PROXY STATEMENT

For the 2013 Annual Meeting of Stockholders
To Be Held on June 7, 2013

GENERAL INFORMATION ABOUT THE PROXY MATERIALS AND VOTING AT THE ANNUAL MEETING

Why am I receiving these materials?

The Board of Directors of CAI International, Inc. is providing these proxy materials for you in connection with the 2013 Annual Meeting of Stockholders (the "Annual Meeting") of CAI International, Inc., which will take place at 10:00 am local time on Friday, June 7, 2013. The Annual Meeting will be held at the offices of Perkins Coie LLP located at 3150 Porter Drive, Palo Alto, California 94304. As a stockholder, you are invited to attend the Annual Meeting and are entitled to and requested to vote on the items of business described in this proxy statement. These proxy materials are first being made available to stockholders on or about April 26, 2013.

What is included in the proxy materials?

The proxy materials being sent to stockholders include this proxy statement for the Annual Meeting, our 2012 Annual Report to Stockholders, which includes our audited consolidated financial statements for the year ended December 31, 2012, and the proxy card for the Annual Meeting.

What information is contained in the proxy statement?

The information included in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, our Board of Directors and Board committees, the compensation of our directors and most highly paid executive officers during fiscal year 2012, and certain other required information.

What items will be voted on at the Annual Meeting?

We are asking you to vote on the following matters in connection with the Annual Meeting:

1. The election of two Class III directors nominated by the Board of Directors;
2. A proposal to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013; and
3. An advisory (non-binding) resolution to approve the compensation of our named executive officers, as disclosed pursuant to Item 402 of Regulation S-K.

We will also consider any other business that may properly come before the Annual Meeting.

What are our Board of Directors' voting recommendations?

Our Board of Directors recommends that you vote your shares (i) "FOR" the nominees to the Board of Directors, (ii) "FOR" the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013, and (iii) "FOR" the advisory resolution to approve the compensation of our named executive officers as disclosed in this proxy statement.

Who is entitled to vote and how many votes do I have?

Each share of our common stock issued and outstanding as of the close of business on April 19, 2013 (the “Record Date”) is entitled to one vote on all items being voted upon at the Annual Meeting. You may vote all shares owned by you as of this time, including (1) shares held directly in your name as the stockholder of record, and (2) shares held for you as the beneficial owner through a broker, trustee or other nominee, such as a bank. On the Record Date, there were 22,143,690 shares of our common stock issued and outstanding.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most stockholders hold their shares through a broker, trust, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record: If your shares are registered directly in your name with our transfer agent, Computershare Stockholder Services, Inc., you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right with these proxy materials to grant your voting proxy directly to us or to vote in person at the Annual Meeting. We have enclosed or sent a proxy card for you to use in granting your voting proxy to us.

Beneficial Owner: If your shares are held in a brokerage account (in street name) or by another person on your behalf, you are considered the beneficial owner of those shares, and these proxy materials are being forwarded to you by your broker or other nominee together with a voting instruction card. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to direct your broker, trustee, bank or other nominee how to vote your shares, and you are also invited to attend the Annual Meeting.

Since a beneficial owner is not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you obtain a “legal proxy” from the broker, trustee, bank or other nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting. Your broker, trustee, bank or other nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee, bank or other nominee how to vote your shares.

How can I attend the Annual Meeting?

You are entitled to attend the Annual Meeting only if you were a CAI stockholder as of the close of business on April 19, 2013, or you hold a valid proxy for the Annual Meeting.

How can I vote my shares in person at the Annual Meeting?

Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee, bank or other nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

How can I vote my shares without attending the Annual Meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted by proxy without attending the Annual Meeting. Stockholders of record of our common stock may

submit proxies by completing, signing and dating their proxy cards and mailing them in the accompanying pre-addressed envelopes. Stockholders who are the beneficial owners of shares held in a brokerage account, or by another person on their behalf, may vote by mail by completing, signing and dating the voting instruction card provided by their broker, trustee, bank or other nominee and mailing it in the accompanying pre-addressed envelope.

Can I change my vote?

You may change your vote at any time prior to the vote at the Annual Meeting. If you are the stockholder of record, you may change your vote by submitting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation of your proxy to our Secretary prior to your shares being voted or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request. If you are the beneficial owner of shares held in a brokerage account, or that are held by another person on your behalf, you may change your vote by submitting new voting instructions to your broker, trustee, bank or other nominee as provided in the voting instruction card, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within CAI or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide written comments on their proxy cards, which are forwarded to our management.

How many shares must be present or represented to conduct business at the Annual Meeting?

Transaction of business at the Annual Meeting may occur only if a quorum is present. The quorum requirement for holding the Annual Meeting and transacting business is that holders of a majority of shares of our common stock entitled to vote must be present in person or represented by proxy. Both abstentions and broker non-votes are counted for the purpose of determining the presence of a quorum.

How are votes counted?

In the election of directors, you may vote “FOR” all of the nominees or your vote may be “WITHHELD” with respect to one or more of the nominees. For any other item of business, you may vote “FOR,” “AGAINST” or “ABSTAIN.” If you “ABSTAIN,” the abstention has the same effect as a vote “AGAINST.”

