The Notes will be issued as part of the same series as the \$260,000,000 of 57/8% senior subordinated notes due 2020 issued in December 2013.

The Notes will be sold through a private placement to qualified institutional buyers pursuant to Rule 144A (and outside the United States in reliance on Regulation S) under the Securities Act of 1933, as amended (the Securities Act). The offering is expected to close on June 16, 2014, subject to satisfaction of customary closing conditions. The Company plans to use the net proceeds from this offering to redeem a portion of its outstanding 73/4% senior notes due November 1, 2018 and to pay related fees and expenses.
