Risk Oversight

Our Board of Directors is currently comprised of seven directors, four of whom are independent. The Board has four standing committees with separate chairs - the Audit, Compensation, Nominating and Governance and Executive Committees. A majority of the members of each of the Audit, Compensation, Nominating and Corporate Governance Committee are independent directors. Our Audit Committee is responsible for overseeing risk management and on at least an annual basis reviews and discusses with management policies and systems pursuant to which management addresses risk, including risks associated with our audit, financial reporting, internal control, disclosure control, legal and regulatory compliance, and investment policies. Our Audit Committee also serves as the contact point for employees to report corporate compliance issues. Our Audit Committee regularly reviews with our Board any issues that arise in connection with such topics. Our full Board regularly engages in discussions of risk management to assess major risks facing the Company and review options for their mitigation. Each of our Board committees also considers the risk within its area of responsibilities. For example, our Compensation Committee periodically reviews enterprise risks to ensure that our compensation programs do not encourage excessive risk-taking and our Nominating and Governance Committee oversees risks related to governance issues.

Board Independence

Our Board annually determines the independence of each director, based on the independence criteria set forth in the listing standards of the Marketplace Rules of NASDAQ. In making its determinations, the Board considers all

relevant facts and circumstances brought to its attention as well as information provided by the directors and a review of any relevant transactions or relationships between each director or any member of his or her family, and the Company, its senior management or our independent registered public accounting firm. Based on its review, the Board determined that each of Messrs. Goldman, Kopriva, Schweitzer and Woog is independent under the NASDAQ criteria for independent board members.

Executive Compensation

Compensation Philosophy

Our Compensation Committee is charged with the evaluation of the compensation of our executive officers and to assure that they are compensated effectively in a manner consistent with our compensation strategy and resources, competitive practice, and the requirements of the appropriate regulatory bodies.

Our compensation philosophy has the following basic components: (i) establish competitive base salaries to attract qualified talent, and (ii) evaluate performance and grant performance-based bonuses that may include equity and cash components. We try to establish executive compensation base salaries to allow us to remain competitive in our industry and to attract and retain executives of a high caliber. Similarly, we try to align a component of annual compensation to performance and achievement of our objectives in an effort to retain highly motivated executives who are focused on performance. We review other public reports and take into account the compensation paid to executives at similarly situated companies, both within and outside of our industry, when determining and evaluating our compensation philosophy and compensation levels. Our performance, including, but not limited to, earnings, revenue growth, cash flow, and continuous improvement initiatives, is a significant part of our evaluation and compensation levels.

Termination and Change in Control Arrangements

We have entered into employment agreements with Mr. Short, Mr. Belt and Mr. McKnight that require us to provide compensation to them upon termination of their employment with us or a change in control of the Company.

Regardless of the manner in which their employment terminates, they will be entitled to receive amounts earned during the term of their employment. Such amounts include:

• the portion of their current annual base salary and bonuses which have accrued through the date of termination;

• vested stock options; and

• payment for accrued but unused vacation.

In addition, immediately before a Change of Control Transaction, all stock options granted pursuant to the 2010 Plan will vest and become fully exercisable. Under the 2010 Plan, a “Change of Control Transaction” means the occurrence of any of the following events: (i) any person becomes the beneficial owner, directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the total voting power represented by our then-outstanding voting securities; (ii) the consummation of the sale or disposition by the Company of all or substantially all of its assets; or (iii) the consummation of a merger or consolidation of the Company or a subsidiary with another corporation or any other entity, other than a merger or consolidation which results in our voting securities of the Company outstanding immediately prior thereto continuing to represent at least fifty percent (50%) of the total voting power represented by the voting securities of the Company or such surviving entity or its parent outstanding immediately after such merger or consolidation.

In addition to the consideration described above, the amount of compensation payable to each of Mr. Short, Mr. Belt and Mr. McKnight following termination or a change of control is discussed below.

W. John Short

Termination for Disability. In the event we terminate Mr. Short’s employment because of his Disability, Mr. Short is entitled to a lump sum cash payment equal to all reasonable moving expenses incurred by Mr. Short to relocate his family and personal possessions to Bend, Oregon.

“Disability” is defined as Mr. Short’s substantial inability to perform his duties under this Agreement for a continuous period of 90 days or longer, or for 120 days or more in any 12-month period, due to a physical or mental disability.

