PROXY STATEMENT

Our board of directors is soliciting your proxy for the annual meeting of stockholders to be held at the Magnolia Hotel, which is located at 1100 Texas Avenue, Houston, Texas 77002, on Tuesday, June 10, 2014 at 10:00 a.m. and at any and all adjourned sessions of the annual meeting.

We are mailing our annual report for the fiscal year ended December 31, 2013, to our stockholders with this notice and proxy statement (including the form of proxy) on or about April 25, 2014.

Record Date and Quorum Requirements

Only stockholders of record at the close of business on April 17, 2014 will be entitled to vote at the annual meeting. The majority of the shares of common stock issued and outstanding and entitled to vote on the record date must be present in person or by proxy to have a quorum for the transaction of business at the annual meeting. Shares of common stock present in person or represented by proxy (including shares which abstain, withhold the vote or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum exists for a matter presented at the annual meeting. At the close of business on April 17, 2014, we had 52,169,945 shares of common stock issued and outstanding. Each share of common stock is entitled to one vote.

Items to be Voted Upon, Voting Your Shares and Votes Required

Your vote is very important. If you do not vote your shares, you will not have an impact with respect to the issues to be voted on at this annual meeting. In addition, banks and brokers cannot vote on their clients' behalf on "non-routine" proposals.

Stockholders will be voting upon three matters as well as any other business that may properly come before the meeting. The specific items to be voted on are: (1) election of two Class C directors, (2) approval, on an advisory basis, of the compensation of our named executive officers, and (3) ratification of the appointment of GBH CPAs, PC as our independent registered public account firm for the 2014 fiscal year.

In order to be elected as directors, each of the nominees for director must receive a plurality of the votes cast at the annual meeting. Advisory approval of our executive compensation and ratification of the selection of GBH CPAs, PC as our independent registered public accounting firm will require the affirmative vote of a majority of the votes cast.

Shares that abstain from voting on a particular proposal, and shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares on a particular proposal, will not be counted as votes "in favor" of such proposal, and will also not be counted as votes cast or shares voting on that proposal. Accordingly, abstentions and "broker non-votes" will have no effect on the voting on a proposal that requires the affirmative vote of a certain percentage of the votes cast or shares voting on a proposal but will have the effect of a vote against proposals requiring the affirmative vote of all shares entitled to vote. However, abstentions are considered to be present or represented in determining whether a quorum exists on a given matter.

Submitting Your Proxy

If you complete and submit your proxy, the persons named as proxies will vote the shares represented by your proxy in accordance with your instructions. If you submit a proxy card but do not fill out the voting instructions on the proxy card, the persons named as proxies will vote the shares represented by your proxy as follows:

•FOR the election of each of the director nominees;

•FOR the approval, on an advisory basis, of the compensation of our named executive officers;

•FOR the ratification of the selection of GBH CPAs, PC as our registered public accounting firm.

To ensure that your vote is recorded promptly, please vote as soon as possible. To vote by proxy, please complete, sign and mail the proxy card in the enclosed postage-paid envelope.

Stockholders that attend the annual meeting and wish to vote in person will be given a ballot at the meeting. If your shares are held in “street name” and you want to attend the annual meeting, you must bring an account statement or letter from the brokerage firm or bank holding your shares showing that you were the beneficial owner of the shares on the record date. If you want to vote shares that are held in “street name” or are otherwise not registered in your name, you will need to obtain a “legal proxy” from the holder of record and present it at the annual meeting.

Revoking or Changing Your Proxy

You may revoke or change your proxy at any time before it is voted. For a stockholder “of record”, meaning one whose shares are registered in his or her own name, to revoke or change a proxy, the stockholder may follow one of the procedures listed below.

•submit another properly signed proxy, which bears a later date;

•deliver a written revocation to our corporate secretary; or

•attend the annual meeting or any adjourned session thereof and vote in person.

If you are a beneficial owner of our common stock, and not the stockholder of record (for example your common stock is registered in “street name” with a brokerage firm), you must follow the procedures required by the holder of record, which is usually a brokerage firm or bank, to revoke or change a proxy. You should contact the stockholder of record directly for more information on these procedures.

Other Information

We will bear the expense of soliciting proxies. Our officers and certain other employees, without additional remuneration, may solicit proxies personally or by telephone, e-mail or other means.

