Item 5.02 (b) and (e) - Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

As previously announced by Flex Ltd. (the Company) on October 25, 2018, Michael M. McNamara, the Company's Chief Executive Officer and a member of the Company's Board of Directors, advised the Board that he will retire as Chief Executive Officer, effective December 31, 2018. As previously disclosed, the Board is conducting a search for a new Chief Executive Officer and will be considering both internal and external candidates. The Board led by the Chairman, Michael D. Capellas, is actively assisting the Company's management with the Chief Executive Officer transition.

On December 24, 2018, the Company entered into a Separation Agreement and Release of Claims (the Agreement) with Mr. McNamara, which provides for Mr. McNamara's retirement from his position as Chief Executive Officer on December 31, 2018 (the Separation Date) and his resignation from the Company's Board of Directors and the boards of directors of any Company subsidiaries and affiliates as of the Separation Date. Under the terms of the Agreement, in consideration for a general release, Mr. McNamara will be eligible to receive the following payments and benefits: (i) a lump sum amount equal to twelve (12) months of his base salary in effect as of immediately prior to the Separation Date, amounting to \$1,250,000, payable within five (5) business days following the effective date of the Agreement, which shall be the day following the applicable seven (7)-day revocation period for the Agreement; (ii) acceleration of Mr. McNamara's time-vesting RSUs that would have vested during calendar year 2019 had Mr. McNamara remained continuously employed by the Company through June of 2019, amounting to 347,985 shares; and (iii) for the period commencing January 1, 2019 through the date that Mr. McNamara attains age 65, the Company will make available to Mr. McNamara group health insurance plan coverage through the Flex Executive Retiree PPO Plan at the Company's expense. The payments and benefits set forth in the preceding clauses (i) and (ii) are subject to a clawback on the part of the Company if the Company determines in good faith that Mr. McNamara has breached the Agreement, including customary non-disclosure, non-disparagement and cooperation provisions. In accordance with the terms of Mr. McNamara's previously awarded performance-based RSUs (PSUs), Mr. McNamara's separation from service is a qualifying retirement, and a pro rata number of shares will be issued upon the vesting of the PSUs pursuant to the applicable performance criteria, subject to clawback rights of the Company. Mr. McNamara will retain his vested Elementum profits interests but will forfeit any unvested Elementum profits interests as of the Separation Date. All other equity compensation awards will cease to vest as of the Separation Date and will be forfeited. In addition, Mr. McNamara will not be eligible to receive any quarterly bonus for the quarter ended December 31, 2018 or any annual bonus for fiscal year 2019. The Agreement further provides that Mr. McNamara's vested deferred compensation account will be paid in accordance with its terms and any unvested deferred compensation will be forfeited.

A copy of the Agreement will be filed as an exhibit to the Company's Form 10-Q for the fiscal quarter ended December 31, 2018.