If you provide specific instructions in your proxy card or voting instruction card with regard to a certain item, your shares will be voted as you instruct on such items. If you are a stockholder of record and you sign and return your proxy card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board of Directors (“FOR” the nominees to the Board of Directors, “FOR” the proposal to ratify the appointment of KPMG LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2013, “FOR” the advisory resolution to approve the compensation of our named executive officers, and in the discretion of the proxy holders on any other matters that properly come before the Annual Meeting.

What is the voting requirement to approve each of the proposals?

For Proposal No. 1, the election of directors, members of the Board of Directors are elected by a plurality of the votes cast, provided that a majority of the shares of common stock are present or represented and entitled to vote at the Annual Meeting. The candidates who receive the greatest number of votes will be elected directors. Cumulative voting is not permitted for the election of directors.

Proposal No. 2, the ratification of the appointment of KPMG LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2013, requires the affirmative vote of a majority of the votes cast on the matter, in person or by proxy, at the Annual Meeting. Each outstanding share will be entitled to one vote. The results of this vote will not be binding on the Board of Directors.

Proposal No. 3, the advisory resolution to approve the compensation of our named executive officers, requires the affirmative vote of a majority of the votes cast on the matter, in person or by proxy, at the Annual Meeting. Each outstanding share will be entitled to one vote. The results of this vote will not be binding on the Board of Directors.

Abstentions are shares that abstain from voting on a particular matter. Under Delaware law, abstentions effectively count as being present for purposes of determining whether a quorum of shares is present at a meeting. Abstentions have no effect on Proposal No. 1, the election of directors, since approval by a percentage of the shares present or outstanding is not required. Abstentions will have the same effect as a vote against Proposal No. 2, the ratification of

the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013, and Proposal No. 3, the advisory resolution to approve the compensation of our named executive officers.

Under the rules of the NYSE, if your broker holds your shares in its name (also known as "street name"), and does not receive voting instructions from you, the broker is permitted to vote your shares only on "routine" matters. Proposal No. 2, the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013, is the only routine matter that a broker is permitted to vote on at the Annual Meeting. Broker non-votes are generally not considered votes present in person or by proxy and entitled to vote at the Annual Meeting and therefore will have no direct impact on any other proposal. We urge you to give voting instructions to your broker on all voting items.

What happens if additional matters are presented at the Annual Meeting?

Other than the items of business described in this proxy statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxy holders will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any reason one of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate as may be nominated by the Board of Directors, unless the Board of Directors chooses to reduce the number of directors serving on the Board of Directors.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

How may I obtain a separate set of voting materials?

If you share an address with another stockholder, you may receive only one set of proxy materials (including our annual report to stockholders and proxy statement) unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, we will promptly deliver a separate copy of these materials to you upon written request made to us at CAI International, Inc., Attn: Investor Relations, Steuart Tower, 1 Market Plaza, Suite 900, San Francisco, CA 94105, Fax: (415) 788-3430, or a request by telephone at (415) 788-0100.

Similarly, if you share an address with another stockholder and have received multiple copies of our proxy materials, you may write to us at the above address or fax number to request delivery of a single copy of these materials.

Who will bear the cost of soliciting votes for the Annual Meeting?

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. In addition to mailing these proxy materials, proxies or votes may be solicited in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to stockholders.

Where can I find the voting results of the Annual Meeting?

We intend to announce preliminary voting results at the Annual Meeting and publish final results in a Current Report on Form 8-K, which we expect to file with the Securities and Exchange Commission, or SEC, within four business days following the Annual Meeting.

What is the deadline to propose actions for consideration at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?

Stockholder Proposals: For a stockholder proposal to be considered for inclusion in our proxy statement for the Annual Meeting next year pursuant to SEC Rule 14a-8, the written proposal must be received by our Secretary at our principal executive offices no later than December 27, 2013. If the date of next year's Annual Meeting is moved more than 30 days before or after the anniversary date of this year's Annual Meeting, the deadline for inclusion of proposals

in our proxy statement is instead a reasonable time before we begin to print and mail our proxy materials. Such proposals must also comply with our bylaws provisions regarding business to be brought before a stockholder meeting and SEC regulations regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Proposals should be addressed to CAI International, Inc., Attn: Corporate Secretary, Steuart Tower, 1 Market Plaza, Suite 900, San Francisco, CA 94105, Fax: (415) 788-3430.

For a stockholder proposal that is not intended to be included in our proxy statement as described above, the stockholder must deliver a proxy statement and form of proxy to holders of a sufficient number of shares of CAI common stock to approve that proposal, provide the information required by our bylaws and give timely notice to our Secretary in accordance with our bylaws, which, in general, require that the notice be received by our Secretary at the address above:

not earlier than the close of business on February 7, 2014; and

not later than the close of business on March 12, 2014.

Nomination of Director Candidates: You may propose director candidates for consideration by the Board of Directors' Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and qualifications for Board of Directors membership and should be directed to the Chair of our Nominating and Corporate Governance Committee by fax or mail addressed to CAI International, Inc., Attn: Chair of the Nominating and Corporate Governance Committee, Steuart Tower, 1 Market Plaza, Suite 900, San Francisco, CA 94105, Fax: (415) 788-3430.