Our Annual Report on Form 10-K for the year ended December 31, 2013, which is not part of the proxy soliciting materials, is included with this Proxy Statement.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The table below shows the number of our shares of common stock beneficially owned as of April 17, 2014 by:

Under such rules, beneficial ownership includes any shares over which the person or entity has sole or shared voting power or investment power and also any shares that the person or entity can acquire within 60 days of April 17, 2014 through the exercise of any stock option or other right. For purposes of computing the percentage of outstanding shares of common stock held by each person or entity, any shares that the person or entity has the right to acquire within 60 days after April 17, 2014 are deemed to be outstanding with respect to such person or entity but are not deemed to be outstanding for the purpose of computing the percentage of ownership of any other person or entity. Unless otherwise indicated, each person or entity has sole investment and voting power (or shares such power with his or her spouse) over the shares set forth in the following table. The inclusion in the table below of any shares deemed beneficially owned does not constitute an admission of beneficial ownership of those shares. During 2013, we granted options to purchase 600,000 shares to John Terwilliger, our Chairman, CEO and President, options to purchase 300,000 shares to James J. Jacobs, our Chief Financial Officer, and options to purchase 300,000 shares to Kenneth Jeffers, our Senior Vice President of Exploration. Those options were exercisable for ten years at \$0.3075 per share, the market price on the grant date, and vested 50% on the grant date and 50% on the first anniversary of the grant date. The options granted to Messrs. Jacobs and Jeffers expired during 2013, following their departures from our company.

During 2012, we granted options to purchase 600,000 shares to Mr. Terwilliger, options to purchase 300,000 shares to Mr. Jacobs, and options to purchase 300,000 shares to Mr. Jeffers. Of those options, 385,500 options held by Mr. Terwilliger, 192,750 options granted to Mr. Jacobs and 192,750 options granted to Mr. Jeffers were subject to shareholder approval of an amendment to the 2008 Plan to increase the shares authorized under that plan to an amount sufficient to permit the exercise of such options. The shareholders approved that amendment in June 2011 and the options subject to such approval are reflected as 2013 grants. All of those options granted to Messrs. Jacobs and Jeffers expired during 2013, following their departures from our company

Production Incentive Compensation Plan

In August 2013, our compensation committee adopted a Production Incentive Compensation Plan (the “PIC Plan”). The purpose of the PIC Plan is to encourage employees and consultants participating in the PIC Plan to identify and secure for our company participation in attractive oil and gas opportunities.

Under the PIC Plan, the committee may establish one or more pools (each a “Pool”) and designate employees and consultants to participate in those Pools and designate prospects and wells, and a defined percentage of our revenues from those wells, to fund those Pools. Only prospects acquired on or after establishment of the PIC Plan, and excluding all prospects in Colombia, may be designated to fund a Pool. The maximum percentage of our share of revenues from a well that may be designated to fund a Pool is 2% (the “Pool Cap”); provided, however, that with respect to wells with a net revenue interest to the 8/8 of less than 73%, the Pool Cap with respect to such wells shall be reduced on a 1-for-1 basis such that no portion of our revenues from a well may be designated to fund a Pool if the NRI is 71% or less.

Designated participants in a Pool will be assigned a specific percentage out of our revenues assigned to the Pool and will be paid that percentage of such revenues from all wells designated to such Pool and spud during that participant’s employment or services with our company. In no event may the percentage assigned to our chief executive officer relative to any well within a Pool exceed one-half of the applicable Pool Cap for that well. Payouts of revenues funded into Pools shall be made to participants not later than 60 days following year end, subject to the committee’s right to make partial interim payouts. Participants will continue to receive their percentage share of revenues from wells included in a Pool and spud during the term of their employment or service so long as revenues continue to be derived by our company from those wells even after termination of employment or services of the participant; provided, however, that a participant’s interest in all Pools shall terminate on the date of termination of employment or services where such termination is for cause.

In the event of certain changes in control of our company, the acquirer or survivor of such transaction must assume all obligations under the PIC Plan; provided, however, that in lieu of such assumption obligation, the committee may, at its sole discretion, assign overriding royalty interests in wells to substantially mirror the rights of participants under the PIC Plan. Similarly, the committee may, at any time, assign overriding royalty interests in wells in settlement of obligations under the PIC Plan.