Termination Without Cause, for Good Reason, Non-renewal of Employment Agreement, for Death or for Work Related Disability. In the event Mr. Short’s employment is terminated (i) by us other than for “cause”, (ii) because we elect to not renew his employment agreement at the end of its term, (iii) Mr. Short terminates his employment for “good reason”, (iv) due to Mr. Short’s death or (v) due to Mr. Short’s “work related disability”, Mr. Short shall be entitled to:

a cash lump sum payment equal to the greater of (i) the base salary and annual bonuses that Mr. Short would have been paid had he remained employed for the remainder of the then current term or (ii) the base salary and annual bonuses that Mr. Short would have been paid if he remained an employee for 12 months following the date of termination (such amount, the Short Severance Payment);

• his option to purchase a total of 25,000 shares of common stock, expiring July 5, 2019, immediately vests in full and remains exercisable for 2 years following the date of termination; and

a cash lump sum payment equal to all reasonable moving expenses incurred by Mr. Short to relocate his family and personal possessions to Bend, Oregon.

“Cause” is defined as (i) a material breach of the terms of his employment agreement, which remains uncured for 30 days after written notice of the breach is delivered to Mr. Short, (ii) Mr. Short has been grossly negligent or has engaged in material willful or gross misconduct in the performance of his duties, (iii) Mr. Short has committed, as determined by our Board in good faith, or has been convicted of fraud, moral turpitude, embezzlement, theft, other criminal conduct or any felony, (iv) Mr. Short habitually misuses alcohol, drugs, or any controlled substance, or (v) Mr. Short breaches his proprietary information agreement with us.

“Work-Related Disability” shall mean that Mr. Short, due to a physical disability that arises out of or is incurred in connection with his employment, has been substantially unable to perform his duties under this Agreement for a continuous period of 90 days or longer, or for 120 days or more in any 12 month period; provided, that a “Work-Related Disability” shall not include a disability arising from, or resulting from, stress, mental, nervous, behavioral or emotional disorders, or related conditions or from alcohol, drug, or controlled substance abuse or misuse.

Termination in Connection With a Change of Control. In the event that Mr. Short resigns or is terminated within 60 days before and 90 days after a Change of Control (as defined below), Mr. Short shall be entitled to:

• a cash lump sum payment equal to the Short Severance Payment;

• a cash lump sum payment equal to the difference between (i) two times the sum of Mr. Short’s base salary and target bonus level for the year in which the termination occurs and (ii) an amount equal to the Short Severance Payment.

“Change of Control” is defined as the occurrence of any of the following events: (i) the consummation of a merger or consolidation of the Company with any other entity which results in the voting securities of the Company outstanding immediately prior thereto failing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than fifty percent (50%) of the total voting power represented by the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation, or (ii) the sale, mortgage, lease or other transfer in one or more transactions not in the ordinary course of business of assets or earning power constituting more than fifty percent (50%) of the assets or earning power of the Company and its subsidiaries (taken as a whole) to any such person or group of persons.

“Cause” is defined as (i) a material breach of the terms of his employment agreement, which breach remains uncured for 30 days following written notice of breach, (ii) Mr. Belt has been grossly negligent or has engaged in material willful or gross misconduct in the performance of his duties, (iii) Mr. Belt has committed, as reasonably determined by our Board, or has been convicted by a court of law of fraud, moral turpitude, embezzlement, theft, or similar criminal conduct, or any felony, (iv) Mr. Belt habitually misuses alcohol, drugs, or any controlled substance, (v) Mr. Belt breaches his proprietary information agreement, or (vi) Mr. Belt fails to meet reasonable written standards established by us for performance of his duties under his employment agreement.

The per share exercise prices of the options on our common stock outstanding pursuant to compensation arrangements that have not been approved by our shareholders vary from \$6.00 to \$242.00.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

In 2013, the holders of our subordinated convertible notes agreed to amend their notes to reduce the interest rate to 5% from 10%, change the maturity of the notes to July 2016 (if there was a different maturity date) and to remove the conversion feature and antidilution protections upon the closing of an equity raise in excess of \$7.0 million (Modification). Concurrently, certain warrant holders agreed to exchange warrants to purchase shares of our common stock for the future issuance of shares of our common stock (Exchange). The former warrant holders committed to exchange their warrants, which were cancelled upon closing an equity raise in December 18, 2013; however the shares to be issued under the Exchange will not be issued until after our shareholders vote to approve an increase in our authorized shares of common stock. If shareholders do not approve an increase to the authorized number of shares of common stock by July 1, 2014, the interest rate on the notes will increase to 10%.