In addition, our bylaws permit stockholders to nominate directors for election at an annual stockholder meeting. To nominate a director, the stockholder must deliver to our Secretary timely notice in accordance with our bylaws, which require that the notice be received by our Secretary within the time period described above under "Stockholder Proposals." Pursuant to our bylaws, the notice must include, among other things, the information that would be required in a proxy statement or other filings required to be made in connection with soliciting proxies for the election of that nominee in a contested election pursuant to Section 14 of the Securities Exchange Act of 1934 and the rules and regulations promulgated thereunder, disclosure of specified compensatory and other material relationships between the stockholder proponent and its affiliates, on the one hand, and the director nominees and their affiliates, on the other hand, disclosure of all ownership interests in the Company held by the stockholder proponent, including, among other things, all ownership interests, hedges, economic incentives and rights to vote any shares of any security of the Company, in light of increased use by investors of derivative instruments that are not reflected in an investor's beneficial ownership of the Company's securities, and a completed director questionnaire provided by each nominee for election or reelection to the Board of Directors. The notice should be addressed to our Secretary as follows: CAI International, Inc., Attn: Corporate Secretary, Steuart Tower, 1 Market Plaza, Suite 900, San Francisco, CA 94105, Fax: (415) 788-3430.

Copy of Bylaw Provisions: If you wish to make a proposal or nominate a director, you are advised to review our bylaws regarding the requirements that must be satisfied in order for a stockholder proposal or director nomination to be considered at an Annual Meeting. You may contact our Secretary as indicated above for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

How may I communicate with CAI's Board of Directors or the independent directors on CAI's Board of Directors?

Any stockholder or other interested party may contact the Board or Directors, including any non-employee director or the non-employee directors as a group, or any individual director or directors, by writing directing the communication by mail or fax addressed to CAI International, Inc., Attn: Chairman of the Board of Directors, Steuart Tower, 1 Market Plaza, Suite 900, San Francisco, CA 94105, Fax: (415) 788-3430.

PROPOSAL NO. 1 – ELECTION OF DIRECTORS

Our Board of Directors currently consists of seven directors and is divided into three classes: Class I, Class II and Class III. At the Annual Meeting, two Class III directors will be elected to serve for a term of three years and until their respective successors are elected and qualified, or until the death, resignation or removal of such director.

Masaaki (John) Nishibori and David G. Remington have been nominated for election as the Class III directors at this Annual Meeting. Proxies will be voted for the election of Mr. Nishibori and Mr. Remington unless the authority to vote for is withheld. Each nominee has indicated that he is able and willing to serve if elected. If, however, any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who is designated by the current Board of Directors to fill the vacancy. If any nominee should be unable or unavailable to serve prior to the election, the Board of Directors may recommend another nominee, and Victor Garcia and Timothy B. Page, in their capacity as proxy holders, will vote the proxies for the nominee.

There are also five continuing directors. Marvin Dennis, Gary Sawka and Victor Garcia are serving as Class I directors until our 2014 annual meeting of stockholders. Hiromitsu Ogawa and William Liebeck are serving as Class II directors until our 2015 annual meeting of stockholders.

There are no arrangements or understandings between any director or executive officer and any other person pursuant to which he or she is or was to be selected as a director or officer of CAI. There are no family relationships among our executive officers and directors.

If you sign your proxy card or voting instruction card, but do not give instructions with respect to the voting of directors, your shares will be voted “FOR” the persons nominated by the Board of Directors. If you wish to give specific instructions with respect to voting for directors, you may do so by following the instructions on your proxy card or voting instruction card.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
A VOTE FOR THE ELECTION OF THE NOMINEES TO THE BOARD OF DIRECTORS.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

We are committed to sound corporate governance principles. Such principles are essential to running our business efficiently and to maintaining our integrity in the marketplace. Our Corporate Governance Guidelines and Code of Business Conduct and Ethics are available in the “Documents & Charters” portion of the Investor Relations section of our website at www.capps.com. Our Code of Business Conduct and Ethics applies to all contractors, consultants and service providers of CAI. A copy of our Corporate Governance Guidelines and Code of Business Conduct and Ethics will be provided to any stockholder who requests it from us in writing at CAI International, Inc., Attn: Investor Relations, Steuart Tower, 1 Market Plaza, Suite 900, San Francisco, CA 94105, or by telephone at (415) 788-0100.

Board Independence

The Board of Directors has reviewed the relationships between CAI and each of its directors who served as directors during any part of fiscal 2012. The Board of Directors has determined that none of our current directors, except Hiromitsu Ogawa, the Chairman of our Board of Directors, Masaaki (John) Nishibori, our former President and Chief Executive Officer and Victor M. Garcia, our current President and Chief Executive Officer, has a material relationship with us (either directly, through a family member or as a partner, officer or stockholder of any organization that has a relationship with us), and each director, other than Messrs. Ogawa, Nishibori and Garcia, is independent within the meaning of our director independence standards, which reflect exactly the New York Stock Exchange director independence standards. These independence standards are available in the “Documents & Charters” portion of the Investor Relations section of our website at www.capps.com and a copy of such standards will be provided to any stockholder who requests it from us in writing at CAI International, Inc., Attn: Investor Relations, Steuart Tower, 1 Market Plaza, Suite 900, San Francisco, CA 94105, or by telephone at (415) 788-0100.

