## Section 3 - Securities and Trading Markets

### Item 3.02 Unregistered Sales of Equity Securities.

#### Background

During March 2014, we sold 70,000 shares of Series A Convertible Preferred Stock (“Preferred Shares”) to certain private investors for \$3,500,000 in cash. Each share of Series A Share was convertible, at the election of the holder, into BioTime common shares at a conversion price of \$4.00 per share, representing a current conversion ratio of 12.5 common shares for each Preferred Share. All of the outstanding Preferred Shares would have automatically been converted into common shares in accordance with their terms on March 4, 2019 (the “Automatic Conversion Date”). The Preferred Shares carried a cumulative annual preferred dividend of 3% of the subscription price per share, or approximately \$1.50 per share.

#### Conversion of Preferred Shares to Common Shares

On August 14, 2015, we entered into Preferred Stock Conversion Agreements (the “Agreements”) with the holders of the Preferred Shares pursuant to which they agreed to convert all of their Preferred Shares into BioTime common shares on that date. In accordance with the conversion provisions of the Preferred Shares, we issued a total of 875,000 common shares upon the conversion of the Preferred Shares. In consideration of the agreements to convert their Preferred Shares into common shares prior to the Automatic Conversion Date, we issued promissory notes to the holders of the Preferred Shares that will entitle them to receive total payments of principal and interest equal to the amount of dividends that they would have received had they held their Preferred Shares until the Automatic Conversion Date.

Principal and interest accrued on the promissory notes will be paid in equal semi-annual installments on January 31 (with interest accrued from July 1 through December 31 of the preceding year) and July 31 (with interest accrued from January 1 through June 30 of such year) of each year until March 4, 2019 at which date the final payment of the remaining principal balance of the promissory notes with interest accrued from January 1, 2019 will be due and payable.

Securities Act Exemptions

The offer and sale of the common shares and promissory notes was made without registration under the Securities Act of 1933, as amended, in reliance upon the exemptions provided under Section 3(a)(9) and Section 4(a)(2) thereof and Rule 506 thereunder.
