Item 1.01. Entry into a Material Definitive Agreement.

On November 9, 2007, Celsion Corporation (the Company) entered into a Loan and Security Agreement (the Agreement) with Manufacturers and Traders Trust Company (M&T) pursuant to which M&T will provide a draw-down credit facility to the Company (the Credit Facility). The Company may request advances under the Credit Facility at a rate not to exceed \$1,500,000 per month, up to a maximum principal amount under the Credit Facility of \$6,500,000. Each advance is subject to, among other customary conditions, a determination by M&T in its good faith discretion that the Company owns less than \$500,000 in cash and other property readily convertible into cash, excluding the cash collateral account referred to below. Amounts borrowed by the Company under the Credit Facility and repaid may not be re-advanced to the Company.

The Credit Facility is secured by (i) a \$1,000,000 cash collateral account to be held at M&T and (ii) substantially all of the Company's assets. The Credit Facility bears interest on the outstanding balance at a rate of the London Interbank Offered Rate plus 2.75%. Accrued interest on the outstanding balance is payable monthly. The total outstanding principal and accrued interest balance on the Credit Facility is due and payable on June 21, 2008.

The Agreement specifies certain events of default, pursuant to which M&T could require immediate repayment by the Company of all outstanding amounts under the Credit Facility. In addition to customary events of default relating to changes in the operations and financial condition of the Company, in connection with payments due to the Company pursuant to the previously announced sale by the Company of its Prolieve assets to Boston Scientific Corporation (Boston Scientific), the Agreement specifies certain events of default relating to changes in the operations and financial condition of Boston Scientific.

The above description is a summary and is qualified in its entirety by the terms of the Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference herein.

A press release announcing the Credit Facility is filed as Exhibit 99.1 to this Current Report on Form 8-K.