The Board of Directors annually appoints a Presiding Non-Management Director from among the independent directors. The Presiding Non-Management Director will serve as a focal point and facilitator to assist the independent directors in fulfilling their responsibilities. Mr. Marvin Dennis is currently appointed as our Presiding Non-Management Director. The process by which the Board of Directors selects the Presiding Non-Management Director is described under the “Documents & Charters” portion of the Investor Relations section of our website at www.capps.com.

Board Structure and Committee Composition

Mr. Ogawa serves as the Chairman of the Board of Directors and Mr. Garcia serves as both our Chief Executive Officer and as a director. We believe that having a separate Chairman and Chief Executive Officer is appropriate given the current characteristics of our management. Mr. Ogawa, as founder and previous Chief Executive Officer, is intimately familiar with our business and industry, and most capable of effectively identifying strategic priorities, leading Board of Directors discussions and defining our strategic objectives. Mr. Garcia, as the Chief Executive Officer, is the individual selected by the Board of Directors to manage us on a day-to-day basis, and his direct involvement in our operations allows him to provide valuable insights with respect to strategic planning and the operational requirements to meet our short- and long-term objectives. Our independent directors bring experience, oversight and expertise from outside the company and industry.

Our Board of Directors has the authority to appoint committees to perform certain management and administrative functions. Our Board of Directors has the following three standing committees: (1) Audit, (2) Compensation, and (3) Nominating and Corporate Governance. The membership and the function of each of the committees are described below. Each of the committees operates under a written charter adopted by the Board of Directors, each of which are available in the “Documents & Charters” portion of the Investor Relations section of our website at www.capps.com, and a copy of each charter will be provided to any stockholder who requests it from us in writing at CAI

International, Inc., Attn: Investor Relations, Steuart Tower, 1 Market Plaza, Suite 900, San Francisco, CA 94105, or by telephone at (415) 788-0100. Our Board of Directors may establish other committees from time to time to facilitate the management of our business and affairs.

During fiscal 2012, the Board of Directors held twelve meetings. Each director attended at least 75% of all Board of Directors and applicable committee meetings of the committee(s) on which he served during his tenure as a director in fiscal 2012. Non-management directors met in executive session on a regular basis in 2012, generally at each regularly scheduled Board of Directors meeting. Our Presiding Non-Management Director, currently Mr. Dennis, presides at all executive sessions of non-management directors. Although we have no formal policy regarding director attendance at the annual meetings of stockholders, directors are encouraged to attend. All of our directors attended last year's annual meeting of stockholders. The following table shows committee service for our seven current directors for fiscal 2012:

Audit Committee. The functions of the Audit Committee include oversight of the integrity of our financial statements, performance of our internal audit services function, our compliance with legal and regulatory requirements, the implementation and effectiveness of our disclosure controls and procedures, the evaluation of enterprise risk issues, the review of related person transactions, the annual independent audit of our financial statements, and the evaluation of the performance, qualifications and independence of our independent auditors. Our Audit Committee is directly responsible for the appointment, retention, compensation, evaluation, termination and oversight of the work of any independent auditor engaged for the purpose of issuing an audit report or related work, as well as pre-approving all audit and non-audit services. All of the directors currently serving on our Audit Committee, Mr. Dennis, Mr. Liebeck, Mr. Remington and Mr. Sawka, qualify as “independent,” as such term is defined in Section 10A(m) under the Securities Exchange Act of 1934, as amended, Rule 10A-3 promulgated thereunder, and under New York Stock Exchange listing requirements. Mr. Dennis, Mr. Liebeck, Mr. Remington and Mr. Sawka each have accounting or related financial management expertise as required by the NYSE’s listing requirements and qualify as “audit committee financial experts,” as defined in Regulation S-K, as promulgated by the Securities and Exchange Commission. During fiscal 2012, the Audit Committee held four meetings. The report of the Audit Committee is included on page 22 of this proxy statement.

Compensation Committee . The Compensation Committee has overall responsibility for evaluating and approving our executive officer compensation, benefits, severance, equity-based or other compensation plans, policies and programs. The Compensation Committee determines the compensation for the Chief Executive Officer and recommends to the Board of Directors for its approval compensation levels for our directors and other executive officers, and such other senior employees as the Compensation Committee may determine. The Compensation Committee is also responsible for producing a report for inclusion in our proxy statement. In addition, the Compensation Committee assists the Board of Directors in discharging its responsibility for the design and establishment of the Company’s compensation and benefits programs generally. All of the directors currently serving on our Compensation Committee, Mr. Dennis, Mr. Liebeck, Mr. Remington and Mr. Sawka, qualify as “independent,” as such term is defined under NYSE listing requirements. During fiscal 2012, the Compensation Committee held five meetings.

The Compensation Committee may delegate any of its responsibilities to a subcommittee comprised of one or more members of the Compensation Committee. Additionally, the Compensation Committee shall have the sole authority and responsibility to engage and terminate any outside consultant to assist in evaluating and determining appropriate compensation levels for the Chief Executive Officer or other members of management and to approve the terms of any such engagement and the fees of any such consultant. Our Compensation Committee did not engage a compensation consultant in 2012 to review our executive compensation policies and levels or to assist the Compensation Committee in setting compensation for our executives. In considering director compensation and perquisites, the Compensation Committee may request that management report to the Compensation Committee periodically on the status of the Board of Director's compensation and perquisites in relation to other similarly situated companies.