The PIC Plan is administered by our compensation committee which shall consult with our chief executive officer relative to Pool participants, prospects, wells and interests assign although the committee will have final and absolute authority to make all such determinations.

During 2013, awards of interests in four prospects acquired during the year, ranging from 0.5% to 1% of company revenues from those prospects, were made to John Terwilliger, our Chairman, CEO and President. No cash payments were made under the PIC Plan during 2013.

Termination or Change in Control Payments

In June 2012, our board of directors approved the entry into Change in Control Agreements (the “Change in Control Agreements”) with our President and Chief Executive Officer, John Terwilliger, Chief Financial Officer, James J. Jacobs, and Senior Vice President – Exploration, Kenneth Jeffers. Pursuant to the Change in Control Agreements, if we undergo a change in control and a covered officer is terminated without cause or resigns for good reason within 90 days prior to or within 12 months following a change in control, the subject officer is entitled to (i) a lump sum cash severance payment equal to 250% of his average annual cash compensation (including salary and bonuses) during the three years ending on the termination date, and (ii) acceleration of vesting of all unvested time-based stock options.

Pension Benefits

We do not maintain any retirement plans or otherwise provide any retirement benefits of any nature for our executives or employees.

Director Compensation Table

The following table provides compensation information for the year ended December 31, 2013 for each member of our Board of Directors:

Name (1)	Fees Earned or Paid in Cash (\$)	Stock Awards (\$)	Option Awards (\$) (2)(3)	Non-Equity Incentive Plan Compensation (\$)	All Other Compensation (\$)	Total (\$)
John Boylan	26,250	—	6,127	—	—	32,377
Stephen Hartzell	18,750	—	6,127	—	—	24,877
O. Lee Tawes III	11,250	—	6,127	—	—	17,377
Keith Grimes	18,750	—	6,127	—	—	24,877

(1) Mr. John Terwilliger, a director and officer of our company, has been omitted from this table since he receives no compensation for serving on our board.

Reflects the grant date fair value calculated in accordance with FASB ASC Topic 718. The Company's FASB ASC Topic 718 assumptions used in these calculations are set forth in Note 8 to the Financial Statements included in the Company's annual report on Form 10-K filed with the SEC on March 14, 2014.

The following are the aggregate number of option awards outstanding that have been granted to each of our non-employee directors as of December 31, 2013, the last day of the 2013 fiscal year: Mr. Boylan: 205,000; Mr. Hartzell: 211,666; Mr. Tawes: 211,666; and Mr. Grimes: 50,000.

Standard Director Compensation Arrangements

We compensate non-employee members of the board through a mixture of cash and equity-based compensation. Cash compensation arrangements for our non-employee directors consist of the following payments: (i) annual retainer of \$9,000; (ii) annual retainer for service on each board committee of \$3,000; (iii) annual retainer for service as chair of the audit committee of \$3,750; and (iv) annual retainer for service as chair of the compensation committee of \$2,250. Each of the annual retainers is payable in equal quarterly installments. We also reimburse expenses incurred by non-employee directors to attend board and committee meetings.

On the date of the initial appointment or election of each non-employee director, and on the date of each annual meeting thereafter, each non-employee director receives a stock option grant to purchase 25,000 shares (pro rated if appointment or election is other than at an annual meeting of stockholders) of our common stock at a price equal to the fair market value of our common stock on the date of grant. Option grants to directors vest 20% on the date of grant and 80% nine months from the date of grant.

Directors who are also our employees do not receive cash or equity compensation for service on the board in addition to compensation payable for their service as employees of Houston American Energy.

2012 Special Option Grants to Non-Employee Directors

In June 2012, our board approved, and we made, special one-time grants of options to non-employee directors to purchase, for a period of ten years, 75,000 shares of common stock at a price equal to the fair market value of our common stock on the date of grant. Those options vested 20% on the date of grant and 80% nine months from the date of grant, provided, however, that the exercise of such options as to 48,175 shares per non-employee director was further subject to approval by our stockholders of an amendment to our 2008 Equity Incentive Plan increasing the shares reserved for issuance under the plan to an amount sufficient to permit exercise of such options. In June 2013, our shareholders approved an amendment to our 2008 Equity Incentive Plan increasing the shares reserved thereunder, after which the balance of the options granted under the 2012 special option grant became exercisable.

