Item 1.01 Entry into a Material Definitive Agreement.

5.45% Exchangeable Notes due 2027

On January 23, 2007, The Lexington Master Limited Partnership, a Delaware limited partnership, or the Partnership, Lexington Realty Trust, a Maryland real estate investment trust, or the Trust, and Lepercq Corporate Income Fund L.P., Lepercq Corporate Income Fund II L.P., and Net 3 Acquisition L.P., each a Delaware limited partnership, or the Other Operating Partnerships, entered into a Purchase Agreement with Lehman Brothers Inc. and Bear, Stearns & Co. Inc., for themselves and on behalf of the initial purchasers named therein, or the Initial Purchasers, for the sale by the Partnership and the purchase by the Initial Purchasers of a \$250.0 million aggregate principal amount of 5.45% Exchangeable Guaranteed Notes due 2027, or the Notes. The Purchase Agreement also granted the Initial Purchasers a 30-day option to purchase up to an additional \$50.0 million aggregate principal amount of the Notes, or the Additional Notes. The Notes are fully and unconditionally guaranteed by the Trust and all of the subsidiaries of the Trust that are borrowers or guarantors under the credit agreement among the Trust, the Other Operating Partnerships, each of the lenders a party thereto, and Wachovia Bank, National Association, which we refer to as the Wachovia Credit Agreement.

The closing of the sale of the Notes occurred on January 29, 2007. The net proceeds from the sale of the Notes, after deducting the Initial Purchasers' discount and the estimated offering expenses, are estimated to be approximately \$243.7 million (or approximately \$292.7 million if the Initial Purchasers exercise their option to purchase additional Notes in full). The Partnership intends to use the proceeds to repay a portion of the borrowings under the Partnership's Master Loan Agreement, dated as of August 11, 2005, among KeyBank National Association, an affiliate of KeyBanc Capital Markets, a division of McDonald Investments Inc., and the lenders party thereto.

The Notes were issued under an Indenture, dated as of January 29, 2007, among the Partnership, the Trust, the Other Operating Partnerships and all of the subsidiaries of the Trust that are guarantors under the Wachovia Credit Agreement, and U.S. Bank National Association, as trustee, or the Trustee, as supplemented by the First Supplemental Indenture, dated as of January 29, 2007. A copy of the Indenture is filed herewith as Exhibit 4.1. The terms of the Notes were established pursuant to the First Supplemental Indenture and the form of the Notes attached thereto, a copy of which is filed herewith as Exhibit 4.2.

Additional information pertaining to the Notes is contained in Item 2.03 of this report and is incorporated herein by reference. The Notes, the guarantees and the common shares of beneficial interest of the Trust, or Common Shares, issuable under certain circumstances upon exchange of the Notes have not been registered under the Securities Act of 1933, as amended, or the Securities Act. The Partnership offered and sold the Notes to the Initial Purchasers in reliance upon the exemption from registration provided by Section 4(2) of the Securities Act. The Initial

Purchasers then sold the Notes only to qualified institutional buyers in the United States in reliance upon the exemption from registration provided by Rule 144A under the Securities Act.

Registration Rights Agreement

At the Closing, the Partnership and the Trust entered into a Registration Rights Agreement with the Initial Purchasers. Under the Registration Rights Agreement, the Partnership and the Trust have agreed, for the benefit of the holders of the Notes, to file a shelf registration statement providing for the resale of the Common Shares, if any, issuable upon exchange of the Notes, or the Registrable Securities, by holders who satisfy certain conditions, or the Selling Security Holders, by the 120th day after the original issuance of the Notes and to use its reasonable best efforts to cause such shelf registration statement to be declared effective under the Securities Act as promptly as practicable but in any event by the 210th day after the original issuance of the Notes or otherwise make available for use by the Selling Security Holders an effective shelf registration statement no later than such date. The Partnership and the Trust also have agreed to use their reasonable best efforts to keep the registration statement continuously effective under the Securities Act until there are no Registrable Securities outstanding.

The Partnership will be required to pay specified additional interest to the holders of the Notes if it and the Trust fail to comply with their obligations to register the Common Shares issuable upon exchange of the Notes within specified time periods, or if the registration statement ceases to be effective or the use of the prospectus is suspended for specified time periods. The Partnership will not be required to pay additional interest with respect to any Note after it has been converted for any Common Shares. A copy of the Registration Rights Agreement is filed herewith as Exhibit 4.3. The description of the Registration Rights Agreement in this report is a summary and is qualified in its entirety by the terms of the Registration Rights Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On January 29, 2007, the Partnership issued a \$250.0 million aggregate principal amount of the Notes. The Notes are fully and unconditionally guaranteed by the Trust and all of the subsidiaries of the Trust that are borrowers or guarantors under the Wachovia Credit Agreement. The Notes are unsecured obligations of the Partnership, the Trust and the other guarantors.

