To the Stockholders of Stonepath Group, Inc.:

We are sending you the attached Consent Statement and the accompanying **WHITE** consent card because we are soliciting consents from Stonepath stockholders to remove without cause each current member of Stonepath's Board of Directors (the "Stonepath Board") and replace them with our three nominees, and to take certain other actions described in the attached Consent Statement. We are seeking your support for the removal of each current director of Stonepath and the election of our three nominees, Seth Lukash, Robert Arovas, and Gary Herman. The current directors of Stonepath were nominated by a major creditor of Stonepath that is now both.

We believe that our nominees are committed to obtaining the best possible result for Stonepath's shareholders.

We urge you to carefully consider the information contained in the attached Consent Statement and then support our efforts by signing, dating and returning the enclosed WHITE consent card today. CONSENT SOLICITATION STATEMENT

OF

**STRATEGIC TURNAROUND EQUITY PARTNERS, L.P. (Cayman)
GALLOWAY CAPITAL MANAGEMENT LLC
GARY L. HERMAN
BRUCE GALLOWAY**

This Consent Statement and **WHITE** consent card are furnished by Strategic Turnaround Equity Partners, L.P. (Cayman) (“Strategic Turnaround”), a limited partnership incorporated under the laws of the Cayman Islands, and its affiliates (the “Committee For The Preservation of Stonepath”), in connection with its solicitation of written consents from you, the holders of shares of common stock, par value \$.001 per share (the “Shares”), of Stonepath Group, Inc., a Delaware corporation (“Stonepath” or the “Company”), to take the following actions (the “Proposals”) without a stockholders’ meeting, as authorized by the Delaware General Corporation Law (the “DGCL”):

Proposal 1 - Remove each member of Stonepath’s Board of Directors (the “Stonepath Board”) and any person (other than those elected by this consent solicitation) elected or appointed to the Stonepath Board by such directors to fill any vacancy on the Stonepath Board or any newly-created directorships;

Proposal 2 - Elect the nominees of Strategic Turnaround - Seth Lukash, Robert Arovas and Gary Herman- described in this Consent Statement to serve as directors of Stonepath (or, if any such nominee is unable or unwilling to serve as a director of Stonepath, any other person designated as a nominee by the remaining nominee or nominees) (the “Strategic Turnaround Nominees”).

The participants in this proxy solicitation are each of the Strategic Turnaround nominees, Bruce Galloway, Strategic Turnaround, and Galloway Capital Management LLC. Information regarding these participants appears under “Participant Information” below.

This Consent Statement and the enclosed **WHITE** consent card are first being sent or given to Stonepath’s stockholders on or about May __, 2007.

On May __, 2007, Strategic Turnaround provided its written consent to the Secretary of Stonepath thereby fixing a record date for determining stockholders entitled to give their written consent to the Proposals described herein (the "Record Date"). As a result, under the applicable provisions of the Delaware laws, stockholders of record as of the close of business on the Record Date will be entitled to one vote for each Share. Based on publicly available information filed by Stonepath with the Securities and Exchange Commission (the "Commission"), there were 43,777,151 Shares issued and outstanding, as of November, 2006 and based on SEC filings, Strategic Turnaround believes that an additional 3,804,768 shares have been issued since then, bring the total outstanding shares to 47,581,919. Based on the foregoing figure, as of May 18, 2007, Strategic Turnaround and its principals, Gary Herman and Bruce Galloway, were the beneficial owners of an aggregate of 4,879,789 Shares, which represents approximately 10.26% of the Shares outstanding. Strategic Turnaround intends to vote such Shares in favor of the Proposals described herein. The mailing address of the principal executive offices of Stonepath is Word Trade Center West, 2200 Alaskan Way, Suite 200, Seattle, WA 98121.

**THE COMMITTEE URGES YOU TO SIGN, DATE AND RETURN THE WHITE
CONSENT CARD IN FAVOR OF THE PROPOSALS DESCRIBED HEREIN.**

BACKGROUND TO THE SOLICITATION

Effective February 12, 2007, the members of the Board of Stonepath resigned and appointed as their replacement three directors designated by Mass Financial Corp. (“Mass Financial”), Messrs. Slobodan Andjic, Martin Müller-Romheld, and James Carter. According to Stonepath’s SEC filings, the appointments resulted from Mass Financial’s purchase by assignment of approximately \$3.688 million in outstanding notes previously issued by Stonepath to Laurus Master Fund Ltd. (“Laurus”). On March 28, 2007, one of the three Mass Financial nominees, Mr. Carter, resigned and the Stonepath Board appointed Mr. Nowroz Jal Cama as his successor. As a result of these transactions, the existing Board of Stonepath is now comprised of three individuals, each proposed by Mass Financial or directors that it selected.

