*11:00 a.m. Eastern Daylight Time*

The Board of Directors of Two Harbors Investment Corp., a Maryland corporation, is using this proxy statement to solicit your proxy for use at our Annual Meeting of Stockholders to be held on Tuesday, May 20, 2014 at 11:00 a.m. Eastern Daylight Time, and any adjournment or postponement of the meeting (the Annual Meeting ). References in this proxy statement to Two Harbors, company, we, us, our and similar refer to Two Harbors Investment Corp.

**GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING**

**Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting  
to be held on May 20, 2014**

This proxy statement and our 2013 Annual Report, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, are available at [www.proxyvote.com](http://www.proxyvote.com).

Pursuant to rules adopted by the U.S. Securities and Exchange Commission, or SEC, we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the Notice of Availability ) to our stockholders of record as of the close of business on March 25, 2014. All stockholders will be able to access our proxy materials on the website referred to in the Notice of Availability ([www.proxyvote.com](http://www.proxyvote.com)) or request to receive a printed set of our proxy materials. Instructions on how to access our proxy materials over the Internet or request a printed copy of our proxy materials may be found in the Notice of Availability.

**What is the purpose of the Annual Meeting?**

## Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form DEF 14A

The purpose of the Annual Meeting is to vote on the following matters.

- (1) To elect nine directors, with each director serving until our next annual meeting of stockholders and until his or her successor is elected and qualified;
- (2) To hold an advisory vote relating to the compensation of our executive officers;
- (3) To consider and vote upon the ratification of the appointment of Ernst & Young LLP to serve as our independent registered public accounting firm for our fiscal year ending December 31, 2014; and
- (4) To transact such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

### **Who is entitled to vote at the Annual Meeting?**

Our Board of Directors has fixed the close of business on March 25, 2014 as the record date for determining the stockholders entitled to receive notice of and to vote at the Annual Meeting and any postponements or adjournments thereof. On the record date, there were 366,046,045 shares of our common stock outstanding. Only stockholders as of the record date are entitled to vote at the Annual Meeting.

A stockholder list will be available at our principal executive office beginning May 9, 2014 during normal business hours for examination by any stockholder registered on our stock ledger as of the record date for any purpose pertaining to the Annual Meeting. Our principal executive office is located at 590 Madison Avenue, 36th Floor, New York, New York 10022.

### **What are my voting rights?**

You are entitled to one vote for each share of our common stock held by you on the record date on all matters presented at the Annual Meeting or any adjournment or postponement thereof. There is no cumulative voting.

Table of Contents

**How many shares must be present to hold the Annual Meeting?**

The presence, in person or by proxy, of the holders of shares entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. Shares represented by proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present at the Annual Meeting. Pursuant to Maryland law, broker non-votes and abstentions are not included in the determination of the shares of common stock voting on such matter, but are counted for quorum purposes.

**What is a proxy?**

It is your designation of another person to vote shares of our common stock that you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. When you designate a proxy, you also may direct the proxy how to vote your shares. We refer to this as your proxy vote. Two executive officers have been designated as proxies for our Annual Meeting. These executive officers are Thomas E. Siering, our Chief Executive Officer, and Rebecca B. Sandberg, our General Counsel and Secretary.

**What is a proxy statement?**

It is a document that we are required to make available to you by Internet or, if you request, by mail in accordance with regulations of the SEC, when we ask you to designate proxies to vote your shares of our common stock at a meeting of our stockholders. The proxy statement includes information regarding the matters to be acted upon at the Annual Meeting and certain other information required by regulations of the SEC and rules of the New York Stock Exchange, or NYSE.

**What is the difference between a stockholder of record and a beneficial owner?**

If your shares are registered directly in your name with our transfer agent, Computershare Shareowner Services, you are considered the stockholder of record with respect to those shares.

If your shares are held in a stock brokerage account, or by a bank, trustee or other nominee, you are considered the beneficial owner of shares held in street name. As the beneficial owner, you have the right to direct your broker, trustee or nominee on how to vote and you are also invited to attend the Annual Meeting. However, beneficial owners generally cannot vote their shares directly because they are not the stockholder of record and must instead instruct the broker, bank, trustee or other nominee how to vote their shares using the method described below under

*How can I vote prior to the Annual Meeting?*

**Why did I receive a notice instead of a full set of proxy materials?**

As permitted by SEC rules, we have elected to provide access to our proxy materials over the Internet, which reduces our costs and the environmental impact of our Annual Meeting. Accordingly, we mailed a Notice of Availability to our stockholders of record and beneficial owners who have not previously requested a printed set of proxy materials. The Notice of Availability contains instructions on how to access our proxy materials and vote online, as well as instructions on how to request a printed set of proxy materials.

**Why did I receive more than one notice or printed set of proxy materials?**

If you receive more than one Notice of Availability or printed set of proxy materials, it likely means that you hold shares of our common stock in more than one account. To ensure that all of your shares are voted, you should vote once for each control number you receive, as described below under *How can I vote prior to the Annual Meeting?*

**How can I obtain a paper copy or an electronic copy of the proxy materials?**

To obtain a paper copy or an electronic copy of the proxy materials, you will need your control number, which was provided to you in the Notice of Availability or the proxy card included in your printed set of proxy materials. Once you have your control number, you may request a paper copy or an electronic copy of our proxy materials using any of the following methods: (i) visit [www.proxyvote.com](http://www.proxyvote.com) and enter your control number when prompted; (ii) call 1-800-579-1639 and enter your control number when prompted; or (iii) send an email requesting electronic delivery of the materials to [sendmaterial@proxyvote.com](mailto:sendmaterial@proxyvote.com).

