**Item 3.02. Unregistered Sales of Equity Securities.**

The information contained in Item 1.01 above is incorporated herein by reference in response to this Item 3.02.

The Shares and Warrants to purchase shares of Common Stock were offered and sold to the Purchasers in a private transaction in reliance upon exemptions from registration pursuant to the provisions of Section 4(a)(2), Rule 506 of Regulation D or the provisions of Regulation S, each as promulgated by the SEC under the Securities Act. We made this determination based on the representations of each Purchaser which included, in pertinent part, that each such Purchaser was (a) an “accredited investor” within the meaning of Rule 501 of Regulation D, (b) a “qualified institutional buyer” within the meaning of Rule 144A under the Securities Act, or (c) not a “U.S. person” as that term is defined in Rule 902(k) of Regulation S, and upon such further representations from each Purchaser that (i) such Purchaser is acquiring the securities for his, her or its own account for investment and not for the account of any other person and not with a view to or for distribution, assignment or resale in connection with any distribution within the meaning of the Securities Act, (ii) the Purchaser agrees not to sell or otherwise transfer the Units or underlying component securities unless they are registered under the Securities Act and any applicable state securities laws, or an exemption or exemptions from such registration are available, (iii) the Purchaser has knowledge and experience in financial and business matters such that he, she or it is capable of evaluating the merits and risks of an investment in us, (iv) the Purchaser had access to all of our documents, records, and books pertaining to the investment and was provided the opportunity to ask questions and receive answers regarding the terms and conditions of the Offering and to obtain any additional information which we possessed or were able to acquire without unreasonable effort and expense, and (v) the Purchaser has no need for the liquidity in its investment in us and could afford the complete loss of such investment. In addition, there was no general solicitation or advertising for securities issued in reliance upon Regulation D.