Under the agreements signed in February 2007, Stonepath apparently anticipated an additional \$20 million in funding from Mass Financial. These additional funds have not been advanced.

In late March 2007, Stonepath announced that it was unable to prepare and file its annual report on Form 10-K for its fiscal year ended December 31, 2006 within the prescribed time period. To date, Stonepath has still not filed its Form 10-K. On April 18, 2007, Stonepath also received a notice from the American Stock Exchange LLC (the “Exchange”) that by failing to timely file its annual report on Form 10-K for the fiscal year ended December 31, 2006, Stonepath had failed to satisfy standards for continued listing of Stonepath’s securities on the Exchange.

On May 4, 2007, Stonepath announced that it had received a notice of default from Mass Financial on or about April 17, 2007 and that later in April, it had received a notice of disposition of certain collateral, specifically that “Mass Financial is the process of negotiating specific sales of collateral foreclosed upon in connection with the April 17, 2007 notice of default....” According to Stonepath’s SEC filing, the collateral “consist *inter alia* of the shares of Stonepath Logistics Domestic Services, Inc. (“SLDS”). . . and the assets of two subsidiaries of SLDS, United American Freight Services, Inc. and Stonepath Logistics Government Services, Inc.” According to Stonepath’s SEC filing, it had also received a notice of appointment of receivers and managers from SBI Brightline, LLC (“SBI”) relating to the shares of Stonepath in its subsidiary Stonepath Holdings (Hong Kong) Limited.

On May 8, 2007, three alleged creditors of the Stonepath filed a petition in the United States Bankruptcy Court for the District of Delaware seeking an involuntary Chapter 7 proceeding for Stonepath and the appointment of an interim trustee.

It is apparent that Stonepath’s Board now faces serious challenges and is adverse to Mass Financial. However, each member of the Board was selected directly or indirectly by Mass Financial, a creditor who is now seeking to dispose of Stonepath’s assets. For this reason, Strategic Turnaround believes that new directors should be appointed who are independent of Mass Financial. Accordingly, Strategic Turnaround has delivered its written consent to elect its three nominees to the Board and has commenced this proxy solicitation to remove the existing directors without cause and replace them with three new directors. Strategic Turnaround believes that it is Stonepath’s largest shareholder.

The nominees of Strategic Turnaround are not committed to any particular plan or course of action. Upon election to the Board, they intend to explore all alternatives to protect and maximize shareholder value, including without limitation the possible appointment of a restructuring officer, the possible appointment of Mr. Arovas as interim CEO, the negotiation of new arrangements with existing creditors, a possible refinancing of the Company's debt and new equity capital, and legal challenges to the proceedings filed by Mass Financial.

IMPORTANT

Your vote is important, no matter how few Shares you own. Strategic Turnaround urges you to sign, date, and return the enclosed WHITE consent card today to vote FOR the Proposals described herein.

If your Shares are registered in your own name, please sign and date the enclosed **WHITE** consent card and return it to Strategic Turnaround, c/o Galloway Capital Management, LLC, in the enclosed envelope today.

PROPOSAL NO. 1

**REMOVAL OF EXISTING DIRECTORS SERVING ON
STONEPATH BOARD**

According to the Bylaws, any director may be removed from office, with or without cause, by the affirmative vote of a majority of the voting power of all shares of the Company entitled to vote generally in the election of directors, voting as a single class. We are seeking to remove without cause each member of the Stonepath Board and any person (other than those elected by this consent solicitation) elected or appointed to the Stonepath Board by such directors to fill any vacancy on the Stonepath Board or any newly-created directorships.

The Stonepath Board is currently composed of three (3) directors as set forth below, each of whom will be removed if Proposal No. 1 is approved:

| Name | Current Position |

REASONS FOR REMOVING EXISTING DIRECTORS

We recommend that the Stonepath stockholders consent to the removal of all the directors serving on the Stonepath Board. The most important reason for you to consent to the removal of directors is to allow the Stonepath stockholders to have representatives who are independent of Mass Financial, a creditor who is foreclosing upon Stonepath's assets.

CONSENT PROCEDURES

Section 228 of the DGCL provides that, unless the certificate of incorporation of a Delaware corporation otherwise provides, any action required to be taken at any annual or special meeting of stockholders of that corporation, or any action that may be taken at any annual or special meeting of those stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, is signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take that action at a meeting at which all shares entitled to vote thereon were present and voted, and those consents are delivered to the corporation by delivery to its registered office in Delaware, its principal place of business or an officer or agent of the corporation having custody of the book in which proceedings of meetings of stockholders are recorded. The certificate of incorporation of Stonepath does not prohibit stockholder action by written consent.