Table of Contents

**How can I vote prior to the Annual Meeting?**

**Stockholders of Record.** If you are a stockholder of record, you may vote your shares or submit a proxy to be voted at the Annual Meeting by one of the following methods:

- **By Internet** - You may authorize your proxy online via the Internet by accessing the website [www.proxyvote.com](http://www.proxyvote.com) and following the instructions provided on the Notice of Availability or proxy card. Internet voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Daylight Time, on May 19, 2014. To vote by Internet, you will need to use the control number listed on your Notice of Availability or proxy card, which was provided to you by our vote tabulator, Broadridge Financial Solutions; then follow the additional steps when prompted. The steps have been designed to authenticate your identity, allow you to give voting instructions, and confirm that those instructions have been recorded properly.
- **By Telephone** - You may authorize your proxy by touch-tone telephone by calling 1-800-690-6903. Telephone voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Daylight Time, on May 19, 2014. To vote by telephone, you will need to use the control number listed on the Notice of Availability or proxy card, which was provided to you by our vote tabulator, Broadridge Financial Solutions; then follow the additional steps when prompted. The steps have been designed to authenticate your identity, allow you to give voting instructions, and confirm that those instructions have been recorded properly.
- **By Mail** - If you request paper copies of the proxy materials to be sent to you by mail, you may authorize your proxy by completing, signing and dating your proxy card and returning it in the reply envelope included with the paper proxy materials.

**Beneficial Owners.** If your shares are held in a stock brokerage account or by a bank, trustee or other nominee, you are considered the beneficial owner of shares held in street name. If you hold your shares in street name, you must vote your shares in the manner prescribed by your broker, bank, trust or other nominee, which is similar to the voting procedures for stockholders of record. Other than the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2014, the rules *do not* permit your broker, bank, trustee or other nominee to vote your shares of stock on any proposal unless you provide them with instructions on how to vote your shares of common stock. You should instruct your broker, bank, trustee or other nominee how to vote your shares of stock by following the directions provided by your broker or nominee. However, if you request the proxy materials by mail after receiving a Notice of Availability from your broker, bank, trustee or other nominee, you will receive a voting instruction form (not a proxy card) to use in directing the broker, bank, trust or other nominee how to vote your shares.

**Can I vote my shares in person at the Annual Meeting?**

If you are a stockholder of record, you may vote your shares in person at the Annual Meeting by completing a ballot at the Annual Meeting. Even if you currently plan to attend the Annual Meeting, we recommend that you submit your proxy as described above so your vote will be counted if you later decide not to attend. If you submit your vote by proxy and later decide to vote in person at the Annual Meeting, the vote you submit at the Annual Meeting will override your proxy vote.

If you are a beneficial owner, you may vote your shares in person at the Annual Meeting only if you obtain and bring to the Annual Meeting a signed letter or other form of proxy from your broker, bank, trustee or other nominee giving you the right to vote the shares at the Annual Meeting.

**What vote is required to approve each proposal to be voted on at the Annual Meeting?**

- **Proposal 1** Each of the nine director nominees who receive a majority of all votes cast for a director nominee at the Annual Meeting, in person or by proxy, will be elected. *See Corporate Governance and Board of Directors Majority Voting for Directors and Director Resignation Policy.*
- **Proposal 2** The affirmative vote of a majority of all votes cast at the Annual Meeting, in person or by proxy, is required to approve the advisory vote on compensation of our executive officers.
- **Proposal 3** The affirmative vote of a majority of all votes cast at the Annual Meeting, in person or by proxy, is required to ratify the appointment of our independent registered public accounting firm.

Table of Contents

**How does the Board of Directors recommend that I vote on the proposals?**

The Board of Directors recommends a vote:

- **Proposal 1** FOR all of the nominees for director;
- **Proposal 2** FOR the advisory vote relating to the compensation of our executive officers; and
- **Proposal 3** FOR the ratification of the appointment of Ernst & Young LLP to serve as our independent registered public accounting firm for our fiscal year ending December 31, 2014.

**What if I do not specify how I want my shares voted?**

If you are a stockholder of record and submit a signed proxy card, but do not specify how you want to vote your shares on a particular proposal, your shares will be voted as follows:

- **Proposal 1** FOR all of the nominees for director;
- **Proposal 2** FOR the advisory vote relating to the of compensation of our executive officers; and
- **Proposal 3** FOR the ratification of the appointment of Ernst & Young LLP to serve as our independent registered public accounting firm for our fiscal year ending December 31, 2014.

**Your vote is important. We urge you to vote, or to instruct your broker, bank, trustee or other nominee how to vote, on all matters before the Annual Meeting.** If you are a beneficial owner and fail to instruct the stockholder of record how you want to vote your shares on a particular matter, those shares will be considered to be uninstructed. NYSE rules determine the circumstances under which member brokers of the NYSE may exercise discretion to vote uninstructed shares held by them on behalf of their clients who are beneficial owners. Other than the ratification of the appointment of Ernst & Young LLP as our independent public accounting firm for the year ending December 31, 2014, the rules *do not* permit member brokers to exercise voting discretion as to the uninstructed shares on any matter to be voted on at our Annual Meeting. With respect to the ratification of the selection of Ernst & Young LLP as our independent public accountant for our fiscal year ending December 31, 2014, the rules permit member brokers to exercise voting discretion as to the uninstructed shares. For matters with respect to which the broker,

bank, trustee or other nominee does not have voting discretion or has, but does not exercise, voting discretion, the uninstructed shares will be referred to as a broker non-vote. For more information regarding the effect of broker non-votes on the outcome of the vote, please see *What is the effect abstentions and broker non-votes?*

**What is the effect of abstentions and broker non-votes?**

An abstention occurs when a stockholder of record abstains from voting or does not vote on a proposal. A broker non-vote occurs when a broker has not received voting instructions from the beneficial owner and the broker does not have discretionary authority to vote the shares because the proposal is one other than ratification of the appointment of our independent public accounting firm. For more information regarding discretionary voting, please see *What if I do not specify how I want my shares voted?*

For purposes of approving Proposals 1, 2 and 3, abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote on such proposals, although they will be considered present for the purpose of determining the presence of a quorum.

**Can I change my vote after submitting my proxy?**

You may change your vote at any time before the proxy is exercised. For stockholders of record, if you voted by mail, you may revoke your proxy at any time before it is voted by executing and delivering a timely and valid later-dated proxy, by voting in person by ballot at the Annual Meeting or by giving written notice of such revocation to the Secretary. If you voted by Internet or telephone, you may also change your vote with a timely and valid later Internet or telephone vote, as the case may be, or by voting in person by ballot at the Annual Meeting. Attendance at the Annual Meeting will not have the effect of revoking a proxy unless (i) you give proper written notice of revocation to the Secretary before the proxy is exercised; or (ii) you vote by ballot at the Annual Meeting.