Mr. Ogawa, our Chairman, and Mr. Garcia, our Chief Executive Officer, participate in all discussions and decisions regarding salaries and incentive compensation for all of our executive officers, except during discussions regarding their own salary and incentive compensation. While the Compensation Committee looks to Messrs. Ogawa and Garcia to make recommendations with respect to specific compensation decisions for the executive officers other than the Chief Executive Officer, all decisions regarding the compensation of our executive officers are made solely by the Board of Directors upon the recommendation of the Compensation Committee. The report of the Compensation Committee is included beginning on page 21 of this proxy statement.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee assists our Board of Directors in promoting our best interests and the best interests of our stockholders through the implementation of sound corporate governance principles and practices. In furtherance of this purpose, the Nominating and Corporate Governance Committee identifies individuals qualified to become directors and recommends to our Board of Directors the director nominees for the next annual meeting of stockholders. In addition, the Nominating and Corporate Governance Committee establishes procedures for, and evaluates any, director nominations made by stockholders. It also reviews the structure and composition of our Board of Directors committees on a regular basis and makes any recommendations the committee members may deem appropriate from time to time concerning any recommended changes in the composition of our Board of Directors and its committees. The Nominating and Corporate Governance Committee recommends to our Board of Directors the corporate governance guidelines and standards regarding the independence of outside directors applicable to CAI and reviews such guidelines and standards and the provisions of the Nominating and Corporate Governance Committee Charter on a regular basis to confirm that such guidelines, standards and charter remain consistent with sound corporate governance practices and with any legal or regulatory requirements of the New York Stock Exchange. The Nominating and Corporate Governance Committee monitors our Board of Directors and our compliance with any commitments made to our regulators or otherwise regarding changes in corporate governance practices, and oversees the annual review of our Board of Directors' and management's performance. The Nominating and Corporate Governance Committee also periodically reviews succession planning for our Chairman of the Board and our Chief Executive Officer.

All of the directors currently serving on our Nominating and Corporate Governance Committee, Mr. Dennis, Mr. Liebeck, Mr. Remington and Mr. Sawka, qualify as "independent," as such term is defined under NYSE listing requirements. During fiscal 2012, the Nominating and Corporate Governance Committee held three meetings.

Consideration of Nominees. The Nominating and Corporate Governance Committee utilizes a variety of methods for identifying nominees for director. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current Board of Directors members, professional search firms, stockholders or other persons.

In evaluating candidates, including candidates nominated by stockholders, the Nominating and Corporate Governance Committee seeks to achieve a balance of strength of character, judgment, business experience, specific areas of expertise, factors relating to the composition of the Board of Directors (including its size and structure) and diversity on the Board of Directors. We do not have a separate policy regarding the consideration of diversity in identifying and evaluating director nominees, but the Nominating and Corporate Governance Committee strives to nominate directors with a variety of skills and backgrounds so that, as a group, the Board of Directors will possess a broad perspective and the appropriate talent, skills and expertise to oversee our business. Directors are expected to attend all or substantially all Board of Directors meetings and meetings of the Committees of the Board of Directors on which they serve. Directors are also expected to spend the necessary time to discharge their responsibilities and to ensure that other existing or future commitments do not materially interfere with their responsibilities as members of the Board of Directors.

Stockholder Nominees. The Nominating and Corporate Governance Committee will consider properly submitted stockholder nominations for candidates for membership on the Board of Directors. Any stockholder nominations proposed for consideration by the Nominating and Corporate Governance Committee should include the nominee's name and qualifications for Board of Directors membership and should be addressed to CAI International, Inc., Attn: Chair of the Nominating and Corporate Governance Committee, Steuart Tower, 1 Market Plaza, Suite 900, San Francisco, CA 94105, Fax: (415) 788-3430.

For a description of the process for nominating directors in accordance with our bylaws, see "General Information about the Proxy Materials and Voting at the Annual Meeting—What is the deadline to propose actions for consideration

at next year's Annual Meeting of Stockholders or to nominate individuals to serve as directors?" on page 4 of this proxy statement.

The Board's Role in Risk Oversight

One of the Board of Directors' primary responsibilities under our Corporate Governance Guidelines is reviewing our strategic plans and objectives, including our principal risk exposures. The Audit Committee is also responsible for evaluating enterprise risk issues and discusses our major risk exposures, whether financial, operating or otherwise, with management, the head of internal audit (or the internal audit service providers), and the independent auditors. The Board of Directors addresses at least annually, the principal current and our future risk exposures. The Board of Directors receives regular reports from its committees and members of senior management on areas of material risk to CAI, including operational, financial, legal and regulatory, and strategic and reputation risks. The Compensation Committee oversees risks relating to our compensation plans and programs. The Compensation Committee believes that we have no compensation policies and programs that give rise to risks reasonably likely to have a material adverse effect on us.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Objectives of Our Compensation Programs

The Board of Directors and the Compensation Committee believe that compensation for our named executive officers, who are identified in the 2012 Summary Compensation Table below, should be tied to corporate performance. The primary objectives of the executive compensation program are to:

Provide competitive compensation packages that enable us to attract and retain talented executives;

Motivate named executive officers to achieve our short- and long-term business strategies; and

Align named executive officer compensation with stockholder value.

How We Set Compensation

We have compensation programs for our named executive officers that are designed to offer compensation that is competitive with compensation offered by competitors and companies of similar size and complexity within the intermodal container and similar industries.