To be effective, the requisite written consents must be delivered to Stonepath within 60 days of the earliest dated written consent delivered to Stonepath. Strategic Turnaround delivered its written consent to Stonepath on May __, 2007. Thus, written consents must be delivered to Stonepath by July __, 2007 to be effective.

If the Proposals become effective as a result of this consent solicitation, prompt notice will be given under Section 228(e) of the DGCL to stockholders who have not executed written consents. All stockholders will be notified as promptly as possible by press release of the results of the solicitation.

According to publicly available information, the Shares constitute Stonepath's only class of voting securities and each Share entitles its record holder to one vote. Stockholders of Stonepath do not have cumulative voting rights in the election of directors and cumulative voting is not applicable in this consent solicitation. Only holders of Shares as of the close of business on the Record Date are entitled to execute written consents in favor of the Proposals. If you are a stockholder of record at the close of business on the Record Date, you will retain your right to consent even if you sell your Shares after the Record Date. Accordingly, it is important that you provide consent for the Shares held by you as of the close of business on the Record Date on the **WHITE** consent card.

Revocation of Consents

An executed consent card may be revoked at any time by marking, dating, signing and delivering a written revocation before the time that the action authorized by the executed consent becomes effective. A revocation may be in any written form validly signed by the record holder as long as it clearly states that the consent previously given is no longer effective. The delivery of a subsequently dated consent card that is properly completed will constitute a revocation of any earlier consent. The revocation may be delivered either to Strategic Turnaround, c/o Galloway Capital Management, LLC, 720 Fifth Avenue, 10th Floor, New York, New York 10019, or to the principal executive offices of Stonepath. Although a revocation is effective if delivered to Stonepath, we request that either the original or photostatic copies of all revocations of consents be mailed or delivered to Strategic Turnaround, c/o Galloway Capital Management, LLC, at its address set forth above, so that we will be aware of all revocations and can more accurately determine if and when sufficient unrevoked consents in favor of the Proposals have been received.

Special Instructions

If you are a record holder of Shares as of the close of business on the Record Date for this consent solicitation, you may elect to consent to, withhold consent to or abstain with respect to each Proposal by marking the “CONSENTS,” “WITHHOLD CONSENT” or “ABSTAIN” box, as applicable, underneath each Proposal on the accompanying **WHITE** consent card and signing, dating and returning it promptly in the enclosed postage-paid envelope. The effectiveness of each Proposal will require the properly completed and duly delivered, unrevoked written consent to that Proposal by the holders of record, as of the close of business on the Record Date, of a majority of the Shares then outstanding.

The accompanying **WHITE** consent card will be acted upon in accordance with the stockholder’s instructions on such **WHITE** consent card. You may consent to the removal of all directors of Stonepath by marking the “CONSENTS” box or you may consent to the removal of only certain of such directors by marking the “CONSENTS” box and writing the name of any director you do not want removed in the space provided on the **WHITE** consent card. You also may consent to the appointment of the entire slate of the Strategic Turnaround Nominees by marking the “CONSENTS” box or you may withhold consent to the appointment of any one or more of the Strategic Turnaround Nominees by marking the “CONSENTS” box and writing the name of any Strategic Turnaround Nominee you do not want to be appointed in the space provided on the **WHITE** consent card.

IF A STOCKHOLDER EXECUTES AND DELIVERS A WHITE CONSENT CARD, BUT FAILS TO CHECK A BOX MARKED “CONSENTS,” “WITHHOLD CONSENT” OR “ABSTAIN” FOR A PROPOSAL, THAT STOCKHOLDER WILL BE DEEMED TO HAVE CONSENTED TO THAT PROPOSAL.

YOUR CONSENT IS IMPORTANT. PLEASE SIGN, DATE AND RETURN THE ENCLOSED WHITE CONSENT CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED TODAY. FAILURE TO RETURN YOUR CONSENT WILL HAVE THE SAME EFFECT AS VOTING AGAINST THE PROPOSALS.

If your Shares are held in the name of a broker, dealer, commercial bank, trust company or other nominee, only it can execute a consent with respect to your Shares and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly contact the person responsible for your account and give instructions for a **WHITE** consent card in favor of each of the Proposals. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to Strategic Turnaround, c/o Galloway Capital Management, LLC, so that we will be aware of all instructions given and can attempt to ensure that those instructions are followed.
