ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

ITEM 2.01. COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

Disposition of Ownership Of Triton Global Business Services, Inc.

On March 21, 2006, NeoMedia Technologies, Inc. (“NeoMedia”) (OTCBB:NEOM) acquired all of the outstanding common shares of BSD Software Inc. (“BSD”), in exchange for 7,123,698 shares of NeoMedia common stock, valued at \$0.3467. Pursuant to the terms of the merger, BSD was merged with and into NeoMedia Telecom Services, Inc., a wholly-owned subsidiary of NeoMedia, and on March 21, 2006 began operating as the NeoMedia Telecom Services Business Unit. Through the acquisition of BSD, NeoMedia acquired 8,080,000 shares, representing 90.19% ownership, of common stock of Triton Global Business Services, Inc. (“Triton”), a provider of live and automated operator calling services and e-business support, including billing, clearinghouse and information management services, to companies in the telecommunications industry. The operations of Triton comprised 100% of the operations of BSD before the transaction and NeoMedia Telecom Services after the transaction. The acquisition of BSD by NeoMedia was transacted for the purpose of acquiring these operations.

On October 30, 2007, NeoMedia completed the sale of its 8,080,000 shares of Triton to Greywolf Entertainment, Inc., a Canadian company (the “Buyer”), for \$1,350,000 cash. NeoMedia also issued 6,190,476 shares of its common stock to the principal shareholder and CEO of the Buyer as additional consideration in the transaction. Due to the fact that Triton comprised 100% of the operations of NeoMedia’s Telecom Services business unit, as a result of the sale of all of its shares of Triton NeoMedia discontinued the operations of its Telecom Services business unit effective with the sale.

Guy Fietz, who was the Vice President and General Manager of the NeoMedia Telecom Services business unit since the acquisition of BSD and Triton by NeoMedia, and was also the principal shareholder and Chief Executive Officer of BSD prior to its acquisition by NeoMedia, is also the principal shareholder and CEO of the Buyer.

For purposes of this Form 8-K, any reference to the sale or discontinuation of Triton, BSD, or Telecom Services should be construed as referring to the transaction described above.

The Agreement is attached hereto as exhibit 10.1.

ITEM 2.06. MATERIAL IMPAIRMENTS

As a result of the completion of the sale of the Telecom Services business unit, NeoMedia compared the fair value of assets received in the sale to the carrying value of the asset group associated with this business. Accordingly, NeoMedia expects to record an impairment charge relating to the Telecom Services business unit asset group in the amount of \$3,378,000 during the three months ended September 30, 2007. NeoMedia does not expect the impairment charge to result in any future cash expenditures.

ITEM 9.01. FINANCIAL STATEMENTS, PRO FORMA INFORMATION AND EXHIBITS

Pro Forma Financial Information

Notes to Unaudited Pro Forma Condensed Combined Financial Statements

1. Basis of Presentation

Current Transaction

On October 26, 2007, NeoMedia completed the sale of 8,080,000 shares of Triton to the Buyer for \$1,350,000 cash. The operations of Triton comprised 100% of the operations of NeoMedia's Telecom Services business unit, which was acquired through the purchase by NeoMedia of BSD, and its operating subsidiary Triton, on March 21, 2006.

Other Acquisitions and Dispositions

In addition to the acquisition of BSD and the sale of Triton shares, the following acquisitions and dispositions have occurred since January 1, 2006, and are reflected in the pro forma financial statements presented herein:

Acquisition of Gavitec AG

On February 17, 2006, NeoMedia and Gavitec AG ("Gavitec") of Wuerselen, Germany, signed a definitive sale and purchase agreement, subject to closing conditions, under which NeoMedia acquired all of the outstanding shares of Gavitec in exchange for \$1,800,000 cash and 13,660,511 shares of NeoMedia common stock, calculated by dividing \$5,400,000 by the volume-weighted average closing price of NeoMedia common stock for the ten days up to and including February 16, 2006. On February 23, 2006, NeoMedia and Gavitec completed the closing requirements and the acquisition became effective.

