Item 2.01. Completion of Acquisition or Disposition of Assets.

Completion of the Disposition of Nine Collegiate Housing Communities

As previously reported in a Current Report on Form 8-K which was filed with the Securities and Exchange Commission (“SEC”) on October 26, 2010, Education Realty Operating Partnership, LP and certain of its subsidiaries, each of which is an indirectly owned subsidiary of Education Realty Trust, Inc. (collectively, the “Company”), entered into two sales agreements, agreeing to sell a total of nine collegiate housing communities (collectively the “Dispositions”) to KAREP REIT I, Inc. (“KAREP”). On January 19, 2011, the Company completed the second of the two dispositions. KAREP is not affiliated with the Company or its affiliates, and the Dispositions resulted from arm’s-length negotiations between the Company and KAREP.

In accordance with the terms of the first agreement, the Company sold the following four collegiate housing communities (the “Communities”) to KAREP on December 8, 2010:

- The Gables, a 288-bed community serving Western Kentucky University in Bowling Green, Kentucky;
- Western Place, a 504-bed community serving Western Kentucky University in Bowling Green, Kentucky;
- Berkeley Place, a 480-bed community serving Clemson University in Clemson, South Carolina; and
- The Pointe at Southern, a 528-bed community serving Georgia Southern University in Statesboro, Georgia.

The sales price for the Communities was approximately \$38.7 million, and the Company received net proceeds of approximately \$20.5 million after the repayment of related debt of \$17.2 million and other closing costs. The foregoing description of the First Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the First Agreement, a copy of which was filed as Exhibit 10.1 to the Company’s Quarterly Report on Form 10-Q for the period ended September 30, 2010 and which is incorporated herein by reference.

In accordance with the terms of the second agreement, the Company sold the following five collegiate housing communities (the “Additional Communities”) to KAREP on January 19, 2011:

- Troy Place, a 408-bed community serving Troy University in Troy, Alabama;
- The Reserve at Jacksonville, a 504-bed community serving Jacksonville State University in Jacksonville, Alabama;
- The Reserve at Martin, a 384-bed community serving the University of Tennessee at Martin in Martin, Tennessee;
- The Chase at Murray, a 408-bed community serving Murray State University in Murray, Kentucky; and
- Clemson Place, a 288-bed community serving Clemson University in Clemson, South Carolina.

The sales price for the Additional Communities was approximately \$46.1 million, and the Company received net proceeds of approximately \$29.7 million after the repayment of related debt of \$16.1 million and other closing costs. The foregoing description of the Second Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Second Agreement, a copy of which was filed as Exhibit 10.2 to the Company’s Quarterly Report on Form 10-Q for the period ended September 30, 2010 and which is incorporated herein by reference.

The Company expects to use the net proceeds from the sales of the Communities and the Additional Communities to reduce outstanding debt, finance previously announced development projects at the University of Texas at Austin, Johns Hopkins University and the University of Connecticut and fund additional development and acquisition opportunities.

Safe Harbor Statement

The Company believes that certain statements in this Current Report on Form 8-K may constitute “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements contained herein include, but are not limited to, statements regarding the Company’s expected use of the net proceeds from the sales of the Communities and the Additional Communities.