Notices of revocation of proxies should be sent to Two Harbors Investment Corp., Attention: Rebecca B. Sandberg, General Counsel and Secretary, 590 Madison Avenue, 36th Floor, New York, New York 10022.

Table of Contents

**What is householding?**

This practice, known as householding, is designed to reduce duplicate mailings and printing and postage costs, and conserve natural resources. **Who pays for the cost of proxy preparation and solicitation?**

We will pay the cost of soliciting proxies and may make arrangements with brokerage houses, custodians, nominees and other fiduciaries to send proxy materials to beneficial owners of our common stock. We will reimburse these third parties for reasonable out-of-pocket expenses. In addition to solicitation by mail, our directors and officers may solicit proxies by telephone, electronic transmission and personally. Our directors and officers will not receive any special compensation for such services. We have retained Morrow & Co., LLC, 470 West Avenue, Stamford, Connecticut 06902, for an estimated fee of \$8,500, plus out of pocket expenses, to assist us in soliciting proxies.

**PROPOSAL 1: ELECTION OF DIRECTORS**

**Board Composition**

Pursuant to our Charter and Bylaws, our directors are elected by stockholders each year at our Annual Meeting to serve terms expiring at the next annual meeting. Our Charter and Bylaws provide that our Board of Directors may be comprised of no less than the number of directors required by the Maryland General Corporation Law and no more than 15, with the precise number to be set by our Board of Directors. The Board of Directors has set the size of our Board at nine. Currently, our Board of Directors is comprised of eight directors, with one vacancy, which we intend to fill through this election.

**Director Nominations**

Action will be taken at the Annual Meeting for the election of nine directors, each to hold office until our annual meeting of stockholders to be held in 2015 or until his or her successor is duly elected and qualified.

Information concerning each of the nine director nominees standing for election to our Board of Directors at the Annual Meeting is set forth below. Each of the nominees has been recommended by the Nominating and Corporate Governance Committee and nominated by our Board of Directors. It is expected that each of the director nominees will be able to serve, but if any such nominee is unable to serve for any reason, the proxies reserve discretion to vote or refrain from voting for a substitute nominee or nominees.

We believe that each of the director nominees displays personal and professional integrity; satisfactory levels of education and/or business experience; business acumen; an appropriate level of understanding of our business and its industry and other industries relevant to our business; the ability and willingness to devote adequate time to the work of our Board of Directors and its Committees; a fit of skills and personality with those of our other directors that helps build a board that is effective and responsive to the needs of our company; strategic thinking and a willingness to express ideas; a diversity of experiences, expertise and background; and the ability to represent the interests of our stockholders. The information presented below regarding each director nominee also sets forth specific experience, qualifications, attributes and skills that led our Board of Directors to conclude that he or she should be nominated to stand for election to serve as a director.

**CORPORATE GOVERNANCE AND BOARD OF DIRECTORS**

Our Board of Directors is committed to maintaining the highest standards of business conduct and corporate governance. As described more fully below, we have adopted a Code of Business Conduct and Ethics applicable to the conduct of our officers and directors, as well as to the employees of our external manager and its affiliates, PRCM Advisers and Pine River. We have also adopted Corporate Governance Guidelines, which, in conjunction with our Charter, Bylaws and our board committee charters, provide the framework for our corporate governance.

You can access our Code of Business Conduct and Ethics, our Corporate Governance Guidelines, the charters for our Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Risk Oversight Committee, and certain other of our policies under Corporate Governance in the Investors section of our website at [www.twoharborsinvestment.com](http://www.twoharborsinvestment.com) or by writing to our Investor Relations department at Two Harbors Investment Corp., 590 Madison Avenue, 36th Floor, New York, New York 10022.

**Code of Business Conduct and Ethics**

We have adopted a Code of Business Conduct and Ethics that applies to our officers and directors and to PRCM Advisers and Pine River's officers, directors and employees when such individuals are acting for us or on our behalf. Among other matters, our Code of Business Conduct and Ethics is designed to detect and deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;
- compliance with applicable governmental laws, rules and regulations;
- prompt internal reporting of violations of the Code of Business Conduct and Ethics to appropriate persons identified in the Code; and
- accountability for adherence to the Code of Business Conduct and Ethics.

Any waiver of the Code of Business Conduct and Ethics for our executive officers or directors may be made only by our Board of Directors or a Committee thereof and will be promptly disclosed as required by law or stock exchange regulations. The Code of Business Conduct and Ethics

was adopted by the Board of Directors on October 28, 2009.

### **Director Independence**

NYSE rules require that a majority of a company's board of directors be composed of independent directors, which is defined generally as a person other than an executive officer or employee of the company or its subsidiaries or any other individual having a relationship, which, in the opinion of the company's board of directors, would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director. Consistent with these considerations, our Board of Directors has affirmatively determined that each of E. Spencer Abraham, James J. Bender, Stephen G. Kasnet, Jacques R. Rolfo, W. Reid Sanders and Hope B. Woodhouse qualifies as an independent director.

### **Board Leadership Structure**

Our Board of Directors is led by a Chairman who is appointed by the directors. Both independent and non-independent directors are eligible for appointment as the Chairman. The Chairman presides at all meetings of the stockholders and of our Board of Directors. The Chairman performs such other duties and exercises such powers as from time to time shall be prescribed in our Bylaws or by our Board of Directors. Our Board of Directors has appointed Mr. Taylor to serve as our Chairman.

Our Corporate Governance Guidelines provide that the independent directors shall appoint a director to serve as the lead independent director. The lead independent director is responsible for coordinating the activities of the other independent directors, including scheduling and conducting separate meetings of the independent directors and

Table of Contents

for such other duties as are assigned from time to time by our Board of Directors. Our independent directors have appointed Mr. Kasnet to serve as our lead independent director.

