Report of Independent Registered
Public Accounting Firm
To the Board of Directors and Stockholders
Vale S.A.
We have reviewed the accompanying condensed consolidated balance sheet of Vale S.A. and its subsidiaries (the Company ) as of June 30, 2011, and the related condensed consolidated statements of income, of cash flows, of comprehensive income and of stockholders equity for each of the three-month periods ended June 30 and March 31, 2011 and June 30, 2010 and for the six-month periods ended June 30, 2011 and June 30, 2010. This interim financial information is the responsibility of the Company s management.
We conducted our review in accordance with the standards of the Public Company Accounting Oversight Board (United States). A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States), the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.
Based on our review, we are not aware of any material modifications that should be made to the accompanying condensed consolidated interim financial information for it to be in conformity with accounting principles generally accepted in the United States of America.
We have previously audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheet as of December 31, 2010, and the related consolidated statements of income, of cash flows, of comprehensive income and of stockholders—equity for the year then ended (not presented herein), and in our report dated February 24, 2011, we expressed an unqualified opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying condensed consolidated balance sheet as of December 31, 2010, is fairly stated in all material respects in relation to the consolidated balance sheet from which it has been derived.