Transactions with Baruch Halpern

Entities beneficially owned by Baruch Halpern, our director, invested \$2,600,000 in our subordinated convertible notes and related warrants prior to 2013. During 2013, and the four months ended April 30, 2014, we paid \$288,836 and \$57,253 of interest on subordinated notes beneficially owned by Mr. Halpern. The terms of the notes beneficially

owned by Mr. Halpern were changed in the Modification.

As a result of the Exchange, warrants beneficially owned by Mr. Halpern for the purchase of up to 185,714 shares of common stock (\$14.00 per share exercise price with a July 31, 2017 expiration), related to the subordinated convertible notes were cancelled in exchange for 634,679 shares of our common stock (with a fair value of \$2.9 million at time of the Exchange) which will not be issued until after our shareholders vote to approve an increase in our authorized shares of common stock.

In connection with the Exchange, other warrants beneficially owned by Mr. Halpern for the purchase of up to 45,683 shares of common stock (\$14.00 per share exercise prices and expirations between January 2017 and August 2017) were cancelled in exchange for 75,377 shares of our common stock (with a fair value of \$0.3 million at time of the Exchange) which will not be issued until after our shareholders vote to approve an increase in our authorized shares of common stock.

Transactions with W. John Short

W. John Short, our chief executive officer and director, invested in our subordinated convertible notes and related warrants \$50,000 in January 2012 and \$25,000 in April 2013. During 2013, and the four months ended April 30, 2014, we paid approximately \$1,000 of interest on the convertible notes. In June 2013, Mr. Short made an election to be paid in stock, rather than cash, for interest accruing under the notes from February 2013 through June 2014. In connection with the election, in 2013 we (i) issued to Mr. Short 82 shares of common stock and (ii) issued a PIK warrant with 234 underlying shares of common stock, and increased the shares underlying Mr. Short's convertible notes by 234 shares as payment for interest accruing under the convertible notes from February 2013 through October 2013. The terms of the notes beneficially owned by Mr. Halpern were impacted by the Modification.

Index

As a result of the Exchange, warrants beneficially owned by Mr. Short for the purchase of up to 2,020 shares of common stock (\$14.00 per share exercise prices and expirations of July 207 and May 2018), including the PIK warrant, were cancelled in exchange for 6,674 shares of our common stock which will not be issued until after our shareholders vote to approve an increase in our authorized shares of common stock.

Transactions with Mark McKnight

In January 2014, we purchased all of the outstanding shares of H&N for \$2.0 million in cash, plus promissory notes for \$3,250,000 with an annual interest rate of 1%. Mark McKnight, our current senior vice president of contract manufacturing and president of H&N and his wife collectively owned a majority interest in H&N prior to the acquisition. In connection with our acquisition of H&N, Mark McKnight received \$670,000 and a promissory note for \$1,350,000 and Nicole McKnight, his wife, received \$670,000 and a promissory note for \$1,350,000. We have the option to pay principal and accrued interest under the notes in either cash or in our common stock, however, if we issue shares to our former warrants holders under the Exchange, then we must settle any outstanding balance on the notes at that time through the issuance of shares of our common stock. The number of shares issued under the notes will be based on the volume weighted average price of our common stock for the thirty trading days ending on the second business day immediately before our election to pay the note in shares of our common stock, but in no event shall such price be lower than \$6.00 or higher than \$12.00. If we elect to pay the note in cash, we agreed to make equal quarterly payments commencing on March 31, 2015, and ending on December 31, 2018. During this payment period, the annual interest rate under the notes will increase from 1% to 5% and shall further increase to 10% after January 2016.

January 17, 2014, we entered into a 5% unsecured promissory note with Nicole McKnight for \$132,987, with \$66,500 plus accrued interest due on December 31, 2014, with the remaining principal and accrued interest due on December 31, 2015.

During 2013, we had product sales totaling \$640,519 to H&N.