CORPORATE GOVERNANCE

The Board and Board Meetings

The board consists of five directors. During the fiscal year ended December 31, 2013, the board held a total of sixteen meetings (including telephonic meetings and committee meetings). Each of the incumbent directors attended at least 75% of the total number of meetings of the board, including meetings of all committees on which he served. Our corporate governance guidelines provide that directors are expected to attend the annual meeting of stockholders. All of our directors attended our 2013 annual meeting of stockholders.

Board Independence

The board has determined that each of the directors, with the exception of Messrs. Terwilliger and Tawes, qualify as “independent” as defined by applicable NYSE MKT and SEC rules. In making this determination, the board has concluded that none of these members has a relationship that, in the opinion of the board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Stephen Hartzell has served as lead director since March 2007 and presides over meetings of the independent directors.

Board Committees

The board currently has, and appoints members to, two standing committees: the audit committee and the compensation committee. Each member of these committees is independent as defined by applicable the NYSE MKT and SEC rules. Each of the committees has a written charter approved by the board. The current members of the committees are identified below:

Director	Audit	Compensation
John Boylan	ü (Chair)	ü (Chair)
Stephen Hartzell	ü	ü
Keith Grimes	ü	ü

Audit Committee

The audit committee is composed of three independent directors, Messrs. Boylan, Hartzell and Grimes, each of whom meets the independence and financial literacy requirements as defined by applicable NYSE MKT and SEC rules. The audit committee assists the board in its general oversight of our financial reporting, internal controls, legal compliance, ethics programs and audit functions, and is directly responsible for the appointment, evaluation, retention and compensation of the registered public accounting firm. The board has determined that Mr. Boylan qualifies as an “audit committee financial expert” in accordance with the applicable rules and regulations of the SEC.

The audit committee acts under the terms of a written charter initially adopted in May 2006, a copy of which can be found on our website at www.houstonamericanenergy.com/corporategovernance.html. The audit committee met five times during the fiscal year ended December 31, 2013. For more information regarding the audit committee, please refer to the “Report of Audit Committee” beginning on page 13.

Compensation Committee

The compensation committee, which is appointed by the board, is composed of three non-employee independent directors as defined by applicable NYSE MKT rules. The committee is responsible for establishing and administering the policies that govern both annual compensation and equity ownership. It reviews and approves salaries, bonus and incentive compensation, perquisites, equity compensation, and all other forms of compensation for our executive

officers, including the chief executive officer. The compensation committee is also responsible for reviewing and administering our incentive compensation plans, equity incentive programs and other benefit plans. It periodically reviews and makes recommendations to the board with respect to director compensation.

The compensation committee acts under the terms of a written charter adopted in May 2006, a copy of which can be found on our website at www.houstonamericanenergy.com/corporategovernance.html. The compensation committee held three meetings during the fiscal year ended December 31, 2013.

Nomination of Directors

The board of directors does not maintain a standing nominating committee. Instead, the board has adopted, by resolution, a process of nominating directors wherein nominees must be selected, or recommended for the board's selection, by a majority of the independent directors with independence determined in accordance with NYSE MKT standards. Because of the relatively small size of the board and the current demands on the independent directors, the board determined that the nomination process would best be carried out, while maintaining the independence of the nominating process, by drawing upon the resources of all board members with the requirement that nominees be selected by a majority of the independent directors.

In the event of a vacancy on the board, the process followed by the independent directors in nominating and evaluating director candidates includes requests to board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the board.

In considering whether to recommend any particular candidate for inclusion in the board's slate of recommended director nominees, the independent directors apply criteria adopted by the board. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry, experience, diligence, absence of conflicts of interest and the ability to act in the interests of all stockholders. No specific weights are assigned to particular criteria and no particular criterion is a prerequisite for each prospective nominee. The Board does not have a formal policy with respect to diversity of nominees. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will best allow the board to fulfill its responsibilities.

The board may utilize the services of a search firm to help identify candidates for director who meet the qualifications outlined above.

Stockholders may recommend individuals to the independent directors for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of our common stock for at least a year as of the date such recommendation is made, to Independent Directors, c/o Corporate Secretary, Houston American Energy Corp, 801 Travis St., Suite 1425, Houston, Texas 77002. Assuming that appropriate biographical and background material has been provided on a timely basis, the stockholder-recommended candidates will be evaluated by following substantially the same process, and applying substantially the same criteria, as it follows for candidates recommended by our board or others. If the board determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in the proxy card for the next annual meeting.

