**Item 1.01. Entry into a Material Definitive Agreement.**

On September 22, 2014, Old Republic International Corporation (the Company) priced a registered underwritten public offering of 4.875% Senior Notes due 2024 in the aggregate principal amount of \$400 million (the Notes) to be sold pursuant to an underwriting agreement that was entered into between the Company and Morgan Stanley & Co. LLC and Credit Suisse Securities (USA) LLC, as representatives of the several underwriters named therein and dated September 22, 2014 (the Underwriting Agreement).

The Notes were registered pursuant to a registration statement on Form S-3 (No. 333-198703) filed on September 12, 2014 (the Registration Statement), a preliminary prospectus supplement dated September 22, 2014 (the Preliminary Prospectus), and a final prospectus supplement dated September 22, 2014 (the Final Prospectus), each filed with the Securities and Exchange Commission (SEC) by the Company under the Securities Act of 1933, as amended (the Securities Act).

The Company issued the Notes under an indenture dated as of August 15, 1992 (the Base Indenture), as supplemented by a fifth supplemental indenture dated as of September 25, 2014 (the Fifth Supplemental Indenture) and, together with the Base Indenture, the Indenture, each between the Company and Wilmington Trust Company, as trustee (the Trustee). The Base Indenture was filed as Exhibit 4.1 to the Company's Current Report on Form 8-K filed with the SEC on April 22, 2009. The Fifth Supplemental Indenture (including the form of Notes) is filed as Exhibit 4.1 hereto. The terms of the Indenture and the Notes issued pursuant to the Indenture are described in the sections of the Preliminary Prospectus and Final Prospectus relating to the Notes entitled Description of Notes, which is incorporated herein by reference. The following description of the Notes and the Indenture does not purport to be complete and is qualified in its entirety by reference to the detailed provisions of the Fifth Supplemental Indenture.

The Notes bear interest at a rate of 4.875% per annum, payable semi-annually in arrears on April 1 and October 1 of each year, beginning on April 1, 2015. The Notes will mature on October 1, 2024, unless earlier repurchased by the Company.

The Indenture contains customary terms and covenants, including that upon certain events of default occurring and continuing, either the Trustee or the holders of not less than 25% in aggregate principal amount of the Notes then outstanding may declare the entire principal amount of all the Notes, and the interest accrued on such Notes, if any, to be immediately due and payable. In the case of certain events of bankruptcy, insolvency or reorganization relating to the Company, the principal amount of the securities together with any accrued and unpaid interest thereon will automatically be and become immediately due and payable.

At any time and from time to time, the Notes will be redeemable as a whole or in part, at the Company's option, on not less than 30 nor more than 60 days prior written notice. Prior to September 1, 2024, the Notes will be redeemable at a redemption price equal to the greater of (i) 100% of the principal amount of the Notes to be redeemed, or (ii) the sum of the present values

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