The Board of Directors and the Compensation Committee, in consultation with Mr. Ogawa, our Chairman of the Board of Directors, and Mr. Garcia, our current Chief Executive Officer, set the compensation of our executive officers. Generally, we have sought to provide compensation packages to our executive officers that are fair and competitive. The compensation for our Chief Executive Officer and Chief Financial Officer for 2012 was also set pursuant to individual employment agreements entered into with each of them. In general, the overall compensation for our named executive officers is comprised of a mix of base salary, cash bonus and non-cash equity awards pursuant to our existing equity compensation plan. The cash bonus and non-cash equity awards for our Chief Executive Officer are based on an evaluation process that equally weighs objective and subjective factors. The cash bonus and non-cash equity awards for our Chief Financial Officer are based solely on a subjective evaluation of performance.

The Compensation Committee looks at data from publicly available compensation data sources relating to a selected group of peer organizations with comparable revenue and who operate in the leasing industry. For 2012, the peer organizations consisted of: Aircastle Ltd., Echo Global Logistics, Inc., Express-1 Expedited Solutions, Inc., GATX Corporation, Marlin Business Services Corp., McGrath Rentcorp., Mobile Mini, Inc., Pacer International, Inc., Resource America, Inc., SeaCube Container Leasing Ltd., TAL International, Inc., Textainer Group Holdings Ltd and Willis Lease Finance Corporation. The Compensation Committee uses the peer company data to guide its review of the total compensation of our executive officers and to understand market competitive compensation. While the compensation data presented may identify a certain percentile of executive compensation, the Compensation Committee did not target any specific percentile with regard to any specific element of compensation or total compensation.

In establishing the compensation of our named executive officers, we based the amounts primarily on a subjective assessment of the market data and the business judgment of the Compensation Committee members, the individual performance of each named executive officer in recent periods, the employment agreement of each named executive officer, if any, and each named executive officer's level of responsibility for our key objectives and potential for future responsibility and promotion.

At our annual meeting of stockholders in June 2012, we held an advisory vote to approve the compensation of our named executive officers (“say-on-pay”). The compensation of our named executive officers reported in our 2012 proxy statement was approved by over 97% of the votes cast at the 2012 annual meeting, similar to the results at our 2011 annual meeting. We believe this affirms our stockholders' support of our approach to executive compensation, and we did not materially change our approach in 2012. We have considered and will continue to consider the outcome of our say-on-pay votes when making future compensation decisions for our named executive officers.

Elements of Compensation

Our compensation program for our named executive officers consists of:

base salary and benefits;

cash bonuses; and

long-term, equity-based compensation.

Base Salaries

We generally set the base salary of each of our named executive officers at a level we believe compensates these individuals adequately for the work they are expected to perform in their respective positions, and we consider the base salaries paid to similarly-positioned executives by our selected peer organizations. We increased base salaries for Mr. Garcia, Mr. Page, Mr. Hallahan, Ms. Teixeira and Ms. Cutino during 2012, as shown in the following table, in recognition of the exceptional service provided by each of them to us. The base salary increases for our named executive officers for 2012 were effective as of July 1, 2012, and the current base salaries for our named executive officers apply prospectively through June 30, 2013.

Name	2011 Annual Base Salary	2012 Annual Base Salary
Victor M. Garcia	\$520,000	\$540,800
Timothy B. Page	\$350,000	\$364,000
Daniel J. Hallahan	\$337,310	\$365,812
Camille G. Cutino	\$215,000	\$223,600
Nadine B. Teixeira	\$250,000	\$260,000

Cash Bonuses

We provide cash bonuses for each of our named executive officers. The cash bonuses to our named executive officers, other than Mr. Garcia, are paid at the discretion of the Compensation Committee and the Board of Directors. Our Board of Directors allocates a general pool for all cash bonuses, except for the bonus to Mr. Garcia. From this bonus pool, our Compensation Committee and the Board of Directors then determine the cash bonuses to be paid to each other named executive officer. When setting the discretionary cash bonuses for our other executive officers, the Compensation Committee considers several factors, including the overall performance of our company, the individual executive's role in our performance and the individual executive's job performance. The Compensation Committee may also award additional discretionary cash bonuses in its discretion.

The Compensation Committee awarded bonuses to the named executive officers for fiscal 2012 based on its review and analysis of their positions, responsibilities and performance, as well as their anticipated responsibilities and potential contributions to growth in stockholder value. The Compensation Committee analyzed our performance relative to peer companies and the compensation comparables of peer companies in validating its conclusions.

Under Mr. Garcia's employment agreement, he is entitled to receive a bonus targeted at 60% of his base salary based on achievement of certain performance goals, including meeting our established budget for the subject year and achieving our short- and long-term strategic business goals, all as recommended and approved by the Board of Directors and the Compensation Committee, and based equally on an objective measurement of financial and performance metrics and a subjective evaluation of Mr. Garcia's overall performance. The objective component of Mr. Garcia's cash bonus generally consisted of applicable budgetary criteria such as revenue, profit and investment targets, as well as operational criteria such as capital formation and managing the funding costs, financing strategy and expansion of our business operations and employee development. In 2012, Mr. Garcia oversaw the investment of more than \$500 million, including higher return sale-lease back transactions and completion of several purchases of managed asset portfolios. He also led the strategy of diversifying the Company's financing sources by completing two debt issuances totaling \$274 million that were done with attractive long-term fixed rates. Mr. Garcia also successfully completed a secondary public equity offering that resulted in over \$51 million in net proceeds to the Company, thereby reducing overall debt levels, strengthening the stockholders' equity base and enabling us to pursue additional investment opportunities in the future. In addition, Mr. Garcia led the effort to develop a rail car investment initiative that successfully expanded our operations into the rail car leasing market. Mr. Garcia's cash bonus paid for 2012 was equal to 64.7% of his base salary as of December 31, 2012, which reflects his achievement of the budgetary and

operational goals in 2012 and in recognition of his outstanding achievement in leadership of the Company.

