**ITEM 2.02. Results of Operations and Financial Condition**

On August 23, 2007, the Perrigo Company released earnings for fiscal year 2007.

The earnings release contains non-GAAP measures which are defined as a financial measure of the Company's performance that excludes or includes amounts thereby differentiating it from the most directly comparable measure presented in the financial statements that are calculated and presented in accordance with Generally Accepted Accounting Principles (GAAP). Pursuant to the requirements of Regulation G, the Company has provided a reconciliation of adjusted gross profit, operating income, net income and earnings per share within its earnings release to the most directly comparable GAAP measure for these non-GAAP measures.

The Company excludes the items listed below in the applicable fiscal year when monitoring and evaluating the on-going financial results and trends of its business due to the unusual nature of these items. While the Company believes this information is also useful for investors since excluding these items provides important insight into the Company's on-going operations, investors should not rely on these non-GAAP measures as substitutes for the comparable GAAP measures.

Items excluded from reported results:

Fiscal 2007

- A write-off of in-process research and development
- A charge to cost of sales associated with the step-up in value of inventory acquired
- A charge for an impairment of a note receivable
- A restructuring charge for organizational improvements

Fiscal 2006

- A charge to cost of sales associated with the step-up in value of inventory acquired
- A gain on the sale of an equity investment
- A restructuring charge for asset impairments

The press release related to Perrigo's earnings is attached as Exhibit 99.1.

The information in this Report is being furnished and shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. The information in this Report shall not be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.