The terms of the Notes include:

Maturity. January 15, 2027.

Interest. Interest on the Notes at the rate of 5.45% per year is payable semi-annually on January 15 and July 15 of each year, beginning on July 15, 2007.

Exchange Rights. Holders may exchange the Notes at the initial exchange rate for each \$1,000 principal amount of the Notes of 39.6071 of the Common Shares, payable in cash or, if the exchange value is greater than the principal return (as defined in the offering memorandum), in cash with respect to the amount equal to the principal return, and with respect to any portion in excess of the principal return, cash, the Common Shares or a combination of cash and the Common Shares, at the option of the Partnership, prior to the close of business on the second business day prior to the stated maturity date at any time on or after January 15, 2026 and also under the following circumstances:

(a) *Exchange Upon Satisfaction of Market Price Condition.* A holder may surrender any of its Notes for exchange during any calendar quarter beginning after March 31, 2007 (and only during such calendar quarter), if, and only if, the closing sale price of the Common Shares for at least 20 trading days (whether or not consecutive) in the period of 30 consecutive trading days ending on the last trading day of the preceding calendar quarter as determined by the Partnership is more than 125% of the exchange price per Common Share in effect on the applicable trading day;

(b) *Exchange Upon Satisfaction of Trading Price Condition.* A holder may surrender any of its Notes for exchange during the five consecutive trading-day period following any five consecutive trading-day period in which the trading price per \$1,000 principal amount of Notes (as determined following a reasonable request by a holder of the Notes) was less than 98% of the product of the closing sale price of the Common Shares multiplied by the applicable exchange rate;

(c) *Exchange Upon Notice of Redemption.* A holder may surrender for exchange any of the Notes called for redemption at any time prior to the close of business on the second business day prior to the redemption date, even if the Notes are not otherwise exchangeable at such time.

(d) *Exchange if Common Shares Are Not Listed.* A holder may surrender any of its Notes for exchange at any time beginning on the first business day after the Common Shares have ceased to be listed on a U.S. national or regional securities exchange for a 30 consecutive trading-day period.

(e) *Exchange Upon Specified Transactions.* A holder may surrender any of its Notes for exchange if the Trust engages in certain specified corporate transactions, including a change in control (as defined in the Notes). Holders exchanging Notes in connection with certain change in control transactions occurring prior to January 20, 2012 may be entitled to receive additional Common Shares as a make whole premium.

Redemption at the Option of the Partnership. The Partnership may not redeem any Notes prior to January 20, 2012, except to preserve its status as a real estate investment trust. After that time, the Partnership may redeem the Notes, in whole or in part, for cash equal to 100% of the principal amount of the Notes plus any accrued and unpaid interest (including additional interest, if any) to, but not including, the redemption date.

Purchase at Option of Holders on Certain Dates. Holders of the Notes may require the Partnership to repurchase their Notes, in whole or in part (in principal amounts of \$1,000 and integrals thereof) on January 20, 2012, January 15, 2017, and January 15, 2022 for cash equal to 100% of the principal amount of the Notes to be repurchased plus any accrued and unpaid interest (including additional interest, if any) to, but not including, the repurchase date.

Default. Subject to the terms of the First Supplemental Indenture and the Notes, upon certain events of default, including, but not limited to, (i) default by the Partnership in the delivery when due of the exchange value, on the terms set forth in the Indenture and the Notes, upon exercise of a holder's exchange right in accordance with the Indenture and the continuation of such default for 10 days, (ii) the failure of the Partnership to provide notice of the occurrence of a change of control when required under the Indenture, and such failure continues for 5

business days, the trustee or the holders of not less than 25% in principal amount of the outstanding Notes may declare the principal and accrued and unpaid interest on all of the Notes to be due and payable immediately by written notice thereof to the Partnership (and to the trustee if given by the holders). Upon certain events of bankruptcy, insolvency or reorganization, or court appointment of a receiver, liquidator or trustee of the Trust, the Partnership, the Other Operating Partnerships, or any other significant subsidiary, the principal (or such portion thereof) of and accrued and unpaid interest on all of the Notes will become and be immediately due and payable without any declaration or other act on the part of the trustee or any holders.

In addition, the Notes are cross-defaulted with the indebtedness of Lexington or any of its subsidiaries or the MLP having an aggregate principal amount exceeding \$25.0 million.

The description of the Notes in this report is a summary and is qualified in its entirety by reference to Exhibits 4.1 and 4.2.
