### Item 2.01

#### Completion of Acquisition or Disposition of Assets.

On October 1, 2008, Paramount Gold and Silver Corp. ( Paramount ) closed on its agreement with Tara Gold Resources Corp. ( Tara Gold ) to acquire all of the remaining equity ownership of the Joint Venture previously entered into between the parties on February 7, 2007. The agreement also provides for Paramount to acquire certain mining concessions owned by Tara Gold.

In consideration for the acquisition of the remaining equity interest (30%) owned by Tara Gold in the Joint Venture, Paramount has issued to Tara Gold a total of 7,350,000 shares of its legended common stock. Also, in connection with the closing of the transaction, all invoices previously submitted by Paramount for Tara Gold s contribution to the exploration and development of the San Miguel property have been cancelled. An additional 300,000 shares of the Company s common stock (the Consultant Shares ) were also issued to a consultant who facilitated the closing of this transaction. In consideration for the transfer of the mining concessions, Paramount has paid to Tara Gold \$100,000 MXN.

The fully executed Agreement of Purchase and Sale, stock certificates, including the Consultant Shares, together with all related agreements and documentation have been delivered to an escrow agent. All of the foregoing will be held by the escrow agent subject to registration of the required documentation with the Bureau of Mines in Mexico.

If the initial registration to be filed with the Bureau of Mines is not completed by February 28, 2009, or such later date as Paramount may agree, all of the shares of common stock held in escrow will be returned to Paramount for cancellation together with the purchase price for the mining concessions. The agreements will then be of no further force or effect, and the respective interests and obligations of the parties shall remain as if the Agreement of Purchase and Sale had not been executed.
