The presence, in person or by properly executed proxy, of the holders of shares of Common Stock entitled to cast a majority of the votes entitled to be cast by the holders of all outstanding shares of Common Stock is necessary to constitute a quorum. Pursuant to SEC rules, shareholder proposals must have been received by April 23, 2007, which date is 45 days before the date (June 6) on which the Company mailed its proxy materials for last year's annual meeting, to be considered at the 2007 Annual Meeting. 1

Shares of Common Stock represented by a properly signed, dated and returned proxy will be treated as present at the meeting for the purposes of determining a quorum. Proxies relating to "street name" shares of Common Stock that are voted by brokers will be counted as shares of Common Stock (1) present for purposes of determining the presence of a quorum and (2) as having voted in accordance with the directions and statements on the form of proxy.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As previously disclosed on Form 8-K, on September 7, 2005, the Audit Committee of the Company's Board of Directors terminated PricewaterhouseCoopers LLP ("PWC") as the Company's independent registered public accounting firm. The audit reports of PWC on the Company's consolidated financial statements as of and for the two most recent fiscal years ended December 31, 2004 did not contain any adverse opinion or disclaimer of opinion, nor were these opinions modified as to uncertainty, audit scope or accounting principles. During the Company's two fiscal years ended December 31, 2004 and through September 7, 2005, there

were no disagreements between the Company and PWC on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PWC, would have caused it to make a reference to the subject matter of the disagreement in connection with its audit report which did not occur.

The Company provided PWC with a copy of its Form 8-K disclosure and requested that PWC furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether PWC agreed with the Company's statements. PWC agreed that there were no disagreements, and issued the letter.

On September 7, 2005, the Audit Committee engaged FM&B, effective September 8, 2005, to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005. During the Company's two fiscal years ended December 31, 2004, and subsequently through the effective date of the engagement of FM&B, neither the Company nor any person acting on behalf of the Company consulted with FM&B with respect to the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events listed in Item 304 (a) (1) (iv) of Regulation S-B.

From August 16, 2005 to October 20, 2005 RSM McGladrey, Inc., a business services company, was retained by the Audit Committee of the Company's Board of Directors to investigate and report to the Audit Committee with respect to certain management-discovered unauthorized practices by a former financial officer of the Company with respect to the Company's payroll accounts. The Directors of FM&B are co-employed by RSM McGladrey, Inc.

FM&B has been selected by the Board of Directors as the independent public accountants for the Company's current fiscal year. A representative of FM&B is expected to be present at the meeting with the opportunity to make a statement if he desires to do so and will be available to respond to appropriate questions of shareholders.