Stockholders also have the right under our bylaws to directly nominate director candidates, without any action or recommendation on the part of the board, by following the procedures set forth under "Deadline for Submission of Stockholder Proposals for the 2015 Annual Meeting" on page 15. Candidates nominated by stockholders in accordance with the procedures set forth in the bylaws will not be included in our proxy card for the next annual meeting.

Communicating with the Independent Directors

Our board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Our lead director, Mr. Hartzell, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the lead director, with the assistance of our counsel, considers to be important for the directors to

know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the board should address such communications to Houston American Energy Corp, Board of Directors, c/o Corporate Secretary, 801 Travis St., Suite 1425, Houston, Texas 77002.

Board Leadership Structure and Risk Oversight Role

Our Chief Executive Officer also serves as Chairman of our Board of Directors. As noted, Stephen Hartzell presently serves as our “Lead Independent Director”. We believe that such a leadership structure is appropriate for our company given the small size of our company and our need to control costs and facilitate rapid response to market opportunities.

Our Board provides high level oversight with respect to our risk management activities, consisting principally of interfacing with management with regard to proper risk management policies and implementation of those policies. In general, the Board familiarizes itself with the risk management policies being pursued and the actual transactions carried out in that regard so as to assure that the policy is sound and the transactions undertaken are consistent with the policy. Given our position as a non-operator of our various properties, decisions regarding entry into derivative instruments to manage commodity price risk is typically vested in the property operators and, therefore, the Board believes that our company and management has little discretion with regard to risk management transactions.

Code of Conduct and Ethics

We have adopted a written code of conduct and ethics that applies to all our directors, officers and employees, including our chief executive officer and our chief financial and accounting officer. A current copy of the code can be found on our website at www.houstonamericanenergy.com/corporategovernance.html. In addition, we intend to post on our website or file under cover of Form 8-K all disclosures that are required by law or NYSE MKT listing standards concerning any amendments to, or waivers from, any provision of the code.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, or “Section 16(a)”, requires that directors, executive officers and persons who own more than ten percent of any registered class of a company’s equity securities, or “reporting persons,” file with the SEC initial reports of beneficial ownership and report changes in beneficial ownership of common stock and other equity securities. Reporting persons holding our stock are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely on our review of copies of these reports, and written representations from such reporting persons, we believe that all filings required to be made by reporting persons of our stock were timely filed for the year ended December 31, 2013 in accordance with Section 16(a).

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Report of Audit Committee

The audit committee is responsible for assessing the information provided by management and our registered public accounting firm in accordance with its business judgment. Management is responsible for the preparation, presentation and integrity of our financial statements and for the appropriateness of the accounting principles and reporting policies that are used. Management is also responsible for testing the system of internal controls, and reports to the audit committee on any deficiencies found. Our registered public accounting firm was responsible for auditing the financial statements and for reviewing the unaudited interim financial statements.

The audit committee reviewed with our registered public accounting firm the overall scope and plan of the audit. In addition, it met with our registered public accounting firm, with and without management present, to discuss the results of GBH CPAs, PC’s examination, the evaluation of our system of internal controls, the overall quality of our financial reporting and such other matters as are required to be discussed under generally accepted auditing standards.

The audit committee has also received from, and discussed with, our registered public accounting firm the matters required to be discussed by Statement on Auditing Standards 61 (Communication with Audit Committees).

The audit committee discussed with GBH CPAs, PC that firm's independence from management and our company, including the matters in the written disclosures and the letter required by the Independence Standards Board Standard No. 1. The audit committee has also considered the compatibility of audit related and other services with the auditors' independence.

13

In fulfilling its oversight responsibilities, the audit committee has reviewed and discussed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2013 with both management and our registered public accounting firm. The audit committee's review included a discussion of the quality and integrity of the accounting principles, the reasonableness of significant estimates and judgments, and the clarity of disclosures in the financial statements.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the board, and the board has approved, that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2013 for filing with the SEC.

