TO BE HELD MARCH 31, 2004

-----

SOLICITATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Lucille Farms, Inc., a Delaware corporation ("Lucille Farms" or the "Company"), of proxies to be voted at the Annual Meeting of Stockholders to be held on March 31, 2004, at 10:00 A.M., local time, or at any postponements or adjournments thereof (the "Annual Meeting"), at Embassy Suites Hotel, 909 Parsippany Blvd., Parsippany, New Jersey 07054.

A form of proxy is enclosed for use at the Annual Meeting. The proxy may be revoked by the person giving it at any time before it is voted by delivering to the Company (Attention: Al Moussab, Inspector of Elections) a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. When a proxy is properly executed and returned, the shares it represents will be voted at the Annual Meeting in accordance with any instructions noted thereon. If no direction is indicated, all shares represented by valid proxies received pursuant to this solicitation (and not revoked prior to exercise) will be voted (i) for the election of the nominees for directors named in this Proxy Statement, (ii) for ratification of the selection by the Board of Directors of Mahoney Cohen & Company, CPA, P.C. as independent accountants for the year ended March 31, 2004, and (iii) in accordance with the judgment of the persons named in the proxy as to such other matters as may properly come before the Annual Meeting (collectively, the "Proposals").

The proxy solicitation materials are being mailed on or about March 15, 2004 to all stockholders entitled to vote at the Annual Meeting. The cost of soliciting proxies will be borne by the Company. Regular employees, officers, and directors of the Company may solicit proxies in person, by telephone, or by mail. No additional compensation will be given to employees, officers, or directors for such solicitation. The Company will request brokers and nominees who hold stock in their names to furnish proxy solicitation materials to beneficial owners of the shares and will reimburse such brokers and nominees for their reasonable expenses incurred in forwarding proxy solicitation materials to such beneficial owners.

Stockholders of record at the close of business on March 8, 2004 (the "Record Date") are entitled to notice of, and to vote at, the Annual Meeting. On the Record Date, 3,137,937 shares of Common Stock were issued and outstanding, each of which has one vote on each matter to come before the Annual Meeting. The

## Edgar Filing: LUCILLE FARMS INC - Form DEF 14A

holders of stock representing a majority of the votes entitled to be cast at the Annual Meeting, present in person or by proxy, will constitute as quorum for the transaction of business at the Annual Meeting and any adjournments thereof.

All votes will be tabulated by the inspectors of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Abstentions and broker non-votes each shall be included in the determination of the number of shares present at the Annual Meeting and for the purpose of determining whether a quorum is present. Abstentions and broker non-votes shall not be counted in determining whether a nominee is elected as a director of the Company. In determining whether the other Proposals have been approved, abstentions shall be counted as votes against the Proposal and broker non-votes shall not be counted either for or against the Proposal.

### PROPOSAL NO. 1 ELECTION OF DIRECTORS

#### Nominees

Six persons, five of whom are members of the present Board of Directors, are nominees for election at the Annual Meeting to hold office until the next annual meeting and until their respective successors are elected and qualified. Unless authority to vote for any director is withheld in a proxy, it is intended that each proxy will be voted for the six nominees named below.

It is expected that all nominees will be able and willing to serve as directors. However, in the event that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. The Board of Directors has no reason to believe that any of the persons named will be unable or unwilling to serve as a director if elected.

#### Reason for Submission to Stockholders

This Proposal is being submitted to stockholders to satisfy the requirements of the Delaware General Corporation Law.

#### Required Vote

Approval of the nominees for election to the Board will require the affirmative vote of the holders of stock representing a plurality of the votes present at the Annual Meeting in person or by proxy and entitled to vote.

The Board of Directors recommends that the stockholders vote for the election of all nominees listed to the Board of Directors.

### Director Compensation

The Company has not compensated its directors for their services in such capacity.

### Board Meetings

The Board of Directors held meetings or acted by unanimous consent on five occasions during the fiscal year ended March 31, 2003. Meetings were attended by all directors. All of the members of the Company's current Board of Directors, except Messrs. Bell and Singer, attended last year's Annual Meeting of Stockholders.

