Section 5 – Corporate Governance and Management

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On March 15, 2011, the registrant, Acorn Energy, Inc., and John Moore, Chairman of the Board, President and Chief Executive Officer of the registrant, entered into an amendment to Mr. Moore's Employment Agreement that extended the term of Mr. Moore's employment to March 4, 2012 and formalized the earlier reported adjustment of Mr. Moore's base salary to \$300,000 per annum effective November 1, 2010.

In lieu of payment of a cash bonus for 2010, the registrant granted stock options under the registrant's Amended and Restated 2006 Stock Incentive Plan to Mr. Moore. Mr. Moore was granted incentive stock options exercisable for 33,333 shares of the registrant's common stock and non-qualified stock options exercisable for 33,333 shares of the registrant's common stock, all at an exercise price per share of \$3.70, the closing price of the registrant's stock on March 14, 2011, the effective date of the grant. One-fourth of Mr. Moore's options were immediately vested, with the remainder to vest ratably on June 30, September 30 and December 31, 2011. Mr. Moore's options will expire on March 14, 2016. Any unvested options would immediately vest upon a change of control (as defined in Mr. Moore's employment agreement with the registrant) or upon an involuntary termination of his employment without cause or a termination of his employment by Mr. Moore with Good Reason (as defined in Mr. Moore's employment agreement with the registrant). Following termination of Mr. Moore's employment, vested options would remain exercisable (i) until their original expiration date if terminated by the registrant without cause or terminated by Mr. Moore with Good Reason following a change of control, (ii) for 90 days following a termination by the registrant for cause, (iii) for 12 months following a voluntary termination by Mr. Moore, or (iv) for 12 months following death or disability.

On March 15, 2011, William J. McMahon, President and Chief Executive Officer of CoaLogix Inc. received a bonus of \$93,500 for 2010, and Joe B. Cogdell, Jr., Vice President, General Counsel and Secretary of the registrant and CoaLogix Inc., received a bonus of \$35,960 for 2010. Commencing with the pay period ending March 15, 2011, Mr. McMahon's annual base salary was increased from \$280,000 to \$305,000, and Mr. Cogdell's annual base salary was increased from \$312,000 to \$318,240.00, with such increases retroactive to January 1, 2011.

On March 10, 2011, the registrant and Mr. Moore entered into two Amendments to Amended and Restated Non-Plan Stock Option Agreements (the "Amendments") which amended two Amended and Restated Non-Plan Stock Option Agreements dated as of December 28, 2006 to add the method of "net exercise" as an additional method of exercising the options covered by such agreements. Under the Amendments, "net exercise" means a method for settling options whereby instead of receiving a payment or tender by Mr. Moore to cover the exercise price of the options, the registrant issues to Mr. Moore the net shares of common stock representing the difference between the aggregate fair market value of the shares of option shares and the aggregate exercise price of the options.
