are calling this communication step Print and Post.

- A dedicated email address, [mergerquestions@universalcompression.com](mailto:mergerquestions@universalcompression.com), has been set up for you to ask questions about the merger. Rather than answering each question individually, we will post questions (anonymously) and answers on our Intranet *Frequently Asked Questions* section. This way, all employees can benefit from the great questions that are asked. If an answer to a question isn't yet known, it will be posted when it has been defined.
-

- Both *Merger News* and *Frequently Asked Questions* will be posted on the Intranet. When new information is posted, an email will go out with the corresponding link. Supervisors and administrative personnel, remember, we are counting on you to **Print and Post** these communication pieces for our employees in the shop and field.

It is important for everyone to realize that until this merger transaction is closed, which is expected to be in the third quarter 2007, Universal and Hanover remain competitors and you should continue to run your day-to-day operations as such. I ask that you continue to compete, continue to perform and, most importantly, be safe in all you do.

I want to thank you for your hard work and dedication to Universal Compression!