Our Board of Directors consists of a majority of independent directors and exercises a strong, independent oversight function. All of the Committees of our Board of Directors – Audit, Compensation, Nominating and Corporate Governance, and Risk Oversight Committees, are comprised entirely of independent directors. A number of board committee processes and procedures, including regular executive sessions of independent directors and a regular review of the performance of PRCM Advisers, our external manager, provide substantial independent oversight of our management’s performance. Under our Bylaws and Corporate Governance Guidelines, our Board of Directors has the ability to change its structure if it determines that such a change is appropriate and in the best interest of our company. Our Board of Directors believes that these factors provide the appropriate balance between the authority of those who oversee our company and those who manage it on a day-to-day basis.

We currently separate the roles of Chairman and Chief Executive Officer. However, our Chairman and our Chief Executive Officer are both affiliated with PRCM Advisers and Pine River. Our Board of Directors believes that this affiliation benefits our company because these individuals are knowledgeable about our company’s business and because they are able to ensure that adequate resources are devoted to our company by PRCM Advisers and Pine River.

**Board Committees**

Our Board of Directors has formed four committees, including our Audit, Compensation, Nominating and Corporate Governance, and Risk Oversight Committees, and has adopted charters for each of these Committees. Each Committee is composed exclusively of directors who meet the independence and other requirements established by the rules and regulations of the SEC and the NYSE listing standards. Additionally, the Compensation Committee is composed exclusively of individuals intended to be, to the extent required by Rule 16b-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act, non-employee directors and will, at such times as we are subject to Section 162(m) of the Internal Revenue Code of 1986, as amended, or Section 162(m), qualify as outside directors for purposes of Section 162(m).

The following table summarizes the current membership of each of our Committees.

Our Compensation Committee also reviews and makes recommendations to our Board of Directors regarding the compensation of our company's independent directors. In reviewing and making recommendations on independent director compensation, our Compensation Committee considers, among other things, the following policies and principles:

- the compensation that is paid to directors of other companies that are comparable to us;
- the amount of time it is likely directors will be required to devote to preparing for and attending meetings of our Board of Directors and the committees on which they serve;
- the success of our company;
- whether a director is a lead independent director or chairman of one of the committees of our Board of Directors and the time commitment related thereto;
- if a committee on which a director serves undertakes a special assignment, the importance of that special assignment to our company and its stockholders; and
- the risks involved in serving as a director on our Board of Directors or a member of its committees.

Other than our Chief Executive Officer, who also serves as a director, none of our executive officers are involved in determining independent director compensation levels, although our company's management may support the Compensation Committee with certain information, data and other resources in connection with its compensation recommendations to our Board of Directors.

Our Compensation Committee may delegate all or a portion of its duties and responsibilities to a subcommittee of the Compensation Committee. Our Compensation Committee's purpose and responsibilities are more fully set forth in the Compensation Committee's charter, which is available under "Corporate Governance" in the Investors section of our website at [www.twoharborsinvestment.com](http://www.twoharborsinvestment.com).

**Director Nomination Process**

Our Corporate Governance Guidelines provide the following minimum qualifications for directors in order to be suitable for a position on our Board of Directors:

- possession of the highest personal and professional ethics, integrity and values;
- the ability to exercise good business judgment and be committed to representing the long-term interests of the company and its stockholders;
- having an inquisitive and objective perspective, practical wisdom and mature judgment; and
- willingness to devote the necessary time and effort to board of director duties, including preparing for and attending meetings of the Board of Directors and its Committees.

In considering candidates for nomination as a director, the Nominating and Corporate Governance Committee generally assembles all information regarding a candidate's background and qualifications, evaluates a candidate's mix of skills and qualifications and determines the contribution that the candidate could be expected to make to the overall functioning of our Board of Directors. Although we do not have a formal policy on diversity, our corporate governance guidelines provide that our company shall endeavor to have a Board of Directors representing a diverse education and experience that provides knowledge of business, financial, governmental or legal matters that are relevant to our business and to our status as a publicly owned company. With respect to the re-nomination of current directors, the Committee considers the foregoing factors as well as past participation in and contributions to the activities of our Board of Directors.

Our Nominating and Corporate Governance Committee will consider candidates recommended for nomination to our Board of Directors by our stockholders. Stockholder recommendations for nominees to the Board of Directors should be submitted in writing to our Secretary. The manner in which such Committee evaluates candidates recommended by stockholders is generally the same as any other candidate. However, the Committee will also seek and consider information concerning any relationship between a stockholder recommending a candidate and the candidate to determine if the candidate can represent the interests of all of the stockholders. The Committee will not evaluate a candidate recommended by a stockholder unless the stockholder's proposal provides a certification that the potential candidate will serve as a director if elected.

**Majority Voting for Directors and Director Resignation Policy**

Our Bylaws provide that a director nominee will be elected by receiving the affirmative vote of a majority of the votes cast on the election of such nominee on a per nominee basis in an uncontested election (which occurs when the number of director nominees is the same as the number of directors to be elected). If a director nominee who is an incumbent director receives a greater number of votes against than votes for his or her election and with respect to whom no successor has been elected, such incumbent director shall promptly tender his or her offer to resign to our Board of Directors for its consideration following certification of the stockholder vote. Within 90 days following certification of the stockholder vote, our Nominating and Corporate Governance Committee shall consider the tendered resignation offer and make a recommendation to our Board of Directors whether or not to accept such offer, and our Board of Directors shall act on our Nominating and Corporate Governance Committee's recommendation. In determining whether to accept the resignation, our Nominating and Corporate Governance Committee and Board of Directors may consider any factors they deem relevant in deciding whether to accept a director's resignation, including, among other things, whether accepting the resignation of such director would cause our company to fail to meet any applicable stock exchange or SEC rules or requirements. Thereafter, our Board of Directors shall promptly and publicly disclose its decision-making process regarding whether to accept the director's resignation offer or the reasons for rejecting the resignation offer, if applicable, on a Form 8-K furnished to the SEC. Any director who tenders his or her resignation will not participate in our Nominating and Corporate Governance Committee's recommendation or our Board of Directors' action regarding whether to accept the resignation offer. If our Board of Directors does not accept the director's resignation, such director will continue to serve until the next annual meeting of stockholders and until such director's successor is duly elected and qualified or until the director's earlier resignation or removal.

In a contested election, the director nominees who receive a plurality of votes cast will be elected as directors. Under the plurality standard, the number of persons equal to the number of vacancies to be filled who receive more

votes than other nominees are elected to our Board of Directors, regardless of whether they receive a majority of votes cast.