By the Audit Committee of the Board of Directors:

John Boylan, Audit Committee Chair
Stephen Hartzell, Audit Committee Member
Keith Grimes, Audit Committee Member

Independent Registered Public Accounting Firm Fees

Fee Category	FY	
	2013	FY 2012
Audit Fees ⁽¹⁾	\$56,500	\$86,000
Audit-Related Fees ⁽²⁾	—	46,500
Tax Fees	—	—
All Other Fees	—	—
Total Fees	\$56,500	\$132,500

Audit fees consist of fees for the audit of our financial statements, the review of the interim financial statements (1) included in our Quarterly Reports on Form 10-Q, and other professional services provided in connection with statutory and regulatory filings or engagements.

Audit-related fees consist of fees for services relating to regulatory filings in Colombia, comfort letters with respect (2) to transactions and other fees associated with financial statements but unrelated to the review and audit of company financial statements.

All fees set forth in the table above were approved by our audit committee.

Pre-Approval Policies and Procedures

The audit committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our registered public accounting firm. This policy generally provides that we will not engage our registered public accounting firm to render audit or non-audit services unless the service is specifically approved in advance by the audit committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

From time to time, the audit committee may pre-approve specific types of services that are expected to be provided by our registered public accounting firm during the next 12 months. Any such pre-approval is detailed as to the particular services to be provided and is also generally subject to a maximum dollar amount.

The committee's practice is to consider for approval, at its regularly scheduled quarterly meetings, all audit and non-audit services proposed to be provided by our registered public accounting firm. In situations where a matter cannot wait until the next regularly scheduled committee meeting, the chairman of the committee has been delegated authority to consider and, if appropriate, approve audit and non-audit services or, if in the chairman's judgment it is considered appropriate, to call a special meeting of the committee for that purpose.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some banks, brokers and other nominee record holders may be participating in the practice of “householding”. This means that only one copy of our annual report and proxy statement will be sent to stockholders who share the same last name and address. Householding is designed to reduce duplicate mailings and save significant printing and postage costs.

If you receive a household mailing this year and would like to receive additional copies of our annual report and/or proxy statement, please submit your request in writing to: Houston American Energy Corp., 801 Travis St., Suite 1425, Houston, Texas 77002, Attention: Secretary or by calling Houston American Energy at (712) 222-6966. Any stockholder who wants to receive separate copies of the proxy statement in the future, or who is currently receiving multiple copies and would like to receive only one copy for his or her household, should contact his or her bank, broker, or other nominee record holder.

DEADLINE FOR SUBMISSION OF STOCKHOLDER PROPOSALS FOR THE 2015 ANNUAL MEETING

Any stockholders who wish to submit a proposal, pursuant to Rule 14a-8 under the Exchange Act, for inclusion in the proxy materials for our 2015 annual meeting of stockholders must ensure that it is received by our corporate secretary at our corporate headquarters, which are located at 801 Travis St., Suite 1425, Houston, Texas 77002, no later than December 26, 2014.

Our by-laws also establish an advance notice procedure for stockholders who wish to nominate candidates for election as directors or otherwise propose business for consideration at a stockholders meeting. We must receive a notice regarding stockholder nominations for director or other business at our corporate headquarters not less than 70 days nor more than 90 days prior to the first anniversary of the prior year’s stockholder meeting, provided, however, that in the event we do not publicly announce the date of the applicable annual meeting by mail, press release or otherwise more than 70 days prior to the meeting, we must receive the notice no later than the tenth day following the day on which such announcement of the date of the meeting is made. Any such notice must contain certain specified information concerning the persons to be nominated or proposed business and the stockholder submitting the nomination or business, all as set forth in our by-laws. The presiding officer of the meeting may refuse to acknowledge any director nomination or business not made in compliance with such advance notice requirements. We have not publicly announced the date of the 2014 annual meeting prior to the mailing of this notice and proxy statement. Accordingly, an appropriate notice from a stockholder regarding nominations for director or other business to be acted on at the 2014 annual meeting must be received within ten days of this mailing.

Any stockholders wishing to submit proposals intended to be presented at our 2015 annual meeting of stockholders that are not submitted pursuant to Exchange Act Rule 14a-8 must ensure that they are received by us not later than April 1, 2015 and not earlier than March 12, 2015. The persons designated in the proxy card will be granted discretionary authority with respect to any stockholder proposal not timely submitted to us.
