Item 1.01 **Entry into a Material Definitive Agreement.**

On July 15, 2014, The Shops at Summerlin North, LP and The Shops at Summerlin South, LP (collectively, the Borrowers) entered into the Amended and Restated Loan Agreement (the Loan Agreement) with Wells Fargo Bank, National Association as administrative agent, U.S. Bank National Association as syndication agent, Wells Fargo Securities, L.L.C., as the sole lead arranger and sole bookrunner, and the other lending institutions party thereto (collectively, the Lenders). The Borrowers are wholly-owned, indirect subsidiaries of The Howard Hughes Corporation (the Company). The proceeds from the Loan Agreement will be used to finance Downtown Summerlin, a mixed-use town center located in the Company s Summerlin Master Planned Community, that will consist of approximately 1.6 million square feet of retail and office development.

The Loan Agreement provides for a three-year credit facility, with an initial maturity date of July 15, 2017 (with two, one year extensions), under which the Borrowers may borrow up to \$311.8 million. Borrowings under the Loan Agreement bear interest at one-month LIBOR plus 2.25% (reduced to one-month LIBOR plus 2.00% upon the achievement of that debt service coverage ratio described in the Loan Agreement). Interest payments under the Loan Agreement are payable monthly and the principal is not due until maturity. Upon closing, the Borrowers will draw down approximately \$109.2 million under the facility, and received net proceeds of approximately \$106.5 million after fees and expenses, which will be used to repay the Company a portion of the cash used by the Company to fund the development prior to the loan closing. This repayment will increase the Company s unrestricted cash.

The Loan Agreement contains a number of customary covenants, including compliance with various financial ratios and tests, and certain covenants that restrict, among other things, the Borrowers ability to incur debt; incur liens; transfer properties; merge or consolidate with other companies; and make acquisitions.

The Loan Agreement also contains customary events of default, some of which are subject to cure periods. The events of default include, among others things, nonpayment of principal, interest or fees; breach of the representations or warranties in any material respect; breach of the financial, affirmative or negative covenants; payment default on, or accelerations of, other material indebtedness; bankruptcy or insolvency; material judgments entered against the Borrowers; certain changes in control of the Borrowers; and the invalidity or unenforceability of the Loan Agreement or other documents associated with the Loan Agreement.

The description of the Loan Agreement set forth herein is qualified in its entirety by the terms of the Loan Agreement. A copy of the Loan Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Item 2.03 **Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**