**Communications with our Board of Directors**

We provide the opportunity for stockholders and all other interested parties to communicate with members of our Board of Directors. Communications with the independent directors or the chairperson of any of the Committees of the Board of Directors may occur by regular mail or email. Communications sent by regular mail should be sent to the attention of the Independent Directors, the Chair of the Audit Committee, the Chair of the Compensation Committee, the Chair of the Nominating and Corporate Governance Committee, or the Chair of the Risk Oversight Committee, as the case may be, in each instance to Two Harbors Investment Corp., Attention: Secretary, 590 Madison Avenue, 36th Floor, New York, New York 10022. Communications by email should be sent to our Secretary and General Counsel at [legal@twoharborsinvestment.com](mailto:legal@twoharborsinvestment.com).

Our Secretary will review each communication received in accordance with this process to determine whether the communication requires immediate action. The Secretary will forward all appropriate communications received, or a summary of such communications, to the appropriate member(s) of our Board of Directors. However, we reserve the right to disregard any communication that we determine is unduly hostile, threatening or illegal, or does not reasonably relate to us or our business, or is similarly inappropriate. The Secretary has the authority to disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications.

Stockholder proposals must be made in accordance with the procedures set forth in our current Bylaws or the procedures set forth in Rule 14a-8 of the Exchange Act and not the procedures set forth in the preceding paragraph or the procedures set forth under *Corporate Governance and Board of Directors Director Nomination Process* above. Nominations for the Board of Directors proposed may only be made in accordance with the procedures set forth in our Bylaws. The procedures set forth in our Bylaws for stockholder proposals, including nominations for our Board of Directors, as well as the procedures set forth in Rule 14a-8 for stockholders proposals are described in *Other Matters Stockholder Proposals and Director Nominations for 2015 Annual Meeting* in this proxy statement.

**Director Compensation**

We compensate the independent members of our Board of Directors for their service. It is our belief that director compensation should:

- align the interests of our directors and our stockholders;
- ensure our company can attract and retain outstanding director candidates who meet the selection criteria set forth in our Corporate Governance Guidelines and Nominating and Corporate Governance Committee Charter; and

- reflect the substantial time commitment of our directors necessary to oversee the company's business.

Generally, it has been our practice to compensate our independent directors with a mix of cash and equity-based compensation. We do not pay any fees to the non-independent directors serving on our Board of Directors. However, all members of our Board of Directors are reimbursed for their costs and expenses of serving on the Board of Directors, including costs and expenses of attending all meetings of our Board of Directors and its Committees. As discussed above, the Compensation Committee Charter provides that the Compensation Committee has the primary responsibility for reviewing and recommending any changes to director compensation. Our Board of Directors reviews the Compensation Committee's recommendations and determines the amount of director compensation.

***Management Agreement with PRCM Advisers LLC***

We are party to a Management Agreement with PRCM Advisers, pursuant to which PRCM Advisers provides the day-to-day management of our business, including providing us with our executive officers and all other personnel necessary to support our operations. The Management Agreement requires PRCM Advisers to manage our business in conformity with the policies and the investment guidelines that are approved and monitored by our Board of Directors. The Management Agreement had an initial three-year term, which expired on October 28, 2012, and renews annually for successive one-year terms unless earlier terminated by either us or PRCM Advisers. PRCM Advisers is entitled to receive a termination fee from us under certain circumstances. In exchange for its services, we are obligated to pay PRCM Advisers a management fee as well as reimburse it for certain expenses incurred by it and its affiliates in rendering management services to us. Mr. Taylor, our Chairman, is Chief Executive Officer and a Partner of Pine River. Mr. Siering, our Chief Executive Officer, and Mr. Roth, our Chief Investment Officer, are each partners of Pine River. Mr. Farrell, our Chief Financial Officer, and Ms. Sandberg, our General Counsel and Secretary, are each employees of Pine River. The Management Agreement between us and PRCM Advisers was negotiated between related parties in connection with our merger with Capitol, and the terms, including fees and other amounts payable, may not be as favorable to us as if they had been negotiated with an unaffiliated third party.

PRCM Advisers entered into a shared facilities and services agreement with Pine River, its parent company, to provide PRCM Advisers with access to personnel, office space, equipment, credit analysis and risk management expertise and processes, information technology and other resources in order for PRCM Advisers to fulfill its obligations under the Management Agreement. The Management Agreement and PRCM Advisers' shared facilities and services agreement with Pine River are intended to provide us with access to Pine River's personnel and its experience in capital markets, credit analysis, debt structuring and risk and asset management, as well as assistance with corporate operations, legal and compliance functions and governance.

We incurred charges of \$55.9 million for year ended December 31, 2013 related to the Management Agreement, of which \$46.0 million was for the base management fee and \$9.9 million represented expense reimbursement for general and administrative expenses incurred by the company in the normal course of its operations and certain compensation expenses incurred by PRCM Advisers under the Management Agreement as described in greater detail below. In connection with the closing of the Contribution Agreement with Silver Bay (discussed below under *Contribution Agreement*), the Management Agreement was amended to revise the definition of stockholders' equity to exclude from such amount the value of the consideration to be received by Two Harbors LLC in the formation transactions and the Silver Bay initial public offering, and to reduce the base management fee (as defined in the Management Agreement) for the year ended December 31, 2013, by \$4.3 million.

The base management fee paid to PRCM Advisers is 1.5% of our stockholders' equity per annum, calculated and payable quarterly in arrears. For purposes of calculating the management fee, our stockholders' equity means the sum of the net proceeds from all issuances of our equity securities since inception (allocated on a pro rata daily basis for such issuances during the fiscal quarter of any such issuance), plus our retained earnings at the end of the most recently completed calendar quarter (without taking into account any non-cash equity compensation expense incurred in current or prior periods), less any amount that we have paid for repurchases of our common stock since inception, and excluding any unrealized gains, losses or other items that do not affect realized net income (regardless of whether such items are included in other comprehensive income or loss, or in net income). This amount will be adjusted to exclude one-time events pursuant to changes in accounting principles generally accepted in the United States of America, or GAAP, and certain non-cash items after discussions between PRCM Advisers and our independent directors and approval by a majority of our independent directors.

## Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form DEF 14A

**Executive Compensation Overview**

As described more fully above under the section titled *Certain Relationships and Related Party Transactions* *Transactions with Related Persons* *Management Agreement with PRCM Advisers LLC*, we are externally managed by PRCM Advisers under the terms of a Management Agreement, pursuant to which PRCM Advisers provides us with all of the personnel required to manage and operate our business, including our named executive

Table of Contents

officers, each of whom is either an employee or partner of Pine River, which is the parent company of PRCM Advisers. Accordingly, as discussed below under *Compensation Discussion and Analysis*, the cash compensation received by our named executive officers is paid by Pine River. Any equity incentive compensation awarded to our named executive officers is the responsibility of our Compensation Committee and is determined by our Compensation Committee in accordance with our Equity Incentive Plan.

**Compensation Discussion and Analysis**

This compensation discussion and analysis describes our compensation objectives and policies in relation to compensation received by our named executive officers during the fiscal year ended December 31, 2013.

***Compensation Program***

As an externally managed company with no employees of our own, we have a hybrid approach to the compensation program for our named executive officers, each of whom is an employee or partner of Pine River: Pine River is responsible for the cash compensation paid to our named executive officers and our Compensation Committee is responsible for any equity incentive compensation awarded to our named executive officers.

***Cash Compensation***

Our named executive officers receive cash compensation from Pine River, which may include salaries and performance-based bonuses. Pine River is solely responsible for making decisions relating to the compensation of our named executive officers based on such factors as Pine River determines is appropriate. However, Pine River consults with our Compensation Committee concerning the cash compensation that Pine River proposes to pay its employees serving as our Chief Financial Officer and General Counsel, and takes into consideration the interests of the Compensation Committee in ensuring that Pine River's compensation philosophy is consistent with our objectives. The source of cash compensation paid by Pine River to our named executive officers is derived from the base management fee we pay to PRCM Advisers under the Management Agreement (through distributions of PRCM Advisers' income to Pine River) and from expenses we reimburse to PRCM Advisers, including for costs incurred by PRCM Advisers and Pine River relating to the cash compensation Pine River pays to its employees serving as our Chief Financial Officer and General Counsel and certain other employees of Pine River who are dedicated to our business. See *Certain Relationships and Related Party Transactions Transactions with Related Persons Management Agreement with PRCM Advisers LLC* for further discussion of the terms of the Management Agreement, including the base management fee payable to PRCM Advisers thereunder and our expense reimbursement obligations to PRCM Advisers.

***Equity Incentive Compensation***

In 2013, we added an equity incentive component to our compensation program by granting awards of restricted common stock to our named executive officers to reward them for our company's performance during 2012. We had not previously granted equity awards to our named executive officers. Our Compensation Committee, which consists solely of independent directors, is responsible for overseeing any such equity

awards granted pursuant to our Equity Incentive Plan. Our Compensation Committee approves and recommends all equity awards granted pursuant to our Equity Incentive Plan, which awards are then ratified by our Board of Directors.

The equity compensation paid to our named executive officers is designed to drive and reward corporate performance annually and over the long term. We periodically review our equity compensation program to ensure it reflects strong governance practices and the best interests of our stockholders, while striving to meet the following core objectives:

- *Pay for Performance* Our equity compensation program is designed to generate and reward superior individual and collective performance by ensuring that equity compensation is commensurate with the level of achieved company results.
- *Sustain and Strengthen Our Franchise* We are a specialized company operating in a highly competitive industry, and our continued success depends on retaining our talented executive team. Our equity compensation program is designed to attract and retain highly qualified executives whose abilities and expertise are critical to our long-term success and our competitive advantage. Continued success over the long term will create opportunities for our named executive officers through their stock ownership by enabling them to participate in any future appreciation of our stock and receive dividends.

Table of Contents

- *Align Risk and Reward* We are committed to creating an environment that encourages increased profitability for our company without undue risk taking. We strive to focus our executive officers' decisions on goals that are consistent with our overall business strategy without threatening the long-term viability of our company.

- *Align Interests with Stockholders* We are committed to using our equity compensation program to increase executive stock ownership over the long term and focus our named executive officers' attention on creating value for our stockholders. We believe that equity ownership directly aligns the interests of our named executive officers with those of our stockholders and encourages our named executive officers to focus on creating long-term stockholder value.

On May 29, 2013, our Compensation Committee and Board of Directors approved the grant of an aggregate of 629,787 shares of restricted common stock under our Equity Incentive Plan to our named executive officers, which awards are set forth in greater detail below under *Grants of Plan-Based Awards*. Restricted stock awards granted to our named executive officers provide for ratable vesting on an annual basis over a three-year period, with accelerated vesting occurring under certain circumstances, as described in greater detail below under *Potential Payments Upon Termination or Change in Control*. Under certain circumstances, our named executive officers may be required to forfeit their respective restricted stock awards pursuant to Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, applicable stock exchange listing rules, or any clawback or recoupment policy adopted by our Board of Directors or Compensation Committee. All of the equity awards are treated as issued and outstanding as of the grant date and each named executive officer is entitled to vote the shares and receive dividends as declared and paid thereon.

The restricted stock awards were granted to our named executive officers in recognition of our overall strong growth and financial performance during the fiscal year ended December 31, 2012. Consistent with our compensation philosophy and objectives discussed above, our Compensation Committee considered a number of key company results in determining whether it was appropriate to grant awards for the fiscal year ended December 31, 2012, including the following:

- our GAAP book value increased to \$11.54 per diluted share of our common stock at December 31, 2012, which was an increase from \$9.03 book value per diluted share of our common stock at December 31, 2011;

- our comprehensive income was \$1.0 billion for the year ended December 31, 2012, as compared to \$46.1 million for the year ended December 31, 2011;

When determining the amount of individual equity awards granted to our named executive officers, our Compensation Committee took into account all of the factors described above, as well as the individual's role and responsibility in attaining the metrics listed above, the individual's expected and actual job performance, the individual's ability to influence the outcome of our company's future performance, and market conditions. Our Compensation Committee considered all of these factors in exercising its discretion to determine the equity awards granted to each named executive officer for his or her performance during 2012.