Acquisition and Disposition of 12Snap AG

On February 28, 2006, NeoMedia acquired all of the outstanding shares of 12Snap AG ("12Snap") in exchange for \$2,500,000 cash and \$19,500,000 in stock, represented by 49,294,581 shares of NeoMedia common stock. On April 4, 2007, NeoMedia reached an agreement with an independent buyer (the "12Snap Buyer"), pursuant to which the 12Snap Buyer purchased from NeoMedia 90% of the shares of 12Snap, subject to the following material terms and conditions:

- \$1,100,000 was paid in cash at closing, and \$500,000 was placed into an escrow account for 90 days to secure warranty claims;
- The 12Snap Buyer waived his portion of the Purchase Price Guarantee Obligation in the amount of \$880,000;
 - The 12Snap Buyer returned to NeoMedia 2,525,818 NeoMedia shares previously issued to Buyer;
- 12Snap management waived their portion of the Purchase Price Guarantee Obligation in the amount of \$880,000;
- 12Snap management returned to NeoMedia 2,525,818 shares of NeoMedia common stock previously issued to 12Snap management;

- NeoMedia will retain a 10% ownership in 12Snap, subject to an option agreement pursuant to which NeoMedia has the right to sell and Buyer has the right to acquire the remaining 10% stake held by NeoMedia for a purchase price of \$750,000 after December 31, 2007;
- 12Snap and NeoMedia will execute a cooperation agreement pursuant to which 12snap will remain NeoMedia preferred partner and enjoy most favored prices, and 12snap will perform certain research and development functions for NeoMedia; and

Mobot, Inc. and Sponge Ltd.

On February 17, 2006, NeoMedia acquired all of the outstanding shares of Mobot, Inc. (“Mobot”) in exchange for \$3,500,000 cash and \$6,500,000 in stock, represented by 16,931,493 shares of NeoMedia common stock. On February 23, 2006, NeoMedia acquired all of the outstanding shares of Sponge Ltd. (“Sponge”) in exchange for \$6,141,000 cash and \$13.1 million in stock, represented by 33,097,135 shares of NeoMedia common stock.

On November 14, 2006, NeoMedia divested of 92.5% of its ownership interest in Mobot. On December 6, 2006, NeoMedia sold 82% of its ownership interest in Sponge. Because the acquisition and disposition of Mobot and Sponge occurred during the year ended December 31, 2006, the results of these entities are not shown separately in these pro forma financial statements.

Historical Financial Statements

Audited financials statements for BSD were included in amendment no. 2 to form 8-K filed with SEC on June 8, 2007. Audited financials statements for 12Snap were included in amendment no. 1 to form 8-K filed with SEC on May 8, 2006. Audited financials statements for Gavitec were included in amendment no. 1 to form 8-K filed with SEC on May 8, 2006. Audited financials statements for Mobot were included in amendment no. 1 to form 8-K filed with SEC on May 3, 2006. Audited financials statements for Sponge were included in amendment no. 2 to form 8-K filed with SEC on June 21, 2006.

The historical balance sheets of BSD, Gavitec, and 12Snap as of December 31, 2006 are included in NeoMedia’s consolidated balance sheet as of December 31, 2006 as reported on form 10-K. Since Sponge and Mobot were sold prior to December 31, 2006, the historical balance sheets of these entities are not included in NeoMedia’s consolidated balance sheet as of December 31, 2006.

The results of operations of Gavitec, 12 Snap and BSD are included from the respective acquisition date of each company through December 31, 2006 in NeoMedia’s consolidated results of operations for the year ended December 31, 2006 as reported on form 10-K. Results of operations of Mobot and Sponge are included from the respective acquisition date of each company through the respective sale date of each company in NeoMedia’s consolidated results of operations for the year ended December 31, 2006 as reported on form 10-K, under the caption, “Loss from discontinued operations.” 12Snap balance sheet as of December 31, 2006, and 12Snap, Mobot, Sponge, Gavitec, and BSD statements of operations for the year ended December 31, 2006 are shown in this filing for pro forma purposes only.

