Item 1.01 Entry Into a Material Definitive Agreement

Willdan Group, Inc. (the Company) entered into a Business Loan Agreement (Asset Based) (the Agreement) with Orange County Business Bank (the Lender), effective as of August 2, 2007, on August 16, 2007. Under the Loan Agreement, the Company can borrow up to \$8.0 million under a revolving line of credit. The Company has the right to convert up to \$2.0 million of the revolving line of credit to two term loans under specified circumstances involving the start up of a new division and/or business unit and the acquisition of other companies. Loans made under the revolving line of credit will accrue interest at the rate of 0.25% over the current Wall Street Journal Prime Rate. The interest rate would be increased by a margin of 6.00% upon a default by the Company. Upon the occurrence of an event of default under the Loan Agreement, the Lender has the option to make all indebtedness then owed by the Company under the Loan Agreement immediately due and payable. The revolving line of credit matures on August 10, 2008.

Borrowings under the Loan Agreement with the Lender are secured by substantially all of the Company's and the Company's subsidiaries' tangible and intangible assets. Each of the Company's subsidiaries, except Public Agency Resources, has signed an unconditional guaranty of the Company's obligations under the Loan Agreement. The Loan Agreement also contains customary representations, affirmative and negative covenants and defaults for a credit facility, including covenants to maintain a minimum tangible net worth, a minimum ratio of current assets to current liabilities and a minimum ratio of debt service coverage. The Loan Agreement also prohibits the payment of dividends on the Company's common stock, other than dividends payable in the Company's common stock, without the consent of the Lender.