We have not in the past made equity awards on a fixed schedule to our named executive officers, and our Compensation Committee's decision whether to approve any equity awards in the future will depend on our

company's performance, market trends and practices, expense implications, tax efficiencies or other considerations in the Compensation Committee's sole discretion.

***Role of Compensation Consultant in Compensation Decisions***

Our Compensation Committee engaged Frederic W. Cook & Co., Inc., or FWC, as its independent compensation consultant. Our Compensation Committee considers advice and recommendations received from FWC regarding compensation matters, including decisions made with respect to director compensation and executive equity compensation. FWC does not provide services to our company other than the advice it provides to our Compensation Committee, and FWC has advised our Compensation Committee that the fees and direct expenses received from us during 2013 were immaterial as a percentage of FWC's income for the period. FWC also has advised us that neither it nor, to its knowledge, any member of its consulting team serving our Compensation Committee owns any shares of our common stock. After considering the foregoing, as well as FWC's conflict of interest policies and procedures and the lack of known business and personal relationships between FWC, its team members servicing our Compensation Committee and its members, and our named executive officers, our Compensation Committee concluded that FWC's work for it does not raise any conflict of interest concerns.

***Role of Named Executive Officers in Equity-Based Compensation Decisions***

Our Compensation Committee makes all equity-based compensation decisions related to our named executive officers. Our Compensation Committee receives input from Mr. Siering, our Chief Executive Officer, regarding the equity compensation and performance of named executive officers other than himself, including recommendations as to the equity compensation levels that he believes are commensurate with an individual's job performance, skills, experience, qualifications, criticality to our company, as well as with our compensation philosophy, external market data and considerations of internal equity. Mr. Siering regularly attends meetings of our Compensation Committee, except when our Compensation Committee is meeting in executive session or when his own equity compensation arrangements are being considered. Our Compensation Committee communicates its views and decisions regarding equity compensation arrangements for our named executive officers to Mr. Siering, whom is generally responsible for implementing such arrangements.

***Tax Treatment of Compensation***

Section 162(m) disallows a federal income tax deduction for any publicly held corporation with respect to individual compensation exceeding \$1 million in any taxable year paid to a corporation's chief executive officer and each of the corporation's three other most highly compensated executive officers, other than its chief financial officer, unless the compensation is performance-based as defined under Section 162(m). Because we do not have any employees, we do not believe that Section 162(m) is applicable to us and therefore we do not currently consider the effects of Section 162(m) on the compensation paid to our named executive officers by our external manager or the degree to which it would be advisable to structure the amount and form of equity compensation to our named executive officers so as to maximize our ability to deduct it. If we were to determine that Section 162(m) was applicable to us, our Compensation Committee retains the discretion to provide compensation in an amount or form that would not be deductible under Section 162(m) in circumstances under which it believes the exercise of such discretion would be in the best interest of our company.

***Compensation Committee Consideration of 2013 Vote on Executive Compensation***

At our 2013 annual meeting of stockholders, our advisory vote on executive compensation received for votes representing approximately 97% of votes cast. In determining the equity compensation paid to our named executive officers during 2013, our Compensation Committee generally considered the results of such vote. While continuing to look for ways to improve our executive compensation program, our Compensation Committee noted the significant support received in the previous advisory vote on executive compensation and considered it an endorsement of its handling of executive compensation matters. In an effort to continually align executive compensation with the interests of our stockholders, our Compensation Committee determined it was important to add an equity incentive component to our compensation program. We currently plan to hold an advisory vote on executive compensation each year.

***Compensation Risk Assessment***

We believe that our compensation policies and practices are aligned with the interests of our stockholders and do not create risks that are reasonably likely to have a material adverse effect on our company. We do not believe that our fee arrangement with PRCM Advisers or the equity awards granted by us to our named executive officers encourages inappropriate risk taking.

As noted above, we are externally managed by PRCM Advisers pursuant to the terms of the Management Agreement and all decisions regarding cash compensation, including salaries and performance based bonuses, paid to our named executive officers are made by Pine River. The source of such cash compensation paid by Pine River to our named executive officers is derived from the base management fee we pay to PRCM Advisers under the Management Agreement (through distributions of PRCM Advisers' income to Pine River) and from expenses we reimburse to PRCM Advisers, including for costs incurred by PRCM Advisers and Pine River relating to the cash compensation Pine River pays to its employees serving as our Chief Financial Officer and General Counsel and certain other employees of Pine River who are dedicated to our business. The base management fee under the Management Agreement is calculated based on a fixed percentage of stockholder equity and is payable quarterly. Calculation of the base management fee is not primarily dependent upon our financial performance or the performance of our named executive officers, thus the base management fee does not create an incentive for our management to take excessive or unnecessary risks. Specifically, the use of stockholders' equity to calculate the base management fee does not result in leveraged pay-out curves, steep pay-out cliffs, or set unreasonable goals and thresholds, each of which can promote excessive and unnecessary risks. Our independent directors review PRCM Advisers' performance and the base management fee quarterly, providing a check upon any improper effort by our management to increase compensation payments indirectly via the pass-through of costs. We will continue to have certain costs allocated to us by PRCM Advisers for compensation, data services and proprietary technology, but most direct expenses with third-party vendors are paid directly by us. The base management fee itself cannot be increased or revised without the approval of our independent directors. The Management Agreement provides for annual renewals and for termination for cause. Although termination under the foregoing circumstances may require the payment of a significant termination fee, we believe it is still a deterrent against excessive and unnecessary risk taking. See *Certain Relationships and Related Party Transactions*, *Transactions with Related Persons*, *Management Agreement with PRCM Advisers LLC* for further discussion of the terms of the Management Agreement, including the base management fee payable to PRCM Advisers thereunder and our expense reimbursement obligation to PRCM Advisers.

In 2013, we granted equity awards to our named executive officers pursuant to our Equity Incentive Plan. Restricted stock awards granted to our executive officers generally provide for ratable vesting over a three-year period, with accelerated vesting occurring under certain circumstances, as described in greater detail below under *Potential Payments Upon Termination or Change in Control*. We believe that the vesting restriction is an important retention device and encourages our named executive officers to focus on sustaining our company's long-term performance and delivering total return to our stockholders rather than encouraging decisions that result in a short-term benefit for our company.