For fiscal 2012, based on a subjective review of their performance, Mr. Page received a discretionary cash bonus equal to \$150,000, or 41.2% of his base salary, Mr. Hallahan received a discretionary cash bonus equal to \$184,000, or 50.3% of his base salary, and Ms. Cutino received a discretionary cash bonus equal to \$103,000, or 46.1% of her base salary. Such bonuses were paid in recognition of the exceptional service provided by each of them during fiscal 2012. Ms. Teixeira did not receive a discretionary cash bonus in 2012 due to her resignation from the Company in September 2012.

Equity Compensation

In June 2012, the Compensation Committee and the Board of Directors granted stock options to our named executive officers under our equity incentive plan in order to provide long-term performance-based compensation, to encourage our named executive officers to continue their employment with us through the vesting period of the awards, and to align management and stockholder interests. The amount of the awards granted to our named executive officers is set forth in the “2012 Grants of Plan-Based Awards Table” below. Twenty-five percent of the total number of shares subject to the options granted to our named executive officers vest on the first anniversary of the grant date, and 1/48th of the total number of shares subject to the options vest monthly thereafter, provided that the holder is in continuous service with us as of each vesting date. The number of options granted to our named executive officers in 2012 was based on a review of the equity compensation of our peer companies, in recognition of each named executive officer’s performance during the previous year, and a subjective assessment of each named executive officer’s expected future contributions to our company, all in the Compensation Committee’s and the Board of Directors’ business judgment.

Severance and Change-in-Control Payments

We have entered into written agreements with Mr. Garcia and Mr. Page pursuant to which they will receive severance benefits in the event their employment is terminated by us other than for cause, by the executive for good reason, or as a result of death or disability. We provide these benefits to attract and retain qualified executive officers who could obtain similar positions at other companies. These potential payments are discussed further under “Potential Post-Employment or Change in Control Payments” below.

Other Benefits

Our named executive officers are eligible to participate in all our employee benefit plans, such as medical, dental, vision, group life, disability and our 401(k) plan, in each case on the same basis as other employees. In addition, we pay for additional life insurance policies for certain of our named executive officers. All of these other benefits are included as part of the benefits package to retain highly qualified executives. We also provide vacation and other paid holidays to all employees, including our executive officers.

Potential Post-Employment or Change in Control Payments

Employment Agreements

Messrs. Garcia and Page are entitled to certain payments from us pursuant to their respective employment agreements in the event of their termination of employment or upon the occurrence of a "Change in Control."

Victor Garcia. In the event Mr. Garcia's employment is terminated for "Cause" or due to company insolvency, Mr. Garcia is entitled only to any accrued compensation and benefits through the effective date of his termination.

In the event Mr. Garcia's employment is terminated (i) by us without "Cause", (ii) due to his death or disability, (iii) for any reason, other than for "Cause", death or disability, within 24 months following a "Change in Control" or (iv) by him for "Good Reason," Mr. Garcia is entitled to receive the following payments and benefits:

any accrued compensation and benefits through the effective date of the termination;

a lump sum payment equal to 150% of the greater of (a) \$520,000 or (b) Mr. Garcia's base salary for the 12 months immediately preceding the date of termination;

COBRA health benefits for whichever of the following periods is shortest: (A) the longer of (i) the remaining term of Mr. Garcia's employment agreement or (ii) 18 months following the date of termination; or (B) until Mr. Garcia is no longer entitled to COBRA continuation coverage under our group health plans; and

so long as the date of termination is at least one month after the beginning of our latest fiscal year, the annual bonus set forth in his employment agreement, pro-rated based on the number of days Mr. Garcia was employed during the fiscal year.

Mr. Garcia's employment agreement also provides that if he becomes entitled to receive or if he receives any payments that would be characterized as "excess parachute payments" within the meaning of Section 280G of the Internal Revenue Code, the payments will be reduced to the highest amount that may be paid to him without having any portion of any payment treated as an "excess parachute payment," but only if the effect of the reduction is that he would receive a greater amount of payments, as determined on an after-tax basis. If, on an after-tax basis, the payments Mr. Garcia would receive would be greater without any reduction, then these payments will not be reduced.

"Cause" is generally defined as (a) a failure by the executive to substantially perform his or her material duties under such executive's employment agreement which is not cured within thirty (30) days after notice from us; (b) an act by the executive of material dishonesty, fraud, misrepresentation, or other act(s) of moral turpitude; (c) an intentional act by the executive (other than one constituting a business judgment that was reasonable at the time or which was previously approved by the Board of Directors), or gross misconduct by the executive, which in either case, is seriously injurious to us; (d) a material breach by the executive of his or her employment agreement which is not cured within thirty (30) days after notice from us; or (e) a material and willful violation of a federal or state law or regulation applicable to our business.