### Board Committees

Audit Committee. The Board of Directors has an Audit Committee which operates under a written charter adopted by the Board of Directors. A copy of the Audit Committee Charter is attached to this Proxy Statement as Exhibit A. The Audit Committee held one meeting during the year ended March 31, 2003. The Audit Committee is comprised of Messrs. Breslow, Bell and Singer and each are "independent directors" as defined under NASDAQ rules. Mr. Bell is qualified as an audit committee financial expert within the meaning of the SEC regulations.

3

Compensation Committee. Management compensation for fiscal year 2003 was determined by the entire Board and reviewed and approved by the independent members of the Board. Subsequent to such determination, the Board of Directors formed a Compensation Committee which did not meet during 2003. The role of the Compensation Committee is to evaluate the performance of the Company's executive officers, and to determine and approve their compensation. The Compensation Committee is comprised of Messrs. Breslow, Bell and Singer.

Nominating Committee. The Board of Directors has no standing nominating committee. The Company believes that obtaining input from all of its directors in connection with Board nominations enhances the nomination process. The Company currently does not have a charter with regard to the nomination process. The nominations of the directors standing for election or re-election at the Meeting were unanimously recommended for selection by the independent directors, and were unanimously approved by the Board of Directors.

The Company does not have a formal policy concerning stockholder recommendations of nominees to the Board of Directors. The need for such a policy has not arisen since, to date, the Company has not received any recommendations from stockholders requesting that the Board of Directors consider a candidate for inclusion among the Board's slate of nominees in the Company's proxy statement. The absence of such a policy does not mean, however, that a recommendation would not have been considered had one been received. The Company will consider director candidates recommended by stockholders. Any stockholder desiring to make such a recommendation should send the recommendation, in writing, to the Corporate Secretary at the address of the

## Edgar Filing: LUCILLE FARMS INC - Form DEF 14A

Company set forth on the first page of this Proxy Statement, no later than the date by which stockholder proposals for action must be submitted. The recommendation should include the recommended candidate's biographical data, and should be accompanied by the candidate's written consent to nomination and to serving as a director, if elected.

The Company's goal is to assemble a Board of Directors that brings to the Company a variety of perspectives and skills derived from business and professional experience. The Company does not have any formal rules or policies regarding minimum qualifications for nominees, but expects that its candidates be of the highest ethical character, share the values of the Company, have reputations, both personal and professional, consistent with the image and reputation of the Company, be highly accomplished in their respective field, and possess the relevant expertise and experience necessary to assist the Board and the Company to increase stockholder value.

The Board of Directors identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service or if the Board of Directors decides not to re-nominate a member for re-election, the Board of Directors will seek to identify nominees that possess the characteristics outlined above. Current members of the Board of Directors are polled for suggestions. Research also may be performed to identify qualified individuals. To date, the Company has not engaged third parties to identify, evaluate, or assist in identifying potential nominees, although the Company reserves the right in the future to retain a third party search firm, if necessary.

In evaluating director nominees, the Board of Directors may consider the following factors:

- o the appropriate size and the diversity of the Company's Board of Directors;
- o the needs of the Company with respect to the particular talents and experience of its directors;
- o the knowledge, skills and experience of nominees, including experience in technology, business, or finance, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- o familiarity with national and international business matters;
- o experience with accounting rules and practices; and
- o the need to satisfy governance and other standards set by the SEC and NASDAQ.

The Board of Directors may also consider such other factors as it may deem to be in the best interests of the Company and its stockholders.

### Audit Committee Report

The Company's management is responsible for preparing the Company's financial statements, and the independent auditors are responsible for auditing those financial statements. The Audit Committee is responsible for monitoring and reviewing these processes on behalf of the Board of Directors.

The Audit Committee has reviewed and discussed the audited financial statements with management. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles.

The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees). In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees), and has discussed with the independent auditors the auditors' independence from the Company and its management. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the nonaudit services provided by auditors were compatible with their independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board subsequently approved the recommendation) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2003 for filing with the Securities and Exchange Commission.