Presentation

The unaudited pro forma condensed combined balance sheet as of June 30, 2007 gives effect to the disposition of the Telecom Services business as if it had occurred as of June 30, 2007.

The unaudited pro forma condensed combined historical statement of operations for the six months ended June 30, 2007 gives effect to the dispositions of the Telecom Services and 12Snap businesses as if they had occurred as of June 30, 2007. Since both Telecom Services and 12Snap are classified as discontinued operations in NeoMedia's historical statement of operations for the six months ended June 30, 2007, there are no pro forma

adjustments to NeoMedia's loss from continuing operations. The weighted average number of shares outstanding during the six months ended June 30, 2007 was adjusted to reflect shares that were issued in connection with the sale of Telecom Services and returned to NeoMedia and retired in connection with the sale of 12Snap.

The unaudited pro forma condensed combined historical statement of operations for the year ended December 31, 2006 gives effect to the acquisitions of 12Snap and Gavitec as if they had occurred as of January 1, 2006, combining the historical results of NeoMedia for the year ended December 31, 2006 with the historical results of each entity for the year ended December 31, 2006. The acquisition and disposition of Telecom Services, Sponge and Mobot are assumed to have occurred on January 1, 2006, such that the net effect of the acquisition and disposition of each entity on the pro forma consolidated results of operations for the year ended December 31, 2006 is zero. Telecom Services operations for the year ended December 31, 2006 are shown separately in the pro forma statement of operations for informational purposes only.

The unaudited pro forma combined financial statements included in this filing have been prepared by the managements of NeoMedia, Gavitec, 12Snap, and BSD without audit, pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and footnote disclosures normally prepared in accordance with generally accepted accounting principles have been condensed or omitted pursuant to such rules and regulations. However, the managements of NeoMedia, Gavitec, 12Snap, and BSD believe that the disclosures are adequate to make the information not misleading.

The pro forma adjustments are based on currently available information and upon estimates and assumptions that we believe are reasonable under the circumstances. The unaudited pro forma financial data do not purport to represent what NeoMedia's financial position or results of operations would actually have been if such transactions had occurred on those dates and are not necessarily representative of NeoMedia's financial position or results of operations for any future period. The unaudited pro forma financial statements should be read in conjunction with the separate historical financial statements and footnotes of NeoMedia included in Form 10-K for the year ended December 31, 2006, with the separate historical financial statements and footnotes of Mobot for the years ended December 31, 2005 and 2004 (included in Form 8-K/A filed with the SEC on May 3, 2006), with the separate historical financial statements and footnotes of Sponge for the years ended September 30, 2005 and 2004 (included in Form 8-K/A filed with the SEC on June 21, 2006), with the separate historical financial statements and footnotes of Gavitec for the years ended December 31, 2005 and 2004 (in Form 8-K/A filed with the SEC on May 8, 2006), with the separate historical financial statements and footnotes of 12Snap for the years ended December 31, 2005 and 2004 (included in Form 8-K/A filed with the SEC on May 8, 2006), and with the separate historical financial statements and footnotes of BSD for the years ended December 31, 2005 and 2004 (included in Form 8-K/A filed with the SEC on June 8, 2007).

2. Preliminary Price Allocation

A final determination of the allocation of the sale of the assets and liabilities of Telecom Services has not been made. The allocation reflected in the unaudited pro forma combined financial statements is based on management's best judgment and estimate of the accounting treatment of the transaction, and should be considered preliminary. The final allocation could differ materially from the pro forma allocation included herein.

3. Pro forma Net Loss Per Share

The pro forma basic and dilutive net loss per share are based on the pro forma weighted average number of shares of NeoMedia's common stock as if the shares issued to acquire Gavitec, 12Snap, BSD, Mobot and Sponge had been issued at the beginning of the period shown. Shares issued and returned to NeoMedia in connection with the Sponge and 12Snap transactions are assumed to have been issued and retired at the beginning of the period shown. Shares issued in connection with the sale of BSD are assumed to have been issued at the beginning of the period shown.

Dilutive shares are not included in the computation of pro forma dilutive net loss per share as their effect would be anti-dilutive.