**Employment Agreements**

We do not have any employment agreements with any of our named executive officers.

**Pension Benefits or Nonqualified Deferred Compensation**

We do not provide any of our named executive officers with pension benefits or nonqualified deferred compensation plans.

**Grants of Plan-Based Awards**

We adopted our Equity Incentive Plan, which was approved by our stockholders on May 21, 2013, to provide incentive compensation to attract and retain qualified directors, officers, advisers, consultants and other personnel, including PRCM Advisers, its affiliates and employees of PRCM Advisers and its affiliates. Our Equity Incentive Plan is administered by our Compensation Committee and permits grants of restricted common stock, phantom shares, dividend equivalent rights and other equity awards. In May 2013, our Compensation Committee authorized the issuance of an aggregate 1,020,969 shares of restricted common stock to our named executive officers and certain other employees of Pine River who are dedicated to our business. Our Compensation Committee is authorized to issue up to 3,000,000 shares of our common stock pursuant to our Equity Incentive Plan. **COMPENSATION COMMITTEE REPORT**

The Compensation Committee of the Board of Directors has reviewed and discussed with management of the company the *Compensation Discussion and Analysis* contained in this proxy statement. Based on that review and discussion, the Compensation Committee recommends that the *Compensation Discussion and Analysis* be included in the company's proxy statement for the 2014 Annual Meeting of Stockholders.

**PROPOSAL 2: ADVISORY VOTE RELATING TO EXECUTIVE COMPENSATION**

The SEC adopted rules pursuant to Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act require public companies to provide stockholders with periodic advisory (non-binding) votes on executive compensation, also referred to as "say-on-pay" proposals.

As more fully described under the sections of this proxy statement entitled *Executive Officers* and *Certain Relationships and Related Party Transactions*, we are externally managed by PRCM Advisors pursuant to the Management Agreement between us and PRCM Advisers and consequently, we do not have any employees and have not paid any cash compensation directly to any of our named executive officers. Each named executive officer's compensation is comprised of cash compensation paid to them directly by the parent company of our external manager, Pine River, and equity awards granted by our company pursuant to our Equity Incentive Plan. The amount of cash compensation paid to each named executive officer is determined by and is the responsibility of Pine River and the amount of the equity awards granted to each named executive officer is determined by our Compensation Committee. For more information regarding our executive compensation, please see *Executive Officers* above.

We are required by Section 14A of the Exchange Act to seek an advisory vote from our stockholders to approve the compensation of our named executive officers listed under *Executive Officers* in this proxy statement. At the 2013 annual meeting of stockholders, we provided our stockholders with an opportunity to cast an advisory vote regarding our executive compensation. At that meeting, the stockholders strongly approved the proposal, with more than 97% of the votes cast voting in favor of the proposal. Similar to last year, at the 2014 Annual Meeting, we are asking you to vote **FOR** the adoption of the following resolution:

**RESOLVED:** That the stockholders of the company approve, on a non-binding advisory basis, the compensation paid to the company's executive officers, as disclosed in the company's proxy statement for the 2014 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the *Compensation Discussion and Analysis* and related narrative discussions in the proxy statement.

Because this say-on-pay vote is advisory in nature, it is not binding on us, our Board of Directors, our Compensation Committee, PRCM Advisers or Pine River. Our Board of Directors has determined that our company will hold an advisory vote on executive compensation on an annual basis until we hold the next vote regarding the frequency of stockholder votes on executive compensation, which will be held at our annual meeting of stockholders in May 2017. The next advisory vote on executive compensation will be held at our next annual meeting of stockholders in May 2015.

**PROPOSAL 3: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

We are asking our stockholders to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2014. Although ratification is not required by our Bylaws or otherwise, our Board of Directors is submitting the selection of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate practice. In the event stockholders do not ratify the appointment, the appointment will be reconsidered by our Audit Committee. Even if the selection is ratified, our Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our company. A representative of Ernst & Young LLP is expected to be present at the Annual Meeting, will have an opportunity to make a statement if he or she so desires and is expected to be available to respond to appropriate questions.

**AUDIT COMMITTEE REPORT AND AUDITOR FEES**

**Audit Committee Report**

The Board of Directors has appointed an Audit Committee presently composed of independent directors Stephen G. Kasnet, W. Reid Sanders, and Hope B. Woodhouse. Mr. Kasnet serves as chairman of the Audit Committee. Each of the directors on our Audit Committee is an independent director under the NYSE listing standards and SEC rules. The Board of Directors has determined that Mr. Kasnet satisfies the definition of financial sophistication and is an audit committee financial expert, as defined under rules and regulations promulgated by the SEC.

The Audit Committee's responsibility is one of oversight as set forth in its charter, which is available on our website at [www.twoharborsinvestment.com](http://www.twoharborsinvestment.com). It is not the duty of the Audit Committee to prepare our financial statements, to plan or conduct audits or to determine that our financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Our management is responsible for preparing our financial statements and for maintaining internal controls. Our independent registered public accounting firm is responsible for auditing the financial statements and for expressing an opinion as to whether those audited financial statements fairly present our financial position, results of operations and cash flows in conformity with generally accepted accounting principles.

The Audit Committee has reviewed and discussed our audited financial statements with management and with Ernst & Young LLP, our independent registered public accounting firm for 2013.

The Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed by Auditing Standard No. 16, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board, or PCAOB.

## Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form DEF 14A

The Audit Committee has received from Ernst & Young LLP the written disclosures and the letter from Ernst & Young LLP required by the PCAOB regarding Ernst & Young LLP's communication with the Audit Committee concerning independence, and has discussed Ernst & Young LLP's independence with Ernst & Young LLP, and has considered the compatibility of non-audit services with the auditor's independence.

Based on the review and discussions referred to above, the Audit Committee has recommended to the Board of Directors that the audited consolidated financial statements for the year ended December 31, 2013, be included in our Annual Report on Form 10-K for the year ended December 31, 2013, for filing with the SEC. The Audit Committee also has recommended the appointment of Ernst & Young LLP to serve as the company's independent registered public accounting firm for the year ending December 31, 2014.