"Change of Control" is generally defined as any of the following transactions: (a) a merger or consolidation with or into any other company or other entity, if (after giving effect to the merger or consolidation) our stockholders prior to the merger or consolidation would not be able to elect a majority of our Board of Directors immediately following the merger or consolidation; (b) a sale in one transaction or a series of transactions undertaken with a common purpose of all or a controlling portion of our outstanding voting securities or such amount of our outstanding voting securities as would enable the purchaser to obtain the right to appoint a majority of our Board of Directors; (c) a sale, lease, exchange or other transfer in one transaction or a series of related transactions undertaken with a common purpose of all or substantially all of our assets; or (d) as otherwise may constitute a Change in Control under our Amended and Restated 2007 Equity Incentive Plan; provided, however, a transaction involving a sale of stock beneficially owned by Mr. Ogawa, his spouse or his children shall not constitute a Change in Control unless (after giving effect thereto) a single party (or group of related parties) obtains control of us as a result of such transaction.

"Good Reason" is generally defined as the occurrence of any of the following events, without the consent of the executive: (a) any diminution in the executive's base salary, except as part of a program whereby the salaries of all of our executive officers are reduced for economic reasons; (b) any material diminution of the executive's authority, duties, reporting or responsibilities; (c) any action or inaction that constitutes a material breach by us of the executive's employment agreement; or (d) a material change in the geographic location at which the executive must perform his duties under his or her employment agreement, except for office relocation within the San Francisco Bay area; provided that the executive acknowledges and agrees that he or she may be required to travel extensively in connection with the performance of his or her duties under such executive's employment agreement and that any such travel requirement will not constitute a material change in the geographic location at which the executive must perform his or her duties under such executive's employment agreement.

Timothy Page. In the event we undergo a Change in Control within 24 months of commencement of Mr. Page's employment and he is terminated without cause within 24 months following the Change in Control, Mr. Page is entitled to receive a lump sum payment equal to twelve months of his base salary immediately preceding the date of termination. The definition of "Change of Control" under Mr. Page's employment agreement is substantially similar to the definition under Mr. Garcia's employment agreement as defined above.

Equity Compensation Plan

Under our Amended and Restated 2007 Equity Incentive Plan, all awards under the plan, including shares subject to stock options and restricted stock, that have not vested will become fully vested and exercisable in the event of a “change of control” or other “company transaction,” each as defined below, unless, in the event of a company transaction, the options or stock awards are assumed by the successor company. A “change of control” is generally defined as an acquisition of 50% or more of our voting power, or a change in the composition of our Board of Directors in a two-year period, without the approval of the Incumbent Board (as defined in the plan), that results in fewer than a majority of the Incumbent Board remaining in office. A “company transaction” is generally defined as the completion of a merger or consolidation with or into another company or entity, a sale in one or more transactions with the common purpose of all of our outstanding voting securities, or a sale in one or more transactions with the common purpose of all or substantially all of our assets. The Compensation Committee may also, in the event of a change of control, allow the holder of an award to surrender the award in exchange for a cash payment, or, in the event of a company transaction, terminate awards under the plan in exchange for a cash payment, each calculated by a formula set forth in the plan.

The following table describes the potential payments upon a termination or change of control for our named executive officers, assuming that the triggering event occurred on December 31, 2012. In the case of stock options, the value of the acceleration was determined based on the difference between (i) the exercise price of the shares for which vesting was accelerated and (ii) the \$21.95 closing price on December 31, 2012.

On June 5, 2009, Mr. Ogawa signed a compensation agreement with the Company under which Mr. Ogawa is entitled to an annual retainer fee of \$100,000, payable each calendar quarter in increments of \$25,000. The compensation under this agreement is in lieu of the retainer and meeting fees that are payable to other members of the Board of Directors who are not also our employees. In addition to the annual retainer fee, Mr. Ogawa will continue to receive the fringe benefits that he was receiving prior to his retirement as an executive officer of the Company. The agreement is effective for as long as Mr. Ogawa serves as Chairman of the Board of Directors or for a period of three years from the date of the agreement.

Mr. Nishibori also receives the standard cash compensation for directors as outlined below.

Other Director Compensation. Directors who are also our employees receive no additional compensation for their services as directors. All directors are also reimbursed for reasonable and necessary travel, communications, and other out-of-pocket business expenses incurred in connection with their attendance at meetings, while on corporate business or for continuing education related to their board service. In addition, we indemnify our directors for liability they may incur for serving in that capacity to the maximum extent permitted under the laws of the state of Delaware. We also advance expenses to our directors in connection with this indemnification.

Representatives of KPMG LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they so desire. The representatives also are expected to be available to respond to appropriate questions from stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS

The Compensation Committee and our Board of Directors believe that the policies and procedures articulated in the "Compensation Discussion and Analysis" are effective in achieving our goals and that the compensation of our named executives reported in this proxy statement has contributed to the Company's recent and long-term success. In accordance with Section 14A of the Exchange Act, and as a matter of good corporate governance, we are asking stockholders to approve the following advisory resolution at the 2013 Annual Meeting of Stockholders:

RESOLVED, that the stockholders of CAI International, Inc.
